

Libros Gratis De Paramahansa Yogananda Para Descargar

This title offers strength and solace in times of adversity by explaining the mysteries of God's lila, or divine drama. It offers reasons for the dualistic nature of creation - God's interplay of good and evil - and guides readers on how to rise above their most challenging circumstances.

This book presents the readers with the Teachings about the Path to spiritual Perfection by Avatar Babaji from Haidakhan (India). Babaji is the One Who of His Own Will incarnates on the Earth from age to age to help seekers of the Truth and to edify spiritual leaders of our planet. One of the incarnations of Babaji is known from the book 'Autobiography of a Yogi' by Yogananda. The next coming of Babaji to the Earth in a body was from 1970 to 1984 in Haidakhan. This book is composed of the sayings of Babaji from Haidakhan, which are of significance for all people and in all times. Autobiography of a Yogi Diamond Pocket Books (P) Ltd. The Eternal Way The Inner Meaning of the Bhagavad Gita Motilal Banarsidass Publ.

This book contains words and music to more than 50 original chants. Chant traditions from many cultures are being recognized today not only for their intrinsic beauty but also for their spiritual power. Paramahansa Yogananda, a pioneer in introducing India's art of devotional chanting to the West, explains how it helps to quiet and focus the mind

in preparation for meditation.

Contains selected excerpts from Paramahansa Yogananda's book "The Second Coming of Christ: The Resurrection of the Christ Within You," which book is a commentary on the New Testament gospels and noncanonical source material, focusing on the quest to uncover the original teachings of Jesus.

The Closer's Survival Guide is perfect for sales people, negotiators, deal makers and mediators but also critically important for dreamers, investors, inventors, buyers, brokers, entrepreneurs, bankers, CEO's, politicians and anyone who wants to close others on the way they think and get what they want in life. Show me any highly successful person, and I will show you someone who has big dreams and who knows how to close! The end game is the close.

This guide teaches us how to break the shackles of fear and reveals how we can overcome our own psychological stumbling blocks. Filled with epigrams, lectures, and personal anecdotes, it is a testament of what we can become, if we have faith in the divinity of our true nature as the soul.

Paramahansa Yogananda lays the groundwork for living a life of enduring happiness and success. This is the first title in his How-to-Live series explaining how to overcome negativity and inertia, harness the dynamic power of our own wills, and create a happiness that endures all trials.

Where There is Light has sold over 200,000 copies since it was first published nearly thirty years ago. Its appeal and success stems from the fact that it provides a popular overview into

the writings and teachings of Paramahansa Yogananda and is often considered a second book to read after *Autobiography of a Yogi*. This New Expanded Edition includes two new chapters, including one offering beginner's instructions on how to meditate. Topics include: [[Finding wisdom and strength to make life's decisions [[The antidote for stress, worry, and fear [[Transforming our failures into success [[Security in an uncertain world [[Understanding death The faster the world moves, the more important it becomes to slow down and look within for what makes us truly happy. If you measure success by the quality of your life rather than just by material achievements, then the timeless wisdom of this book will speak directly to your heart and soul. For more than fifty years, this classic inspirational guide has helped hundreds of thousands of people to move through obstacles and invite all-round success fully into their lives. Filled with sensible down-to-earth wisdom, *The Law of Success* explores the spiritual sources of creativity, positive thinking, and dynamic will, as well as the success-producing power of self-analysis and meditation. It shows how each one of us can naturally attract happiness an harmony.

Religion or faith in fundamental principles is the foundation upon which the edifice of reasoning or science is built upon. While it is a religion that binds us into courses of action consistent with those fundamental principles, it is a science that enables us to stay clear of inconsistent systems of guiding principles and to practically attain the goals posited by our principles. *The Science of Religion* by Paramahansa Yogananda arrives by analysis at inner happiness or bliss as the goal that binds all men.

Revised edition of the groundbreaking New Age book that seamlessly merges Western psychology and science with spirituality, creating a compelling interpretation of the Eastern

chakra system and its relevance for Westerners today. In *Eastern Body, Western Mind*, chakra authority Anodea Judith brought a fresh approach to the yoga-based Eastern chakra system, adapting it to the Western framework of Jungian psychology, somatic therapy, childhood developmental theory, and metaphysics and applying the chakra system to important modern social realities and issues such as addiction, codependence, family dynamics, sexuality, and personal empowerment. Arranged schematically, the book uses the inherent structure of the chakra system as a map upon which to chart our Western understanding of individual development. Each chapter focuses on a single chakra, starting with a description of its characteristics and then exploring its particular childhood developmental patterns, traumas and abuses, and how to heal and maintain balance.

The mysteries of the soul have evaded mystics, sages, and gurus for centuries. Humanity has long yearned to discover the answer to our existence, and many spiritual traditions have evolved to provide those answers through sacred texts that facilitate journeys of transformation and discovery. Yet, never before have all of the spiritual traditions been distilled so simply into one easy-to-follow path - a path of love and devotion. In this long-awaited follow-up to *The Journey Home*, *The Journey Within* guides readers through the essential teachings of bhakti yoga. World-renowned spiritual leader Radhanath Swami draws from his personal experiences to demystify the ancient devotional path of bhakti, capturing its essence and explaining its simple principles for balancing our lives. His down-to-earth writing simplifies spiritual concepts and answers timeless questions in a heartfelt narrative that brings this sacred philosophy beautifully to life. What is love? What is the soul? Who is God? How can we live in the physical world without losing touch with the spiritual? In concise and approachable language,

Radhanath Swami sheds light on how to answer these vital questions and offers solutions to life's challenges with the simplest of resources. Reach beyond the material world and journey within to discover the beauty of the true self.

"... A compilation of extracts from [the author's] writings, lectures, and informal talks."--Dust jacket.

New revised and expanded Spanish editions. The definitive introduction to the science and philosophy of yoga meditation. Self-Realization Fellowship's editions of Autobiography of a Yogi have sold several million copies since first published in 1946. This life-transforming book opens the mind and heart to the spiritual possibilities that exist everywhere and in everything. It reads like an adventure story while answering questions about religion, God, existence, yoga, higher consciousness, and the challenges of daily spiritual living. It is a book for people of all faiths; anyone yearning to know what life is truly all about. Self-Realization Fellowship's editions, and none others, incorporate all of the author's wishes for the final text, which include extensive material added after the first edition was published and a final chapter on the closing years of his life.

Presents a selection of writings and excerpts from talks by Paramahansa Yogananda on the topic of overcoming fear and worries in order to achieve happiness, be successful, and improve one's health.

A compendium of straightforward techniques on how to accentuate the positive and redirect the negative, increasing productivity at work and at home. What do your people at work and your spouse and kids at home have in common with a five-ton killer whale? Probably a whole lot more than you think, according to top business consultant and mega-bestselling author Ken Blanchard and his coauthors from SeaWorld. In this moving and inspirational new book, Blanchard explains that both whales and people perform better when you accentuate the positive. He shows how using the techniques of animal trainers -- specifically those responsible for the killer whales of SeaWorld -- can supercharge your effectiveness at work and at home. When gruff business manager and family man Wes Kingsley visited SeaWorld, he marveled at the ability of the trainers to get these huge killer whales, among the most feared predators in the ocean, to perform amazing acrobatic leaps and dives. Later, talking to the chief trainer, he learned their techniques of building trust, accentuating the positive, and redirecting negative behavior -- all of which make these extraordinary performances possible. Kingsley took a hard look at his own often accusatory management style and recognized how some of his shortcomings as a manager, spouse, and father actually diminish trust and damage relationships. He began to see the difference between "GOTcha" (catching people doing things wrong) and

"Whale Done!" (catching people doing things right). In Whale Done!, Ken Blanchard shows how to make accentuating the positive and redirecting the negative the best tools to increase productivity, instead of creating situations that demoralize people. These techniques are remarkably easy to master and can be applied equally well at home, allowing readers to become better parents and more committed spouses in their happier and more successful personal lives. In this book, Sri Mrinalini Mata, president of Self-Realization Fellowship / Yogoda Satsanga Society of India, recounts her experiences of traveling with Sri Daya Mata during a trip to India in 1961. Sri Mrinalini Mata's experiences in India were truly remarkable, for she not only came in contact with two of India's most revered twentieth-century saints Sri Anandamoyi Ma and Sri Sitaramdas Omkarnath but she also was night and day in the presence of Daya Mata, who today is widely revered as a saint herself. There are more than 40 color and sepia tone images in this beautifully presented book. Many of the photos were taken by Sri Ananda Mata, sister of Sri Daya Mata, and also by Mrinalini Mata herself. As 2017 marks the centennial of Paramahansa Yogananda's work in India, it is a fitting occasion to bring out this inspiring account for the first time in book form.

""Reads like a detective thriller! It picks you up and never lets go of you." —Jess

Stearn, bestselling author of Edgar Cayce, The Sleeping Prophet Ancient texts reveal that Jesus spent 17 years in the Orient. They say that from age 13 to age 29, Jesus traveled to India, Nepal, Ladakh and Tibet as both student and teacher. For the first time, Elizabeth Clare Prophet brings together the testimony of four eyewitnesses—and three variant translations—of these remarkable documents. She tells the intriguing story of how Russian journalist Nicolas Notovitch discovered the manuscripts in 1887 in a monastery in Ladakh. Critics “proved” they did not exist—then three distinguished scholars and educators rediscovered them in the twentieth century. Now you can read for yourself what Jesus said and did prior to his Palestinian mission. It’s one of the most revolutionary messages of our time."

This extraordinary treatise explores parallel passages from the Bible and the Hindu scriptures to reveal the essential unity of all religions. Swami Sri Yukteswar is renowned as the revered guru of the great pioneer of yoga in the West, Paramahansa Yogananda (author of Autobiography of a Yogi). In this remarkable work - composed in the year 1894 at the request of the great Indian sage, Mahavatar Babaji - Sri Yukteswar outlines the universal path that every human being must travel to enlightenment. ?This extraordinary treatise explores parallel passages from the Bible and the Hindu scriptures to reveal the essential unity of

Autobiography of a Yogi is an eloquently written story of an extraordinary life and an inspiring meditation on the art of yoga. Written decades ago, this poignant autobiography still has ample vigor and relevance in today's world.

Paramahansa Yogananda presents an illuminating explanation of Lord Krishna's sublime Yoga message that he preached to the world - the way of right activity and meditation for divine communion.

This collection of informal counsel provides intimate glimpses into the mind of one of the great spiritual figures of our time. In answering the questions of those who turned to him for guidance, Yogananda expressed himself with candor, spontaneity, and insight. He knew when to relieve a somber situation with a flash of wit, and was able to transform philosophical truths into simple precepts for everyday living.

One of the earliest commentaries on the popular and highly respected yoga scripture known as the Bhagavad Gita. Roy Eugene Davis explains the inner

meaning in the light of Kriya Yoga in this new commentary on this scripture. Its seven hundred verses encourage the reader to acquire Self-knowledge and to intentionally engage in constructive performance of personal duties along with dedicated spiritual endeavor--to practice Kriya Yoga. The Sanskrit word kriya means action. Yoga can mean to yoke or unite soul awareness with God; practice of procedures for this purpose; or samadhi, the realization of spiritual wholeness, the culmination of successful practice.

The Family and the Early Life of Paramahansa Yogananda.

"Contains selected excerpts from Paramahansa Yogananda's book "The Second Coming of Christ: The Resurrection of the Christ Within You," which book is a commentary on the New Testament gospels and noncanonical source material, focusing on the quest to uncover the original teachings of Jesus"--Provided by publisher.

Yoga is more popular than ever and this compact, illustrated guide to hundreds of yoga postures is for practitioners across all cultures and ages. 700 photos. This is an unparalleled, first hand account of the teachings of Paramhansa Yogananda, who has hundreds of thousands of followers and admirers in North America alone.

By the correct practice of Kriya fourteen times, Maha Mudra twice, and Yoti Mudra twice, twelve years of evolution of body, mind and soul will be gained in a few minutes. Mind can do everything. Through this practice, the time limitation in evolution is overcome, and the receptive power of the spine, brain and mind is increased, so that the Yogi knows, sees and feels all form within. Yoga is the super-method by which the evolution of body, mind and soul can be quickened. That is how the attainment of wisdom and realization, which usually takes a million years and numerous incarnations of natural evolution, is possible in one

lifetime. By this exercise, the consciousness which is in the body, and which is identified with the senses, is transferred to the spine and the brain, and thus transmitted into Superconsciousness and Cosmic Consciousness. Kriya is an initiation into Cosmic Consciousness, or the transfer of consciousness from the body to the spirit. In order to do this, one must transfer consciousness from the senses to the spine. After practicing Kriya and resting for a short while, one is able to do inspired work in connection with literature, art of science . then intuition develops of itself, without effort, because one's consciousness is transferred from the senses to the spine and brain. Realization can come only by the development of one's intuition. Remember that through the practice of this lesson you will contact Christ, and the prophets of this world, and through them you will find your union with God the Infinite Spirit.

He was called "the 20th century's first superstar guru" (Los Angeles Times), and today, nearly a century after he arrived in the United States, he's still the best known and most beloved of all the Indian spiritual teachers who have come to the West. Now, finally, Paramahansa Yogananda has the authoritative biography he deserves. Yogananda, considered by many to be the father of modern yoga, has had an unsurpassed global impact thanks to the durability of his teachings, the institutions he created or inspired, and especially his iconic memoir,

Autobiography of a Yogi. Since its publication in 1946, that book has sold millions of copies and changed millions of lives. But it doesn't tell the whole story. Much of Yogananda's seminal text is devoted to tales about other people, and it largely overlooks the three vital decades he spent living, working, and teaching in America. Huge chunks of his life —challenges, controversies, and crises; triumphs, relationships, and formative experiences —remain unknown to even his most ardent devotees. In this captivating biography, scholar and teacher Philip Goldberg fills the gaps, charting a journey that spanned six decades, two hemispheres, two world wars, and unprecedented social changes. The result is an objective, thoroughly researched account of Yogananda's remarkable life in all its detail, nuance, and complex humanity. But this is more than a compelling life story. "Yogananda would, I believe, want any book about him to not only inform but transform," Goldberg writes. "It is my hope that readers will be enriched, expanded, and deepened by this humble offering." That is sure to be the case for both Yogananda enthusiasts and those who discover him for the first time in these illuminating pages.
