Blood Red Sunset Ma Bo, 1996-07-01 A searing first hand account of China's Cultural Revolution that joins the ranks of great memoirs such as *Life and Death in Shanghai*, *Wild Swans* and *A Chinese Odyssey* First banned in its native land, this earthy, unflinching memoir has become one of the biggest bestsellers in the history of China. In 1968, a fervent young Red Guard joined the army of hotheaded adolescents who trekked to Inner Mongolia to spread the Cultural Revolution. After gaining a reputation as a brutal abuser of the local herd owners and nomads, Ma Bo casually criticized a Party Leader. Denounced as an “active counterrevolutionary” and betrayed by his friends, the idealistic youth was brutally beaten and imprisoned. Charged with passion, never doctrinaire, *Blood Red Sunset* is a startlingly vivid and personal narrative that opens a window on the psyche of totalitarian excess that no other work of history can provide. This is a tale of ideology and disillusionment, a powerful work of political and literary importance. “A deceptively straightforward story carried forward by deep currents of insight.”—The Washington Post “A genuine, no-holds-barred, unadorned piece of writing...echoing the realities of contemporary China.”—Liu Binyan, The New York Times Book Review

Out of the Gobi Weijian Shan, 2019-01-17 Foreword by Janet Yellen Weijian Shan's *Out of the Gobi* is a powerful memoir and commentary that will be one of the most important books on China of our time, one with the potential to re-shape how Americans view China, and how the Chinese view life in America. Shan, a former hard laborer who is now one of Asia's best-known financiers, is thoughtful, observant, eloquent, and brutally honest, making him well-positioned to tell the story of a life that is a microcosm of modern China, and of how, improbably, that life became intertwined with America. *Out of the Gobi* draws a vivid picture of the raw human energy and the will to succeed against all odds. Shan only finished elementary school

when Mao Zedong's Cultural Revolution tore his country apart. He was a witness to the brutality and absurdity of Mao's policies during one of the most tumultuous eras in China's history. Exiled to the Gobi Desert at age 15 and denied schooling for 10 years, he endured untold hardships without ever giving up his dream for an education. Shan's improbable journey, from the Gobi to the "People's Republic of Berkeley" and far beyond, is a uniquely American success story - told with a splash of humor, deep insight and rich and engaging detail. This powerful and personal perspective on China and America will inform Americans' view of China, humanizing the country, while providing a rare view of America from the prism of a keen foreign observer who lived the American dream. Says former Federal Reserve chair Janet Yellen: "Shan's life provides a demonstration of what is possible when China and the United States come together, even by happenstance. It is not only Shan's personal history that makes this book so interesting but also how the stories of China and America merge in just one moment in time to create an inspired individual so unique and driven, and so representative of the true spirits of both countries."

Son of the Revolution Liang Heng, Judith Shapiro, 1984-02-12 An account of growing up during China's Great Cultural Revolution.

Wild Swans Jung Chang, 2008-06-20 The story of three generations in twentieth-century China that blends the intimacy of memoir and the panoramic sweep of eyewitness history—a bestselling classic in thirty languages with more than ten million copies sold around the world, now with a new introduction from the author. An engrossing record of Mao's impact on China, an unusual window on the female experience in the modern world, and an inspiring tale of courage and love, Jung Chang describes the extraordinary lives and experiences of her family members: her grandmother, a warlord's concubine; her mother's struggles as a young idealistic Communist; and her parents' experience as members of the Communist elite and their ordeal during the Cultural Revolution. Chang was a Red Guard briefly at the age of fourteen, then worked as a peasant, a "barefoot doctor," a steelworker, and an electrician. As the story of each generation unfolds, Chang captures in gripping, moving—and ultimately uplifting—detail the cycles of violent drama visited on her own family and millions of others caught in the whirlwind of history.

Last Boat Out of Shanghai Helen Zia, 2019 The dramatic, real-life stories of four young people caught up in the mass exodus of Shanghai in the wake of China's 1949 Communist Revolution--a precursor to the struggles faced by emigrants today. Shanghai has historically been China's jewel, its richest, most modern and westernized city. The bustling metropolis was home to sophisticated intellectuals, entrepreneurs, and a thriving middle class when Mao's proletarian revolution emerged victorious from the long civil war. Terrified of the horrors the Communists would wreak upon their lives, citizens of Shanghai who could afford to fled in every direction. Seventy years later, the last generation to fully recall this massive exodus have opened the story to Chinese American journalist Helen Zia, who interviewed hundreds of exiles about their

journey through one of the most tumultuous events of the twentieth century. From these moving accounts, Zia weaves the story of four young Shanghai residents who wrestled with the decision to abandon everything for an uncertain life as refugees in Hong Kong, Taiwan, and the U.S. Young Benny, who as a teenager became the unwilling heir to his father's dark wartime legacy, must choose between escaping Hong Kong or navigating the intricacies of a newly Communist China. The resolute Annuo, forced to flee her home with her father, a defeated Nationalist official, becomes an unwelcome young exile in Taiwan. The financially strapped Ho fights deportation in order to continue his studies in the U.S. while his family struggles at home. And Bing, given away by her poor parents, faces the prospect of a new life among strangers in America--

Remembering Shanghai Isabel Sun Chao, Claire Chao, 2021-09-14 A volume that demands to be held. --Los Angeles Review of Books True stories of glamour, drama, and tragedy told through five generations of a Shanghai family, from the last days of imperial rule to the Cultural Revolution. A high position bestowed by China's empress dowager grants power and wealth to the Sun family. For Isabel, growing up in glamorous 1930s and '40s Shanghai, it is a life of utmost privilege. But while her scholar father and fashionable mother shelter her from civil war and Japanese occupation, they cannot shield the family forever. When Mao comes to power, eighteen-year-old Isabel journeys to Hong Kong, not realizing that she will make it her home--and that she will never see her father again. She returns to Shanghai fifty years later with her daughter, Claire, to confront their family's past--one they discover is filled with love and betrayal, kidnappers and concubines, glittering palaces and underworld crime bosses. Lavishly illustrated and meticulously researched, *Remembering Shanghai* follows five generations from a hardscrabble village to the bright lights of Hong Kong. By turns harrowing and heartwarming, this vivid memoir explores identity, loss, and redemption against an epic backdrop. A Single Tear Ningkun Wu, Yikai Li, 1994-04-01 Professor Wu, educated in the U.S., relates his prison experiences in a Chinese labor farm after being labeled an ultrarightist by his academic colleagues at Beijing University

Everything is Wonderful Sigrid Rausing, 2014 The author reflects on the time she spent living in an Estonian village on the site of a formerly Soviet collective farm and describes the people she met, the economic conditions, and what life was like in the region.

The Rape of Nanking Iris Chang, 2014-03-11 The New York Times bestselling account of one of history's most brutal—and forgotten—massacres, when the Japanese army destroyed China's capital city on the eve of World War II, piecing together the abundant eyewitness reports into an undeniable tapestry of horror. (Adam Hochschild, Salon) In December 1937, one of the most horrific atrocities in the long annals of wartime barbarity occurred. The Japanese army swept into the ancient city of Nanking (what was then the capital of China), and within weeks, more than 300,000 Chinese civilians and soldiers were

systematically raped, tortured, and murdered. In this seminal work, Iris Chang, whose own grandparents barely escaped the massacre, tells this history from three perspectives: that of the Japanese soldiers, that of the Chinese, and that of a group of Westerners who refused to abandon the city and created a safety zone, which saved almost 300,000 Chinese. Drawing on extensive interviews with survivors and documents brought to light for the first time, Iris Chang's classic book is the definitive history of this horrifying episode.

China Wakes Nicholas D. Kristof, Sheryl WuDunn, 2011-10-12 The definitive book on China's uneasy transformation into an economic and political superpower, and an insightful and thought-provoking analysis of daily life in China from the Pulitzer Prize-winning journalists and bestselling authors of *Half a Sky*. Nick Kristof's and Sheryl WuDunn's work as correspondents in China was beyond compare, and now they have written a book every bit as astonishing. *China Wakes* is filled with anecdote, detail, and analysis of the highest order.... This book demands reading, and yet it is a pleasure as well as an education. —David Remnick, Editor of *The New Yorker* Featuring 16 pages of photos

Becoming Madame Mao Anchee Min, 2009 This is an evocation of the woman who married Chairman Mao and fought to succeed him. The unwanted daughter of a concubine, she refused to have her feet bound, ran away to join an opera troupe and eventually met Mao Zedong in the mountains of Yenan.

Two Kinds of Time Graham Peck, 1967

Nien Cheng Leila Merrell Foster, 1992 Traces the life of the brave Chinese woman who described her years of imprisonment during the Cultural Revolution in her book, *Life and Death in Shanghai*.

Vermilion Gate Aiping Mu, 2002 Aiping Mu was born to parents prominent in the Communist hierarchy - her father was Political Commissar for the Beijing region and her mother ran one of the city's universities - and in her early years lived the pampered life of the Party elite: luxury housing, guards, servants and private schooling. Both parents were considered intellectuals within the Party and from the start experienced the factional infighting and periodic purges which culminated decades later in the Cultural Revolution and the break-up of the family. Aiping herself was one of the first Red Guards before being denounced as a bourgeois intellectual and exiled to a remote province. In the guise of following one family's rising and falling fortunes *VERMILION GATE* tells the story of modern China itself, written from the perspective of one who grew up close to the seat of power in history. With rare insights into the life of the political elite and the mechanics of power and patronage in Beijing, the focus is also upon more domestic issues such as the family and the role of women in this unique and powerfully moving book.

Life and Death in Shanghai Nien Cheng, 2010-12-14 The national bestselling memoir of a woman's resistance and struggles in Communist China—"an absorbing story of resourcefulness and courage" (*The New York Times*). A NEW YORK TIMES BEST BOOK OF THE YEAR In August 1966, a group of Red Guards ransacked the home of Nien Cheng. Her

background made her an obvious target for the fanatics of the Cultural Revolution: educated in London, the widow of an official of Chiang Kai-shek's regime, and an employee of Shell Oil. When she refused to confess that any of this made her an enemy of the state, she was placed in solitary confinement, where she would remain for more than six years. *Life and Death in Shanghai* recounts the story of Nien Cheng's imprisonment—a time of extreme deprivation which she met with heroic resistance—as well as her quest for justice when she was released. It is also the story of a country torn apart by Mao Zedong's vicious campaign to topple party moderates. An incisive, personal account of a terrifying chapter in twentieth-century history, *Life and Death in Shanghai* is also an astounding portrait of one woman's courage.
