

Linguistics In A Colonial World A Story Of Language Meaning And Power

Claire Kramersch

Linguistics in a Colonial World Joseph Errington, 2008-04-15 Drawing on both original texts and critical literature, *Linguistics in a Colonial World* surveys the methods, meanings, and uses of early linguistic projects around the world. Explores how early endeavours in linguistics were used to aid in overcoming practical and ideological difficulties of colonial rule Traces the uses and effects of colonial linguistic projects in the shaping of identities and communities that were under, or in opposition to, imperial regimes Examines enduring influences of colonial linguistics in contemporary thinking about language and cultural difference Brings new insight into post-colonial controversies including endangered languages and language rights in the globalized twenty-first century

Linguistics in a Colonial World Joseph Errington, 2010-04-30 Drawing on both original texts and critical literature, *Linguistics in a Colonial World* surveys the methods, meanings, and uses of early linguistic projects around the world. Explores how early endeavours in linguistics were used to aid in overcoming practical and ideological difficulties of colonial rule Traces the uses and effects of colonial linguistic projects in the shaping of identities and communities that were under, or in opposition to, imperial regimes Examines enduring influences of colonial linguistics in contemporary thinking about language and cultural difference Brings new insight into post-colonial controversies including endangered languages and language rights in the globalized twenty-first century

Linguistics in a Colonial World Joseph Errington, 2007-09-11 Drawing on both original texts and critical literature, *Linguistics in a Colonial World* surveys the methods, meanings, and uses of early linguistic projects around the world. Explores how early endeavours in linguistics were used to aid in overcoming practical and ideological difficulties of colonial rule Traces the uses and effects of colonial linguistic projects in the shaping of identities and communities that were under, or in opposition to, imperial regimes Examines enduring influences of colonial linguistics in contemporary thinking about language and cultural difference Brings new insight into post-colonial controversies including endangered languages and language rights in the globalized twenty-first century

Maya Ethnolinguistic Identity Brigittine M. French, 2010-04-15 In this valuable book, ethnographer and anthropologist

Brigitte French mobilizes new critical-theoretical perspectives in linguistic anthropology, applying them to the politically charged context of contemporary Guatemala. Beginning with an examination of the "nationalist project" that has been ongoing since the end of the colonial period, French interrogates the "Guatemalan/indigenous binary." In Guatemala, "Ladino" refers to the Spanish-speaking minority of the population, who are of mixed European, usually Spanish, and indigenous ancestry; "Indian" is understood to mean the majority of Guatemala's population, who speak one of the twenty-one languages in the Maya linguistic groups of the country, although levels of bilingualism are very high among most Maya communities. As French shows, the Guatemalan state has actively promoted a racialized, essentialized notion of "Indians" as an undifferentiated, inherently inferior group that has stood stubbornly in the way of national progress, unity, and development—which are, implicitly, the goals of "true Guatemalans" (that is, Ladinos). French shows, with useful examples, how constructions of language and collective identity are in fact strategies undertaken to serve the goals of institutions (including the government, the military, the educational system, and the church) and social actors (including linguists, scholars, and activists). But by incorporating in-depth fieldwork with groups that speak Kaqchikel and K'iche' along with analyses of Spanish-language discourses, Maya Ethnolinguistic Identity also shows how some individuals in urban, bilingual Indian communities have disrupted the essentializing projects of multiculturalism. And by focusing on ideologies of language, the author is able to explicitly link linguistic forms and functions with larger issues of consciousness, gender politics, social positions, and the forging of hegemonic power relations.

When Languages Collide Brian D. Joseph, 2003

Linguistic Imperialism Robert Phillipson, 1992 This study explores the contemporary phenomenon of English as an international language, and sets out to analyze how and why the language has become so dominant. It examines the historical spread of the language, the role it plays in Third World countries, and the ideologies it transmits.

Empires of the Word Nicholas Ostler, 2005-06-28 The story of the world in the last five thousand years is above all the story of its languages. Some shared language is what binds any community together and makes possible both the living of a common history and the telling of it. Yet the history of the world's great languages has been very little told. *Empires of the Word*, by the wide-ranging linguist Nicholas Ostler, is the first to bring together the tales in all their glorious variety: the amazing innovations in education, culture, and diplomacy devised by speakers of Sumerian and its successors in the Middle East, right up to the Arabic of the present day; the uncanny resilience of Chinese through twenty centuries of invasions; the charmed progress of Sanskrit from north India to Java and Japan; the engaging self-regard of Greek; the struggles that gave birth to the languages of modern Europe; and the global spread of English. Besides these epic achievements, language failures are equally fascinating: Why did German get left behind? Why did Egyptian, which had survived foreign takeovers for three millennia, succumb to Mohammed's Arabic? Why is Dutch unknown in modern Indonesia, though the Netherlands had ruled

the East Indies for as long as the British ruled India? As this book splendidly and authoritatively reveals, the language history of the world shows eloquently the real character of peoples; and, for all the recent technical mastery of English, nothing guarantees our language's long-term preeminence. The language future, like the language past, will be full of surprises.

Language and Power. The Implications of Language for Peace and Development Birgit Brock-Utne, Gunnar Garbo, 2009-09-15 Language is a tool used to express thoughts, to hide thoughts or to hide lack of thoughts. It is often a means of domination. The question is who has the power to define the world around us. This book demonstrates how language is being manipulated to form the minds of listeners or readers. Innocent words may be used to conceal a reality which people would have reacted to had the phenomena been described in a straightforward manner. The nice and innocent concept cost sharing, which leads our thoughts to communal sharing and solidarity, may actually imply privatization. The false belief that the best way to learn a foreign language is to have it as a language of instruction actually becomes a strategy for stupidification of African pupils. In this book 33 independent experts from 16 countries in the North and the South show how language may be used to legitimize war-making, promote Northern interests in the field of development and retain colonial speech as languages of instruction, languages of the courts and in politics. The book has been edited by two Norwegians: Birgit Brock-Utne is a professor at the University of Oslo and a consultant in education and development. From 1987 until 1992 she was a professor at the University of Dar es Salaam. Gunnar Garbo, author and journalist and former member of the Norwegian Parliament, was the Norwegian Ambassador to Tanzania from 1987 to 1992.

Language and the Making of Modern India Pritipuspa Mishra, 2020-01-16 Explores the ways linguistic nationalism has enabled and deepened the reach of All-India nationalism. This title is also available as Open Access.

English as a Global Language David Crystal, 2012-03-29 Written in a detailed and fascinating manner, this book is ideal for general readers interested in the English language.

Things Fall Apart Chinua Achebe, 1994-09-01 “A true classic of world literature . . . A masterpiece that has inspired generations of writers in Nigeria, across Africa, and around the world.” —Barack Obama “African literature is incomplete and unthinkable without the works of Chinua Achebe.” —Toni Morrison Nominated as one of America’s best-loved novels by PBS’s The Great American Read *Things Fall Apart* is the first of three novels in Chinua Achebe's critically acclaimed African Trilogy. It is a classic narrative about Africa's cataclysmic encounter with Europe as it establishes a colonial presence on the continent. Told through the fictional experiences of Okonkwo, a wealthy and fearless Igbo warrior of Umuofia in the late 1800s, *Things Fall Apart* explores one man's futile resistance to the devaluing of his Igbo traditions by British political and religious forces and his despair as his community capitulates to the powerful new order. With more than 20 million copies sold and translated into fifty-seven languages, *Things Fall Apart* provides one of the most illuminating and permanent monuments to African experience. Achebe does not only capture life in a pre-colonial African village, he conveys the tragedy

of the loss of that world while broadening our understanding of our contemporary realities.

A History of African Linguistics H. Ekkehard Wolff, 2019-06-13 The first global history of African linguistics as an emerging autonomous academic discipline, covering Africa, the Americas, Asia, Australia, and Europe.

Language Planning and Policy Ashraf Abdelhay, Sinfree Makoni, Cristine Severo, 2020-02-13 Language policy is heterogeneous and varies according to its object, levels of intervention, purpose, participants and institutions involved, underlying language ideologies, local contexts, power relations, and historical contexts. This volume offers unique cross-cultural perspectives on language planning and policy in diverse African and Middle Eastern contexts, including South Africa, Bahrain, Sudan, Saudi Arabia, Morocco, Zambia, and Algeria. The African diaspora is also considered, as is the case of Brazil. By bringing together diverse contexts in Africa and the Middle East, this volume encourages a dialogue in the burgeoning scholarship on language policies in different regions of Africa and the Middle East in order to inspect the intersection between language policy discourses and their social, political, and educational functions.

Aspects of (Post)Colonial Linguistics Daniel Schmidt-Brücken, Susanne Schuster, Marina Wienberg, 2016-01-15 Research in Colonial and Postcolonial Linguistics has experienced a significant increase in contributions from varying fields of language studies, gaining the attention of scholars from all over the world. This volume aims to showcase the variety of topics relevant to the study of language(s) in colonial, postcolonial and decolonial contexts. A main reason of this variety is that the new paradigm invites and necessitates research on different subject matters such as language typology, grammar and cross-linguistics, meta-linguistics and research on language ideology, discourse analysis and pragmatics. The contributions of this volume are selected, peer-reviewed papers which were partly invited and partly given at the First Bremen Conference on Colonial and Postcolonial Linguistics, held in September 2013.

Language and Culture Claire Kramsch, 1998-08-20 This work investigates the close relationship between language and culture. It explains key concepts such as social context and cultural authenticity, using insights from fields which includes linguistics, sociology, and anthropology.

The Politics of Language in Colonial and Postcolonial Discourses Elena Agathokleous, 2021-04-27 Essay from the year 2021 in the subject Speech Science / Linguistics, grade: A, language: English, abstract: In this essay the various ways through which colonials imposed imperial languages are presented followed by examples of how postcolonial responses on the issue of language might have varied but shared the goal of declaring resistance and reclaiming indigenous identities. In colonial and postcolonial discourse, language has a central role since language has the power to shape people's perception of the world. Language was used during colonization as a tool which could influence knowledge and understanding in many significant aspects of life such as politics, economics and social environment. However, language has been used by both colonials as a means for establishing their domination but also by post-colonial individuals in order to reclaim their cultural

identities after emancipation.

Language and Materiality Jillian R. Cavanaugh, Shalini Shankar, 2017-10-19 Aimed at interdisciplinary audiences, and tailored especially to scholars of linguistic and cultural anthropology, sociolinguistics, and cultural studies, the book argues for the importance of analyzing language use with an eye toward new materialisms, semiotics, and ideology.

Colonial and Decolonial Linguistics Ana Deumert, Anne Storch, Nick Shepherd, 2021-01-09 This volume offers a detailed exploration of coloniality in the discipline of linguistics, with case studies drawn from across the world. The chapters provide a nuanced account of the coloniality of linguistics at the level of knowledge and disciplinary practice, and expand their discussion to imagine a decolonial linguistics.

Language and Linguistics Robert Lawrence Trask, 2007 The new edition of this A-Z guide explores the main concepts and terms used in the study of language and linguistics. Containing over 300 entries, thoroughly updated to reflect the latest developments in the field, this book includes entries in: cognitive linguistics; discourse analysis; phonology and phonetics; psycholinguistics; sociolinguistics; and syntax and semantics. Beginning with brief definition, each entry is followed by a comprehensive explanation of the origin and usage of the term. The book is cross-referenced throughout and includes further reading for academics and students alike.--BOOK JACKET.

The Way of the Linguist Steve Kaufmann, 2005-11 *The Way of The Linguist, A language learning odyssey.* It is now a cliché that the world is a smaller place. We think nothing of jumping on a plane to travel to another country or continent. The most exotic locations are now destinations for mass tourism. Small business people are dealing across frontiers and language barriers like never before. The Internet brings different languages and cultures to our finger-tips. English, the hybrid language of an island at the western extremity of Europe seems to have an unrivalled position as an international medium of communication. But historically periods of cultural and economic domination have never lasted forever. Do we not lose something by relying on the wide spread use of English rather than discovering other languages and cultures? As citizens of this shrunken world, would we not be better off if we were able to speak a few languages other than our own? The answer is obviously yes. Certainly Steve Kaufmann thinks so, and in his busy life as a diplomat and businessman he managed to learn to speak nine languages fluently and observe first hand some of the dominant cultures of Europe and Asia. Why do not more people do the same? In his book *The Way of The Linguist, A language learning odyssey*, Steve offers some answers. Steve feels anyone can learn a language if they want to. He points out some of the obstacles that hold people back. Drawing on his adventures in Europe and Asia, as a student and businessman, he describes the rewards that come from knowing languages. He relates his evolution as a language learner, abroad and back in his native Canada and explains the kind of attitude that will enable others to achieve second language fluency. Many people have taken on the challenge of language learning but have been frustrated by their lack of success. This book offers detailed advice on the kind of study practices that will achieve

language breakthroughs. Steve has developed a language learning system available online at: www.thelinguist.com.

Immerse yourself in heartwarming tales of love and emotion with *Crafted by is touching creation, Experience Loveis Journey in **Linguistics In A Colonial World A Story Of Language Meaning And Power*** . Linguistics In A Colonial World A Story Of Language Meaning And Power Introduction

In today's digital age, the availability of Linguistics In A Colonial World A Story Of Language Meaning And Power books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Linguistics In A Colonial World A Story Of Language Meaning And Power books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Linguistics In A Colonial World A Story Of Language Meaning And Power books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By

accessing Linguistics In A Colonial World A Story Of Language Meaning And Power versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Linguistics In A Colonial World A Story Of Language Meaning And Power books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Linguistics In A Colonial World A Story Of Language Meaning And Power books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource

for literature enthusiasts. Another popular platform for Linguistics In A Colonial World A Story Of Language Meaning And Power books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Linguistics In A Colonial World A Story Of Language Meaning And Power books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous

learning and self-improvement. So why not take advantage of the vast world of Linguistics In A Colonial World A Story Of Language Meaning And Power books and manuals for download and embark on your journey of knowledge?

FAQs About Linguistics In A Colonial World A Story Of Language Meaning And Power Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Linguistics In A Colonial World A Story Of Language Meaning And Power is one of the best book in our

library for free trial. We provide copy of Linguistics In A Colonial World A Story Of Language Meaning And Power in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Linguistics In A Colonial World A Story Of Language Meaning And Power . Where to download Linguistics In A Colonial World A Story Of Language Meaning And Power online for free? Are you looking for Linguistics In A Colonial World A Story Of Language Meaning And Power PDF? This is definitely going to save you time and cash in something you should think about.
