You do not read this book to see our presentsituation reenacted in the past, with only the names changed. You read it because it is a wonderful description of the way things were in a different time and place." --From the Foreword by Michael Lewis The Go-Go Years is the harrowing and humorous story of the growth stocks of the 1960s and how their meteoric rise caused a multitude of small investors to thrive until the devastating market crashes in the 1970s.
