

Little Baby Bum The Wheels On The Bus Sing Along

Press the button and join in for this sing-along sound book, 5 Little Monkeys from Little Baby Bum.

Featuring scholarly perspectives from around the globe and drawing on a legacy of television studies, but with an eye toward the future, this authoritative collection examines both the thoroughly global nature of television and the multiple and varied experiences that constitute television in the twenty-first century. Companion chapters include original essays by some of the leading scholars of television studies as well as emerging voices engaging television on six continents, offering readers a truly global range of perspectives. The volume features multidisciplinary analyses that offer models and guides for the study of global television, with approaches focused on the theories, audiences, content, culture, and institutions of television. A wide array of examples and case studies engage the transforming practices, technologies, systems, and texts constituting television around the world today, providing readers with a contemporary and multi-faceted perspective. In this volume, editor Shawn Shimpach has brought together an essential guide to understanding television in the world today, how it works and what it means – perfect for students, scholars, and anyone else interested in television, global media studies, and beyond.

Nobody has everything they need, all the time – so how can we make do with what we have? Economics is all about understanding the choices we make to solve this problem. With bright, infographics pictures, this informative book describes why markets are so important, how businesses work out what to sell, and how governments choose how to run a country. Includes Usborne Quicklinks to specially selected websites for more information.

Little ones learn classic finger play and nursery rhymes in the second book in Scholastic's Fingers & Toes series, the adorable Five Little Monkeys! Five little monkeys, jumping on the bed. One fell off and bumped his head. Mama called the doctor and the doctor said, "No more monkeys jumping on the bed!" The Fingers & Toes series is a new take on familiar action rhyme / finger play classics. With bold, bright colors from Natalie Marshall; picture guides to help readers act out the hand / foot movements; and tabs throughout; this novelty board book encourages parent-child interactions while also introducing important preschool-readiness skills. Plus, it's fun! Come roll with the pumpkins and their friends as they get into some spirited fun!

"A Christmas variation on the popular children's song 'The Wheels on the Bus,' with a jolly bus full of reindeer, elves, cookies, lights, snowmen, bells, and of course Santa" Press the button and join in for this sing-along sound book, Twinkle, Twinkle, Little Star from Little Baby Bum.

Sing the song and lift the flaps! Sing along to a classic favorite with Peek and Play

Download Free Little Baby Bum The Wheels On The Bus Sing Along

Rhymes: The Wheels on the Bus! Hop on the bus as the wipers swish, the wheels go 'round, and the horn goes beep, and lift the flaps for even more interactivity. With bright, colorful illustrations and things to spot, children will love this new twist to the classic song.

Introduce your baby to the shore, and the plants and animals that live there. What kind of animals might they see? What will they hear? What can they find in the sand? The final pages contain images that have been hidden throughout the book, such as seaweed, crab, and driftwood--how many of these can you spot?

Old Mother Hubbard's poor dog just wants a bone. What he gets instead is even better! Old Mother Hubbard sets off on a shopping spree to buy her hungry dog some shoes, a wig, a coat - everything but the bone he craves. This could take a while. But with Mother out and about, the dog can't just sit still. Not when he can ride a goat or wash the cat or dance a jig. Mother Hubbard and dog's escapades get sillier and sillier with each new trip, until finally they both find what they're looking for. Any dog-loving child will appreciate the depiction of an excited dog who just can't wait. Jane Cabrera's Story Time celebrates children's best-loved read along nursery rhymes and songs. These interactive favorites are given a new twist by award-winning artist Jane Cabrera and feature her bold, bright, kid-friendly illustrations. Other titles in the series include Ten in the Bed, Wheels on the Bus, and Old MacDonald Had a Farm.

Counting rhyme in which one by one ten little monkeys fall out of bed.

These interactive favorites are given a new twist by award-winning artist Jane Cabrera and feature her bold, bright, kid-friendly illustrations. Other titles in the series include Ten in the Bed, Old Mother Hubbard, and Old MacDonald Had a Farm.

For a decade, award-winning New York Times journalist Amy Chozick chronicled Hillary Clinton's pursuit of the presidency. Chozick's front-row seat, initially covering Clinton's imploding 2008 campaign, and then her assignment to "The Hillary Beat" ahead of the 2016 election, took her to 48 states and set off a nearly ten-years-long journey in which the formative years of her twenties and thirties became – both personally and professionally – intrinsically intertwined to Clinton's presidential ambitions. Chozick's candor and clear-eyed perspective—from her seat on the Hillary bus and reporting from inside the campaign's Brooklyn headquarters, to her run-ins with Donald J. Trump and her globetrotting with Bill Clinton— provide fresh intrigue and insights into the story we thought we all knew. This is the real story of what happened, with the kind of dishy, inside details that repeatedly surprise and enlighten. But Chasing Hillary is also a rollicking, irreverent, refreshingly honest personal story of how the would-be first woman president looms over Chozick's life. And, as she gets married, attempts to infiltrate the upper echelons of political journalism and inquires about freezing her eggs so she can have children after the 2016 campaign, Chozick dives deeper into decisions Clinton made at similar points in her life. In the process, Chozick came to see Clinton not as an unknowable enigma and political animal but as a complex person, full of contradictions and forged in the political battles and media storms that had long predated Chozick's years of coverage. Trailing Clinton through all of the highs and lows of the most noxious and wildly dramatic presidential election in American history, Chozick comes to understand what drove Clinton, how she accomplished what no woman had before, and why she ultimately failed. Poignant, illuminating, laugh-out-loud funny, Chasing Hillary is a campaign book like never before that reads like a fast-moving political novel.

Considered by many to be mentally retarded, a brilliant, impatient fifth-grader with cerebral palsy discovers a technological device that will allow her to speak for the first time.

Here's a Sing 'N Move Book You and Your Child Will Love! Six Baby Genius characters join together in this lively, interactive book to show kids how to move when they sing this popular children's song. All six Baby Genius characters show

children how to move to the popular song The Wheels on the Bus Go 'Round and 'Round. When they sing "the wipers on the bus go swish-swish-swish," children can move their hands from side to side like windshield wipers! Each character cleverly illustrates how to move hands and arms to simulate the actions throughout the book. What makes this book so much fun is that the children will be singing, learning, and moving with their favorite Baby Genius characters! A fun and easy way to learn to play the piano or keyboard, with helpful instruction on classic and favorite songs. Written by the author of the best-selling Build It! series in collaboration with an experienced piano teacher, the Play It! books teaches how to play the piano or keyboard in a simple, effective way. Using color-coded notes and character icons, the books include piano sheets of popular and favorite songs as well as a primer on how to read sheet music and some basic techniques. For beginners ages 5 and up, Play It! is the perfect companion on your musical journey.

"Based on the episode 'Catboy's butterfly brigade.'"
