

Little Gorilla

A simple rhythmic text portrays Little Gorilla, who is loved by everyone in the jungle as he begins to grow . . . and Grow . . . and GROW. This ebook includes audio narration.

Baby Gorillas explores the life of a gorilla from birth to adulthood. The title will show readers what baby gorillas like to eat, how long they rely on their mothers, and at what ages they start learning new things. Aligned to Common Core Standards and correlated to state standards.

Abdo Kids Junior is an imprint of Abdo Kids, a division of ABDO.

When an unobservant zookeeper goes home, all the animals he thinks he has left behind in the zoo follow him. On board pages.

In a spare, powerful text and evocative illustrations, the Newbery medalist Katherine Applegate and the artist G. Brian Karas present the extraordinary real story of a special gorilla. Captured as a baby, Ivan was brought to a Tacoma, Washington, mall to attract shoppers. Gradually, public pressure built until a better way of life for Ivan was found at Zoo Atlanta. From the Congo to America, and from a local business attraction to a national symbol of animal welfare, Ivan the Shopping Mall Gorilla traveled an astonishing distance in miles and in impact. This is his true story and includes photographs of Ivan in the back matter.

Willy the Gorilla imitates the other animals at the zoo, but despite pretending he remains always a gorilla.

A little mouse loses her baby, but just as she starts looking for it, out of the rainforest looms a huge gorilla, so she starts running for her life. And so begins a chase that takes her all over the world: to China, Australia, North America, and even the Arctic! But when the gorilla finally catches up with her at the North Pole, it turns out that all he has been trying to do is return her baby to her!

Wearing his pair of special silver shoes, young Joseph sets out to dance with the world.

Baby gorilla plays, looks, sits, smells, tastes, climbs, claps, smiles, and sleeps—just like the young readers of this book. Beautiful photographs capture an adorable baby gorilla in action. A gentle bedtime ending rounds out this action-word concept book.

Interesting facts about gorillas with touch and feel elements.

Poetic text and brightly hued pastel drawings capture springtime's sweet smells, soft sounds and blooming colors in this simple, captivating story for very young children.

Leaving her warm dark hole, Rabbit uses all her senses to explore the telltale signs that something wonderful is happening--spring has arrived.

Make way for the Goodness Gorillas! These self-appointed kindness-spreaders are turning their classroom, their families, and their whole community topsy-turvy with good deeds! Peter sharpens all his classmates' pencils for them...Jessica pulls out a mat for everyone in her gymnastics class...Tina packs up her old toys and gives them to a charity...the whole group cleans up the neighborhood park. But the Goodness Gorillas are about to face their toughest challenge ever. What will they do about Todd, the meanest boy in class? Is Todd really bad through and through, or is it true that there's goodness hiding within every little soul?

A boy and his father see strange and unusual things when their car breaks down and they are rescued by a gorilla.

Marvin is a calm and mindful gorilla living peacefully in the city, enjoying every minute of his day, unlike his sassy, curt, irreverent former Empire State-climbing Grandpa.

Packed with comic capers and animal antics, this brilliantly bold book follows Mouse's madcap pursuit of Gorilla through a variety of exciting settings. Are you ready? Then let's go! Follow that car! Start your engines! As Mouse hops on his motorcycle to chase

after Gorilla, the duo dashes through busy building sites, rolling railway stations, alpine avalanches, and more! Teeming with detail-rich scenes and slapstick humor . . . as well as every kind of comical car, boat, truck, and train . . . the book rewards and delights a gleeful poring over of its pages--while also ending up with a satisfyingly silly reason for all the adventure. Is Gorilla such a baddie after all?

The #1 New York Times bestselling and Newbery Award-winning novel *The One and Only Ivan* is now a major motion picture streaming on Disney+ This unforgettable novel from renowned author Katherine Applegate celebrates the transformative power of unexpected friendship. Inspired by the true story of a captive gorilla known as Ivan, this illustrated book is told from the point of view of Ivan himself. Having spent twenty-seven years behind the glass walls of his enclosure in a shopping mall, Ivan has grown accustomed to humans watching him. He hardly ever thinks about his life in the jungle. Instead, Ivan occupies himself with television, his friends Stella and Bob, and painting. But when he meets Ruby, a baby elephant taken from the wild, he is forced to see their home, and his art, through new eyes. In the tradition of timeless stories like *Charlotte's Web* and *Stuart Little*, Katherine Applegate blends humor and poignancy to create an unforgettable story of friendship, art, and hope. *The One and Only Ivan* features first-person narrative; author's use of literary devices (personification, imagery); and story elements (plot, character development, perspective). This acclaimed middle grade novel is an excellent choice for tween readers in grades 5 to 8, for independent reading, homeschooling, and sharing in the classroom. Plus don't miss *The One and Only Bob*, Katherine Applegate's return to the world of Ivan, Bob, and Ruby!

If you listen closely, the lone tree behind Oak Lane School has a story to tell. It starts with one owl, two spiders, and goes all the way up to ten earthworms using the tree as their home! So what does this tree need? Learn about the importance of trees and count from one to ten in this tale about going green.

In the summer of 1876, Berlin anxiously awaited the arrival of what was billed as “the most gigantic ape known to zoology.” Described by European explorers only a few decades earlier, gorillas had rarely been seen outside of Africa, and emerging theories of evolution only increased the public’s desire to see this “monster with human features.” However, when he arrived, the so-called monster turned out to be a juvenile male less than thirty-two inches tall. Known as M’Pungu (Master Pongo), or simply Pongo, the gorilla was put on display in the Unter den Linden Aquarium in the center of Berlin. Expecting the horrid creature described by the news outlets of the time, the crowds who flocked to see Pongo were at first surprised and then charmed by the little ape. He quickly became one of the largest attractions in the city, and his handlers exploited him for financial gain and allowed doctors and scientists to study him closely. Throughout his time in Europe, Pongo was treated like a person in many respects. He drank beer, ate meat, slept at the home of the head of the aquarium, and “visited” London and Hamburg. But this new lifestyle and foreign environment weren’t healthy for the little gorilla. Pongo fell ill frequently and died of “consumption” in November 1877, less than a year and a half after being brought to Europe. An irresistible read, illustrated with contemporaneous drawings, this critical retelling of the expedition that brought Pongo to Berlin and

of his short life in Europe sheds important light on human-animal interactions and science at a time in Western society when the theory of evolution was first gaining ground.

"A little boy has a lot of explaining to do when a gorilla comes over and makes a mess of the house...but that's not even the bad news"--

"Originally published in Great Britain in 2015 by Oxford University Press."--Verso. Reading this book will make you less sure of yourself—and that's a good thing. In *The Invisible Gorilla*, Christopher Chabris and Daniel Simons, creators of one of psychology's most famous experiments, use remarkable stories and counterintuitive scientific findings to demonstrate an important truth: Our minds don't work the way we think they do. We think we see ourselves and the world as they really are, but we're actually missing a whole lot. Chabris and Simons combine the work of other researchers with their own findings on attention, perception, memory, and reasoning to reveal how faulty intuitions often get us into trouble. In the process, they explain:

- Why a company would spend billions to launch a product that its own analysts know will fail
- How a police officer could run right past a brutal assault without seeing it
- Why award-winning movies are full of editing mistakes
- What criminals have in common with chess masters
- Why measles and other childhood diseases are making a comeback
- Why money managers could learn a lot from weather forecasters

Again and again, we think we experience and understand the world as it is, but our thoughts are beset by everyday illusions. We write traffic laws and build criminal cases on the assumption that people will notice when something unusual happens right in front of them. We're sure we know where we were on 9/11, falsely believing that vivid memories are seared into our minds with perfect fidelity. And as a society, we spend billions on devices to train our brains because we're continually tempted by the lure of quick fixes and effortless self-improvement. *The Invisible Gorilla* reveals the myriad ways that our intuitions can deceive us, but it's much more than a catalog of human failings. Chabris and Simons explain why we succumb to these everyday illusions and what we can do to inoculate ourselves against their effects. Ultimately, the book provides a kind of x-ray vision into our own minds, making it possible to pierce the veil of illusions that clouds our thoughts and to think clearly for perhaps the first time.

When a whole class goes gorilla, they learn the importance of balancing passion and creativity with cooperation in this charmer of a picture book from the New York Times bestselling duo, Barbara Bottner and Michael Emberley. The day Priscilla gets a book about gorillas, she instantly becomes obsessed. She dances like them, eats like them, and wears her gorilla costume 24–7! There are so many things to love about gorillas, but what Priscilla loves best is how they seem to always get their way. So when Mr. Todd tells all his students to dress up like their favorite animal, Priscilla's choice is obvious. But dancing around and beating her chest when it's not her turn sends Priscilla straight to the Thinking Corner. She is of course outraged—nobody tells a gorilla what to do!—and as her attitude

spreads, soon the thinking corner is full of her classmates. Is Priscilla really channeling her inner gorilla, or is she just a troublemaker in ape's clothing? What does an elephant do? It stomps its foot. Can you? From the creator of such beloved classics as *The Grouchy Ladybug* and *The Mixed-Up Chameleon* comes this interactive story that invites kids to imitate animal movements. Watching giraffes bend their necks or monkeys wave their arms is fun, but nothing could be better than joining in. From their heads down to their toes, kids will be wriggling, jiggling, and giggling as they try to keep up with these animals! Alligators wiggle, elephants stomp, gorillas thump, and giraffes bend. Can you do it? 'I can do it!' is the confidence-building message of this fun-filled interactive picture book. A variety of familiar animals invite young children to copy their antics, and as they play, they will learn such important skills as careful listening, focusing attention, and following instructions. Just as alphabet books introduce the very young child to letters and simple words, *From Head to Toe* introduces the basic body parts and simple body movements. And in the same way that children progress from understanding simple words to reading and writing sentences and stories, so they will progress from simple body movements to dancing, gymnastics, and other sports and activities, with confidence and pleasure. Eric Carle's colorful collages have delighted children for more than a generation. Each book provides hours of fun while encouraging them to stretch their imaginations. His matchless words and illustrations now send out a new challenge: Are you ready? Here we go! Move yourself *From Head to Toe*. A Main Selection of the Children's Book-of-the-Month Club

Hannah loves gorillas but has never seen one in real life. For her birthday, Hannah asks her father for a gorilla but is disappointed when she discovers that the gorilla she's received is just a toy one.

This profoundly moving tale about a grieving boy and an imaginary gorilla makes real the power of talking about loss. On the day of his mother's funeral, a young boy conjures the very visitor he needs to see: a gorilla. Wise and gentle, the gorilla stays on to answer the heart-heavy questions the boy hesitates to ask his father: Where did his mother go? Will she come back home? Will we all die? Yet with the gorilla's friendship, the boy slowly begins to discover moments of comfort in tending flowers, playing catch, and climbing trees. Most of all, the gorilla knows that it helps to simply talk about the loss--especially with those who share your grief and who may feel alone, too. Author Jackie Azúa Kramer's quietly thoughtful text and illustrator Cindy Derby's beautiful impressionistic artwork depict how this tender relationship leads the boy to open up to his father and find a path forward. Told entirely in dialogue, this direct and deeply affecting picture book will inspire conversations about grief, empathy, and healing beyond the final hope-filled scene.

This heartwarming classic about the constancy of unconditional love is now available as a padded board book edition. Perfect for the little ones! Everyone loves Little Gorilla: his mother, his father, his aunts and uncles, Big Boa Constrictor, and all the other animals living in the

forest with him. Then one day, Little Gorilla begins to grow . . . and grow . . . and grow, until suddenly, at his birthday celebration, Little Gorilla's family and friends discover that he isn't little anymore! In this delightful padded edition of this heartwarming tale, little readers will be comforted by the soft, gently pliable version of their beloved Little Gorilla.

Little Gorilla's family and friends try to help him overcome his special growing pains.

Summoned to the Great Gorilla Villa by King Big Daddy to meet the newest member of their family, ten gorillas arrive on time using various forms of transportation, including hot-air balloon, taxicab, and pogo stick.

Audisee® eBooks with Audio combine professional narration and sentence highlighting to engage reluctant readers! This heartwarming true story chronicles what happened after a mother gorilla gave birth for the first time and then walked away from her newborn baby at Seattle's Woodland Park. The dedicated staff worked tirelessly to find innovative ways for mother and baby to build a relationship. The efforts were ultimately successful, as baby Yola bonded with her mother and the rest of the family group.

Introduces readers to the life, diet, habitat, behavior, and physical description of gorillas.

Colorful spreads, fun facts, diagrams, a range map, and a special reading feature make this an exciting read for animal lovers and report writers alike.

Celebrate nature with Gorilla Gardener in this whimsical romp through creative gardening.

'One of the gems of the year' - Michele Magwood, Sunday Times (Books LIVE SA) The story of a young man fighting to recover from a devastating psychotic break and the mother who refuses to give up on him. Zack McDermott, a twenty-six-year-old Brooklyn public defender, woke up one morning convinced he was being filmed as part of an audition for a TV pilot.

Every passerby was an actor; every car would magically stop for him; everything he saw was a cue from 'The Producer' to help inspire the performance of a lifetime. After a manic spree around Manhattan, Zack, who is bipolar, was arrested on a subway platform and admitted to hospital. So begins the story of Zack's free fall into psychosis and his desperate, poignant, often darkly funny struggle to claw his way back to sanity, regain his identity, and rebuild some semblance of a stable life. It's a journey that will take him from New York City back to his Kansas roots and to the one person who might be able to save him, his tough, bighearted Midwestern mother, nicknamed the Bird, whose fierce and steadfast love is the light in Zack's dark world. Before his odyssey is over, Zack will be tackled by guards in mental wards, run naked through cornfields, receive secret messages from the TV, befriend a former Navy SEAL and his talking stuffed monkey and see the Virgin Mary in the whorls of his own back hair. But with the Bird's help, he just might have a shot at pulling through, starting over, and maybe even meeting a woman who can love him back, bipolar and all. Written with raw emotional power, humor, and tenderness, Gorilla and the Bird is a bravely honest account of a young man's unraveling and the relationship that saves him.

When a gorilla who knows sign language tells his keepers that he is lonely, they bring him a very special friend.

Discover the story of a brave gorilla who is unfairly accused of stealing -- but, sooner or later, the truth will come out of someone's mouth! Little Gorilla stole the flamingo's eggs! Vervet, who was hiding behind an old stump, saw him! Well, at least, that is what he thinks he saw... And that is what he tells Chimpanzee. And there they go, on the heels of this naughty bandit. But Little Gorilla is only helping his grandfather. Is Vervet making wrong assumptions?

A deliciously funny new picture book by Scottish Children's Book Award winner Chae Strathie and Waterstones Children's Book Prize winner Nicola O' Byrne.

When the animals visit Little Sam Sundae's ice cream shop on Jellybean Street

they have some unusual requests. Sam whips up blue cheese sundae for Mouse and a worm cornet for Hen. Finally, it's Gorilla's turn to order but all he wants is plain old vanilla. Licking their lips, the other animals realise that Gorilla has made the best choice, after all. Luckily for them, gorillas love sharing!

Little Gorilla Houghton Mifflin Harcourt

Young children are invited to practice counting from one to 10 with an exuberant family of primates that bring new depth to first numbers while conveying an important message about protecting the environment. By the Hans Christian Andersen Award-winning former Children's Laureate author of Willy the Champ. No one knows the full story of Charlie Small. At least, not yet. His battered journal was found washed up on a remote, windswept shore. And at first we thought it an elaborate hoax. Surely no 8-year-old could have had so many wild adventures, witnessed so many extraordinary things, lived such an incredible life—and still only be eight. And yet . . . there was something so vivid in the telling that we were persuaded to send the journal and some of its boggling content for analysis. And only one conclusion could be drawn. Everything in the journal of Charlie Small is true! In his first adventure, Gorilla City, Charlie wrestles a deadly river croc, rides a steam-powered rhino, and becomes tribal chief in a city of gorillas.

For a short time, this new larger edition includes a print signed by Peggy Rathmann! It's bedtime at the zoo, and all the animals are going to sleep. Or are they? Who's that short, furry guy with the keys in his hand and the mischievous grin? Sneak along behind the zookeeper's back and see who gets the last laugh in this riotous good-night romp. The new generous trim size of every toddler's favorite book is even easier to share. With a warm, funny author's note highlighting how much this book has meant to kids and families since it was first published and some clever new details hidden in the illustrations, Good Night, Gorilla is the perfect gift for new babies as well as fans young and old.

The story of Patty Cake, a baby gorilla born in the Central Park Zoo.

Brave Little Dave is about an adventurous boy who comes face-to-face with a giant obstacle. It reinforces the importance of praying with your child. Dave's mother prays with him before he heads off to school and encounters an intimidating, yet fashionable Groovy Gorilla. Speaking in rhyme, the gorilla tries to intimidate little Dave who remembers the prayer and shows him kindness. The story is both entertaining and inspirational. Themes throughout the story include kindness in the face of bullying, facing fear and friendship.
