THE SUNDAY TIMES BESTSELLER Sometimes it feels so hard to love yourself. We worry that we're not good enough or we're being selfish if we take time to prioritise what we need. But self-love is so important and even if we're our own biggest critic, it can be done! You deserve better xxx Hands up if you're fed up with being told you need to go on this diet, you need to behave this way, or you probably shouldn't wear this outfit...the list goes oooooon. Anne-Marie's been told these things her whole life too and they didn't make her feel any better. But now, she's discovered the simple tools that mean she treats herself with the love and respect she needs and this, in turn, means she's able to go out into the world and be as strong, confident and true to herself as she can be. And she wants YOU to be able to do the same. You Deserve Better is the must-read book from singer-songwriter Anne-Marie that doesn't give you fluffy promises about self-care but speaks honestly about body image, mental health, being successful at work and more. The Welsh publishing house Gwasg Gomer published Gillian Clarke's first full collection of poems, The Sundial, in 1978. In the twenty years since then the poet has become one of the best-loved and most widely read writers of Wales, well-known for her readings, for her radio work and her workshops. 'Gillian Clarke's poems ring with lucidity and power . . . her work is both personal and archetypal, built out of language as concrete as it is musical,' the Times Literary Supplement said. She combines traditional skills with an original voice and outlook, and with a history which includes the unwritten stories of Welsh women. Her Selected Poems has proven one of the most popular volumes of modern Welsh poetry, having gone through seven printings in a dozen years. Her language has a quality both casual and intense, mundane and visionary,' the Listener said of Letter from a Far Country. There is no gaudiness in her poetry; instead, the reader is aware of a generosity of spirit which allows the poems' subjects their own unbullied reality.' Gillian Clarke is a severe critic of her own poems. Collected Poems includes all that she wishes to preserve of her work to date.

Most villa owners have escaped the island but a few young socialites remain, unwilling to let summer's partying end. American heiress Amanda Fortini is one such thrill-seeker - until she heads out for a morning swim and doesn't return. Detective Sergeant Solomon Nile is just 28 years old and the island's only fully trained police officer. He quickly realises he needs to contact Lord and Lady Blake, who bought the island decades ago and have invested time, money and love creating a paradise. Jasper is in St Lucia designing a new village of luxury villas but Lady Veronica (Vee to her friends) catches a plane immediately. Her beloved god-daughter, Lily, is on the island and this disappearance has alarming echoes of what happened to Lily's mother many years ago. Lady Vee would never desert a friend in need, and she can keep a cool head in a crisis. When Amanda's body is found, a murder investigation begins. Nile knows the killer must be an islander because flights and ferry crossings have stopped due to the storm warning, but the local community isn't co-operating. And then the storm hits, and someone else disappears . . .
