In *Love Your Life, Not Theirs*, Rachel Cruze shines a spotlight on the most damaging money habit we have: comparing ourselves to others. Then she unpacks seven essential money habits for living the life we really want--a life in line with our values, where we can afford the things we want to buy without being buried under debt, stress, and worry. The Joneses are broke. Life looks good, but hidden beneath that glossy exterior are credit card bills, student loans, car payments, and an out-of-control mortgage. Their money situation is a mess, and they're trying to live a life they simply can't afford. So why exactly do we try so hard to keep up with the Joneses? Are we really living the lives we want, or are we chasing someone else's dream, just trying to keep up appearances on social media, at church, and in our

community? Why are we letting other people set the pace for our own family's finances? In *Love Your Life, Not Theirs*, Rachel shows you how to buy and do the things that are important to you--the right way. That starts by choosing to quit the comparisons, reframing the way you think about money, and developing new habits like avoiding debt, living on a plan, watching your spending, saving for the future, having healthy conversations about money, and giving. These habits work, and Rachel is living proof. Now, she wants to empower you to live the life you've always dreamed of without creating the debt, stress, and worry that are all too often part of the deal. Social media isn't real life, and trying to keep up with the Joneses will never get you anywhere. It's time to live--and love--your life, not theirs. "I've never read a book about money that takes this approach--and that's a good thing! Comparison has a way of weaving itself throughout all aspects of our lives, including our money. In *Love Your Life, Not Theirs*, Rachel Cruze outlines the seven money habits that really matter--and they have nothing to do with keeping up with the Joneses!" Candace Cameron-Bure Actress, author, and co-host of *The View* "*Love Your Life, Not Theirs* is full of the kind of practical, straightforward advice we've come to expect from Rachel Cruze. She offers guidance on paying down debt, smart saving, and the right way to talk to your spouse about money. These indispensable tips can help with day-to-day spending decisions and put you on a path to establishing healthy financial habits." experience. By exploring topics like choice, language, support, self-responsibility, clearing old attachments and self-empowerment with a non-judgmental and invitational tone, I Choose offers something to everyone. Choice is our primary tool for selecting the truth that we project on the world and upon ourselves. It can be a key to unlocking any doorway or a key that locks every door around us. However, this tool often hides in plain sight and can be pushed away by attachments, judgments and un-faced fears. It is the intention of I Choose to acquaint the reader with the many levels and possibilities of personal choice to help unlock some of the doorways that lead to personal happiness. Through the use of empowered choice we can delve into the many fundamental elements of the human experience and make some deep life changing choices. Language and words are the foundation blocks from which we build our entire world. Words are incredibly powerful tools in the process of choice and can aid meaningful change or perpetuate repeating experiences. Yet simple tools and approaches to language can dramatically aid the process of self-transformation. By learning to focus language with a non-judgmental and honest perspective, and applying those changes in everyday words, many of the doors to personal satisfaction can open quite naturally. I Choose: A Life I Love Living is a reminder of the choices that
