

Livre Physique Chimie Seconde Belin Corrige 2010

Just Another Day tells the compelling story of Josh, a deeply troubled student with severe Obsessive-Compulsive Disorder (OCD). This 24 hour journey through Josh's eyes reveals the depth and complexity of the mental processes that inspire OCD.

Het boek is de neerslag van een onderzoek naar het gebruik van sekstereotypen in schoolboeken voor het secundair onderwijs in België. Men komt tot de conclusie dat de vrouw ofwel wordt getoond in een onderworpen rol, ofwel wordt ontkend dat ze sowieso een rol speelt, of heeft gespeeld, in de maatschappij. Dit wordt overvloedig geïllustreerd voor de verschillende vakken. Verder wordt er gepeild naar de impact van deze stereotypering op jongeren; of welke invloed kan het seksisme in de schoolboeken hebben op de leerlingen? Een pleidooi dus voor een grondige vernieuwing van het lesmateriaal.

When the downtrodden animals of Manor Farm overthrow their master Mr Jones and take over the farm themselves, they imagine it is the beginning of a life of freedom and equality.

Translated into twenty-two languages. Toby Lolness may be just one and a half millimeters tall, but he's the most wanted person in his world -- the world of the great oak Tree. Toby's father has made a groundbreaking discovery: the Tree itself is alive, lowing with vital energy, and there may even be a world beyond it. Greedy developers itch to exploit this forbidden knowledge, risking permanent damage to their natural world. But Toby's father has refused to reveal his findings, causing the family to be exiled to the lower branches. Only Toby has managed to escape -- but for how long? And how can he bear to leave his parents to their terrible fate?

Bibliographie de l'Empire français, ou Journal général de l'imprimerie et de la librairie

An intimate and humorous autobiography of a boy's quest for identity as he struggles with his heritage and his heroes.

Une liste exhaustive des ouvrages disponibles publiés, en française, de par le monde.

This "dazzling" novel follows a family of English aristocrats as their country teeters on the brink of World War II (Penelope Fitzgerald). As war clouds gather on the distant horizon, Hugh, Edward, and Rupert Cazalet, along with their wives, children, and loyal servants, prepare to leave London for their annual pilgrimage to the family's Sussex estate. There, they will join their parents, William and Kitty, and sister, Rachel, at Home Place, the sprawling retreat where the three brothers hope to spend an idyllic summer of years gone by. But the First World War has left indelible scars. Hugh, the eldest of his siblings, was wounded in France and is haunted both by recurring nightmares of battle and the prospect of another war. Edward adores his wife, Villy, a former dancer searching for meaning in life, yet he's incapable of remaining faithful to her. Rupert desires only to fulfill his potential as a painter, but finds that love and art cannot coexist. And devoted daughter Rachel discovers the joys—and limitations—of intimacy with another woman. A candid portrait of British life in the late 1930s and a sweeping depiction of a world on the brink of war, *The Light Years* is a must-read for fans of *Downton Abbey*. Three generations of the Cazalet family come to unforgettable dramatic life in this saga about England during the last century—and the long-held values and cherished traditions that would soon disappear forever.

An imaginary conversation between Isaac Newton, Albert Einstein, and a modern physicist provides insight on the changes from classical physics to the theory of relativity to quantum mechanics
