Discovered in a hidden compartment of an old chest long after his death, the secret writings of John Dee, one of the leading scientists and occultists of Elizabethan England, record in minute detail his research into the occult. Dee concealed his treatises on the nature of humankind's contact with angelic realms and languages throughout his life, and they were nearly lost forever. In his brief biography of John Dee, Joseph Peterson calls him a "true Renaissance man" detailing his work in astronomy, mathematics, navigation, the arts, astrology, and the occult sciences. He was even thought to be the model for Shakespeare's Prospero. All this was preparation for Dee's main achievement: five books, revealed and transcribed between March 1582 and May 1583, bringing to light mysteries and truths that scholars and adepts have been struggling to understand and use ever since. These books detail his system for communicating with the angels, and reveal that the angels were interested in and involved with the exploration and colonization of the New World, and in heralding

in a new age or new world order. While Dee's influence was certainly felt in his lifetime, his popularity has grown tremendously since. His system was used and adapted by the Hermetic Order of the Golden Dawn, and subsequently by Aleister Crowley. This new edition of John Dee's Five Books of Mystery is by far the most accessible and complete published to date. Peterson has translated Latin terms and added copious footnotes, putting the instructions and references into context for the modern reader.

Livro nous offre enfin le grand roman de l'émigration portugaise en France. Ilidio est abandonné par sa mère, un soir, près de la grande fontaine du bourg. Il n'a que six ans. Il est recueilli par un maçon au grand cour, qui l'élève dans cette campagne portugaise immobile, arriérée, sous le joug de Salazar. Vient l'heure des premières amours, puis celle de l'émigration clandestine. Pour Illidio et son ami Cosme, après une épouvantable expédition à travers la montagne, c'est l'embauche sur des chantiers, et enfin les bidonvilles des environs de Paris. Les années passent, les Portugais de France, habitués à se soumettre au cours immuable des choses, assistent avec surprise ou indifférence à mai 68. La

Révolution des Oillets leur donnera-t-elle l'espoir d'un Portugal nouveau ? Livronous raconte à la fois cette histoire et son émancipation par la littérature. Une musique douce et triste, qui fait parfois monter les larmes aux yeux pour cette chronique poétique de la vie des humbles.

In this collection of her finest and best-known short essays, Natalia Ginzburg explores both the mundane details and inescapable catastrophes of personal life with the grace and wit that have assured her rightful place in the pantheon of classic mid-century authors. Whether she writes of the loss of a friend, Cesare Pavese; or what is inexpugnable of World War II; or the Abruzzi, where she and her first husband lived in forced residence under Fascist rule; or the importance of silence in our society; or her vocation as a writer; or even a pair of worn-out shoes, Ginzburg brings to her reflections the wisdom of a survivor and the spare, wry, and poetically resonant style her readers have come to recognize. "A glowing light of modern Italian literature . . . Ginzburg's magic is the utter simplicity of her prose, suddenly illuminated by one word that makes a lightning streak of a plain phrase. . . . As direct and clean as if it were carved in stone, it yet speaks thoughts of the heart." — The New York Times Book Review

Morreste-me foi o livro que revelou o escritor português José Luís Peixoto.

Publicada em 2000, é uma obra tocante e comovente: é o relato da morte do pai,

o relato do luto e, ao mesmo tempo, uma homenagem, uma memória redentora. Coleção Gira A língua portuguesa não é uma pátria, é um universo que guarda as mais variadas expressões. E foi para reunir esses modos de usar e criar através do português que surgiu a Coleção Gira, dedicada às escritas contemporâneas em nosso idioma em terras não brasileiras. Curadoria de Reginaldo Pujol Filho

Idealizing the four years he spent in Malawi with the Peace Corps, Ellis Hock is abruptly divorced by his wife and decides to return to Africa only to find the region devastatingly transformed by poverty and apathy. 35,000 first printing.

A disgruntled portrait artist in 1970s Portugal turn to writing in the Nobel Prize-winning author's debut novel, now available in English translation. *Manual of Painting and Calligraphy* was José Saramago's first novel. Written eight years before the critically acclaimed *Baltasar and Blimunda*, it is a story of self-discovery set in Portugal during the last years of Antonio Salazar's dictatorship. It tells the story of a struggling artist who is commissioned to paint a portrait of an influential industrialist. Disheartened by his squandered talent, the artist soon undergoes a creative and political awakening when he discovers the possibilities of writing. The brilliant juxtaposition of a passionate love story and the crisis of a nation foreshadows the themes of Saramago's major works.

Winner of the José Saramago Literary Award A mesmerizing tale from Portugal's most acclaimed young novelist. Set in an unnamed Portuguese village, against a backdrop of severe poverty, *The Implacable Order of Things* follows two generations of men and women as they struggle with love, jealousy, violence, loss, and—most of all—the inescapability of fate. With subtle prose and powerful imagery, José Luís Peixoto delicately weaves together the stories of his oddball cast—including a pair of twins conjoined at the pinky, a supercentenarian, a shepherd turned cuckold by a giant, and even the Devil himself.

The second novel in the exhilarating *Sands of the Emperor* trilogy, following the Man Booker International Prize finalist *Woman of the Ashes* Mozambique, 1895. After an attack on his quarters, the defeated Portuguese sergeant Germano de Melo needs to be taken to the hospital. The only one within reach is along the river Inhambane, so his lover Imani undertakes an arduous rescue mission, accompanied by her father and brother. Meanwhile, war rages between the Portuguese occupiers and Ngungunyane's warriors—battles waged with sword and spear, until the arrival of a devastating new weapon destined to secure European domination. Germano wants to start a new life with Imani, but the Portuguese military has other plans for the injured soldier. And Imani's father has his own plan for his daughter's future: as one of Ngungunyane's wives, she

would be close enough to the tyrant to avenge the destruction of their village. With elegance and compassion, Mia Couto's *The Sword and the Spear* illustrates the futility of war and the porous boundaries between apparently foreign cultures—boundaries of which entire societies, but also friends and lovers, conceive as simultaneously insuperable and in decline.

This book is a selection from the three books that I published so far. 'A Child in Ruins' is the title of the first of these books. *A Crianca em Ruinas* (A Child in Ruins), first published in 2001 *A Casa, a Escuridao* (The House, the Darkness), first published in 2002 *Gaveta de Papeis* (Drawer of Papers), first published in 2008 The selection of the poems was made by me with some suggestions by Hugo. 'A Child in Ruins' was awarded the Award of the Portuguese Society of Authors for the best poetry book of that year. 'Gaveta de Papeis' was awarded the Daniel Faria Award for poetry. This is the first time 'A Child in Ruins' has been translated into English."

A beautifully told, transcendent tale of truth, salvation, and the power of desire. Thought-provoking and lyrical, *The Notebook* records the last year in the life of José Saramago. In these pages, beginning on the eve of the 2008 US presidential election, he evokes life in his beloved city of Lisbon, revisits conversations with friends, and meditates on his favorite authors. Precise observations and moments of arresting significance are rendered with pointillist detail, and together demonstrate an acute understanding of our times. Characteristically critical and uncompromising, Saramago

dissects the financial crisis, deplores Israel's punishment of Gaza, and reflects on the rise of Barack Obama. The Notebook is a unique journey into the personal and political world of one of the greatest writers of our time.

Peter and Rebecca Harris: mid-forties denizens of Manhattan's SoHo, nearing the apogee of committed careers in the arts—he a dealer, she an editor. With a spacious loft, a college-age daughter in Boston, and lively friends, they are admirable, enviable contemporary urbanites with every reason, it seems, to be happy. Then Rebecca's much younger look-alike brother, Ethan (known in the family as Mizzy, "the mistake"), shows up for a visit. A beautiful, beguiling twenty-three-year-old with a history of drug problems, Mizzy is wayward, at loose ends, looking for direction. And in his presence, Peter finds himself questioning his artists, their work, his career—the entire world he has so carefully constructed. Like his legendary, Pulitzer Prize-winning novel, *The Hours*, Michael Cunningham's masterly new novel is a heartbreaking look at the way we live now. Full of shocks and aftershocks, it makes us think and feel deeply about the uses and meaning of beauty and the place of love in our lives.

A dark, poetic mystery about the women of the remote village of Kulumani and the lionesses that hunt them Told through two haunting, interwoven diaries, Mia Couto's *Confession of the Lioness* reveals the mysterious world of Kulumani, an isolated village in Mozambique whose traditions and beliefs are threatened when ghostlike lionesses begin hunting the women who live there. Mariamar, a woman whose sister was killed in

a lioness attack, finds her life thrown into chaos when the outsider Archangel Bullseye, the marksman hired to kill the lionesses, arrives at the request of the village elders. Mariamar's father imprisons her in her home, where she relives painful memories of past abuse and hopes to be rescued by Archangel. Meanwhile, Archangel tracks the lionesses in the wilderness, but when he begins to suspect there is more to them than meets the eye, he starts to lose control of his hands. The hunt grows more dangerous, until it's no safer inside Kulumani than outside it. As the men of Kulumani feel increasingly threatened by the outsider, the forces of modernity upon their traditional culture, and the danger of their animal predators closing in, it becomes clear the lionesses might not be real lionesses at all but spirits conjured by the ancient witchcraft of the women themselves. Both a riveting mystery and a poignant examination of women's oppression, *Confession of the Lioness* explores the confrontation between the modern world and ancient traditions to produce an atmospheric, gripping novel.

"Never before published in English, Carolina's second diary, written in 1960-61, describes her life in the first year after the sudden (and, as it turned out, temporary) fame of *Quarto de despejo* (see HLAS 25:4741). Translated faithfully into English, *evolution*

An acclaimed travel writer and novelist describes his journey across Africa, from Cape Town to Cape Province and into Namibia, riding elephants, meeting Bushmen and discussing the changes that have taken place since his first visit 50 years ago.

The denizens of a rundown building in 1940s Lisbon come to sparkling life in this lost

early novel by the Nobel Prize-winning author of *Blindness*. The renowned Portuguese author Jose Saramago was at the beginning of his career when he submitted his novel *Skylight* for publication in 1953. It then sat lost among stacks of manuscripts for thirty-six years. Published posthumously according to Saramago's wishes, the world can finally enjoy this "fascinating and startlingly mature work" set in 1940's Lisbon (Boston Globe). The inhabitants of a faded apartment building are struggling to make ends meet: Silvio the cobbler and his wife take in a disaffected young lodger; Dona Lídia, a retired prostitute, is kept by a businessman with a roving eye. Humble salesman Emilio's Spanish wife is in a permanent rage; beautiful Claudinha's boss lusts for her; Justina and her womanizer husband live at war with each other. Happy marriages, abusive relationships, jealousy, gossip, love—*Skylight* is a portrait of ordinary people painted by the master of the quotidian, a great observer of the immense beauty and profound hardship of the modern world. "There is no shortage of wonders to be found in [*Skylight*]." —Washington Post

Vivaldo Bonfim was a bored book-keeper whose main escape from the tedium of his work was provided by novels. In the office, he tended to read rather than work, and, one day, became so immersed in a book that he got lost and disappeared completely. That, at least, is the version given to Vivaldo's son, Elias, by his grandmother. One day, Elias sets off, like a modern-day Telemachus, in search of the father he never knew. His journey takes him through the plots of many classic novels, replete with murders, all-consuming

passions, wild beasts and other literary perils. The Book that Devoured my Father is, at once, a celebration of filial love, friendship and literature.
