A limited liability company (LLC) can be the right choice for any business owner seeking to reduce liability and protect his or her assets. This type of entity has several advantages over operating a sole proprietorship or partnership. In this book, you will discover the ins and outs of an LLC and find out if it's right for you.

Forming a corporation, limited liability company (LLC), or partnership is easy with the help of this instructive handbook. Includes full-size fill-in-the-blank state and federal forms, new business checklist, tax-saving strategies, stock certificates, and member certificates. Recommended by SBA Small Business Development Centers and SCORE Offices nationwide. (Legal Reference)

According the United States Small Business Administration's most recently released date, there are more than 9 million small businesses in the United States and almost 250,000 new ones started every year. Of those new businesses, half will fail in the first 12 months and part of that failure is due to the lack of information about how to start and develop that business. Without the right legal form of business, you may end up paying too much in taxes, failing to comply with certain laws, or miss out on certain breaks that you deserve. This book provides you with a complete guide, discussing all four major forms of business, which one is right for you, and how your decision may affect you in the future. The first thing you will read about is the list of non-legal issues you need to deal with before you start the business creation process. In addition, you will learn which form of business is ideal for your particular situation with a short overview of each type, a comparison of what each offers, and how the legal implications of each might apply to you. You will learn specifically how to choose between an LLC and a corporation in instances where it might not be immediately clear which is best for you. You will also learn which special business structures are best suited to your needs if you do not fit into any of the four primary categories. The process of structuring a partnership is outlined, along with how to create a written agreement and how to change a partnership after the business has been created. You will also learn how to create a corporation, including the structure you will use, how to establish financing, the compensation you will provide yourself, whether you need a lawyer, the 13 step process of starting and filing your corporation, and what you need to do immediately afterwards. The number of members needed to create an LLC is provided as well, along with how to structure management and determine financing and compensation. Hours of careful interviews were conducted with successful small

business owners and legal experts to help create a comprehensive collection of materials that will guide you through the processes above, as well as how to handle transition of ownership and the extended process of naming your business "including the legal implications of this process, what you need to know about trademarks and service marks, how to protect your own trademarks, and where to do name searches. The licensing and permit processes, as well as the tax structures for each business type, are included for federal, state, and local laws, while additional information is provided on how to build your home-based business as opposed to one in a physical location. If you are looking to create a new business and do not know which format is best for your needs, this book will walk you through each step of the selection process, making sure your new business meets all applicable laws and regulations.

This authoritative research tool covers all aspects of California corporate law and practice, providing clear, reliable guidance to the laws, legislative history, and major case law holdings, as well as the authors' well-known expertise and advice on approaching and understanding key corporate transactions. There is no better source on how to handle all key corporate transactions, from corporate formation and governance to takeovers and bankruptcies. Completely current, there is full coverage and insightful, expert analysis of all the critical new issues affecting California corporate law practice, including: What are the various business entities available in California? What are the methods and issues involved in forming those entities? What are the particular benefits of, and restrictions on, using a Limited Liability Company in California? What are the issues involved in financing a California corporation? What are the fiduciary duties imposed upon directors, officers, and controlling shareholders of California corporations? How do you provide notice and hold meetings of directors and shareholders of California corporations? What are the restrictions imposed upon officers and directors in the operation of California corporations? Under what circumstances can a California corporation pay a dividend or make a distribution of property to its shareholders? What are the issues involved in acquiring California corporations, whether by merger, purchase of stock, or purchase of assets? How and under what circumstances can a California corporation be dissolved? What are the issues and requirements faced by a foreign corporation conducting business in California?

It's time to upgrade your legal structure -- but how? LLC or Corporation? is the only book that explains each of these business structures, how they differ, and how each will affect your bottom line. Make the right decision with thorough information on: the basics of business entities profits, losses and tax treatment converting from one type of business entity to another

Sutton has updated, yet again, his comprehensive book on maximizing the benefits of limited liability companies and limited partnerships. You will learn how to: Select the right entity for your specific needs and goals ; Follow the rules to keep your assets protected ; Creatively plan your future and your family's future ; Easily manage and operate an LLC or an LP ; Strategically use entities to hold real estate and other assets.--Back cover.

This revised handbook provides a concise discussion of the limited liability company (LLC), the popular alternative

business form for small- and medium-sized enterprises that strategically combines the pass-through tax advantages and operational flexibility of the partnership with the limited liability of the corporation. The Guide explains, in clear language, key information about the benefits available within the LLC format, and a synopsis of each state's LLC statute enables you to quickly identify relevant planning opportunities or potential pitfalls. Book jacket.

Written by a team of experts, this book explains conversions of existing partnerships and corporations to limited liability companies with in-depth legal, tax, and practical implications. It also details procedures from start to finish, including knowing when to use, how to form, and how to dissolve limited liability companies with federal tax treatment of each step. Topics discussed include: comparing LLCs to S Corporations and Partnerships and exploring the reasons LLCs may want to elect to be taxed as corporations - forming the LLC - withholding taxes on payments to foreign LLCs - converting accounting and law firms to LLPs - dissolution and liquidation - and more.

Do you yearn to be your own boss and set up your own business but not sure how to go about it? Do you know the benefits of having a Limited Liability Company (LLC) , but you don't know how to get started? Then your search is finally over, for we've got the book for you! The thought of "being your own boss" is sure exciting and if you plan to do it by setting up your business and are ready with a business plan, the next crucial step is deciding the right business structure. This decision has far reaching repercussions for the business and thus requires careful selection. The factors like personal liability, regulations, tax treatment, etc are governed by the form of your business entity which could be a Sole Proprietorship, Corporation, Partnership, or a Limited Liability Company (LLC). A limited liability company (LLC) can be the right choice for any business owner seeking to reduce liability and protect his or her assets. This type of entity has several advantages over operating a sole proprietorship or partnership. Unlike a sole proprietorship or partnership, an LLC shields the owner or owners from liability, and unlike a more complex corporation, management structure is loose, there is no board of directors to answer to, and with an LLC being a pass-through organization, no double taxation which corporations are subject to unless one elects to be taxed as a C or S corporation. In this book, you will discover the ins and outs of an LLC and find out if it's right for you. Here are just some of the topics that are discussed within this book An introduction to what LLC actually means The advantages and disadvantages associated with LLC Easy steps towards starting your own LLC and LLC state specific guidelines to follow The accounting and taxes involved in this industry Reviewing whether LLC is right for you And so much more! Among all forms of companies, start-up of a LLC is easier with lesser complexities, paperwork and costs. This form of company comes with a lot of operational ease with less record keeping and compliance issues. LLCs also provide a lot of freedom in management as there no requirement of having a board of directors, annual meetings or maintaining strict record books. These features reduce unnecessary hassles and help save a lot of time and effort. So what are you waiting for? Start building the steps towards success today, with just a simple click on the 'Buy Now' button!

Our current economic climate has led many people to start their own businesses—by choice, necessity, or a little of each. And since everyone wants to limit their personal liability when starting a business, LLCs have become very popular. This book simplifies LLC concepts and helps the reader decide whether to form an LLC or some other type of business entity.

Explains how to form a corporation, discussing why and when to incorporate, tax advantages, and limited liability.

Forming a corporation, limited liability company (LLC), or partnership in Georgia is easy with the help of this instructive handbook. Includes full-size fill-in-the-blank state and federal forms, new business checklist, tax-saving strategies, stock certificates, and member certificates.

Recommended by SBA Small Business Development Centers and SCORE Offices nationwide. (Legal Reference)

The ultimate do-it-yourself guide contains all the step-by-step instructions and forms readers need to form their own corporation in California and save thousands of dollars in lawyer fees. Lots of advice and information on corporate law, including tax information and rules on offering and selling stock. Includes key forms to incorporate and bylaws for the new corporation.

The "LLC, S-Corp, or C-Corp" question is one of essential importance: Make the right decision, and you'll be paying less tax; you'll know your personal assets are protected from lawsuits against your business; and you might even save yourself some money on accounting and legal fees. Make the wrong decision, and you'll be paying an unnecessary amount of tax; you'll be wasting money on legal bills; and you'll be only a lawsuit away from losing your home and other personal assets. Find the following, explained in plain-English with no legal jargon: The basics of sole proprietorship, partnership, LLC, S-Corp, and C-Corp taxation. How to protect your personal assets from lawsuits against your business. When the protection offered by an LLC will work. (And more importantly, when it will not!) Which business structures could reduce your federal income tax or self-employment tax.

Limited Liability Companies (LLCs) have increased in popularity over the last few decades. Entrepreneurs across the world learn about the numerous liability and tax advantages of LLCs and are quick to start the paperwork to form their own entity and get their business off the ground. You might be asking yourself, can't I read a few articles about LLCs and be all set to start my business? What's important to realize here is that LLCs are a relatively new type of business structure - dating back only 40 years ago in Wyoming. Since then, states have adopted and dealt with LLCs as they see fit. Our goal in this book is to provide the broad strokes of the LLC that are true in every state while also bringing to your attention and directing you to the proper resources for the state by state differences. If You're Planning on Forming A New Business - You Need To Understand The Why, When, and How of LLCs.No other book is going to teach you about LLCs in a manner that will teach you exactly what you need to know about LLCs and what your next steps should be in starting your business while leaving out the "fluff" and unnecessary information. While LLCs are often cited for their numerous advantages and benefits for new business owners, there are potential disadvantages depending on your specific situation. Don't worry - all of this will be covered in the book as well. If you plan on starting your own business, the fact of the matter is You Need To Understand How LLCs Work!
