

Long Days Journey Into Night Eugene Oneill

THE STORY: Originally produced on Broadway, revived to sellout houses in 1996 starring Al Pacino, HUGHIE was one of O'Neill's last works. It was originally intended as part of a series of short plays, but it became the lone survivor when O'Neill de (Limelight). "...essential to any understanding of...O'Neill if only because they demystify him." Arthur Miller, The New York Times Book Review

Presents critical essays which discuss the characters, plot, language, structure, and major themes of the play by one of America's greatest dramatist.

Through the decades, Theodore Mann has kept Circle in the Square alive by leaping from the precipice of one hit to another, taking on every task from stoking a dilapidated furnace to directing Tony Award-winning productions. In the process Mann has helped restore the reputation of one of our greatest playwrights, Eugene O'Neill, first with a landmark revival of The Iceman Cometh and then with the American premiere of Long Day's Journey Into Night. Mann's own long journey has been inextricably linked with O'Neill, and he presents here some extremely significant, previously unreported aspects of the O'Neill saga." "Here is Theodore Mann's own account of the theatrical and cultural revolution that is Circle in the Square. If you ever wondered how off-Broadway came to be (and how it ever managed to survive), this is the tale to read."--BOOK JACKET. (Blackwell).

He did not wear his scarlet coat, For blood and wine are red, And blood and wine were on his hands When they found him with the dead, The poor dead woman whom he loved, And murdered in her bed. He walked amongst the Trial Men In a suit of shabby grey; A cricket cap was on his head, And his step seemed light and gay; But I never saw a man who looked So wistfully at the day. I never saw a man who looked With such a wistful eye Upon that little tent of blue Which prisoners call the sky, And at every drifting cloud that went With sails of silver by.

A detailed account of the most significant productions of the play throughout the world.

In this brilliant study, Marc Robinson explores more than two hundred years of plays, styles, and stagings of American theater. Mapping the changing cultural landscape from the late eighteenth century to the start of the twenty-first, he explores how theater has--and has not--changed and offers close readings of plays by O'Neill, Stein, Wilder, Miller, and Albee, as well as by important but perhaps lesser known dramatists such as Wallace Stevens, Jean Toomer, Djuna Barnes, and many others. Robinson reads

each work in an ambitiously interdisciplinary context, linking advances in theater to developments in American literature, dance, and visual art. The author is particularly attentive to the continuities in American drama, and expertly teases out recurring themes, such as the significance of visibility. He avoids neatly categorizing nineteenth- and twentieth-century plays and depicts a theater more restive and mercurial than has been recognized before. Robinson proves both a fascinating and thought-provoking critic and a spirited guide to the history of American drama.

William Davies King provides a thoughtful introduction to *Long Day's Journey into Night*—equally sensitive to the most particular and most encompassing of the play's materials."—Marc Robinson

A critical edition of O'Neill's most complex and difficult play, designed for student readers and performers This critical edition of Eugene O'Neill's most complex and difficult play helps students and performers meet the work's demanding cultural literacy. William Davies King provides an invaluable guide to the text, including an essay on historical and critical perspectives; extensive notes on the language used in the play, and its many musical and literary allusions; as well as numerous insightful illustrations. He also gives biographical details about the actual people the characters are based on, along with the performance history of the play, to help students and theatrical artists engage with this labyrinthine work.

"Never before, the entire history of the American theater, has so much of the truth of black people's lives been seen on the stage," observed James Baldwin shortly before *A Raisin in the Sun* opened on Broadway in 1959. Indeed Lorraine Hansberry's award-winning drama about the hopes and aspirations of a struggling, working-class family living on the South Side of Chicago connected profoundly with the psyche of black America--and changed American theater forever. The play's title comes from a line in Langston Hughes's poem "Harlem," which warns that a dream deferred might "dry up/like a raisin in the sun." "The events of every passing year add resonance to *A Raisin in the Sun*," said *The New York Times*. "It is as if history is conspiring to make the play a classic." This Modern Library edition presents the fully restored, uncut version of Hansberry's landmark work with an introduction by Robert Nemiroff.

No play in the modern theatre has so captured the imagination and heart of the American public as Tennessee Williams's *The Glass Menagerie*. *Menagerie* was Williams's first popular success and launched the brilliant, if somewhat controversial, career of our pre-eminent lyric playwright. Since its premiere in Chicago in 1944, with the legendary Lorraine Taylor in the role of Amanda, the play has been the bravura piece for great actresses from Jessica Tandy to Joanne Woodward, and is studied and performed in classrooms and theatres around the world. *The Glass Menagerie* (in the reading text the author preferred) is now available only in its New Directions Paperback edition. A new introduction by prominent Williams scholar Robert Bray, editor of *The Tennessee*

Williams Annual Review, reappraises the play more than half a century after it won the New York Drama Critics Circle Award: "More than fifty years after telling his story of a family whose lives form a triangle of quiet desperation, Williams's mellifluous voice still resonates deeply and universally." This edition of *The Glass Menagerie* also includes Williams's essay on the impact of sudden fame on a struggling writer, "The Catastrophe of Success," as well as a short section of Williams's own "Production Notes." The cover features the classic line drawing by Alvin Lustig, originally done for the 1949 *New Directions* edition.

Mimetic Disillusion reevaluates the history of modern U.S. drama in general and the dramatic art of O'Neill and Williams specifically, showing how at mid-century drama in America shifted away from representational theatre, toward a poststructuralist "disillusionment" with mimesis. The book focuses on two major writers of the 1930s and 1940s - Eugene O'Neill and Tennessee Williams - one whose writing career was just ending and the other whose career was just beginning. In new readings of their major works of this period, *Long Day's Journey into Night*, *The Iceman Cometh*, *The Glass Menagerie*, and *A Streetcar Named Desire*, Fleche develops connections to the writings of Jacques Derrida, Paul de Man, and Michel Foucault, among others, and discusses poststructuralism in the light of such modern writers as Bertolt Brecht, Antonin Artaud, and Walter Benjamin.

An "absorbing" biography of the playwright and Nobel laureate that "unflinchingly explores the darkness that dominated O'Neill's life" (*Publishers Weekly*). This extraordinary biography fully captures the intimacies of Eugene O'Neill's tumultuous life and the profound impact of his work on American drama, innovatively highlighting how the stories he told

for the stage interweave with his actual life stories as well as the culture and history of his time. Much is new in this extensively researched book: connections between O'Neill's plays and his political and philosophical worldview; insights into his Irish American upbringing and lifelong torment over losing faith in God; his vital role in African American cultural history; unpublished photographs, including a unique offstage picture of him with his lover Louise Bryant; new evidence of O'Neill's desire to become a novelist and what this reveals about his unique dramatic voice; and a startling revelation about the release of *Long Day's Journey Into Night* in defiance of his explicit instructions. This biography is also the first to discuss O'Neill's lost play *Exorcism* (a single copy of which was only recently recovered), a dramatization of his own suicide attempt. Written with both a lively informality and a scholar's strict accuracy, *Eugene O'Neill: A Life in Four Acts* is a biography worthy of America's foremost playwright. "Fast-paced, highly readable . . . building to a devastating last act." —*Irish Times*

When it was published in 1932, this revolutionary first fiction redefined the art of the novel with its black humor, its nihilism, and its irreverent, explosive writing style, and made Louis-Ferdinand Celine one of France's--and literature's--most important 20th-century writers. The picaresque adventures of Bardamu, the sarcastic and brilliant antihero of *Journey to the End of the Night* move from the battlefields of World War I (complete with buffoonish officers and cowardly soldiers), to French West Africa, the United States, and back to France in a style of prose that's lyrical, hallucinatory, and hilariously scathing toward nearly everybody and everything. Yet, beneath it all one can detect a gentle core of idealism.

Specially commissioned essays explore the life and work of Eugene O'Neill from his earliest writings to *Long Day's Journey Into Night*.

A play about a family of four psychologically disturbed people reveals aspects of the author's own life.

Things Fall Apart, set in Nigeria about a century ago, is widely regarded as Chinua Achebe's masterpiece. Considered one of the most broadly read African novels, Achebe's work responded to the two-dimensional caricatures of Africans

that often dominated Western literature. This guide contains a selection of contemporary criticism of this novel.

Seminar paper from the year 2007 in the subject American Studies - Literature, grade: 2,3, RWTH Aachen University (Institut für Anglistik), course: Modern American Drama, 9 entries in the bibliography, language: English, abstract: The two plays Long Day's Journey into Night by Eugene O'Neill and A Streetcar Named Desire by Tennessee Williams can be seen as two of the most successful and respected plays of American Modernism. Besides other similarities, both plays deal, more or less obviously with the consumption of alcohol and - in case of Mary Tyrone in Long Day's Journey into Night - drugs. This paper's matter is to find out what function drinking or the consumption of other drugs have for the characters of the two plays. This question could also be interesting looking at the authors: O'Neill's play has very many parallels to his own life and also Williams admitted that he is to be found in the character of Blanche DuBois to a certain extent."

Now published for the first time as a trade paperback with a new introduction and the short story on which it was based. Williams wrote: "This is a play about love in its purest terms." It is also Williams's robust and persuasive plea for endurance and resistance in the face of human suffering. The earthy widow Maxine Faulk is proprietress of a rundown hotel at the edge of a Mexican cliff overlooking the Pacific Ocean where the defrocked Rev. Shannon, his tour group of ladies from a West Texas women's college, the self-described New England spinster Hannah Jelkes and her ninety-seven-year-old grandfather, Jonathan Coffin ("the world's oldest living and practicing poet"), a family of grotesque Nazi vacationers, and an iguana tied by its throat to the veranda, all find themselves assembled for a rainy and turbulent night. This is the first trade paperback edition of *The Night of the Iguana* and comes with an Introduction by award-winning playwright Doug Wright, the author's original Foreword, the short story "The Night of the Iguana" which was the germ for the play, plus an essay by noted Tennessee Williams scholar, Kenneth Holditch. "I'm tired of conducting services in praise and worship of a senile delinquent—yeah, that's what I said, I shouted! All your Western theologies, the whole mythology of them, are based on the concept of God as a senile delinquent and, by God, I will not and cannot continue to conduct services in praise and worship of this...this...this angry, petulant old man." —The Rev. T. Lawrence Shannon, from *The Night of the Iguana*

A true modern classic from one of the twentieth century's most significant writers, *Long Day's Journey into Night* is an intensely autobiographical, magnificently tragic portrait of the author's own family - a play so acutely personal that he insisted it was not published until after his death. One single day in the Tyrone's Connecticut home. James Tyrone Sr is a miser, a talented actor who even squanders his talent in an undemanding role; eldest son Jamie is an affable, whoremongering alcoholic and confirmed ne'er-do well; youngest son Edmund is poetic, sensitive, suffering from a respiratory condition and deep-seated disillusionment; and their mother Mary, living in a haze of self-delusion and morphine addiction. Existing together under this roof, and the profound weight of the past, they subtly tear one another apart, shred by shred. 'Set in 1912, the year of O'Neill's own attempted suicide, it is an attempt to understand himself and those to whom he was irrevocably tied by fate and by love. It is the finest and most powerful play to have come out of America' Christopher Bigsby Eugene O'Neill's play *Long Day's Journey into Night* was written in 1939-41,

and first published in 1956 (after O'Neill's death in 1953). It was first performed at the Royal Dramatic Theatre, Stockholm, in February 1956, and had its first American production at Helen Hayes Theater, New York, in November that year. It won the Tony Award for Best Play, and O'Neill was posthumously awarded the 1957 Pulitzer Prize for Drama. This edition includes a full introduction, biographical sketch and chronology.

Seminar paper from the year 2009 in the subject American Studies - Literature, grade: 2,0, University of Tübingen (Englisches Seminar), course: PS I: Introduction to Literary Studies, language: English, abstract: "At the final curtain, there they still are, trapped within each other by the past, each guilty and at the same time innocent, scorning, loving, pitying each other, understanding, and yet not understanding at all, forgiving but still doomed never to be able to forget." (Hinden 36) In this citation written into a letter to a friend, Long Days Journey into Night- author Eugene ONEill gives an insight into his own interpretation of the ending of the play (cf. Hinden 36). There, ONEill mentions the four protagonists of this play, the members of the family Tyrone, and their imprisonment into a circle of guilt, scorn, and misunderstanding. Nevertheless, there is also the influence of positive emotions like love, understanding, and forgiveness. This term paper will be about one of these terms, namely the term guilt, by which each family member is affected, and the notion of failure in Long Days Journey into Night. In order to discuss these two key terminologies, guilt and failure, there will be a closer look at the family Tyrone, which consists of the father, James Tyrone, the mother, Mary Cavan Tyrone, Jamie, the elder son, and Edmund, the younger son. Finally, there will be the question how the life of each family member is affected by guilt and failure, and how relationships within the family are destroyed by it."

This new edition of O'Neill's unfinished play coincides with the centenary of his birth and includes a substantial amount of material - including an entire scene - that was missing when it was prepared after the playwright's death, but which, Martha Bower argues, he had intended for inclusion.

Shortly after the debut of Exorcism in 1920, Eugene O'Neill suddenly canceled production and ordered all extant copies of the drama destroyed. For over ninety years, it was believed that the play was irrevocably lost, until it was recently discovered that

O'Neill's second wife had in fact retained a copy, which she later gave to the prolific screenwriter and producer Philip Yordan. In early 2011, Yordan's widow discovered the typescript of *Exorcism*—complete with edits in O'Neill's own hand—in her late husband's vast trove of papers. The discovery and publication of *Exorcism*, a relatively early play in the O'Neill corpus, furthers our knowledge of O'Neill's dramatic development and reveals a pivotal point in the career of this great American playwright. Revolving around a suicide attempt, *Exorcism* draws on a dark incident in O'Neill's own life. This defining event led to his first serious efforts to write. *Exorcism* displays early examples of O'Neill's unparalleled skills of capturing deeply personal human drama, and it explores major themes—mourning and melancholia, addiction and sobriety, tensions between fathers and sons—that would permeate his later work. According to Yale University's Beinecke Rare Book and Manuscript Library curator Louise Bernard, who acquired the play from a New York bookseller, “*Exorcism* might be read as a preparatory sketch that resonates powerfully with *Long Day's Journey into Night*, one that brings the O'Neill family drama full circle in ways at once intimate and grandly conceived.”

Seminar paper from the year 2010 in the subject English Language and Literature Studies - Literature, grade: 1,3, Ruhr-University of Bochum (Englisches Seminar), course: Eugene O'Neill, language: English, abstract: *The Iceman Cometh* (published in 1940) and *Long Day's Journey into Night* (published in 1956 after O'Neill's death) are widely recognized to be two of Eugene O'Neill's best plays. Both belong to his late plays and apart from that bear a lot of similarities. The focus of this paper will be to analyze *The Iceman Cometh* and *Long Day's Journey into Night* with special regard to the importance of illusion and reality for both the characters and the progress of the play. Furthermore a comparison will be made between Hickey in *The Iceman Cometh* and Mary Cavan Tyrone in *Long Day's Journey into Night* in order to show that they have similar functions in their respective plays. Finally a conclusion will be given which will sum up the argumentation.
