

Long Live The King The Mysterious Fate Of Edward Ii

HEAVY IS THE HEAD THAT WEARS THE CROWN! As the Black Panther and an Avenger, T'Challa has had to save the world time and again - but those duties pale in comparison to his responsibilities as king of Wakanda. As the nation rebuilds in the wake of revolution, T'Challa finds his people besieged by a massive monster tearing through the country, leaving a trail of destruction in its wake! From acclaimed novelist NNEDI OKORAFOR (Binti, Who Fears Death) and illustrator ANDRE LIMA ARAUJO (SPIDEY, The Wicked + The Divine) comes an adventure set in the world of Ta-Nehisi Coates' landmark BLACK PANTHER run and told in the Mighty Marvel Manner!

Arthurian Legend for the 21st century . . . August Prescott is an on-the-rise U.S. senator with the help of his BFF and chief of staff, Edmund Martin, but on one fateful trip to England where they meet the Lady of the Lake, they learn who they REALLY are: August is King Arthur and Edmund is Merlin, and a whole new destiny awaits them. A long time ago, magic was once known to the world. Thanks to modern religion and some ruthless rulers, it was driven underground, and people eventually forgot it existed. Now, a group of those with magic are seeking to expose magic in the human world again, driven by a desire for power and to come out from the shadows. The players from King Arthur's time have been reincarnated, destined to stop the destruction and keep the human world from collapsing. Guided by the Lady of the Lake, and while dodging attacks from Morgan le Fay, August and Edmund have to find the Knights of the Round Table and try to stop magic from being exposed. Will they succeed?

Book 1 of the Long Live the King Series

Read PDF Long Live The King The Mysterious Fate Of Edward II

From the award-winning novelist and writer of *Upstairs Downstairs*, the launch of a brilliant new trilogy about what life was really like for masters and servants before the world of *Downton Abbey*. As the Season of 1899 comes to an end, the world is poised on the brink of profound, irrevocable change. The Earl of Dilberne is facing serious financial concerns. The ripple effects spread to everyone in the household: Lord Robert, who has gambled unwisely on the stock market and seeks a place in the Cabinet; his unmarried children, Arthur, who keeps a courtesan, and Rosina, who keeps a parrot in her bedroom; Lord Robert's wife Isobel, who orders the affairs of the household in Belgrave Square; and Grace, the lady's maid who orders the life of her mistress. Lord Robert can see no financial relief to an already mortgaged estate, and, though the Season is over, his thoughts turn to securing a suitable wife (and dowry) for his son. The arrival on the London scene of Minnie, a beautiful Chicago heiress with a reputation to mend, seems the answer to all their prayers. As the writer of the pilot episode of the original *Upstairs, Downstairs*—Fay Weldon brings a deserved reputation for magnificent storytelling. With wit and sympathy—and no small measure of mischief—*Habits of the House* plots the interplay of restraint and desire, manners and morals, reason and instinct.

This is a story of love, intrigue and adventure in a European court. In this story Mrs. Rinehart combines mystery, heart interest, and excitement of her past successes into a story that will be hailed as the most interesting of all her stories. *New York Times* Bestseller: This retelling of the Greek myth of Theseus, king of Athens, is "one of the truly fine historical novels of modern times" (*The New York Times*). In myth, Theseus was the slayer of the child-devouring Minotaur in Crete. What the founder-hero might have been in real life is another question, brilliantly explored in *The King Must Die*.

Read PDF Long Live The King The Mysterious Fate Of Edward II

Drawing on modern scholarship and archaeological findings at Knossos, Mary Renault's *Theseus* is an utterly lifelike figure—a king of immense charisma, whose boundless strivings flow from strength and weakness—but also one steered by implacable prophecy. The story follows Theseus's adventures from Troizen to Eleusis, where the death in the book's title is to take place, and from Athens to Crete, where he learns to jump bulls and is named king of the victims. Richly imbued with the spirit of its time, this is a page-turner as well as a daring act of imagination. Renault's story of *Theseus* continues with the sequel *The Bull from the Sea*. This ebook features an illustrated biography of Mary Renault including rare images of the author.

The story of Universal Pictures and Illumination

Entertainment's *Minions* begins at the dawn of time. Starting as single-celled yellow organisms, *Minions* evolve through the ages, perpetually serving the most despicable of masters. Continuously unsuccessful at keeping these masters—from T. rex to Napoleon—the *Minions* find themselves without someone to serve and fall into a deep depression. But one *Minion* named Kevin has a plan, and he—alongside teenage rebel Stuart and lovable little Bob—ventures out into the world to find a new evil boss for his brethren to follow. The trio embarks upon a thrilling journey that ultimately leads them to their next potential master, Scarlet Overkill (Academy Award® winner Sandra Bullock), the world's first-ever female super-villain. They travel from frigid Antarctica to 1960s New York City, ending in mod London, where they must face their biggest challenge to date: saving all of *Minionkind*...from annihilation. Featuring a soundtrack of hit music from the '60s that still permeates our culture today, *Minions* is produced by Illumination's Chris Meledandri and Janet Healy, and is directed by Pierre Coffin and Kyle Balda. Brian Lynch has written the screenplay for the 3D-CG comedy adventure, and

Chris Renaud serves as executive producer of the film. A storybook based on the new feature film!

Collects Army of Darkness: Ongoing #8-13! Lost in time, low on gas... and surrounded by dames! Ashley J. Williams, the @\$\$-kicking Chosen One, is thrown through time to Prohibition Era Chicago. When the Book of the Dead revives an army of Deadite gangsters, Ash turns his boomstick in for a badge, his chainsaw for a tommy gun! But even greater evils from throughout the ages align against our hero, including King Montezuma, undead Nazi soldiers, and a resurrected Yakuza crime lord! Will the Chosen One survive the ravages of time, and how does the mysterious Lady Ash fit into the equation?

Edward II's death at Berkeley Castle in 1327, murdered by having a red-hot poker inserted inside him, is one of the most famous and lurid tales in all of English history. But is it true? For five and a half centuries, few people questioned it, but with the discovery in a Montpellier archive of a remarkable document, an alternative narrative has presented itself: that Edward escaped from Berkeley Castle and made his way to Ireland, to the pope in Avignon and through Brabant, Cologne and Milan to an Italian hermitage. Was Edward in fact still alive years after his supposed death? Many influential people among his contemporaries certainly believed that he was, and acted upon that belief. In *Long Live the King*, medieval historian Kathryn Warner explores in detail Edward's downfall and forced abdication in 1326/27, the role played in it by his wife Isabella of France, the wide variation in chronicle accounts of his murder at Berkeley Castle, and the fascinating possibility that Edward lived on in Italy for many years after his official funeral was held in Gloucester in December 1327.

The war with the Lessening Society continues, with the

added threat of the Band of Bastards, after Wrath and his mate take the throne. Reprint.

The New York Times bestselling first book in Joe Abercrombie's The Age of Madness Trilogy where the age of the machine dawns, but the age of magic refuses to die. The chimneys of industry rise over Adua and the world seethes with new opportunities. But old scores run deep as ever. On the blood-soaked borders of Angland, Leo dan Brock struggles to win fame on the battlefield, and defeat the marauding armies of Stour Nightfall. He hopes for help from the crown. But King Jezal's son, the feckless Prince Orso, is a man who specializes in disappointments. Savine dan Glokta -- socialite, investor, and daughter of the most feared man in the Union -- plans to claw her way to the top of the slag-heap of society by any means necessary. But the slums boil over with a rage that all the money in the world cannot control. The age of the machine dawns, but the age of magic refuses to die. With the help of the mad hillwoman Isern-i-Phail, Rikke struggles to control the blessing, or the curse, of the Long Eye. Glimpsing the future is one thing, but with the guiding hand of the First of the Magi still pulling the strings, changing it will be quite another . . .

as their family grows, as their children find love, as William watches the kingdom getting stronger. See what happens to the family over the next twenty-five years or so as William becomes one the most powerful kings. Following the restoration of the Dilberne fortune and manor at the turn of the twentieth century, Lord Robert and Lady Isobel get caught up in coronation plans for Edward VII, anticipate the birth of a grandchild, and debate the future of an orphaned niece.

Long Live the King! Mary Roberts Rinehart - The present book 'Long Live the King!' was written by the famous English novelist Mary Roberts Rinehart. It was first published in the year 1917. This is a story of love; intrigue and adventure in an European court.

"On the eve of Christmas Eve..." Paul Auster writes, "Tyler Kobe Nichols collapsed onto the sidewalk with three knife wounds in the front of his torso and one in the back." His death soon followed. With it, the twenty-one-year-old joined the ranks of young people killed by senseless violence in America. Tyler's death warranted just two paragraphs in the New York Daily News. And yet with each death, a new story begins that is rarely if ever told; one that centers around the fallout from traumatic loss. This story, as Tyler's mother Sherma Chambers keenly observes, is generational, with no clear end in sight. Long Live King Kobe began with a mistake. Photographer Spencer Ostrander had arrived at the funeral for Tyler believing he was a victim of gun violence, and hoping to include him in an ongoing project Ostrander had created to document the lives of gun victims. Instead, he met Sherma Chambers, and a week

Read PDF Long Live The King The Mysterious Fate Of Edward II

later a collaboration, which soon included Paul Auster, had begun--one in which a pair of strangers would join a family in their sorrow. Thanks to the generosity of the entire Nichols/Chambers family, Long Live King Kobe invites us to join them in their intimate grief in the weeks that followed Tyler's death. The family's response to his murder, including their creation of a foundation dedicated to counteracting street violence with love, is one that presents their tragedy as a means for our society to grow. Long Live King Kobe offers a privileged journey into the power of community for all who have felt outrage, confusion, sadness, and deep despair at the epidemic of violence in our country. It also provides reason to hope. The Long Live King Kobe Foundation, started by Sherma Chambers, will support nonviolence initiatives to keep youth safe. Proceeds from this book will benefit the foundation.

"Gathering intel, chasing leads, and cracking heads are all part of a day's work for Detective Chief

Superintendent William Melville, bodyguard to Queen Victoria's son and heir to the throne, Prince Albert. But when the Queen dies, prompting most of Europe's royalty to converge on London for the funeral, Melville receives a tip about a planned attempt on the German Kaiser's life led by a mysterious anarchist known as Akushku. As Melville and his German counterpart, Gustav Steinhauer, race to uncover exactly what Akushku has planned, they find themselves drawn into a world of brutal violence, illicit romance, and bitter class warfare. And all the while, Akushku dances just out of reach, ensnaring rich and poor alike in his web. As the

Read PDF Long Live The King The Mysterious Fate Of Edward II

day of the funeral approaches, Melville realizes that far more than the Kaiser's life is at stake--if he can't reach Akushku in time, he risks the destruction of the very realm he's sworn to protect"--

Toward the end of the year 1920 the Government of the United States had practically completed the programme, adopted during the last months of President Winthrop's administration. The country was apparently tranquil. Everybody knows how the Tariff and Labour questions were settled. The war with Germany, incident on that country's seizure of the Samoan Islands, had left no visible scars upon the republic, and the temporary occupation of Norfolk by the invading army had been forgotten in the joy over repeated naval victories, and the subsequent ridiculous plight of General Von Gartenlaube's forces in the State of New Jersey. The Cuban and Hawaiian investments had paid one hundred per cent and the territory of Samoa was well worth its cost as a coaling station. The country was in a superb state of defence. Every coast city had been well supplied with land fortifications; the army under the parental eye of the General Staff, organized according to the Prussian system, had been increased to 300,000 men, with a territorial reserve of a million; and six magnificent squadrons of cruisers and battle-ships patrolled the six stations of the navigable seas, leaving a steam reserve amply fitted to control home waters. The gentlemen from the West had at last been constrained to acknowledge that a college for the training of diplomats was as necessary as law schools are for the training of barristers; consequently we were no longer represented

Read PDF Long Live The King The Mysterious Fate Of Edward II

abroad by incompetent patriots. The nation was prosperous; Chicago, for a moment paralyzed after a second great fire, had risen from its ruins, white and imperial, and more beautiful than the white city which had been built for its plaything in 1893. Everywhere good architecture was replacing bad, and even in New York, a sudden craving for decency had swept away a great portion of the existing horrors. Streets had been widened, properly paved and lighted, trees had been planted, squares laid out, elevated structures demolished and underground roads built to replace them. The new government buildings and barracks were fine bits of architecture, and the long system of stone quays which completely surrounded the island had been turned into parks which proved a god-send to the population. The subsidizing of the state theatre and state opera brought its own reward. The United States National Academy of Design was much like European institutions of the same kind. Nobody envied the Secretary of Fine Arts, either his cabinet position or his portfolio. The Secretary of Forestry and Game Preservation had a much easier time, thanks to the new system of National Mounted Police. We had profited well by the latest treaties with France and England; the exclusion of foreign-born Jews as a measure of self-preservation, the settlement of the new independent negro state of Suanee, the checking of immigration, the new laws concerning naturalization, and the gradual centralization of power in the executive all contributed to national calm and prosperity. When the Government solved the Indian problem and squadrons of Indian cavalry scouts in native costume were substituted

Read PDF Long Live The King The Mysterious Fate Of Edward II

for the pitiable organizations tacked on to the tail of skeletonized regiments by a former Secretary of War, the nation drew a long sigh of relief. When, after the colossal Congress of Religions, bigotry and intolerance were laid in their graves and kindness and charity began to draw warring sects together, many thought the millennium had arrived, at least in the new world which after all is a world by itself.

Masculinity is no longer a monolithic category, if ever it was. *Long Live the King* is a solid piece of scholarship that explores in depth the drag king phenomenon as well as key theoretical texts by feminist, postcolonial and cultural thinkers. Maite Escudero-Alías delves into drag king culture and highlights its relevance for the study of the relationship between gender, sex, race and sexuality. Introduced by a well-informed theoretical chapter that traces the roots of queer theory, *Long Live the King* provides the reader with a rigorous textual and cultural examination of drag kings' most innovative performances of masculinity in the USA and the UK. These chapters prove groundbreaking in their acute analyses of drag kings' acts in different media, ranging from still images to live performances, documentaries, mainstream television series and literature. Theory and analysis blend perfectly and Escudero-Alías's main contention in this research – the ambivalent nature of drag kings' performances of masculinity – is conducted convincingly. This book constitutes an invaluable contribution to the field of gender studies and a fair assessment of the political impact of minority artistic practices in contemporary culture.

Alannah Sullivan met Dominic Collazo when she was only in the fifth grade. She knew him when the other kids called him names and made fun of his over-sized facial features. She knew him when he was a shy introvert with a quick temper. She knew him when he was first introduced to the mob lifestyle by his father, a made man in the St. Louis mafia. Alannah knew Dominic before anybody could see his potential, and she fell in love with him when she was just a teenager... just in time for her family to pack up and move away from the city and the boy she loved. But, Alannah is back now, and after ten long years, Dominic Collazo is all grown up. No longer the quiet loner, Dominic is larger than life, and every woman's fantasy. He's a rich casino owner with the looks of a Greek god, and an alpha male persona to die for. He's also a captain in the notorious Giordano crime family. When the two of them meet again in the lobby of Lumiere Place Casino & Hotel, Alannah has no idea that her second chance with Dominic will also be her biggest curse. As drama immediately ensues and bullets start to

Read PDF Long Live The King The Mysterious Fate Of Edward II

fly, Alannah has to ask herself if Dominic is worth all the trouble that comes with him. Would you risk everything to be with the love of your life, even if he's the mafia's newest KINGPIN?

From the bestselling author of *Saban*, *4th and Goal*, and *Sowbelly* comes the thrilling, untold story of the quest for the world record tarpon on a fly rod—a tale that reveals as much about Man as it does about the fish. In the late 1970s and early 1980s, something unique happened in the quiet little town on the west coast of Florida known as Homosassa. The best fly anglers in the world—Lefty Kreh, Stu Apte, Ted Williams, Tom Evans, Billy Pate and others—all gathered together to chase the same Holy Grail: The world record for the world's most glamorous and sought-after fly rod species, the tarpon. The anglers would meet each morning for breakfast. They would compete out on the water during the day, eat dinner together at night, socialize and party. Some harder than others. The world record fell nearly every year. But records weren't the only things that were broken. Hooks, lines, rods, reels, hearts and marriages didn't survive, either. The egos involved made the atmosphere electric. The difficulty of the quest made it legitimate. The drugs and romantic entanglements that were swept in with the tide would finally make it all veer out of control. It was a confluence of people and place that had never happened before in the world of fishing and will

Read PDF Long Live The King The Mysterious Fate Of Edward II

never happen again. It was a collision of the top anglers and the top species of fish which would lead to smashed lives for nearly all involved, man and fish alike. In *Lords of the Fly*, Burke, an obsessed tarpon fly angler himself, delves into this incredible moment. He examines the growing popularity of the tarpon, an amazing fish has been around for 50 million years, can live to 80 years old and can grow to 300 pounds in weight. It is a massive, leaping, bullet train of a fish. When hooked in shallow water, it produces “immediate unreality,” as the late poet and tarpon obsessive, Richard Brautigan, once described it. Burke also chronicles the heartbreaking destruction that exists as a result—brought on by greed, environmental degradation and the shenanigans of a notorious Miami gangster—and how all of it has shaped our contemporary fishery. Filled with larger-than-life characters and vivid prose, *Lords of the Fly* is not only a must read for anglers of all stripes, but also for those interested in the desperate yearning of the human condition.

Chronicling the making of all seven feature films in which King Kong has appeared - including the Peter Jackson film due for release in December 2005 - this book includes coverage of all the original films as well as the many variants and offshoots.

he became the boss. The Family is making more money than ever, and they're doing it quietly. Things couldn't be better for the young kingpin. ALL IT TAKES IS LOVE TO FEEL LIKE YOU'RE ON TOP OF THE WORLD... Alannah Sullivan may not have many friends, but when you're lucky enough to spend your life with your soulmate, you feel untouchable. When the love of your life is the most powerful man in the city, you roll with the punches and proudly stand by his side. ALL IT TAKES IS BETRAYAL FOR IT ALL TO COME CRASHING DOWN AROUND YOU... There's a traitor in The Family. Someone who knows everything. Someone who's sabotaging business and bringing heat to Dominic that can only end in his fall from power. And everyone knows there's only one way for a mob boss' reign to end. ALL IT TAKES IS A MOB KING WHO'S WILLING TO DIE TO PROTECT HIS QUEEN... Dominic would never let anything happen to Alannah, no matter how dangerous things become, or how guilty everyone around him looks. Even if everyone he ever trusted turns against him and he has to burn it all down to save her. He'll let it burn, even if saving her means he'll be consumed by the blaze.

The colorful history of the Hawaiian Islands, since their discovery in 1778 by the great British navigator Captain James Cook, falls naturally into three periods. During the first, Hawaii was a monarchy

Read PDF Long Live The King The Mysterious Fate Of Edward II

ruled by native kings and queens. Then came the perilous transition period when new leaders, after failing to secure annexation to the United States, set up a miniature republic. The third period began in 1898 when Hawaii by annexation became American territory. The Hawaiian Kingdom, by Ralph S. Kuykendall, is the detailed story of the island monarchy. In the first volume, "Foundation and Transformation," the author gives a brief sketch of old Hawaii before the coming of the Europeans, based on the known and accepted accounts of this early period. He then shows how the arrival of sea rovers, traders, soldiers of fortune, whalers, scoundrels, missionaries, and statesmen transformed the native kingdom, and how the foundations of modern Hawaii were laid. In the second volume, "Twenty Critical Years," the author deals with the middle period of the kingdom's history, when Hawaii was trying to insure her independence while world powers maneuvered for dominance in the Pacific. It was an important period with distinct and well-marked characteristics, but the noteworthy changes and advances which occurred have received less attention from students of history than they deserve. Much of the material is taken from manuscript sources and appears in print for the first time in the second volume. The third and final volume of this distinguished trilogy, "The Kalakaua Dynasty," covers the colorful reign of King Kalakaua,

Read PDF Long Live The King The Mysterious Fate Of Edward II

the Merry Monarch, and the brief and tragic rule of his successor, Queen Liliuokalani. This volume is enlivened by such controversial personages as Claus Spreckels, Walter Murray Gibson, and Celso Caesar Moreno. Through it runs the thread of the reciprocity treaty with the United States, its stimulating effect upon the island economy, and the far-reaching consequences of immigration from the Orient to supply plantation labor. The trilogy closes with the events leading to the downfall of the Hawaiian monarchy and the establishment of the Provisional Government in 1893.

A deep dive into the new era of digital content production and distribution In the twenty-first century, the platforms that both create and host content have become nearly as important as media itself.

Read PDF Long Live The King The Mysterious Fate Of Edward II

Companies such as Netflix, Spotify, and YouTube have attained a massive hold on the public imagination and have become an almost ineluctable part of people's everyday lives. While the workings of media distribution had until very recently remained inconsequential to the average consumer, the recent popularization of various online platforms has made the question of distribution immediate to everyone. *Digital Media Distribution: Portals, Platforms, Pipelines* provides a timely examination of the multifaceted distribution landscape in a moment of transformation and conceptualizes media distribution as a complex site of power, privilege, and gatekeeping. These tensions have local, national, and global consequences on the autonomy of creative workers, as well as on how we gain access to, engage with, and understand cultural products. Drawing on original research into distribution practices in industries as diverse as television, film, videogames, literature, and adult entertainment, each chapter explores how digitization has changed media distribution and its broader economic, industrial, social, and cultural implications. Bringing together experts from around the world and across the media industries, *Digital Media Distribution: Portals, Platforms, Pipelines* presents a vast array of critical approaches and illustrative case studies for understanding the factors that have an impact on the way media travels and moves throughout our digital

lives.

The highest stakes... My father gambles every night, falling deeper and deeper into debt. When he hits the bottom, he places a new bet: his daughter. I'm his entry bet to the biggest underground poker game. Every kind of danger circles the velvet-covered table, but only one man makes me tremble. A trailer park princess. The son of a criminal king. We don't belong together, but I'm caught in a twisted game. His eyes meet mine with dark promise. And when he puts down his cards, I know I'm going to lose more than my body. I'm going to lose everything. * * * * * THE KING is the first book in the new Masterpiece duet about risking your heart and finding yourself. It's a spin-off from the USA Today bestselling trilogy but can be read separately.

England, 1905. Lord Robert and Lady Isobel Dilberne, as well as their entire regal estate, with its hundred rooms, are busy planning for a lavish visit from King Edward VII and his mistress just a few months away. Preparations are elaborate and exhaustive: the menus and fashions must be just so. But even amidst the excitement, not everyone is happy. Lady Rosina—now widowed and wealthy—insists on publishing a scandalous book despite her mother's objections. Arthur Dilberne and Chicago Heiress Minnie O'Brien's two young sons—the eldest of whom is heir to the estate—are being reared to Lady Isobel's tastes, not Minnie's. After making a shocking discovery, Minnie will take drastic measures for the sake of her children. And when fate deals a hand in the middle of the royal shooting party, the entire Dilberne estate will face upheaval once again. The New Countess is the final

novel in Fay Weldon's outstanding trilogy that began with *Habits of the House* and *Long Live the King*. As the bestselling novelist and award-winning writer for the pilot episode of the original *Upstairs Downstairs*, Weldon magnificently lifts the curtain on early twentieth-century British society, upstairs and downstairs, under one stately roof.

"[A] masterly and often riveting account of King's ordeal and the 1960 'October Surprise' that may have altered the course of modern American political history." —Raymond Arsenault, *The New York Times Book Review* (Editors' Choice) The authors of *Douglass and Lincoln* present fully for the first time the story of Martin Luther King, Jr.'s imprisonment in the days leading up to the 1960 presidential election and the efforts of three of John F. Kennedy's civil rights staffers who went rogue to free him—a move that changed the face of the Democratic Party and propelled Kennedy to the White House. Less than three weeks before the 1960 presidential election, thirty-one-year-old Martin Luther King, Jr. was arrested at a sit-in at Rich's Department Store in Atlanta. That day would lead to the first night King had ever spent in jail—and the time that King's family most feared for his life. An earlier, minor traffic ticket served as a pretext for keeping King locked up, and later for a harrowing nighttime transfer to Reidsville, the notorious Georgia state prison where Black inmates worked on chain gangs overseen by violent white guards. While King's imprisonment was decried as a moral scandal in some quarters and celebrated in others, for the two presidential candidates—John F. Kennedy and Richard Nixon—it was the ultimate October surprise: an emerging and controversial civil rights leader was languishing behind bars, and the two campaigns raced to decide whether, and how, to respond. Stephen and Paul Kendrick's *Nine Days* tells the incredible story of what happened next. In 1960, the Civil Rights Movement was growing increasingly inventive and energized

Read PDF Long Live The King The Mysterious Fate Of Edward II

while white politicians favored the corrosive tactics of silence and stalling—but an audacious team in the Kennedy campaign’s Civil Rights Section (CRS) decided to act. In an election when Black voters seemed poised to split their votes between the candidates, the CRS convinced Kennedy to agitate for King’s release, sometimes even going behind his back in their quest to secure his freedom. Over the course of nine extraordinary October days, the leaders of the CRS—pioneering Black journalist Louis Martin, future Pennsylvania senator Harris Wofford, and Sargent Shriver, the founder of the Peace Corps—worked to tilt a tight election in Kennedy’s favor and bring about a revolution in party affiliation whose consequences are still integral to the practice of politics today. Based on fresh interviews, newspaper accounts, and extensive archival research, *Nine Days* is the first full recounting of an event that changed the course of one of the closest elections in American history. Much more than a political thriller, it is also the story of the first time King refused bail and came to terms with the dangerous course of his mission to change a nation. At once a story of electoral machinations, moral courage, and, ultimately, the triumph of a future president’s better angels, *Nine Days* is a gripping tale with important lessons for our own time.

This ancient legend tells how the Great Evil tried to get to the world, taking advantage of the human passion for power and the vindictiveness of the elves...

Long Live the King Macmillan

Seventeen-year-old Jim JD Dillinger knows exactly how his miserable suburban life is going to play out. At least drugs added a little chaos to his life, but after almost losing his soul, JD knows he has to quit. Now clean, he figures he has another sixty years of plain old boring life followed by a nasty death. JD decides to pre-empt God by killing himself.

However, once he decides to die, his life gets better, more
