"Beyond discouragement, anger, and resentment to forgiveness"--Cover.

A revised and improved translation of Pope Paul VI's encyclical letter, *Humanae vitae*.

Wondering how to build a great marriage? Turn to the Bible for guidance—that's where author Dave Earley found his 14 Secrets to a Better Marriage. Now available in a handy paperback format, this book provides principles to help you build a lasting marriage, from "Put God First" to "Love When It Is Difficult." Author of the popular "21 Most" series, Earley says, "Even though I have a degree in counseling and have done my share of marriage counseling, I do not consider myself an expert on marriage. . . . There is only one true expert on marriage—God. He has generously shared His knowledge with us in a book that we refer to as the Bible."

Being is greater than doing. We all come into the world with a certain emptiness in our lives—an emptiness that leads to a search for meaning. And the world tells us that search for meaning can be solved by doing. Unfortunately, an overemphasis on doing has led many people away from cultivating an interior life that allows them to sustain their exterior life. This explains the many failures we continuously see in day-to-day life. When a person's inner life—who he or she is—is not prepared, that person's character does not have the maturity or the strength to sustain them in the long run. In this book, Miguel Núñez points us to Scripture and experience to show us how being is more important than doing. He teaches us how to cultivate the foundations of our lives, so that we can be what we need to be, in order to do what we need to do.

This Classic book - The Ten Commandment -- introduces and orients the reader to critical biblical/theological thinking from the puritan perspective. All of Thomas Watson's writings and sermons are replete with sound doctrine, practical wisdom, and heart-searching application. Watson's presentation is written with a clarity that fosters biblical thought and facilitates Bible comprehension. His profound spirituality, gripping remarks, practical illustrations, and beauty of expression make him one of the most irresistible of the Puritans. You won't be disappointed. Thomas Watson is consistently one of the best Bible scholars and this one is at the top of his writing. He's bold in his writings but solid in Scripture. "It's impossible to measure the influence of Watson over four centuries. His works remain in print and are widely read, which shouldn't surprise us. J. I. Packer considers him "one of the most outstanding writer on practical and devotional themes." All of Thomas Watson's writings and sermons are replete with sound doctrine, practical wisdom, and heart-searching application. His profound spirituality, gripping remarks, practical illustrations, and beauty of expression make him one of the most irresistible of the Puritans. Is God changeable? Does He have different gospels for different people? The story of redemption takes you behind the scenes in the struggle between God and Satan. It explains how the conflict began, what the issues are, and how the outcome is already assured. It traces the theme of God's relationship with man from the garden of Eden to the return of Christ and beyond.

Mining the Bible for advice, the author shows a new generation how to develop physical, mental, and spiritual harmony in marriage. Original.

The predominant message in our culture is that it's okay to have sex whenever, wherever, and however we want. Sex has become just sex. But while society has taken sex too far, the church hasn't taken it far enough. God wants couples to make love in marriage—with passion, with purpose, and with pleasure. Marriages aren't experiencing all the benefits that come from a healthy sex life. Couples are facing a barrage of influences that keep them from connecting with each other regularly—the kids, the career, the house, the errands, etc. *SEXPERIMENT* shows people that sex in marriage is more than just sex, and it's more than a chore. The Youngs believe it's time to get back to understanding the context of sex in marriage and that it's time for couples to break the barriers keeping them from a healthy sexual relationship. Couples ought to experience the benefits of having sex regularly, intentionally, and creatively. *SEXPERIMENT* will allow couples to discover that the intersection of God and sex can lead to a life punctuated by exclamation marks!

Jesus Christ did not die on the cross so you and I could have a nice day. Ministers and teachers who water down the gospel of Christ in order to make it more popular and appealing may be leading their fun-loving audiences down the road to eternal punishment. This book is John MacArthur's unflinching, unapologetic treatise on the modern tendency to alter the true message of Christianity in order to meet the whims and desires of a culture hoping for nonconfrontational messages, easy answers, and superficial commitments. Too many people just want a Madison Avenue Jesus to make them well, make them happy, and make them prosperous. But Jesus Christ isn't a personal genie. He is the Savior. He died in agony to satisfy the wrath of a holy God and to forgive the sins of humankind. Faith in Him demands a willingness to make any sacrifice He asks. The hard truth about Christianity is that the cost is high, but the rewards are priceless: abundant and eternal life that comes only from faithfully following Christ.

Cada pareja casada en algún momento experimentará desacuerdos, frustraciones, mala comunicación, enfrentamientos con suegros y estrés financiero. Estas cosas pueden erosionarse fácilmente y, en última instancia, terminar arruinando grandes matrimonios. Esta, sin embargo, no tiene por qué ser tu historia. Ed Young ofrece palabras profundas, humorísticas, a menudo personales y siempre bíblicas para fomentar matrimonios completos, saludables y dinámicos. Basándose en más de cinco décadas de experiencia en el ministerio, proporciona 10 principios o mandamientos del matrimonio para ayudar a salvaguardar y mantener un matrimonio para toda la vida.

A thought-provoking introduction to the four Gospels, which are filled with demands straight from the mouth of Jesus Christ, looks at these demands in a redemptive-historical context, and then thoroughly examines each demand.

The essays in Practicing Gnosis demonstrate that the Gnostics were not necessarily trendy intellectuals seeking epistemological certainties. Instead, this book explores how Gnostics were seeking religious experiences that relied on practices including ritual, magic, liturgy, and theurgy. This book celebrates the career of Birger A. Pearson.

"Adapted from the original book ... revised to address the needs of a younger audience, age sixteen and up"--Introd./ Includes bibliographical references.

This valuable counseling aid for pastors can also be used with great benefit by couples on their own.

Building on her signature message of using the mind to master difficult emotions, Joyce Meyer focuses on the most destructive, insidious one of all: anger. It is responsible for broken relationships, sleepless nights, high blood pressure and ulcers. It destroys friendships, marriages and families, not to mention peace of mind. Anger is especially hard to handle for many Christians who have learned from childhood that "good Christians don't get angry." Meyer argues that properly handled, anger is an alert system that something is wrong and needs to be resolved. In her latest book, she delves into the important process of forgiving, explaining its positive impact on the roots, the forms and the results of anger. Why forgive? Joyce explains that forgiving is the only thing that can free one from the terrible turmoil that anger causes to spill over into every part of life. Meyer understands that life will never be fair, but that is not a reason to let anger destroy our well-being and health. This is her guide to navigating that thorny territory and finding true peace.
