## **Lost On The Amazon Prisoner Of The Ant People Trouble On Planet Earth War With The Evil Power Master Choose Your Own Adventure 9 12 Box Set 4**

HUMAN OBSTACLE Sent to Brazil to take down one of the country's most powerful drug lords, Mack Bolan stumbles across two U.S. missionaries taken prisoner by the cartel. But while attempting to extract them to safety, Bolan learns that not everyone wants to be rescued. As the jungle becomes a battlefield, the pair soon slips out of his grasp. They're determined to continue their religious work, and the rain forest's tangled depths can cover up even the most amateur of trails. Suddenly, Bolan is caught in a deadly game of cat and mouse—and the cartel soldiers are rapidly closing in on their prey. With his reluctant charges on the run and a cocaine shipment already en route, Bolan is torn between destroying the trafficker's thriving business, and saving American lives. Forget plan B. The Executioner must rely on improvisation alone to complete this near-impossible mission—or die trying.

Prisoner of the State is the story of Premier Zhao Ziyang, the man who brought liberal change to China and who was dethroned at the height of the Tiananmen Square protests in 1989 for trying to stop the massacre. Zhao spent the last years of his life under house arrest. An occasional detail about his life would slip out, but scholars and

## Bookmark File PDF Lost On The Amazon Prisoner Of The Ant People Trouble On Planet Earth War With The Evil Power Master Choose Your Own Adventure 9 12 Box Set 4

citizens lamented that Zhao never had his final say. But Zhao did produce a memoir, secretly recording on audio tapes the real story of what happened during modern China's most critical moments. He provides intimate details about the Tiananmen crackdown, describes the ploys and double crosses used by China's leaders, and exhorts China to adopt democracy in order to achieve long-term stability. His riveting, behind-the-scenes recollections form the basis of *Prisoner of the State*. The China that Zhao portrays is not some long-lost dynasty. It is today's China, where its leaders accept economic freedom but resist political change. Zhao might have steered China's political system toward openness and tolerance had he survived. Although Zhao now speaks from the grave, his voice still has the moral power to make China sit up and listen.

Incarceration, including the pre- and post-confinement periods, is devastating for the physical, emotional and spiritual health - of any human being. Many prisoners already suffer from chronic diseases, such as HIV-infection, diabetes and hypertension on entry. It is estimated that one in five incarcerated persons is also afflicted with a major psychiatric illness. Many suffer from substance abuse and violent behavior. These inmates often find that the prison health system is suboptimal for their continuing treatment. Life behind bars is further detrimental to health due to a host of unchangeable and insurmountable negative factors, pervasive in the prison system. As such, even 'healthy' individuals realize that their health has worsened during their

## Bookmark File PDF Lost On The Amazon Prisoner Of The Ant People Trouble On Planet Earth War With The Evil Power Master Choose Your Own Adventure 9 12 Box Set 4

incarceration. Following community reentry, the barriers to adequate medical care are significant. In many cases they are worse - and include lack of health insurance, long waiting time at clinics and inability to afford prescription medicines. Poverty, poor diet, supervised release restrictions, emotional disturbances related to family and friends, social isolation, inability to reestablish lost business and a host of other demanding factors become further impediments. The result is continuing worsening of the physical and mental health in this population - despite being released from prison and now considered 'free'. It is therefore not surprising that former prisoners are at a 12-fold increased risk of death - in the 2-week period following release. Knowledge of the yogic view of life and adopting a simple routine of yogic exercises - postures (asanas), breath control (prayanama), and meditation (dhyana), can help halt and even reverse, insults suffered by the physical body, mind and soul - during and post incarceration. This book presents a simple one-hour yoga exercise program, that can be easily done while incarcerated, even within an inmate's cell - at any time and without any special equipment. It will help the prisoner prevent and control the 'ravages of prison ill-health' - while incarcerated. Besides an improved physical health, yoga practice will also help inmates reduce their cravings for addictive substances and decrease their propensity for violence. They will improve their emotional maturity and become more spiritually enlightened. Overall, they will be better able to cope with, what often manifests as, an even harsher world - following release.

As a young man, John Alvarez is a bad boy, so it's no surprise when a judge finally gives him the choice between going to prison and joining the Marine Corps. Alvarez reluctantly decides on the latter, not realizing that he will discover himself and find a home in the Corps. Shipped off to Vietnam, Alvarez leads his own band of bad boys—Iron Raven—into the jungle. They become the terror of their enemies and always the first choice for the most dangerous missions. On one such mission, the brain child of a couple of CIA ops, Alvarez and his squad are cut off from escape by their CIA handlers and are left to fight their way out alone or die. Only Alvarez survives—but his revenge upon the men who abandoned him and his brothers lands him in prison for life. After twenty years of incarceration, Alvarez is offered his freedom, but only if he agrees to undertake another suicide mission. If he's going to be a free man, Alvarez must become the bodyguard of a Mr. Standish and lead him on a journey into the mysterious Amazonian kingdom ruled by the devil himself. It is only in the heart of the jungle that Alvarez discovers that he has accepted a mission with only two possible outcomes—redemption or death.

Based on the life of Jack Gruener, this book relates his story of survival from the Nazi occupation of Krakow, when he was eleven, through a succession of concentration camps, to the final liberation of Dachau.

“In his long career of exploration and scholarship, Hemming has become a powerful advocate for the Amazon.”—The New York Times, John Hemming Amazonia is one of

## Bookmark File PDF Lost On The Amazon Prisoner Of The Ant People Trouble On Planet Earth War With The Evil Power Master Choose Your Own Adventure 9 12 Box Set 4

the most magnificent habitats on earth. Containing the world's largest river, with more water and a broader basin than any other, it hosts a great expanse of tropical rain forest, home to the planet's most luxuriant biological diversity. The human beings who settled in the region 10,000 years ago learned to live well with its bounty of fish, game, and vegetation. It was not until 1500 that Europeans first saw the Amazon, and, unsurprisingly, the rain forest's unique environment has attracted larger-than-life personalities through the centuries. John Hemming recalls the adventures and misadventures of intrepid explorers, fervent Jesuit ecclesiastics, and greedy rubber barons who enslaved thousands of Indians in the relentless quest for profit. He also tells of nineteenth-century botanists, fearless advocates for Indian rights, and the archaeologists and anthropologists who have uncovered the secrets of the Amazon's earliest settlers. Hemming discusses the current threat to Amazonia as forests are destroyed to feed the world's appetite for timber, beef, and soybeans, and he vividly describes the passionate struggles taking place in order to utilize, protect, and understand the Amazon.

(Applause Books). Collects for the first time major lesbian plays from controversial cultural perspectives spanning more than a generation of work in varied theatrical styles representing an amazing gamut of lesbian politics from all over America. Includes: *The Quintessential Image* (Jane Chambers) \* *The Postcard* (Gloria Joyce Dickler) \* *A Lady and a Woman* (Shirlene Holmes) \* *Nasty Rumors and Final Remarks* (Susan Miller) \*

Desdemona (Paula Vogel) \* and more!

?Deluxe edition with special embellishments on first printing only. Les Misérables meets The Lunar Chronicles in the out-of-this-world sequel to Sky Without Stars that's an "explosion of emotion, intrigue, romance, and revolution" (Stephanie Garber, #1 New York Times bestselling author of the Caraval series). A traitor. A prisoner. A fugitive. Wanted by the Regime. Destined to save the planet. Laterre is on the brink of war. The Third Estate are rioting against the injustices of a corrupt system. The Patriarche, reeling from the murder of his only heir, makes brutal attempts to quash the unrest, while a new militant faction launches a series of deadly attacks. And three outlaws find themselves pulled into the fray... Marcellus is now a traitor to his planet, willing to do anything to stop his grandfather from seizing control of Laterre, even if it means joining the Vangarde, a rebel group back from the dead. Chatine is a prisoner on Bastille. Desperate to survive the harsh conditions of the moon, she becomes embroiled in the Vangarde's dangerous attempt to free their infamous leader. Alouette is a fugitive who has been lied to her entire life. Searching for the truth about her mysterious past, she soon finds herself hunted by the Regime for reasons she's only beginning to understand. But when Laterre is threatened by the emergence of a deadly new weapon, these three renegades must risk everything, traveling to the far reaches of the System Divine and into the white hot center of a planet ready to ignite.

"Jason Goldberg has given us a way to break out of our victimized lives forever in this

# Bookmark File PDF Lost On The Amazon Prisoner Of The Ant People Trouble On Planet Earth War With The Evil Power Master Choose Your Own Adventure 9.12 Box Set 4

energetic, inspiring, entertaining read." -Steve Chandler, Author of Crazy Good -----  
Writing this book is quite possibly the most selfish thing I have ever done. After living the first 30 years of my life as a Prisoner of circumstance - blaming everyone and everything around me for my hopelessness, my anger, my stress and even my obesity; waiting to finally get a "break" and confidently proclaiming that my victim personality was permanent and "just the way I am" (I'm sure none of you reading this can relate) - I finally discovered the simple and powerful distinction that helped me transition from a helpless, exhausted, overwhelmed and overcommitted Prisoner to a creative, conscious, and courageous Self-Leader. While it's true that as a speaker, trainer and coach, I could tell you I wrote Prison Break because I was so passionate about sharing with you what I know has been THE most pivotal piece of my personal transformation, it's only half of the self-serving story. I also wrote it because it is the book I needed to read (and will no doubt refer to for the rest of my life for a gentle reminder...or forty) to help me see through the lies, myths, and fundamental misunderstandings I held for so long about how the world worked. (Spoiler: It never seemed to "work" for me until I developed this new understanding; these new tools). What you will find in this book is not an instruction manual but rather a destruction manual--breaking down the self-imposed walls and barriers that I worked so tirelessly to erect over the first few decades of my life and that I have seen affect so many of the 1000's of people I have met, trained and coached. It will read more like a private diary of stories, examples and distinctions than a traditional, advice filled, step-by-step, one-size-fits-all self-help book. I hope you enjoy the tour of my sarcastic, irreverent and incredibly honest mind. Once you learn the power, the possibilities and the potential for prosperity inherent in choosing Self-Leadership, you will be able to: \* Access a simple, life-

# Bookmark File PDF Lost On The Amazon Prisoner Of The Ant People Trouble On Planet Earth War With The Evil Power Master Choose Your Own Adventure 9 12 Box Set 4

changing framework to change your state in any given moment, regardless of the circumstances you are facing \* Know how to USE your most stressful and serious thoughts to move you forward instead of holding you back or keeping you stuck \* Tap into your greatest levels of creativity to solve problems and create opportunities \* Take consistent, purposeful, intentional action in the face of fear, uncertainty and procrastination \* Deal with haters, naysayers and "difficult" people without getting triggered or losing your mind \* Experience more fun, joy, fulfillment and happiness in your daily life \* Overcome your biggest challenges without all of the stress, strain and struggle. I've occupied the guards, cut power to the fences, unlocked the cell doors, and slipped you a copy of your escape route to freedom. Let the Prison Break begin!

This is the most wide-ranging study ever published of political violence and the punishment of Irish political offenders from 1848 to the founding of the Irish Free State in 1922. Those who chose violence to advance their Irish nationalist beliefs ranged from gentlemen revolutionaries to those who openly embraced terrorism or even full-scale guerilla war. Seán McConville provides a comprehensive survey of Irish revolutionary struggle, matching chapters on punishment of offenders with descriptions and analysis of their campaigns. Government's response to political violence was determined by a number of factors, including not only the nature of the offences but also interest and support from the United States and Australia, as well as current objectives of Irish policy.

A New York Times Bestseller! New York Times bestselling crime writer John Glatt tells the true story behind the kidnappings and long-overdue rescue of three women found in a Cleveland

## Bookmark File PDF Lost On The Amazon Prisoner Of The Ant People Trouble On Planet Earth War With The Evil Power Master Choose Your Own Adventure 9 12 Box Set 4

basement. The Lost Girls tells the truly amazing story of Amanda Berry, Gina DeJesus and Michelle Knight, who were kidnapped, imprisoned, and repeatedly raped and beaten in a Cleveland house for over a decade by Ariel Castro, and their amazing escape in May 2013, which made headlines all over the world. The book has an exclusive interview and photographs of Ariel Castro's secret fiancé, who spent many romantic nights in his house of horror, without realizing he had bound and chained captives just a few feet away. There are also revealing interviews with several Castro family members, musician friends and several neighbors who witnessed the dramatic rescue.

The reader decides the course of the action in six stories.

Contains 4 bestselling gamebooks for readers ages 9-12 in a bright gift box: Lost on the Amazon, Prisoner of the Ant People, Trouble on Planet Earth, War with the Evil Power Master. The fortunes of the late nineteenth century's imperial and industrial powers depended on a single raw material—rubber—with only one source: the Amazon basin. And so began the scramble for the Amazon—a decades-long conflict that found Britain, France, Belgium, and the United States fighting with and against the new nations of Peru, Bolivia, and Brazil for the forest's riches. In the midst of this struggle, Euclides da Cunha, engineer, journalist, geographer, political theorist, and one of Brazil's most celebrated writers, led a survey expedition to the farthest reaches of the river, among the world's most valuable, dangerous, and little-known landscapes. The Scramble for the Amazon tells the story of da Cunha's terrifying journey, the unfinished novel born from it, and the global strife that formed the backdrop for both. Haunted by his broken marriage, da Cunha trekked through a beautiful region thrown into chaos by guerrilla warfare, starving migrants, and native slavery. All the

while, he worked on his masterpiece, a nationalist synthesis of geography, philosophy, biology, and journalism he named the *Lost Paradise*. Da Cunha intended his epic to unveil the Amazon's explorers, spies, natives, and brutal geopolitics, but, as Susanna B. Hecht recounts, he never completed it—his wife's lover shot him dead upon his return. At once the biography of an extraordinary writer, a masterly chronicle of the social, political, and environmental history of the Amazon, and a superb translation of the remaining pieces of da Cunha's project, *The Scramble for the Amazon* is a work of thrilling intellectual ambition.

Lost in the wilds of the Amazon country—at the mercy of the stalking, silent beasts of the jungle! Racked by hunger and thirst—and rescued from that faet only to be doomed to death by a tribe of savage natives! Surrounded and threatened by many dangers, Hal's warm sympathy for an exiled American family leads him through desperate hardships. Can he finally solve the tragic mystery that surrounds the lost mine of the Amazon? A revolution had brought Hal and his Uncle Denis to this wild country on the track of a band of merciless smugglers. Rebel spies cause them plenty of trouble, but a new-found friend puts them on the right trail.

"This book, from the previously unpublished manuscript in the National Library of Ireland, is a valuable and deeply detailed edition of the diary kept by Casement during his journey into the South American rainforests. He had been sent by the British government to report on atrocities against tribal people while being forced to collect rubber in the Putumayo region in the north-west Amazon. Genocide among the Amazon Indians has continued, but external investigations of this kind have been rare. The way in which Roger Casement carried out his work is still

## Bookmark File PDF Lost On The Amazon Prisoner Of The Ant People Trouble On Planet Earth War With The Evil Power Master Choose Your Own Adventure 9 12 Box Set 4

relevant to all kinds of humanitarian and whistle-blowing activities. It is also a key text charting Casement's transition from observer to anti-imperial revolutionary and Irish independence leader, culminating in his execution by the British government in August 1916 after the Easter Rising."

On Day 9 of the Battle of the Bulge, 2nd Lt. Donald N Evans was shot down behind enemy lines. Defying odds, he survived bailing out of his P-47 fighter plane seconds before it crashed. He limped and crawled through the snow-covered Ardennes Forest until after dark, trying to find a way back to the American front lines. Lost, cold, and hungry, Don spent Christmas Eve huddled under a pine tree, wondering if he'd ever see his family again. Ahead lay capture by Nazi SS Troops, a 200-mile forced march, near starvation, abuse by guards, and internment in a German POW camp. His will to overcome nearly insurmountable odds is inspiring. That he actually did so is a miracle. From dirt-poor, small town roots, Don was the quintessential all-American boy, becoming student body president of his high school and earning all-state honors in football, basketball, and tennis. At age eighteen, he was attending college, had fallen in love, and appeared destined for a bright future. Then fate stepped in. Japan bombed Pearl Harbor and America entered World War II. Don joined the U.S. Military, along with millions of other young Americans, and went to war. Before

## Bookmark File PDF Lost On The Amazon Prisoner Of The Ant People Trouble On Planet Earth War With The Evil Power Master Choose Your Own Adventure 9 12 Box Set 4

shipping overseas, he married his high school sweetheart, Laura Jeanne. Excerpts from Don and Laura Jeanne's deeply personal letters allow readers to glimpse emotional events through the eyes of a young couple who lived through these remarkable times. Don and four other flyboys in the 368th Fighter Group of the Ninth Air Force became so close they called themselves The Five. The author artfully weaves their stories together from letters, journals, personal histories, mission reports, and interviews, creating a moving and unforgettable World War II story.

The moment Roseatre sees the white tigers the stage manager has brought in to shake things up at the Midnight Mystery Lounge, she's terrified. Even though their handler makes her want to purr, she shouldn't be anywhere near the beautiful tigers. They're sure to recognize her and arouse her need to hunt. The last thing pride outcast Anthony diNapoli was expecting to encounter at the lounge was an Amazon princess. The lucrative show will go a long way toward securing his future, but not if he gives in to the urge to make her submit. No matter how desperately her body aches for the sexy, sun-kissed stranger, Roseatre is no man's prize. But she finds herself hungering for Anthony to conquer her. It's show time in the Arcana Royale's Midnight Mystery Lounge and all bets are off. Each story in The Tales of the Arcana Royale Series is

standalone story that can be enjoyed in any order. Series Order: Book #1: The Legal Vampire's Golden Goddess Book #2: The White Tiger Shifter's Wild Amazon Book #3: The Vampire Prince's Missing Mistress Book #4: The Witchborn Detective's Porcelain Prisoner Book #5: The Greek Hero's Lost Librarian

The What Would You Do? game contains eight decision-making scenarios. For each scenario, players have to decide whether to take a collaborative or competitive road, scoring points for each of several rounds. Points are based on how an individual's choice compares with those of the other players in the group. At the end of the game, players compare their decisions with the other players. The first scenario mirrors the original Prisoner's Dilemma—two prisoners are captured and brought in for questioning. Each has to decide whether to collaborate (which results in a lighter sentence) or save their own skin (which results in no punishment for one prisoner, and a heavy sentence for the other). Each of the next seven scenarios introduces additional problems that turn up the heat and force the participants to make increasingly difficult ethical decisions. Nemat tells the heart-pounding story of her life as a young girl in Iran during the early days of Ayatollah Khomeini's brutal Islamic Revolution--arrested, tortured, and sentenced to death for political crimes.

Andrea Staton, an Army Colonel, dedicates her career and her life, to finding the hidden doorway from Earth to the planet Amazon. She is expecting an advanced world that she can learn from, but she is surprised by what appears to be a primitive world that is at war with Gallegos, the closest planet to them. As she negotiates her way around Amazon, Gallegos, and further into their galaxy, she learns secrets that unlock the past not only of these worlds, but also of Earth and specifically her own ancestors. She must learn to be a warrior and to deal with the men here who she finds very different and much harder to resist than the men from Earth. Can she choose between the men that pursue her or will she choose to pursue the elusive man that resists the attraction they share? During her journey, she finds that not only can one person lead to great change, but also that sometimes you can't fight fate.

Pepper Kirk's life was finally perfect. Until a federal agent with an ax to grind arrives at the Arcana Royale, determined to catch the casino in corruption. In order to protect the casino she owes her very existence to, she agrees to help the handsome agent—and sabotage his surveillance while she's at it. Finn Mickelson's investigation into a crime family is only a smokescreen to keep his real targets off balance. Nothing will keep this witchborn from digging into the secrets of the Royale—not even a Southern belle with honeyed tones and a sweet

THE MAN who held in his hand the document of which this strange assemblage of letters formed the concluding paragraph remained for some moments lost in thought. It contained about a hundred of these lines, with the letters at even distances, and undivided into words. It seemed to have been written many years before, and time had already laid his tawny finger on the sheet of good stout paper which was covered with the hieroglyphics.

A thick white mist hangs over the Eastern Sea, covering all of the ships that are attempting to navigate the grey waters. The pirates sit on the bottom of their sleek ship, huddled amongst their chests of gold, shivering in fear despite the warmth of the night. Humfard the one-eyed hobgoblin jumps lithely up onto the aft castle towards Elkira, who steers the ship. "It's unnatural, this fog," he grumbles, "at this time of year it is." "Aye, Humfard," responds the pirate woman, "I sense the work of a spell caster. Look, I cannot even see the bottom of the ship from up here." Through the fog on the forecastle, two pirates stand

Bookmark File PDF Lost On The Amazon Prisoner Of The Ant People  
Trouble On Planet Earth War With The Evil Power Master Choose Your Own  
Adventure 9 12 Box Set 4

and look over the side, trying to peer through the deep forbidding wall of whiteness. “Did you hear something?” one of them asks. “It was like a splashing on the water.” “It is just the ship.” “Actually, it was me,” says a feminine voice from the gloom. They jump up, startled, as a soaking wet Mora steps from the ship’s wooden railing onto the top of the forecastle. The water on her cape and hood is evaporating, turning into steam as she moves. “I am looking for a band of travellers who stole the cargo of a ship called the Peregrine.” “How?” stammers one of the pirates. The other draws his falchion and jumps at the cloaked figure. The scythe spins around and the man falls back, his arm severed. The second pirate jumps to the back of the forecastle and yells for help. Mora’s scythe slices across and cuts off his cry in mid-yell. His head falls down from the forecastle amongst his comrades. The second pirate is pulling himself away from Mora, dragging himself with his left hand. She is almost nonchalant in her execution of him, the point of her scythe stabbing down as she investigates the remainder of the forecastle. She walks to the edge of the forecastle and looks into the mist-filled hull of the ship. She can hear the shouts and yells of the pirates and she smiles to herself. She readies her scythe and jumps down from the forecastle, amongst the confused pirates. Humfard stares intently into the mist. “What is happening?” he growls. “I cannot see a thing.” Behind him, Elkira ties the

steering in place and draws her falchion. “We must investigate,” she says. “Our dog-brothers need our help.” “No,” he mutters. “If we go down into the mist, we will be ambushed. We will wait up here and catch them if they come up the ladder.” They wait, standing at the top of the ladder that leads from the hull. They can hear the sounds: of cries and shrieks, of muffled movements and the swish of sword and scythe strikes. A head flies out of the mist and crashes against the side of the forecastle, before dropping back into the hull. Two pirates run out of the mist towards the forecastle, screaming in fright. One appears to trip over and his body falls forward. Elkira notices that his legs are severed below the knee. The second pirate jumps up onto the ladder and Humfard reaches down a hand to help him up. He grabs the pirate by the hand and pulls him upwards, dragging him towards the top. The pirate shrieks in pain and Humfard grunts, unable to drag any further. Then the pirate is free and Humfard falls backwards; the body of the pirate falls onto him. Elkira gasps in fright; there is a huge hole in the pirate’s back. Elkira turns back to the ladder and looks into the depths of the fog, her falchion ready. Humfard pushes the body from him and staggers to his feet. Humfard backs away from the edge with fear in his eyes. He hears a creaking sound behind him, like a door opening, and he turns around slowly. Mora is standing behind him, next to the trapdoor that leads from the cabin below, inside

## Bookmark File PDF Lost On The Amazon Prisoner Of The Ant People Trouble On Planet Earth War With The Evil Power Master Choose Your Own Adventure 9 12 Box Set 4

the aft castle. There are cuts on her cloak and blood splattered over it. Elkira notices that, although most of the blood is red, some of appears to be white and actually burns the cloak where it drips onto

"Comedy / Characters: 2 males, 4 females Scenery: Interior Mel Edison is a well paid executive of a high-end Manhattan firm which has suddenly hit the skids and he gets the ax. attempted coup that would have restored the rule of the oligarchy and undone his hard-won victory. But his fight is not over yet... The problem of the Tauran Union's control of the Transitway between Terra Nova and Earth remains, as does the problem of the nuclear armed United Earth Peace Fleet, orbiting above the planet. The Taurans will not leave, and the Balboans<sup>¾</sup>a proud people, with much recent success in war - will not tolerate that they should remain. And yet, with one hundred times the population and three or four hundred times the wealth, the Tauran Union outclasses little Balboa in almost every way, even without the support of Old Earth. Sadly, they have that support. Everything, everyone, will have to be used to finish the job of freeing the country and, if possible, the planet. The children must fight. The old must serve, too. And the women? This is their story, the story of Balboa's Tercio Amazona, the Amazon Regiment. At the publisher's request, this title is sold without DRM (Digital Rights Management).

From the international bestselling author of the Outlander series, the terrific new novel featuring the ever-popular Lord John. 1760. Jamie Fraser is a paroled prisoner-of-war in the remote Lake District. Close enough to the son he cannot claim as his own, his quiet existence is interrupted first by dreams of his lost wife, then by the appearance of Tobias Quinn, an erstwhile comrade from the Rising.

Lord John Grey - aristocrat, soldier, sometime spy - is in possession of papers which reveal a damning case of corruption and murder against a British officer. But the documents also hint at a far more dangerous conspiracy. Soon Lord John and Jamie are unwilling companions on the road to Ireland, a country whose castles hold dreadful secrets, and where the bones of the dead are hidden, in an epic story of treachery - and scores that can only be settled in blood.

"Leo sighed, feeling helpless and lost. He knew he was in serious trouble, but before he could decide what to do, the sensor-ring on his finger began to vibrate. A shiver ran down his spine and, with a rising feeling of fear, he knew that a sensor-ring only vibrated when a dark gnelf was nearby." Best friends, Leo and Matthew, are summoned back to the gnelf world, but they are unsure why. On their return, they discover an old friend is in serious danger and the river gnelves need their help. The boys embark on another challenging adventure that will ultimately bring them face-to-face with their most feared enemy, Devellza, leader of the dark gnelves. Will Devellza get what she wants? Can the boys help the river gnelves? Will the boys find the bravery and resilience to complete their mission? 'The Prisoner in the Kolldor Caves' is the second book in 'The Gnelf Adventures' series and is aimed at children aged 7-10, who want to read an exciting story of magic and adventure.

"The fugitive" - Marcel gradually recovers from the departure and subsequent death of Albertine. He rediscovers Gilberte who, with her mother Odette, is now accepted by smart society while the memory of her father Swann is repressed and destroyed. Marcel visits Venice with his mother and learns by letter of Saint-Loup's marriage to Gilberte. After his marriage, Saint-Loup becomes an active and promiscuous homosexual.
