Love Beyond Time Bethany Claire,2013-11-24 It began nearly four hundred years ago. The Conall clan and all their people were murdered in a surprise attack, their beloved castle and all evidence of who destroyed them burned to the ground with their bodies. In the centuries following, archaeologists searched through the ruins looking for any evidence of what or who had caused the untimely demise of such a powerful Scottish clan. All efforts were fruitless, until a spell put in place by an ancient Conall ancestor finally began to work its magic...Texas kindergarten teacher, Brielle Montgomery, finds comfort in the mundane routines of her life, but when her archaeologist mother asks her to accompany her on a dig in Scotland, she decides to step out of her comfort zone. Once in Scotland, they discover a secret spell room below the castle ruins, and Bri finds herself transported back in time and suddenly married to the castle's ill-fated Laird. Now, she must work to change the fate of his people, all while trying to find a way to return to her home and century. But with each passing day, Bri finds herself falling more deeply in love with her new husband. If she can find a spell to bring her home, will she use it? And if she stays, will it ultimately mean her own death as well?

The High Deeds of Finn and other Bardic Romances of Ancient Ireland Thomas William Hazen Rolleston,2020-09-28 Long ago there dwelt in Ireland the race called by the name of De Danaan, or People of the Goddess Dana. They were a folk who delighted in beauty and gaiety, and in fighting and feasting, and loved to go gloriously appparelled, and to have their weapons and household vessels adorned with jewels and gold. They were also skilled in magic arts, and their harpers could make music so enchanting that a man who heard it would fight, or love, or sleep, or forget all earthly things, as they who touched the strings might will him to do. In later times the Danaans had to dispute the sovranity of Ireland with another race, the Children of Miled, whom men call the Milesians, and after much fighting they were vanquished. Then, by their sorceries and enchantments, when they could not prevail against the invaders, they made themselves invisible, and they have dwelt ever since in the Fairy Mounds and raths of Ireland, where their shining palaces are hidden from mortal eyes. They are now called

the Shee, or Fairy Folk of Erin, and the faint strains of unearthly music that may be heard at times by those who wander at night near to their haunts come from the harpers and pipers who play for the People of Dana at their revels in the bright world underground. At the time when the tale begins, the People of Dana were still the lords of Ireland, for the Milesians had not yet come. They were divided it is said, into many families and clans; and it seemed good to them that their chiefs should assemble together, and choose one to be king and ruler over the whole people. So they met in a great assembly for this purpose, and found that five of the greatest lords all desired the sovereignty of Erin. These five were B—v the Red, and Ilbrech of Assaroe, and Lir from the Hill of the White Field, which is on Slieve Fuad in Armagh; and Midir the Proud, who dwelt at Slieve Callary in Longford; and Angus of Brugh na Boyna, which is now Newgrange on the river Boyne, where his mighty mound is still to be seen. All the Danaan lords saving these five went into council together, and their decision was to give the sovereignty to B—v the Red, partly because he was the eldest, partly because his father was the Dagda, mightiest of the Danaans, and partly because he was himself the most deserving of the five. All were content with this, save only Lir, who thought himself the fittest for royal rule; so he went away from the assembly in anger, taking leave of no one. When this became known, the Danaan lords would have pursued Lir, to burn his palace and inflict punishment and wounding on himself for refusing obedience and fealty to him whom the assembly had chosen to reign over them. But B—v the Red forbade them, for he would not have war among the Danaans; and he said, I am none the less King of the People of Dana because this man will not do homage to me. Thus it went on for a long time. But at last a great misfortune befell Lir, for his wife fell ill, and after three nights she died. Sorely did Lir grieve for this, and he fell into a great dejection of spirit, for his wife was very dear to him and was much thought of by all folk, so that her death was counted one of the great events of that time.

The Celts [2 volumes] John T. Koch,Antone Minard,2012-08-08 This succinct, accessible two-volume set covers all aspects of Celtic historical life, from prehistory to the present day. The study of Celtic history has a wide international appeal, but unfortunately many of the available books on the subject are out-of-date, narrowly specialized, or contain incorrect information. Online information on the Celts is similarly unreliable. This two-volume set provides a well-written, up-to-date, and densely informative reference on Celtic history that is ideal for high school or college-aged students as well as general readers. The Celts: History, Life, and Culture uses a cross-disciplinary approach to explore all facets of this ancient society. The book introduces the archaeology, art history, folklore, history, linguistics, literature, music, and mythology of the Celts and examines the global influence of their legacy. Written entirely by acknowledged experts, the content is accessible without being simplistic. Unlike other texts in the field, The Celts: History, Life, and Culture celebrates all of the cultures associated with Celtic languages at all periods, providing for a richer and more comprehensive examination of the topic.
