Packed with practical, bite-sized ideas that get children reading and loving books, Book Love can be your go-to guide for reading help for kids.

In the learned and wealthy Germany of Goethe and Schiller, both heterosexual and homosexual love were extolled with solmn eloquence and practised with a reclessness which would have made even Rousseau stare. This study of the ethically rebellious German intellectuals of the time includes the amours of Hoffman, Novalis, Wilhelm von Humboldt, Jean Paul Richter and August Wilhelm Schlegel. Some of the affairs were emphatically documented with extracts from uninhibited diaries, memoirs and letters, providing an authentic insight into Germany's great romantic age.

What love is, why love is born, why it sometimes grows, and why it sometimes dies. Have you ever wondered how romantic love evolves? What the difference is between mature and immature love? What role sex plays in romantic love, and whether love necessarily implies sexual exclusivity? And, most important, how can we make love last? Originally published in 1980, this updated edition of The Psychology of Romantic Love explores the nature of romantic love on many levels-the philosophical, the historical, the sociological, and the physiological. Nathaniel Branden explains why so many people say that romantic love is just not possible in today's world and-drawing on his experience with thousands of couples-finds that such love is still a possibility for anyone who understands its essence and is willing to accept its challenges. Branden sees it as a pathway not only to extraordinary joy but also to profound self-discovery. His vision of love is thoroughly appropriate to our time and grounded in our humanness. Book Love is a gift book of comics tailor-made for tea-sipping, spine-sniffing, book-hoarding bibliophiles. Debbie Tung's comics are humorous and instantly recognizable—making readers laugh while precisely conveying the thoughts and habits of book nerds. Book Love is the ideal gift to let a book lover know they're understood and appreciated.

For the Love of Plátanos is an ode to plantains, written in rhyme. This bilingual children's book features bright and colorful illustrations to introduce your little one to a fruit -- yes, fruit! -- that is idolized across the Caribbean and around the world.

From William C. Morris Award Finalist S.K. Ali comes an unforgettable romance that is part The Sun Is Also a Star mixed with Anna and the French Kiss, following two Muslim teens who meet during a spring break trip. A marvel: something you find amazing. Even ordinary-amazing. Like potatoes—because they make French fries happen. Like the perfect fries Adam and his mom used to make together. An oddity: whatever gives you pause. Like the fact that there are hateful people in the world. Like Zayneb's teacher, who won't stop reminding the class how "bad" Muslims are. But Zayneb, the only Muslim in class, isn't bad. She's angry. When she gets suspended for confronting her teacher, and he begins investigating her activist friends, Zayneb heads to her aunt's house in Doha, Qatar, for an early start to spring break. Fueled by the guilt of getting her friends in trouble, she resolves to try out a newer, "nicer" version of herself in a place where no one knows her. Then her path crosses with Adam's. Since he got diagnosed with multiple sclerosis in November, Adam's stopped going to classes, intent, instead, on perfecting the making of things. Intent on keeping the memory of his mom alive for his little sister. Adam's also intent on keeping his diagnosis a secret from his grieving father. Alone, Adam and Zayneb are playing roles for others, keeping their real thoughts locked away in their journals. Until a marvel and an oddity occurs... Marvel: Adam and Zayneb meeting. Oddity: Adam and Zayneb meeting.

The great scholar, W. E. B. Du Bois, once wrote about the Problem of race in America, and what he called "Double Consciousness," a sensitivity that every African American possesses in order to survive. Since childhood, Ailey Pearl Garfield has understood Du Bois's words all too well.

Bearing the names of two formidable Black Americans—the revered choreographer Alvin Ailey and her great grandmother Pearl, the descendant of enslaved Georgians and tenant farmers—Ailey carries Du Bois's Problem on her shoulders. Ailey is reared in the north in the City but spends summers in the small Georgia town of Chicassetta, where her mother's family has lived since their ancestors arrived from Africa in bondage. From an early age, Ailey fights a battle for belonging that's made all the more difficult by a hovering trauma, as well as the whispers of women—her mother, Belle, her sister, Lydia, and a maternal line reaching back two centuries—that urge Ailey to succeed in their stead. To come to terms with her own identity, Ailey embarks on a journey through her family's past, uncovering the shocking tales of generations of ancestors—Indigenous, Black, and white—in the deep South. In doing so Ailey must learn to embrace her full heritage, a legacy of oppression and resistance, bondage and independence, cruelty and resilience that is the story—and the song—of America itself.

Dr. Paige Conrad needs Clay Reynolds' help. However, he can't give it because she and the rest of the town of Langley, Maryland, might discover his secret. Clay has no memory of the first twenty-five years of his life. The past and his father's rejection is behind him. Digging it up brings back nightmare he has fought for ten years to control.

An old girl friend comes between Jenny Whitlock and Mark Watson, the handsome junior she meets when she joins the photography club at her new high school.

A light-hearted book about books and the people who write them for all lovers of literature. Do you know: Which famous author died of caffeine poisoning? Why Alice's Adventures in Wonderland was banned in China? Who was the first British writer to win the Nobel Prize in Literature? What superstitions Truman Capote kept whenever he wrote? Who the other Winston Churchill was? A treasure trove of compelling facts, riveting anecdotes, and extraordinary characters, For the Love of Books is a book about books—and the inside stories about the people who

write them. Learn how books evolved, what lies behind some of the greatest tales ever told, and who's really who in the world of fiction. From banned books to famous feuding authors, from literary felons to rejected masterpieces, from tips for aspiring writers to stand-out book lists for readers to catch up on, *For the Love of Books* is a celebration of the written word and an absolute page-turner for any book lover. Read all about it!

In his debut novel, YouTube personality and author of *We Should Hang Out Sometime* Josh Sundquist explores the nature of love, trust, and romantic attraction. On his first day at a new school, blind sixteen-year-old Will Porter accidentally groped a girl on the stairs, sat on another student in the cafeteria, and somehow drove a classmate to tears. High school can only go up from here, right? As Will starts to find his footing, he develops a crush on a charming, quiet girl named Cecily. Then an unprecedented opportunity arises: an experimental surgery that could give Will eyesight for the first time in his life. But learning to see is more difficult than Will ever imagined, and he soon discovers that the sighted world has been keeping secrets. It turns out Cecily doesn't meet traditional definitions of beauty--in fact, everything he'd heard about her appearance was a lie engineered by their so-called friends to get the two of them together. Does it matter what Cecily looks like? No, not really. But then why does Will feel so betrayed? Told with humor and breathtaking poignancy, *Love and First Sight* is a story about how we related to each other and the world around us.

NEW YORK TIMES BESTSELLER • In this refreshing and inspiring memoir, Lauren Akins, the wife of country music star Thomas Rhett, shows what it's really like to be "the perfect couple" fans imagine, and reveals what it actually takes to live in love, stay in love, and grow together. **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY PARADE** When country music star Thomas Rhett won the ACM Award for Single of the Year with "Die a Happy Man," his wife, Lauren Akins, was overjoyed. Her childhood best friend and now husband was being anointed the hottest new star in country music—for a song he had written about her. He was living his dream. Lauren was elated, but she was also wrestling with some big questions, not the least of which was, How can I live my own life of purpose? Lauren Akins never wanted to be in the spotlight, but as Thomas Rhett made his relationship with Lauren the subject of many of his hit songs, she was tossed into the role of one of America's sweethearts. Revered by fans for her down-to-earth ease and charm, her commitment to humanitarian work, and the pure love she exudes for her family, Lauren has never shared her side of their story—full as it's been with deep love, painful loss, tremendous joy, and a struggle to stay grounded in faith along the way—until now. In *Live in Love*, Lauren shares details about her childhood friendship with Thomas Rhett, explaining how they reconnected as young adults. She offers a rare behind-the-scenes look at the challenges of being married to her best friend, who just happens to be a music star, and the struggle to find her own footing in the frenzy of her husband's fame. And in heart-wrenching detail, she opens up about her life-changing experiences doing mission work in Haiti, and then in Uganda, where she met the precious baby who would become their first daughter. From sharing the romance of their handwritten wedding vows to the challenges they faced as they adjusted to the reality of becoming first-time parents, *Live in Love* takes an intimate look at one couple's life—and opens a window into all of our journeys on the path to self-discovery. *Live in Love* is a deeply personal memoir that offers inspiring guidance for anyone looking to keep romance alive, balance children and marriage, express true faith, and live a life of purpose.

Accustomed to leaving her frail young son with her neighbor, Mitch, while she goes to work, Pearl, a teenage mother, one day does not return, leaving Mitch and Leonard alone to grow up together and to become an unusual family. Reader's Guide available. Reprint.

Navigating the Four Critical Seasons of Relationship

"Count on Scarlett Cole to give you everything you want in romance! A must-read by one of my favorite authors!" ~ Carly Phillips, New York Times best selling author. Opposites attract in this steamy new sports romance standalone from Scarlett Cole. Swedish hockey player, Anders "Iceberg" Berg, is counting the days until he's an unrestricted free agent and can land the contract he's worth. Yet, instead of recovering and resting at home so he can play to impress his dream organization, he's in Denver for his brother's wedding at a gin distillery, watching the pretty brunette who organized the whole thing. Olivia Dyer can't wait to put the year behind her. Her father died, and the event hall she ran at her family's distillery was destroyed. The cost to the business and her mental health more than she could ever afford to repay. Rebuilding both takes every ounce of effort leaving little time for anything else. Except for a single night of fun with the hot hockey player who's been watching her every move. When a kitchen catastrophe throws Anders and Liv together, it ends with an evening neither of them can forget. It was only meant to be one night. But when Anders is unexpectedly traded to see out the rest of his contract with the Denver Rush, and his plans to leave as quickly as possible are disrupted by the sultry brunette who defines courage, their only option is to give in to the attraction they feel for one another. Yet with Liv stuck in the past and Anders firmly focused on the future, can they put aside their differences and allow themselves to find love in the present? Read this standalone opposites attract sports romance now.

A collection of love poetry from such authors as Percy Bysshe Shelley, Edgar Allan Poe, John Clare, and Christopher Marlowe

This compelling and controversial book places the concept of love in both a social and historical context. Taking an approach in which state formation and vicissitude of power are explicitly taken into account in the discussion of intimacy and love, the author demonstrates that love as idealization and love as sexuality must be kept analytically separate. Chapters include discussions on sexualized rituals and fertility festivals, the murder case of Abe Sada, pure love in Miko and Mako's tragedy and the 1990s phenomenon of 'enjokosai' or aid-date. Combining ethnographic, theoretical and archival research, this text will appeal to scholars of Japanese anthropology, feminist anthropology and gender studies alike.

A novel about disillusionment and the power of love.

As her son grows up from little boy to adult man, a mother secretly rocks him each night as he sleeps.

"Jonah Lehrer has a lot to offer the world....The book is interesting on nearly every page....Good writers make writing look easy, but what people like Lehrer do is not easy at all." —David Brooks, *The New York Times* Book Review Science writer Jonah Lehrer explores the mysterious subject of love. Weaving together scientific studies from clinical psychologists, longitudinal studies of health and happiness, historical accounts and literary depictions, child-rearing manuals, and the language of online dating sites, *Jonah Lehrer's A Book About Love* plumbs the most mysterious, most formative, most important impulse

governing our lives. Love confuses and compels us—and it can destroy and define us. It has inspired our greatest poetry, defined our societies and our beliefs, and governs our biology. From the way infants attach to their parents, to the way we fall in love with another person, to the way some find a love for God or their pets, to the way we remember and mourn love after it ends, this book focuses on research that attempts, even in glancing ways, to deal with the long-term and the everyday. The most dangerous myth of love is that it's easy, that we fall into the feeling and then the feeling takes care of itself. While we can easily measure the dopamine that causes the initial feelings of "falling" in love, the partnerships and devotions that last decades or longer remain a mystery. This book is about that mystery. Love, Lehrer argues, is not built solely on overwhelming passion, but, fascinatingly, on a set of skills to be cultivated over a lifetime.

Masterful short works about passion, family, and human relationships by one of the greatest writers of 20th century China. A New York Review Books Original "[A] giant of modern Chinese literature" –The New York Times "With language as sharp as a knife edge, Eileen Chang cut open a huge divide in Chinese culture, between the classical patriarchy and our troubled modernity. She was one of the very few able truly to connect that divide, just as her heroines often disappeared inside it. She is the fallen angel of Chinese literature, and now, with these excellent new translations, English readers can discover why she is so revered by Chinese readers everywhere." –Ang Lee Eileen Chang is one of the great writers of twentieth-century China, where she enjoys a passionate following both on the mainland and in Taiwan. At the heart of Chang's achievement is her short fiction—tales of love, longing, and the shifting and endlessly treacherous shoals of family life. Written when Chang was still in her twenties, these extraordinary stories combine an unsettled, probing, utterly contemporary sensibility, keenly alert to sexual politics and psychological ambiguity, with an intense lyricism that echoes the classics of Chinese literature. Love in a Fallen City, the first collection in English of this dazzling body of work, introduces American readers to the stark and glamorous vision of a modern master.

Love in the Afternoon continues the Hathaways series by Victorian romance author Lisa Kleypas. As a lover of animals and nature, Beatrix Hathaway has always been more comfortable outdoors than in the ballroom. Even though she participated in the London season in the past, the classic beauty and free-spirited Beatrix has never been swept away or seriously courted...and she has resigned herself to the fate of never finding love. Has the time come for the most unconventional of the Hathaway sisters to settle for an ordinary man—just to avoid spinsterhood? Captain Christopher Phelan is a handsome, daring soldier who plans to marry Beatrix's friend, the vivacious flirt Prudence Mercer, when he returns from fighting abroad. But, as he explains in his letters to Pru, life on the battlefield has darkened his soul—and it's becoming clear that Christopher won't come back as the same man. When Beatrix learns of Pru's disappointment, she decides to help by concocting Pru's letters to Christopher for her. Soon the correspondence between Beatrix and Christopher develops into something fulfilling and deep...and when Christopher comes home, he's determined to claim the woman he loves. What began as Beatrix's innocent deception has resulted in the agony of unfulfilled love—and a passion that can't be denied...

Love in the Present TenseVintage

Set in an internment camp where the United States cruelly detained Japanese Americans during WWII and based on true events, this moving love story finds hope in heartbreak. To fall in love

is already a gift. But to fall in love in a place like Minidoka, a place built to make people feel like they weren't human--that was miraculous. After the bombing of Pearl Harbor, Tama is sent to live in a War Relocation Center in the desert. All Japanese Americans from the West Coast--elderly people, children, babies--now live in prison camps like Minidoka. To be who she is has become a crime, it seems, and Tama doesn't know when or if she will ever leave. Trying not to think of the life she once had, she works in the camp's tiny library, taking solace in pages bursting with color and light, love and fairness. And she isn't the only one. George waits each morning by the door, his arms piled with books checked out the day before. As their friendship grows, Tama wonders: Can anyone possibly read so much? Is she the reason George comes to the library every day? Beautifully illustrated and complete with an afterword, back matter, and a photo of the real Tama and George--the author's grandparents--Maggie Tokuda-Hall's elegant love story for readers of all ages sheds light on a shameful chapter of American history. The acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation," All About Love is a revelation about what causes a polarized society and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in All About Love. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.
