"Wish you could find giggle-inducing tween books for girls?" "Tired of young teen fiction that drags you down? Then try..." The Day I Washed My Face in the Toilet A laugh-out-loud novel that's perfect for girls and young teens! All 14-year-old Monica Bloomfield wants is to spend August at a science camp far away from her idiot sister and weird little brother. Trouble is, Monica's being dragged into the wedding party of her crabby old great aunt who lives in England-and if she wants to earn that science camp, she has to keep her siblings in line for the entire trip, plus convince her crazy Grandma to move into a nursing home pronto. Monica's determined to succeed, but things start out badly-and go downhill fast. First, her hyperactive brother overdoses on caffeine right before their eight-hour flight to England. Then a botched wine-tasting party ends so badly that even a policeman is left speechless (and in need of a new uniform). Getting into science camp isn't going to be easy-especially with a rampaging bull, drunk parrot and the most gorgeous guy in the universe standing in her way. "The Day I Washed My Face In The Toilet" is a fast-paced tale about a girl trying to have a positive impact on her world and see social injustices corrected-with hilarious results, and one badly-mangled bridesmaid's dress. A Personal Note From The Author: Unfortunately, I came up with the title of this book-and a pretty big chunk of the plot-line-the day I washed my face in a toilet. In my defense, we were living in the middle of nowhere, and a brutal storm had

left us with no hydro, no heat, no lights and no running water for almost a week. I was cold and grimy, and by the fifth day I snapped. I pulled the top off the toilet tank and peered in. The water had been sitting there for days, so it smelled really funky. Also, every chain and bobbly thing in there was covered with a thick layer of (and here, I'm using the scientific term) bleck. Still, I was desperate. So I used the slimy toilet tank water and had what was probably the fastest sponge bath on record. Sadly, the curry incident happened to me, too. Shortly before I boarded an eight-hour flight from England to Canada, a friend took me out for a huge curry feast. I'd never had curry, and my intestines weren't sure what to do with the stuff, so they promptly rejected it. I developed a massive case of explosive curry farts. I kept my coat zipped up for the entire flight home, hoping that would hide the smell. It didn't. Toxic gasses trickled out through the neck of the coat, assaulting me and all of the passengers who were stuck sitting around me. Ironically, the coat made the problem worse, because it made me sweat-I was leaking curry vapors out of every pore of my body. This book is a labor of love-but it's laced with some of my most cringe-worthy experiences, too! Perfect for babies, toddlers, preschoolers and as a reminder to the big kids in your life.

Language is primarily a tool for communication, yet many textbooks still treat English grammar as simply a set of rules and facts to be memorised by rote. This new textbook is made for students who are frustrated with this approach and would like instead to understand grammar and how it works. Why are there two future tenses in English? What are auxiliaries and why are they so confusing? Why are English motion verbs hard to use? Why are determiners so important in English? These and many other frequently asked questions are answered in this handy guide. Student learning is supported with numerous exercises, chapter summaries and suggestions for further reading. An accompanying website offers further resources, including additional

classroom exercises and a chance to interact with the author. It is the essential grammar toolkit for students of English language and linguistics and future teachers of English as a Second Language.

Multi Linguis offers you a frequency-thematic learner's dictionary of the Spanish language. It includes up to 3000 essential words and phrases belonging to the levels from Beginner to Elementary (A1 - A2 CEFR). The entries are divided into 150 vocabulary themes as well as 2 learning steps. They are arranged by themes, not by the alphabet. The book is intended to help you try out and learn this language but can also be applied for translating or entertaining. You may use it separately or as an additional tool for any suited educational course. The Multi Linguis Project is based on the Wiktionary corpus and created by one person. The database of the Learner's Dictionaries includes 9 000 lemmas (words and phrases), their translations in many languages as well as transcriptions, transliterations and grammar information. All these lemmas are divided into 6 learning steps of 1500 entries each and also 150 vocabulary themes grouped in 30 super themes. They can be arranged by themes, steps, parts of speech or keywords, but never by the alphabet. Different types of dictionaries are offered for the same language. They are designed in an original way to be convenient and efficient. All of them are available in epub format. Multi Linguis is presently able to publish such books for more than 70 languages. It's planned to improve them and increase their number. You can find more dictionaries in this store.

Poetry is an artistic, stylistic expression and reflection of the spirit. Wu Tzu's poems transcend the preconceived thinking of worldly people, just like a pure lotus amidst the dusty world, a radiant lighthouse in the stormy sea, and a rainbow across a dark cloudy sky. The style of Wu Tzu's poetry is sometimes soft and gentle as a slow flowing stream, or sometimes vibrant and forceful as a thousand horses racing. Her verses are imbued with graceful and otherworldly qualities. When expressed in the Poet's simple, conversational words, these verses often belie their profound meanings and pure lyrical beauty. With a refreshing choice of words and harmonious rhythms in Her poems, the Poet has created a beautiful, ethereal world, as well as a poetic style that is at once romantic and splendid. Above all, these poems seem to have been created with total spontaneity, and yet their effect is total enchantment.

To a restless dreamer like Vera Miles, it sounded like the experience of a lifetime. Instead of spending her summer interning for her astronomy major, she would fly to Spain where she'd spend a few weeks teaching conversational English to businessmen and women, all while enjoying free room and board at an isolated resort. But while Vera expected to get a tan, meet new people and stuff herself with wine and paella, she never expected to fall in love. Mateo Casalles is unlike anyone Vera has ever known, let alone anyone she's usually attracted to. While Vera is a pierced and tatted free spirit with a love for music and freedom, Mateo is a successful businessman from Madrid, all sharp suits and cocky Spanish charm. Yet, as the weeks go on, the two grow increasingly close and their relationship changes from purely platonic to

The companion to the highly emotional, scandalous and USA Today Bestselling love story - Love, in English - is finally here! LOVE, IN SPANISH is a sequel about 60K words, told from Mateo Casalles' POV. This is not a "rehash" of LIE and is instead a whole new story about Mateo and Vera on their quest to a happily-ever-after. "She sat beside me on the bus and she changed my whole life." Successful, wealthy and absurdly handsome Spanish ex-football player Mateo Casalles seemed like he had it all. A high-society wife, an adorable little girl, and flashy apartments in Madrid and Barcelona only sweetened the deal. But there was more to Mateo than met the eye a life of uncertainty and regret that colored his black and white world. That was until Vera Miles came into his life like a shooting star. Tattooed, wild and young, Vera seemed like Mateo's polar opposite at first. But you can't choose who you fall in love with and the two lost souls did everything they could to be together, all while suffering the grave consequences. Now with Mateo divorced and living in
