"Mom, I Want to Hear Your Story" is the perfect way Mothers can share the joys and triumphs of their lives while also creating a cherished legacy. This unique guided journal uses prompts and questions to make it simple for your Mother to share the stories of her childhood, teens, and adult years.

"You will devour these beautifully written—and very important—tales of honesty, pain, and resilience" (Elizabeth Gilbert, *New York Times* bestselling author of *Eat Pray Love* and *City of Girls*) from fifteen brilliant writers who explore how what we don't talk about with our mothers affects us, for better or for worse. As an undergraduate, Michele Filgate started writing an essay about being abused by her stepfather. It took her more than a decade to realize that she was actually trying to write about how this affected her relationship with her mother. When it was finally published, the essay went viral, shared on social media by Anne Lamott, Rebecca Solnit, and many others. This gave Filgate an idea, and the resulting anthology offers a candid look at our relationships with our mothers. Leslie Jamison writes about trying to discover who her seemingly perfect mother was before ever becoming a mom. In Cathi Hanauer's hilarious piece, she finally gets a chance to have a conversation with her mother that isn't interrupted by her domineering (but lovable) father. André Aciman writes about what it was like to have a deaf mother. Melissa Febos uses mythology as a lens to look at her close-knit relationship with her psychotherapist mother. And Julianna Baggott talks about having a mom who tells her everything. As Filgate writes, "Our mothers are our first homes, and that's why we're always trying to return to them." There's relief in acknowledging how what we couldn't say for so long is a way to heal our relationships with others and, perhaps most important, with ourselves. Contributions by Cathi Hanauer, Melissa Febos, Alexander Chee, Dylan Landis, Bernice L. McFadden, Julianna Baggott, Lynn Steger Strong, Kiese Laymon, Carmen Maria Machado, André Aciman, Sari Botton, Nayomi Munaweera, Brandon Taylor, and Leslie Jamison.

The biological daughter of writer Paula Fox and mother of rock singer Courtney Love describes growing up as an adoptee, her search for her birth mother, and her relationship with her own troubled daughter.

As her son grows up from little boy to adult man, a mother secretly rocks him each night as he sleeps.

A Message from Mike Rowe, the Dirty Jobs Guy: Just to be clear, About My Mother is a book about my grandmother, written by my mother. That's not to say it's not about my mother—it is. In fact, About My Mother is as much about my mother as it is about my grandmother. In that sense, it's really a book about "mothers." ...It is not, however, a book written by me. True, I did write the foreword. But it doesn't mean I've written a book about my mother. I haven't. Nor does it mean my mother's book is about her son. It isn't. It's about my grandmother. And my mother. Just to be clear.—Mike A love letter to mothers everywhere, About My Mother will make you laugh and cry—and see yourself in its reflection. Peggy Rowe's story of growing up as the daughter of Thelma Knobel is filled with warmth and humor. But Thelma could be your mother—there's a Thelma in everyone's life. Shes the person taking charge—the one who knows instinctively how things should be. Today Thelma would be described as an alpha personality, but while growing up, her daughter Peggy saw her as a dictator—albeit a benevolent, loving one. They clashed from the beginning—Peggy, the horse-crazy tomboy, and Thelma, the genteel-yet-still-controlling mother, committed to raising two refined, ladylike daughters. Good luck. When major league baseball came to town in the early 1950s and turned sophisticated Thelma into a crazed Baltimore Orioles groupie, nobody was more surprised and embarrassed than Peggy. Life became a series of compromises—Thelma tolerating a daughter who pitched manure and galloped the countryside, while Peggy learned to tolerate the whacky Orioles fan who threw her underwear at the television, shouted insults at umpires, and lived by the orange-and-black schedule taped to the refrigerator door. Sometimes, we're more alike than we know. And in case you're wondering, Peggy knows a thing or two about dirty jobs herself...

Show Mom Your Love and Appreciation by Giving Her the Gift That Tells Her Life Story. Mom, I Want to Hear Your Story is the perfect way Mothers can share the joys and triumphs of their lives while also creating a cherished legacy. Imagine reading about the details of her of your Mom's life and journey. Imagine how appreciated and loved she will feel when she sees that you want to hear her life story. Buy Mom, I Want to Hear Your Story and Give your Mother a gift that will continue to give as the years go by. "My Mom isn't one to talk about herself, but this wonderful journal had her sharing so many great stories about her life." -Christy Sanders "This little book created such big

memories." -Rhonda Andrews "I got this one for my Mom and the Dad version for my Father." -Joe Houser Buy Mom, I Want to Hear Your Story and give your Mother a forever gift.

A one-of-a-kind journal for the mother & daughter who crave a rule-free, creative way to connect with each other. This engaging prompt journal is the perfect tool to build mother-daughter relationships. Kids can record memories, swap stories, compare perspectives, and explore common and unique interests with their moms! Interactive lists and letters back and forth invite both mom and daughter to reflect, write, and doodle about topics timely to their lives as kids, build self-confidence, and improve their penmanship.

A candid, feminist, and personal deep dive into the science and culture of pregnancy and motherhood Like most first-time mothers, Angela Garbes was filled with questions when she became pregnant. What exactly is a placenta and how does it function? How does a body go into labor? Why is breast best? Is wine totally off-limits? But as she soon discovered, it's not easy to find satisfying answers. Your obstetrician will cautiously quote statistics; online sources will scare you with conflicting and often inaccurate data; and even the most trusted books will offer information with a heavy dose of judgment. To educate herself, the food and culture writer embarked on an intensive journey of exploration, diving into the scientific mysteries and cultural attitudes that surround motherhood to find answers to questions that had only previously been given in the form of advice about what women ought to do—rather than allowing them the freedom to choose the right path for themselves. In *Like a Mother*, Garbes offers a rigorously researched and compelling look at the physiology, biology, and psychology of pregnancy and motherhood, informed by in-depth reportage and personal experience. With the curiosity of a journalist, the perspective of a feminist, and the intimacy and urgency of a mother, she explores the emerging science behind the pressing questions women have about everything from miscarriage to complicated labors to postpartum changes. The result is a visceral, full-frontal look at what's really happening during those nine life-altering months, and why women deserve access to better care, support, and information. Infused with humor and born out of awe, appreciation, and understanding of the female body and its strength, *Like a Mother* debunks common myths and dated assumptions, offering guidance and camaraderie to women navigating one of the biggest and most profound changes in their lives.

Expert, practical advice for complete mental and physical maternal health *Kate Rope's Strong as a Mother* is a practical and compassionate guide to preparing for a smooth start to motherhood. Everyone knows the secret to having "the Happiest Baby on the Block." This is your guide to being the Sanest Mommy on the Block. It will prepare you with humor and grace for what lies ahead, give you the tools you need to take care of yourself, permission to struggle at times, and professional advice on how to move through it when you do. This book will become a dog-eared resource on your nightstand, offering you the same care and support that you are working so hard to provide to your child. It will help you prioritize your emotional health, set boundaries and ask for help, make choices about feeding and childcare that feel good to you, get good sleep, create a strong relationship with your partner, make self care an everyday priority, trust your instincts, and actually enjoy the hardest job you will ever love. This book is here to take care of you.

NEW YORK TIMES BESTSELLER • A moving memoir about the legendary author's relationship with her own mother. Emma Watson's Our Shared Shelf Book Club Pick! The story of Maya Angelou's extraordinary life has been chronicled in her multiple bestselling autobiographies. But now, at last, the legendary author shares the deepest personal story of her life: her relationship with her mother. For the first time, Angelou reveals the triumphs and struggles of being the daughter of Vivian Baxter, an indomitable spirit whose petite size belied her larger-than-life presence—a presence absent during much of Angelou's early life. When her marriage began to crumble, Vivian famously sent three-year-old Maya and her older brother away from their California home to live with their grandmother in Stamps, Arkansas. The subsequent feelings of abandonment stayed with Angelou for years, but their reunion, a decade later, began a story that has never before been told. In *Mom & Me & Mom*, Angelou dramatizes her years reconciling with the mother she preferred to simply call "Lady," revealing the profound moments that shifted the balance of love and respect between them. Delving into one of her life's most rich, rewarding, and fraught relationships, *Mom & Me & Mom* explores the healing and love that evolved between the two women over the course of their lives, the love that fostered Maya Angelou's rise from immeasurable depths to reach impossible heights. Praise for *Mom & Me & Mom* "Mom & Me & Mom is delivered with Angelou's trademark good humor and fierce optimism. If any resentments linger between these lines, if lives are partially revealed without all the bitter details exposed, well, that is part of Angelou's forgiving design. As an account of reconciliation, this little book is just revealing enough, and pretty irresistible."—The Washington Post "Moving . . . a remarkable portrait of two courageous souls."—People "[The] latest, and most potent, of her serial autobiographies . . . [a] tough-minded, tenderhearted addition to Angelou's spectacular canon."—Elle "Mesmerizing . . . Angelou has a way with words that can still dazzle us, and with her mother as a subject, Angelou has a near-perfect muse and mystery woman."—Essence

The very hungry caterpillar shows its love for Mom.

When a Woman Is in an Emotional Tug-of-War for Her Man's Heart Why can't he commit? Many women find themselves asking this question when in love with a man who won't get married, won't stop womanizing, or refuses to give up his sex addictions. Often this kind of man is bound by an unhealthy attachment to his mother. This phenomenon is called "mother-son enmeshment." In *When He's Married to Mom*, clinical psychologist and renowned intimacy expert Dr. Kenneth M. Adams goes beyond the stereotypes of momma's boys and meddling mothers to explain how mother-son enmeshment affects everyone: the mother, the son, and the woman who loves him. In his twenty-five years of practice, Dr. Adams has successfully treated hundreds of enmeshed men and shares their stories in this informative guide. He provides proven methods to make things better, including: -- Guidelines to help women create fulfilling relationships with mother-enmeshed men -- Tools to help mother-enmeshed men have healthy and successful dating experiences leading

to serious relationships and marriage -- Strategies to help parents avoid enmeshing their children When He's Married to Mom provides practical and compassionate advice to the women who are involved with mother-enmeshed men, to the mothers who wish to set them free, and to the men themselves.

The Power of Mother Love highlights the incredible--although sometimes unrealized--influence that a mother has on her children and her society. Decades of scientific and psychological study provide overwhelming evidence for the idea that "mother love" has an enormous, permanent impact in shaping the character and life of a child. In her compelling new work, psychologist Brenda Hunter presents a convincing argument that indicates this love is even more powerful, even more far-reaching than our culture has yet realized , not only for the child, but for the mother and society as a whole. Affirming the immeasurable value of the mothering role while realistically addressing women 's greatest questions and concerns, Hunter clearly reveals how mother love positively affects the way a woman defines herself. All mothers, and all those who care about the lives of women, children, and the future of our society will be dramatically impacted by this not-to-be-missed book, skillfully written to empower women to mother from the heart.

The perfect gift to honor any mom, this mini edition of NYT bestselling author Greg Lang's classic, Why a Daughter Needs a Mom will be the perfect gift for a girl's most trusted friend.

And while we're writing, drawing, and collecting our stories, we'll make new memories. Together. This is the story of You & Me and it all begins here... The perfect daughter gift to give to moms this Mother's Day!

A book that draws mother and child closer together. Mom and Me: An Art Journal to Share is a full-color art journal for moms and kids to color and draw together. Designed to be a sharing experience, mom and child can write each other letters, draw what scares them, imagine what they want to be when they are grown up, color a scene using only one favorite color, and more. The journal is filled with fun hand-lettering and artwork from Bethany Robertson along with creative prompts from licensed art therapist Lacy Mucklow. It is intended to maximize quality time and conversation between mom and child - a way to communicate without interrogation, prodding, or all the other ineffective methods for learning about your child. It's for those moms who want to hear more about a child's day, what happened, how they felt, their thoughts, etc. Lacy Mucklow will offer up the best ways to communicate with a child through creating together: how to start an open conversation with your child, questions you can ask that will help generate thoughtful responses, and how to tailor the quality time so it's still fun and engaging for your child. This art journal has 50 full-color spreads to color,

fill in, draw, and more. Each spread has a creative prompt or another exercise for mom and child to fill out together.
