

Loved To Pieces An Extreme Horror

Tamsyn Muir

I Love Him to Pieces Evonne Tsang,2011-01-01 St. Petersburg High school juniors Dicey Bell, a baseball star, and Jack Chen, who loves science and role-playing games, discover a mutual attraction when paired for a project, but on their first date, a zombie-producing fungus sends them on the run.

My Boyfriend Bites Dan Jolley,2011-01-01 Seventeen-year-old New Mexico high school senior Vanessa Shingle learns that she destined to be a monster-hunter like her Van Helsing ancestor, and that the gorgeous janitor she is dating, Jean-Paul, is there to help although he, himself, is a vampire.

Vile Things Ramsey Campbell,Tim Curran,Randy Chandler,Graham Masterton,2009-05-05 Vile Things is the ultimate collection of extreme horror with 15 unspeakably gruesome, cringe-worthy, and sometimes disturbingly hilarious tales. and above all else an entertaining and damn good, fun read. The stories, most of which are previously unpublished, include a wide range of subjects: the Jersey Devil, zombies, sadistic Nazis, insatiable ghouls, perverted fishermen, a cult of Basilisk, tequila worms, and much more! FANGORIA MAGAZINE REVIEW This book is not just your basic horror stories. This is extreme shit...Edited by Cheryl Mullenax, VILE THINGS: EXTREME DEVIATIONS OF HORROR is not for the light horror fan. The stories are not just extreme horror, but also extreme gore and sex...a triple threat of fun in my eyes...This book is a definite for any extreme horror fan. Full of terror, sex, and gore, I don't recommend this for the faint of heart or for a light read at a beauty salon. MONSTER LIBRARIAN REVIEW Vile Things is one of the stronger horror anthologies I have come across in some time... I would say that while there are definitely some stronger and gorier stories in this collection than in other horror anthologies, Vile Things offers some excellent horror tales and is highly recommended for public libraries. RUE MORGUE MAGAZINE REVIEW The most striking fiction is often rooted directly in reality, and this is especially true for the stories found in Vile Things. Most of these tales, collected by editor Cheryl Mullenax, begin with plausible, everyday situations and then darken quickly to trap the reader in twisted supernatural plotlines that teem with the imagination's most repulsive creations, including parasitic mutations, a spate of festering fungal rashes and many other rancid and, well, vile things...But dismembered members aside, there are no cheap gross-outs here; even though the focus is clearly on the vile and unpalatable these don't feel like stories that were written with the sole purpose of being labeled extreme horror or to merely revel in their graphic, gory descriptions. Simply put, Vile Things is every deviant horror fan's wet dream.

The Watcher Charles Maclean,2012-09-25 Charles Maclean's horror classic is finally back in print Friday, rush hour. Martin Gregory just manages to catch the 4:48 train. Tomorrow is his wife's birthday and he plans to devote the weekend to her and their beloved dogs. But when he rises in the morning, Martin does something so horrific, so inexplicable, and so out of character that his only option is to run. A lost horror classic back in print at last, *The Watcher* chronicles Martin as his quest for understanding plunges him through shifting realities and twisted corridors of time, and into the deepest recesses of the human mind. The number one horror novel of all time! --The Guardian (London) An extraordinary book, unlike anything else I've read. --Charlie Higson, author of *The Dead* I'm something of an insomniac. I read *The Watcher* and stopped sleeping altogether. --Paul Newman If you are easily upset...stop right here. --The New York Times

The Slob Aron Beauregard,2020-11-18 SOME STAINS DON'T COME OUT... Raised in a household so filthy it was stomach-spilling, Vera involuntarily evolved into a neat freak. Upon discovering she and her disabled husband Daniel are expecting, she needs fast cash. Her obsession with cleanliness sprouts the concept that her skills can be put to use in a unique way. She takes a stab at the booming door-to-door vacuum sales business of 1988. All is going well until she arrives at the steps of a house that will change her forever. The steps of an evil that resurrects the ghastly memories she so desperately tried to wash away. Nothing will prepare you for the nastiness, disorder and sickening horror brought forth by... *The Slob*.

Sometimes I Lie Alice Feeney,2018-03-13 My name is Amber Reynolds. There are three things you should know about me: 1. I'm in a coma. 2. My husband doesn't love me anymore. 3. Sometimes I lie. Amber wakes up in a hospital. She can't move. She can't speak. She can't open her eyes. She can hear everyone around her, but they have no idea. Amber doesn't remember what happened, but she has a suspicion her husband had something to do with it. Alternating between her paralyzed present, the week before her accident, and a series of childhood diaries from twenty years ago, this brilliant psychological thriller asks: Is something really a lie if you believe it's the truth?

Pieces Matt Shaw,2021-07-22 Billy Smith's relationship with Sherry started behind his wife's back and saw him being charged per hour of Sherry's time. The more he saw the prostitute, the more Sherry's feelings for him grew. She knew he was a married man but he always told her he wasn't happy with his wife and would soon be leaving her. Soon Sherry stopped charging Billy and saw him as a boyfriend, instead of a client. Billy Smith wasn't going to leave his wife, and certainly not for a whore. He had things good at home and had things better with being able to see Sherry whenever he wanted, and not be billed. Billy had the perfect life. Until, that is, he heads home after spending the evening with Sherry and sees his wife isn't there. There's no communication from her, other than a text asking where HE is, and he can't reach her on the phone. She had simply disappeared. Just as Billy is about to call the police, he receives a mysterious package. Within the packet? There is a letter detailing how they know of Billy's affair. There is also his wife's severed tongue. If Billy wants the rest of his wife back, and to find out who did it and why, he needs to follow the trail of clues to each hidden package.

The Only Good Indians Stephen Graham Jones, 2021-01-26 A NEW YORK TIMES BESTSELLER From USA TODAY bestselling author Stephen Graham Jones comes a “masterpiece” (Locus Magazine) of a novel about revenge, cultural identity, and the cost of breaking from tradition. Labeled “one of 2020’s buzziest horror novels” (Entertainment Weekly), this is a remarkable horror story that “will give you nightmares—the good kind of course” (BuzzFeed). Seamlessly blending classic horror and a dramatic narrative with sharp social commentary, *The Only Good Indians* is “a masterpiece. Intimate, devastating, brutal, terrifying, warm, and heartbreaking in the best way” (Paul Tremblay, author of *A Head Full of Ghosts*). This novel follows four American Indian men after a disturbing event from their youth puts them in a desperate struggle for their lives. Tracked by an entity bent on revenge, these childhood friends are helpless as the culture and traditions they left behind catch up to them in violent, vengeful ways.

Going to Pieces Adam Rockoff, 2016-03-04 John Carpenter's *Halloween*, released on October 25, 1978, marked the beginning of the horror film's most colorful, controversial, and successful offshoot--the slasher film. Loved by fans and reviled by critics for its iconic psychopaths, gory special effects, brainless teenagers in peril, and more than a bit of soft-core sex, the slasher film secured its legacy as a cultural phenomenon and continues to be popular today. This work traces the evolution of the slasher film from 1978 when it was a fledgling genre, through the early 1980s when it was one of the most profitable and prolific genres in Hollywood, on to its decline in popularity around 1986. An introduction provides a brief history of the Grand Guignol, the pre-cinema forerunner of the slasher film, films such as *Psycho* and *The Texas Chainsaw Massacre*, and cinematic trends that gave rise to the slasher film. Also explained are the slasher film's characteristics, conventions, and cinematic devices, such as the final girl, the omnipotent killer, the relationship between sex and death, the significant date or setting, and the point-of-view of the killer. The chapters that follow are devoted to the years 1978 through 1986 and analyze significant films from each year. *The Toolbox Murders*, *When a Stranger Calls*, the *Friday the 13th* movies, *My Bloody Valentine*, *The Slumber Party Massacre*, *Psycho II*, and *April Fool's Day* are among those analyzed. The late 90s resurrection of slasher films, as seen in *Scream* and *I Know What You Did Last Summer*, is also explored, as well as the future direction of slasher films.

I Know This Much Is True Wally Lamb, 1998-06-03 With his stunning debut novel, *She's Come Undone*, Wally Lamb won the adulation of critics and readers with his mesmerizing tale of one woman's painful yet triumphant journey of self-discovery. Now, this brilliantly talented writer returns with *I Know This Much Is True*, a heartbreaking and poignant multigenerational saga of the reproductive bonds of destruction and the powerful force of forgiveness. A masterpiece that breathtakingly tells a story of alienation and connection, power and abuse, devastation and renewal--this novel is a contemporary retelling of an ancient Hindu myth. A proud king must confront his demons to achieve salvation. Change yourself, the myth instructs, and you will inhabit a renovated world. When you're the same brother of a schizophrenic

identical twin, the tricky thing about saving yourself is the blood it leaves on your hands--the little inconvenience of the look-alike corpse at your feet. And if you're into both survival of the fittest and being your brother's keeper--if you've promised your dying mother--then say so long to sleep and hello to the middle of the night. Grab a book or a beer. Get used to Letterman's gap-toothed smile of the absurd, or the view of the bedroom ceiling, or the influence of random selection. Take it from a godless insomniac. Take it from the uncrazy twin--the guy who beat the biochemical rap. Dominick Birdsey's entire life has been compromised and constricted by anger and fear, by the paranoid schizophrenic twin brother he both deeply loves and resents, and by the past they shared with their adoptive father, Ray, a spit-and-polish ex-Navy man (the five-foot-six-inch sleeping giant who snoozed upstairs weekdays in the spare room and built submarines at night), and their long-suffering mother, Concettina, a timid woman with a harelip that made her shy and self-conscious: She holds a loose fist to her face to cover her defective mouth--her perpetual apology to the world for a birth defect over which she'd had no control. Born in the waning moments of 1949 and the opening minutes of 1950, the twins are physical mirror images who grow into separate yet connected entities: the seemingly strong and protective yet fearful Dominick, his mother's watchful monkey; and the seemingly weak and sweet yet noble Thomas, his mother's gentle bunny. From childhood, Dominick fights for both separation and wholeness--and ultimately self-protection--in a house of fear dominated by Ray, a bully who abuses his power over these stepsons whose biological father is a mystery. I was still afraid of his anger but saw how he punished weakness--pounced on it. Out of self-preservation I hid my fear, Dominick confesses. As for Thomas, he just never knew how to play defense. He just didn't get it. But Dominick's talent for survival comes at an enormous cost, including the breakup of his marriage to the warm, beautiful Dessa, whom he still loves. And it will be put to the ultimate test when Thomas, a Bible-spouting zealot, commits an unthinkable act that threatens the tenuous balance of both his and Dominick's lives. To save himself, Dominick must confront not only the pain of his past but the dark secrets he has locked deep within himself, and the sins of his ancestors--a quest that will lead him beyond the confines of his blue-collar New England town to the volcanic foothills of Sicily 's Mount Etna, where his ambitious and vengefully proud grandfather and a namesake Domenico Tempesta, the *sostegno del famiglia*, was born. Each of the stories Ma told us about Papa reinforced the message that he was the boss, that he ruled the roost, that what he said went. Searching for answers, Dominick turns to the whispers of the dead, to the pages of his grandfather's handwritten memoir, *The History of Domenico Onofrio Tempesta, a Great Man from Humble Beginnings*. Rendered with touches of magic realism, Domenico's fablelike tale--in which monkeys enchant and religious statues weep--becomes the old man's confession--an unwitting legacy of contrition that reveals the truth's of Domenico's life, Dominick learns that power, wrongly used, defeats the oppressor as well as the oppressed, and now, picking through the humble shards of his deconstructed life, he will search for the courage and love to forgive, to expiate his and his ancestors' transgressions, and finally to rebuild himself beyond the haunted shadow of his twin. Set against the vivid panoply of

twentieth-century America and filled with richly drawn, memorable characters, this deeply moving and thoroughly satisfying novel brings to light humanity's deepest needs and fears, our aloneness, our desire for love and acceptance, our struggle to survive at all costs. Joyous, mystical, and exquisitely written, *I Know This Much Is True* is an extraordinary reading experience that will leave no reader untouched.

Octopus Matt Shaw, 2019 With mounting debt, and her career not going in the direction she'd hoped for, Jessica Ann took a modelling job at the Larsen's lavish party. What should have been an easy evening soon takes a nightmarish turn when she finds herself embroiled in an insane plot to awaken The Old Great One... There are scenes of a sexual nature, and violence within this book.

#MurderFunding Gretchen McNeil, 2019-08-06 WELCOME TO WHO WANTS TO BE A PAINIAC?, the latest reality TV show on the hunt for the next big-hit serial killer. But don't worry—no one is actually going to murder anyone, as real as the fake gore and pretend murder may appear . . . uh, right? Seventeen-year-old Becca Martinello is about to find out. When her perfectly normal soccer mom dies in a car crash, a strange girl named Stef appears and lets Becca know that her deceased mom was none other than one of Alcatraz 2.0's most popular serial killers—Molly Mauler. Soon, Becca ends up on *Who Wants to Be a Painiac?* to learn the truth about her mom's connection to Molly Mauler, but things turn sinister when people are murdered IRL. Will Becca uncover dark secrets and make it out of the deadly reality show alive? Or will she get cut?

Splatterpunk Paul Sammon, 1990 *Driven and Reckless*, the young writers who lead the splatterpunk movement have one rule: There are no limits. Editor Paul Sammon—himself a talented writer and moviemaker—has assembled the first and only book to encompass this dynamic literary movement. Features the works of Edward Bryant, Craig Spector, Rex Miller, Clive Barker and more.

Harrow the Ninth Tamsyn Muir, 2020-08-04 *Harrow the Ninth*, an Amazon pick for Best SFF of 2020 and the New York Times and USA Today bestselling sequel to *Gideon the Ninth*, turns a galaxy inside out as one necromancer struggles to survive the wreckage of herself aboard the Emperor's haunted space station. *The Locked Tomb* is a 2023 Hugo Award Finalist for Best Series! “Lesbian necromancers explore a haunted gothic palace in space! Decadent nobles vie to serve the deathless emperor! Skeletons!” —Charles Stross on *Gideon the Ninth* “Unlike anything I've ever read.” —V.E. Schwab on *Gideon the Ninth* “Deft, tense and atmospheric, compellingly immersive and wildly original.” —The New York Times on *Gideon the Ninth* She answered the Emperor's call. She arrived with her arts, her wits, and her only friend. In victory, her world has turned to ash. After rocking the cosmos with her deathly debut, Tamsyn Muir continues the story of the penumbral Ninth House in *Harrow the Ninth*, a mind-twisting puzzle box of mystery, murder, magic, and mayhem. Nothing is as it seems in the halls of the Emperor, and the fate of the galaxy rests on one woman's shoulders. Harrowhark Nonagesimus, last necromancer of the Ninth House, has been drafted by her Emperor to fight an unwinnable war. Side-by-side with a detested

rival, Harrow must perfect her skills and become an angel of undeath — but her health is failing, her sword makes her nauseous, and even her mind is threatening to betray her. Sealed in the gothic gloom of the Emperor's Mithraeum with three unfriendly teachers, hunted by the mad ghost of a murdered planet, Harrow must confront two unwelcome questions: is somebody trying to kill her? And if they succeeded, would the universe be better off? THE LOCKED TOMB SERIES BOOK 1: Gideon the Ninth BOOK 2: Harrow the Ninth BOOK 3: Nona the Ninth BOOK 4: Alecto the Ninth At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Diary of an Oxygen Thief Anonymous, 2016-05-23 Hurt people hurt people. Say there was a novel in which Holden Caulfield was an alcoholic and Lolita was a photographer's assistant and, somehow, they met in Bright Lights, Big City. He's blinded by love. She by ambition. *Diary of an Oxygen Thief* is an honest, hilarious, and heartrending novel, but above all, a very realistic account of what we do to each other and what we allow to have done to us.

Girl in Pieces Kathleen Glasgow, 2018-04-10 #1 NEW YORK TIMES BESTSELLER A haunting, beautiful, and necessary book.—Nicola Yoon, #1 New York Times bestselling author of *Everything, Everything* Charlotte Davis is in pieces. At seventeen she's already lost more than most people do in a lifetime. But she's learned how to forget. The broken glass washes away the sorrow until there is nothing but calm. You don't have to think about your father and the river. Your best friend, who is gone forever. Or your mother, who has nothing left to give you. Every new scar hardens Charlie's heart just a little more, yet it still hurts so much. It hurts enough to not care anymore, which is sometimes what has to happen before you can find your way back from the edge. A deeply moving portrait of a girl in a world that owes her nothing, and has taken so much, and the journey she undergoes to put herself back together. Kathleen Glasgow's debut is heartbreakingly real and unflinchingly honest. It's a story you won't be able to look away from. And don't miss Kathleen Glasgow's novels *You'd Be Home Now* and *How to Make Friends with the Dark*, both raw and powerful stories of life.

The Man Who Loved Children Christina Stead, 2012-10-23 "This crazy, gorgeous family novel" written at the end of the Great Depression "is one of the great literary achievements of the twentieth century" (Jonathan Franzen, *The New York Times*). First published in 1940, *The Man Who Loved Children* was rediscovered in 1965 thanks to the poet Randall Jarrell's eloquent introduction (included in this ebook edition), which compares Christina Stead to Leo Tolstoy. Today, it stands as a masterpiece of dysfunctional family life. In a country crippled by the Great Depression, Sam and Henny Pollit have too much—too much contempt for one another, too many children, too much strain under endless obligation. Flush with ego and chilling charisma, Sam torments and manipulates his children in an esoteric world of his own imagining. Henny looks on desperately, all too aware of the madness at the root of her husband's behavior. And Louie, the damaged, precocious adolescent girl at the center of their clashes, is the "ugly duckling" whose struggle will transfix contemporary readers. Named one of the best novels of the twentieth century by *Newsweek*, Stead's semiautobiographical work reads like a

Depression-era *The Glass Castle*. In the *New York Times*, Jonathan Franzen wrote of this classic, "I carry it in my head the way I carry childhood memories; the scenes are of such precise horror and comedy that I feel I didn't read the book so much as live it."

A Lush and Seething Hell John Hornor Jacobs, 2019-10-08 A World Fantasy Award Nominee! The award-winning and critically-acclaimed master of horror returns with a pair of chilling tales that examine the violence and depravity of the human condition. Bringing together his acclaimed novella *The Sea Dreams It Is the Sky* and an all-new short novel *My Heart Struck Sorrow*, John Hornor Jacobs turns his fertile imagination to the evil that breeds within the human soul. A brilliant mix of the psychological and supernatural, blending the acute insight of Roberto Bolaño and the eerie imagination of H. P. Lovecraft, *The Sea Dreams It Is the Sky* examines life in a South American dictatorship. Centered on the journal of a poet-in-exile and his failed attempts at translating a maddening text, it is told by a young woman trying to come to grips with a country that nearly devoured itself. In *My Heart Struck Sorrow*, a librarian discovers a recording from the Deep South—which may be the musical stylings of the Devil himself. Breathtaking and haunting, *A Lush and Seething Hell* is a terrifying and exhilarating journey into the darkness, an odyssey into the deepest reaches of ourselves that compels us to confront secrets best left hidden.

Her Name was Amber Matt Shaw, 2021-11-15 When Amber met him, she was a struggling artist on the bottom rung of the ladder. He was at the top of his game and adored by millions. In an ill-advised relationship, Amber used him to further her own career and popularity. When she had got all she could from him, she chewed him up and spat him out. Amber told all who would listen how she lived in fear of him. She revealed how he regularly beat her and pushed her around. Her imagination had no limits when it came to the lies she'd spit forward. While some people refused to believe her, others sided with her and turned their back on the man they once loved. But, from all those who heard her, one man decided to step forward and show her what it was really like to live in fear from someone.

The Pan Book of Horror Stories Pan Macmillan, Various, 2017-09-07 A special edition of *The Pan Book of Horror Stories* reissued with a bright retro design to celebrate Pan's 70th anniversary. Over fifty years ago, Pan launched a series of books that were to delight and disgust - sometimes even on the same page - readers from across the world. From classics in the genre to scraping-the-barrel nastiness, the Pan Books of Horror had them all. This reissue of the very first Pan Book of Horror contains twenty-two terrifying tales of horror by a dazzling array of famous names - including Peter Fleming, C. S. Forester, Bram Stoker, Angus Wilson, Noel Langley, Jack Finney and L. P. Hartley. Stories of the uncanny jostle with tales of the macabre, it is the perfect bedside book - for those with nerves of steel!

Decoding **Loved To Pieces An Extreme Horror** : Revealing the Captivating Potential of Verbal Expression

Loved To Pieces An Extreme Horror Introduction

In today's digital age, the availability of Loved To Pieces An Extreme Horror books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and

carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Loved To Pieces An Extreme Horror books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Loved To Pieces An Extreme Horror books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Loved To Pieces An Extreme Horror versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Loved To Pieces An Extreme Horror books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student

looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Loved To Pieces An Extreme Horror books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature,

making it an excellent resource for literature enthusiasts. Another popular platform for Loved To Pieces An Extreme Horror books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and

historical documents. In conclusion, Loved To Pieces An Extreme Horror books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Loved To Pieces An Extreme Horror books and manuals for download and embark on your journey of knowledge?

FAQs About Loved To Pieces An Extreme Horror Books

How do I know which eBook platform is

the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Loved To Pieces An Extreme Horror is one of the best book in our library for free

trial. We provide copy of Loved To Pieces An Extreme Horror in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Loved To Pieces An Extreme Horror . Where to download Loved To Pieces An Extreme Horror online for free? Are you looking for Loved To Pieces An Extreme Horror PDF? This is definitely going to save you time and cash in something you should think about.
