Poems of Grateful Praise is a collection of Tabithas expressions of love for all occasions, designed to encourage and inspire others in times of joy, sorrow, and thanksgiving. Tabithas passion for poetry has continued over the years since she penned her first poem in 1996. This growing love of expression culminated in the publication of her first book, Poems and Praise, in 2010. Poems of Grateful Praise is Tabithas second book and most recent work. With her God-given talent, Tabitha praises her creator daily, thanking him for his many blessings. Her daily devotions with him elevate her to that spiritual realm, connecting her to the Vine, the Great Father above. She also writes poems for family, friends, and organizations to commemorate special occasions. Poems of Grateful Praise is a celebration of hope and joy and a message of Gods grace for all.

Designed to help cross the divide between academic research and practical experience in spirituality, this publication is designed for those who are believers in the Northern faithsNwhether it be Asatru, Teutonic, Celtic, Anglo-Saxon or any other faith which is indigenous to Northern Europe.

Will we lose everything? Praise for Charlotte Byrd "This series thrilled me from the first page and had me completely engrossed. The pacing and plot was excellent. It had the perfect amount of twists and turns, luring me into the fantasy of this amazing book. The story was well-crafted, starting off with characters I fell in love with. I instantaneously bonded with the heroine and of course Mr. Black. YUM. It's sexy, it's sassy, it's steamy. It's everything. I loved every second of it and was so thrilled to have had such a treat." - Khardine Gray, bestselling romance author "Her words make me ache and yearn for more." - Dancer in the Dark "The story is dark and enticing, taking me deeper into a world from which I never want to emerge." - Lover of Alpha "Addictive and damaged, their love burns slowly but deeply." - Heroes and Alphas "Their chemistry sizzles right from the beginning.
