concepts of Western thought, Jostein Gaarder's *Sophie's World* has fired the imagination of readers all over the world, with more than twenty million copies in print. One day fourteen-year-old Sophie Amundsen comes home from school to find in her mailbox two notes, with one question on each: Who are you? and Where does the world come from? From that irresistible beginning, Sophie becomes obsessed with questions that take her far beyond what she knows of her Norwegian village. Through those letters, she enrolls in a kind of correspondence course, covering Socrates to Sartre, with a mysterious philosopher, while receiving letters addressed to another girl. Who is Hilde? And why does her mail keep turning up? To unravel this riddle, Sophie must use the philosophy she is learning—but the truth turns out to be far more complicated than she could have imagined.

“The comedy crackles, the puns pop, the satire explodes.”—The New York Times “The work of a virtuoso with prose . . . His intricate symbolic order [is] akin to that of Joyce’s Ulysses.”—Chicago Tribune “A puzzle, an intrigue, a literary and historical tour de force.”—San Francisco Examiner The highly original satire about Oedipa Maas, a woman who finds herself enmeshed in a worldwide conspiracy. When her ex-lover, wealthy real-estate tycoon Pierce Inverarity, dies and designates her the coexecutor of his estate, California housewife Oedipa Maas is thrust into a paranoid mystery of metaphors, symbols, and the United States Postal Service. The Night and Its Moon Piper CJ, 2022-09-20 An addictive fantasy romance from TikTok sensation Piper CJ, now newly revised and edited. Two orphans grow into powerful young women as they face countless threats to find their way back to each other. Farleigh is just an orphanage. At least, that's what the church would have the people believe, but beautiful orphans Nox and fae-touched Amaris know better. They are commodities for sale, available for purchase by the highest bidder. So when the madame of a notorious brothel in a far-off city offers a king's ransom to purchase Amaris, Nox ends up taking her place — while Amaris is drawn away to the mountains, home of mysterious assassins. Even as they take up new lives and identities, Nox and Amaris never forget one thing: they will stop at nothing to reunite. But the threat of war looms overhead, and the two are inevitably swept into a conflict between human and fae, magic and mundane. With strange new alliances, untested powers, and a bond that neither time nor distance could possibly break, the fate of the realms lies in the hands of two orphans — and the love they hold for each other.

Jackson Pollock Pepe Karmel, 1999 Published to accompany the exhibition Jackson Pollock held the Museum of Modern Art, New York, from 1 November 1998 to 2 February 1999.

The Book of Divine Works St. Hildegard of Bingen, 2018-10-16 Completed in 1173, *The Book of Divine Works* (Liber Divinorum Operum) is the culmination of the Visionary’s Doctor’s theological project, offered here for the first time in a complete and scholarly English translation. The first part explores the intricate physical and spiritual relationships between the cosmos and the human person, with the famous image of the universal Man standing astride the cosmic spheres. The second part examines the rewards for virtue and the punishments for vice, mapped onto a geography of purgatory, hellmouth, and the road to the heavenly city. At the end of each Hildegard writes extensive commentaries on the Prologue to John’s Gospel (Part 1) and the first chapter of Genesis (Part 2)—the only premodern woman to have done so. Finally, the third part tells the history of salvation, imagined as the City of God standing next to the mountain of God’s foreknowledge, with Divine Love reigning over all.

The Art of Being Human Michael Wesch, 2018-08-07 Anthropology is the study of all humans in all times in all places. But it is so much more than that. Anthropology requires strength, valor, and courage, Nancy Scheper-Hughes noted. Pierre

Bourdieu called anthropology a combat sport, an extreme sport as well as a tough and rigorous discipline. ... It teaches students not to be afraid of getting one's hands dirty, to get down in the dirt, and to commit yourself, body and mind. Susan Sontag called anthropology a heroic profession. What is the payoff for this heroic journey? You will find ideas that can carry you across rivers of doubt and over mountains of fear to find the light and life of places forgotten. Real anthropology cannot be contained in a book. You have to go out and feel the world's jagged edges, wipe its dust from your brow, and at times, leave your blood in its soil. In this unique book, Dr. Michael Wesch shares many of his own adventures of being an anthropologist and what the science of human beings can tell us about the art of being human. This special first draft edition is a loose framework for more and more complete future chapters and writings. It serves as a companion to anth101.com, a free and open resource for instructors of cultural anthropology. This 2018 text is a revision of the first draft edition from 2017 and includes 7 new chapters.
