204 Short Monologues and Scenes for Kids and Teens Dave Kilgore, 2016-12-14 204 Short Monologues and Scenes for Kids and Teens is a compilation of Dave Kilgore's four previous books, 51 Short Monologues and Scenes for Kids, Volumes 1 and 2, and 51 Short Monologues and Scenes for Teens, Volumes 1 and 2. This book is designed for kid and teen actors to use in practice, in class, for auditions or just for fun. This book was also created to fill the void for acting teachers looking for positive and entertaining very short monologues and scenes for their younger student actors. The majority of the pieces here are under one minute, allowing for easy memorization and comprehension, while still telling brief stories with entertaining plot twists and allowing the younger actor to delve into character, history, relationships and environment. Talent agents and casting directors want to see what the actor can do in a short amount of time. Thirty to sixty second pieces, like most of the ones in this book, are ideal for that specific reason. Also, this allows the acting student to spend more time focusing on story and character. In this book are many fun pieces you'll be happy to see your own kids and teens performing, knowing they're not just learning to act, but also to tell stories and interact in positive ways. Some of the pieces in this book are more serious, and allow the younger actor to dig deeper and understand the character's journey. Many of these can be used for boys or girls by simply changing the names, and many can cross into different age ranges by using different scene and character direction. Included in this book... Tips on memorization. Tips on character development. Tips on character interaction. 56

One on One: Playing with a Purpose Bob Shuman, Stephen Fife, 2013-05-01 Kids of today face a different world – and a different set of challenges – then did the children of even 15 years ago. *Playing with a Purpose* features a collection of monologues that reflects these new attitudes and circumstances. Highly diversified in its view of the family and the child's place in the world, the monologues have been chosen from several sources: from contemporary playwrights and screenwriters; from YouthPlays, a new company that specializes in publishing cutting-edge plays for the youth market; and from such conservatories for young actors as The Playground, the Los Angeles-based training center run by Gary Spatz, the leading acting coach for performers ages 6 to 16. “Playing with a purpose” is an idea that arose from Fife's work with young actors over the course of several decades. The included monologues have been chosen and arranged to allow for a young actor's development. From “Getting Started: Simple Situations and Circumstances” to “Intermediate: Adding Elements of Character” to “Advanced: Character Counts” each chapter includes pieces that will test the young actor's ability, while making use of the lessons presented in each.
