storyline... A great curl-up-on-a-cold-night read, so go grab a copy for yourself!" (USA TODAY on *The Unexpected Bride*) A delightful historical western romance from the author of *The Unexpected Bride*. Rose answers a matrimonial advertisement never expecting to fall in love... COLORADO 1880 Rose was once a barefoot dreamer, carving whimsical creatures from the driftwood she found on the beach. However, after the death of her father, Rose finds herself cut adrift. So she answers an advertisement to become the bride of a blacksmith in Sweet Briar, Colorado, bravely leaving behind the coast of Maine and her beloved sandy beaches. Living in the shadow of the Rockies, Emmett Southerland is a bit of a hopeless romantic. He's been eagerly awaiting the arrival of the dark-haired beauty in the photograph he keeps over his heart. However, soon he and Rose find themselves snowed-in during the worst storm Colorado has seen in twenty-five years. This sweet mail-order bride romance loosely reimagines the classic tale of *Sleeping Beauty*, complete with a satisfying happily-ever-after. A short Christmas novel of approximately 42,000 words. Historical Western Romance Contains no graphic content or swearing.

EXCERPT It was eerily quiet now in Emmett's kitchen alone, with just the snapping of the fire. Rose strained to hear the sounds of Emmett and his burly dog, Boston, as they left to go downstairs and outside through the front entrance of Emmett's shop. She heard the creak of the door to the stairwell opening and closing again, and the sounds of them climbing down the stairs. And then nothing. She pictured Emmett lacing his boots and putting on his coat. She pictured Boston too, standing beside him, the long brown plume of his tail swaying, awaiting his own morning ritual. It was impossible to sit still, simply waiting, a sense of foreboding gathering around her. If anything happened to them, she'd well and truly be alone. And then she heard it, the crash of a

thousand pounds falling. She didn't know what it was, but she leapt to her feet and scrambled down the stairs after them. On the final step, she stopped. Emmett and Boston stood before the open door. Snow had spilled in around their feet. Thin swirls drifted across the floor and settled. More snow was piled high in the doorway, all the way to the top. Not only snow, a wall of ice. "What happened?" She stood on the last stair, gripping the handrail. Emmett turned his head toward her, as if startled by her voice. He brushed snow from his coat and quickly shut the door against the cold. His leather hat lay on the floor at his feet. It too was covered in snow. "What happened?" she repeated, frightened by the look on his face. His expression was grim. Had he been hurt? She tucked her robe more tightly about her. It felt too thin, not nearly enough to keep her warm. Her teeth began to chatter. "A sheet of ice. Up on the roof. It must have formed overnight. All that icy snow... I just opened the door and it broke free." He said it so matter-of-factly. Despite his grim expression, it didn't seem as if he was nearly as concerned as he should have been. "And it fell in the doorway?" she pressed. At his calm nod, she blurted out, "You could have been crushed--you and Boston." Did he not see that they could have been severely injured, that they could have died? She swallowed and asked, "Are you hurt?" "No, I'm not hurt. And thankfully, Boston didn't push out ahead of me like he usually does." For one brief instant, a sickly expression crossed Emmett's face. He did realize they could have been crushed. That Boston might've been killed if he'd rushed out the door first. Emmett reached down to ruffle the dog's neck fur. Boston simply sat there with his eyes on the door, perhaps waiting for his master to open it again, not understanding they were quite literally snowed in.

As ever, Bernard's family, Guardian-reading schoolteacher son Brian, dopey daughter Jemima and malevolent grandchild Digby (a.k.a. Worst of all is Bernard's dotty mother Dot, who holds in her palsied hands an inheritance that can make or break the family. A wild and fun Modern Miss, a Preacher with a mighty pair of conundrums, and an Outlaw turned politician who's out of control! Don't miss the exciting conclusion to the Come-By-Chance saga! When Jane Waters comes pedaling into town, she cycles slap bang into corruption, catastrophe, and some increasingly curious conundrums — not to mention, right on into the heart of the beloved Come-By-Chance preacher, Ernest James Coy. For Jane, a modern late 19th Century woman, marriage is something she must avoid at all costs. Her heart belongs to her calling, for Jane is a writer — and no mere man can be allowed to stand in the way of that. Not even such a good man as the Come-By-Chance preacher. As for Ernest Coy himself, he sees the new woman in town as the wildest, most dangerous, and wonderful woman he's known. But these are dangerous times, and the preacher must face, not just one, but twomighty conundrums — conundrums that threaten the future of not just himself, not just Jane Waters, and not just the Come-By-Chance townsfolk. No, this time, the evil Slim Jim Murdoch might well destroy the lives of everyone in Montana Territory — and perhaps, in time, even the entire country. A timeless story of the importance of love and respect — and the difficult choices good people must make, when faced with evil incarnate. The Come-By-Chance books are jam-packed with gun-

Complete with historic photographs and actual advertisements from both women seeking husbands and males seeking brides, *Object Matrimony* includes stories of courageous mail order brides and their exploits as well as stories of the marriage brokers, mercenary matchmakers looking to profit as merchants did off of the miners and settlers. Some of these stories end happily ever after; others reveal desperate situations that robbed the brides of their youth and sometimes their lives.

But when she meets her husband-to-be and discovers he's a reclusive rock star living at Romance Island Resort, maybe it's time to believe a girl can live happily ever after. A tiny taste of what's in store: Idly, she clicked on one of the unread messages from some other man whose profile was a

sculpted, headless torso, like something cropped from the cover of a romance novel. Mr Six-Pack's message was short: "I'm looking for a woman who knows all fairy tales are lies, but who still hopes one might come true." Reflexively, Phuong clicked on his profile. Mr Six-Pack was a gym junkie, he admitted, who went by the name of Lucky Jason. He worked on a remote island, but it was lonely and he wanted to share his living accommodation with someone who could brighten the darkness at night. Or so he said. She laughed softly before clapping a hand over her mouth at the thought that she might wake Norman. His snores continued, like he was sawing down a tree with his nose in his sleep, so she breathed a sigh of relief and returned to ogling Jason's abs. Desire flooded through her for the first time in months. She hit the reply button. "Which fairy tale did you have in mind, and which character are you? The big bad wolf, the woodcutter or Prince Charming?" Before she could think better of it, she sent the message. The response came back almost instantly: "What would you like me to be? I can cut down everyone keeping you from me, carry you off to my castle like Prince Charming, then turn into the big bad wolf and eat you all up until you scream for joy." "That only happens in books," she whispered to herself, then typed the words and fired them off. Lucky Jason had an answer for that, too: "One day, some romance author will write books about us and

a million lonely women will crave the sort of sex you only have to ask for." Arrogant much? "No one's that good. What if I'm after Prince Charming, a man who loves me, listens to me and wants to take care of me, and I'm not interested in sex?" "Prince Charming is a prick who'll smother you and turn jealous if you look at anyone else. He'll lock you in a tower and never let you out. And he wouldn't know what to do with his own c*ck, let alone your body. Prince where-do-I-put-my-prick. That's not me, babe." "No? You don't get jealous? What do you do when your girl looks at another man?" "Grin and wink at the guy while my arm's around her. He'll never be me and never have what I do, but that's cool. Not everyone's as awesome as me. Let me show you, babe."

Journey to Turnabout Letitia Burton: Autumn Turnabout, situated in the northeastern corner of Texas, is quite a decent small town: well-ordered, well-maintained, well-planned. With but one problem: there are no men. Well, yes, of course there are men. Husbands, and soon-to-be husbands, and used-to-be husbands, and those no women would ever choose to be husbands. But few eligible men. Letitia Burton, nineteen and as headstrong as the rest of her clan, has decided to do something about it. Mainly by secretly placing notices in various newspapers, advertising her charming self as a mail order bride. Within a few months, she strikes pay dirt. Through correspondence, Letty has accepted the proposal of one Reese Barclay, from Denver. It isn't until he is actually on his way to town, however, that she confesses to her family what she has done. Ben Forrester, eldest sister Camellia's husband, is livid. Has she so quickly forgotten the terrible scrape Molly got herself into, not long ago, under similar

circumstances? Does she need to be told how risky it is to accept someone at face value, sight unseen? Disgruntled—and annoyed—she reminds him that Camellia, too, was a mail order bride who accepted him at face value. And that, apparently, their marriage has turned out all right. So far. Reese safely arrives. His meager letters had provided little description of himself or his background, other than making sure his intended bride is aware of the battle scars with which he has been coping. Meeting, they begin a tentative relationship that deepens and grows in a very short time. Then he pulls away, pleading a crisis of conscience: he needs to have steady work before they can marry; he needs to be settled; he needs to square away some details of which she is unaware. Their ensuing quarrel drives them apart with, apparently, no recourse. It is not until Ben and Camellia return from opening their second store, in Manifest, that more questions arise than can be answered, and the Burton clan must work furiously to protect one of their own. Because Reese Barclay is not who he claims to be. And prying open what he has concealed may yet tear the family apart. This irresistible classic novel from Debbie Macomber puts a modern spin on an old-fashioned way of finding "the one." After Caroline Myers gets her heart broken, her beloved great-aunts send her on a spur-of-the-moment northern adventure, equipped with little more than a batch of their special spiked tea. But soon after hopping a plane to Gold River, Alaska, a still loopy Caroline takes part in an odd ceremony that ends with a kiss from her personal tour guide. The next thing she knows, she wakes up with a ring on her finger. Paul Trevor has always wanted a family, but his long work hours and remote location make dating impossible, so he takes an unconventional first step: sending away for a wife. He falls hard for Caroline's photograph and letter, but after the wedding, it's clear they've both been duped by his new bride's well-meaning aunts.

Caroline's afraid this trip has been a mistake. Now Paul just needs to convince her it's the best mistake she'll ever make. Published by Debbie Macomber Books

Sexuality and Gender in Postcommunist Eastern Europe and Russia is a groundbreaking look at the new sexual reality in Central, Eastern, and Southeast Europe after the fall of communism. The book presents the kind of candid discussion of sexual identities, sexual politics, and gender arrangements that was often censored and rarely discussed openly before the breakup of the Soviet Union in 1987. Authors from a variety of disciplines examine how the changes caused by rapid economic and social transformation have affected human sexuality and if those changes can generate the social tolerance necessary to produce a well-rooted democracy.
