

Making Friends Emily Learns About Tolerance British Values

Emily picks up a stone that looks like a cell phone but has unexpected magical powers. It's a Spellstone! Now that she has become an unwilling Stonemaster—one who wields the power of the Stone—she has to figure out Spellstone technology fast if she is to survive a hair-raising adventure among giant dogs, demons, clones, mean girls, and deeply wicked people who want the Stone. A witty tale of a quiet girl who discovers she's a hero when she needs to be. Stonemasters rule!

A robust Australian saga beginning 1901. After Emily's momentous trek to safety, sensationalist reporting casts her as the Crazy Orphan. She is delivered into the hands of a psychiatrist who almost mends her broken spirit. A tale of unrelenting courage. Enjoy the enchanting beauty of the Australian bush, relish the unusual characters of inland Australia and above all become absorbed in a story incomparable – unusual – unique.

Emily Higgenbotham is a very little girl. One day, Emily decides she wants to give a very important gift to her friends. Being so small she wonders how she can really make a difference. What special thing can she do so they know how she feels? With her mother's help, Emily learns the most important gift she can give is of herself.

A novel about two friends learning the difference between getting older and growing up. Bev Tunney and Amy Schein have been best friends for years; now, at thirty, they're at a crossroads. Bev is a Midwestern striver still mourning a years-old romantic catastrophe. Amy is an East Coast princess whose luck and charm have too long allowed her to cruise through life. Bev is stuck in circumstances that would have barely passed for bohemian in her mid-twenties: temping, living with roommates, drowning in student-loan debt. Amy is still riding the tailwinds of her early success, but her habit of burning bridges is finally catching up to her. And now Bev is pregnant. As Bev and Amy are dragged, kicking and screaming, into real adulthood, they have to face the possibility that growing up might mean growing apart. Friendship, Emily Gould's debut novel, traces the evolution of a friendship with humor and wry sympathy. Gould examines the relationship between two women who want to help each other but sometimes can't help themselves; who want to make good decisions but sometimes fall prey to their own worst impulses; whose generous intentions are sometimes overwhelmed by petty concerns. This is a novel about the way we speak and live today; about the ways we disappoint and betray one another. At once a meditation on the modern meaning of maturity and a timeless portrait of the underexamined bond that exists between friends, this exacting and truthful novel is a revelation.

Introducing an exciting new line of readers that brings half-mermaid Emily Windsnap--star of the New York Times best-selling series--to a younger audience. Even though she lives in a houseboat, Emily Windsnap doesn't know how to swim. Her mother has always cautioned her to stay out of the water. But it's hard to make friends at the beach when everyone else is having fun in the waves! So when swimming lessons start at school, Emily is excited to finally have the chance to learn. Standing beside the pool, she feels the water calling her, but when she jumps in, she gets a strange, kind of scary sensation . . . like her legs are stuck together. Eager to figure out what's happening, Emily later dives into the sea. She gets that weird feeling again, but

this time she looks down to see that her legs are gone--replaced by a shiny, beautiful tail! Welcome to Emily's Big Discovery, the first in a sparkling, charmingly illustrated series of readers. With a mermaid tail and an entire ocean awaiting her, Emily is eager to meet new friends and swim off on big adventures in this inviting new series for the younger set, based on the best-selling middle-grade series by Liz Kessler.

Navigating an academic career is a complex process – to be successful requires mastering several 'rites of passage'. This comprehensive guide takes academics at all stages of their career through a journey, beginning at graduate school and ending with retirement.

Making new friends at work can be tricky - it's tough to predict how people will react to certain situations. This 'choose your own response' book can show you how these situations could potentially play out. Some endings are positive and some less so, and the book includes explanations about why particular outcomes may have occurred, so you can learn to avoid those situations. The best part is you can go back and see how a different choice can change the outcome of the story!

This jubilant and colorful kindergarten satchel bursts with activities, games, stories, and fun! Rosemary Well's beloved bunny, Emily, is the perfect friend to accompany any child setting off for the kindergarten classroom. This inclusive pack supports growing skills and acknowledges your bunny's achievements, big and small!

Meet Emmybear! If you give her the chance she is a very sweet and lovable bear. Emmybear wants to make friends more than anything. Unfortunately, Emmybear is not very good at sharing her toys with her friends when they come to play. This leads to fights and not friendships. With a little soul searching, some helpful tips from her mommy and a little trust Emmybear is able to conquer her struggle to share. Emmybear learns lessons of friendship and sharing in this picture book illustrated in watercolor. Loving adults shopping for the children in their life-This book has fun animal friends that will give your kids helpful tips and tricks to learn how to share. Emmybear experiences a range of emotions that she works through on her journey to learning to share and making friends. She learns to be proactive but to also trust her friends. They will see Emmybear struggle and overcome her own adversaries on her way to being a better friend and sharing. This book provides librarians, educators, and parents with the information they need to recognize the different kinds of young adult fiction available for boys. These books can then be suggested to young men as aids in navigating adolescence, pleasure (or free reading assignment) reading, and tools to improve literacy. The annotated bibliographies are helpful to young adults looking for a good read.

A collection of supernatural timeslip novels encompassing four medieval knights fleeing a dreadful crime; isolation and persecution within a 1700s sheep-farming village deep in the Yorkshire moors; and a fight for survival – and a marriage - in the Haworth of the Brontë sisters. Perfect for fans of Barbara Erskine, Kate Morton and Rowan Coleman. *** “So my Bookish, Brontë and Yorkshire friends I’ve been reading Karen Perkins over the weekend, and I am enjoying her Yorkshire set ghost stories SO MUCH! I think you will too.” – Rowan

Coleman/Bella Ellis, author of *The Diabolical Bones* and *The Girl at the Window* *** *The First Yorkshire Ghost Stories Boxed Set*, containing the first 3 Yorkshire Ghost Stories (complete, full-length novels), plus a bonus short story: *The Haunting of Thores-Cross: A Yorkshire Ghost Story Cursed: A Ghosts of Thores-Cross Short Story Knight of Betrayal: A Medieval Haunting Parliament of Rooks: Haunting Bronte Country* The individual books have achieved: Silver Medal Winner, European Fiction, 2015 IPPY Awards Hundreds of 5 STAR reviews on Amazon #21 Bestseller in the UK Kindle Store *Ghosts of Thores-Cross: Book 1: The Haunting of Thores-Cross: A Yorkshire Ghost Story* When a vulnerable young girl is ostracised within her community and accused of witchcraft, the descendants of her neighbours will suffer for centuries to come. "The ghost of a wronged young woman in the village of Thores-Cross waits 230 years to have her story told in Perkins's suspenseful and atmospheric first Yorkshire Ghost novel ... This historical ghost story provides page-turning chills and sympathy for scorned women" – *The BookLife Prize by Publishers Weekly* *Cursed: A Ghosts of Thores-Cross Short Story* Jennet's back. No one's safe. A skeleton is dug up at the crossing of the ways on Hanging Moor, striking dread into the heart of Old Ma Ramsgill - the elderly matriarch of the village of Thruscross. And with good reason. The eighteenth-century witch, Jennet, has been woken. "Wow, that was a great creepy story!" *Ghosts of Knaresborough: Book 1: Knight of Betrayal: A Medieval Haunting* A haunting historical novel of murder and betrayal in medieval England, *Knight of Betrayal* will plunge you into the vibrant and deadly world of medieval England, Henry II, Thomas Becket - and four murderous knights. "A pacy, page-turning ghost story with a twisted difference! A must read." *Ghosts of Haworth: Book 1: Parliament of Rooks* *Parliament of Rooks* contrasts the beautiful, inspiring village of Haworth today with the slum – or rookery – it was during the industrial revolution: rife with disease, heartache, poverty, and child slavery in the mills. In 2017, life expectancy in the UK is 81. In 1848 Haworth, it was 22. "Lush and atmospheric, this novel is dark and moody with supernatural elements and accurate historical details." - *The BookLife Prize by Publishers Weekly*

Emily is really lonely so Mum suggests she makes friends with her neighbour, Amira. But Amira seems so different - she goes to the mosque and sometimes speaks a different language. Can Emily and Amira become friends despite their families' differences? A gentle introduction to the theme of tolerance, this story explores prejudice and how we should have respect for those with different faiths and beliefs and respect other cultures. The book is a part of the British Values series which explores tricky subjects such as democracy, the rule of law, mutual respect and tolerance through fun illustrated stories. Each book includes teacher notes for discussing the theme of the story.

A guide to 50 movies you should watch, learn about, and own so people don't think you're a movie moron.

What would life be like if every risk you took ended in success? In *Win or Learn*,

rejection expert and New York Times bestselling author Harlan Cohen lays the framework for identifying your wants, taking the risks necessary to pursue them, and finding success no matter the outcome. This step-by-step risk-taking experiment will guide you on a journey to understand your worth and fight for your goals without the fear of rejection—because rejection is a universal truth but not a final destination. Cohen's revolutionary perspective on risk-taking and rejection will help you realize your dreams, understand your limits, and find victory in every risk.

Our Values: Making Friends Emily learns about tolerance Franklin Watts

It's the first day of school and Astro the Alien is worried he won't make friends. Siblings Ben and Eva teach Astro ways to be a good friend, and Astro practices his new skills all day long to make many friends. This introduction to social emotional concepts includes a note to caregivers with additional resources, reading activities, and a word list.

How Emily and Eli Became Friends is a story about a boy named Eli and a new girl in his class named Emily who has autism. Eli finds Emily strange because of the things she does. After talking to his mother, Eli learns that Emily's autism is what causes her to do these things and he learns to look past them to become her friend.

Teaching essential skills for life, school, work, and independent living, this comprehensive and practical toolkit supports educators and clinicians in their work with adolescents and young adults with an Autism Spectrum Disorder (ASD) or Learning Difference (LD) diagnosis. It presents tried-and-true strategies that address difficulties with social skills and Executive Function, cognitive rigidity, self-esteem issues, and more. It includes: - Focused chapters on skills for life, school, work, and independent living - Photocopiable teaching materials and tips for classroom management - Sections on peer-mentoring, mediation, and inclusion - Assessment strategies, including student self-assessment materials and feedback forms - Contributions from experts in the field, including Dr. Stephen Shore, Liane Holliday Willey, Dr. Brenda Smith Myles, Barbara Bissonnette and Jennifer Cook O'Toole. Drawing on over 30 years' teaching experience at the College Internship Program (CIP), Dr. Michael P. McManmon's toolkit is a complete curriculum for educators, clinicians, and professionals who teach or advise young adults on the ASD or LD Spectrum. It can also be used effectively by parents and individuals for self-study.

Tired of being picked on by a trio of popular girls, fourteen-year-old poet Emily hires a major public relations firm to change her image and soon finds herself "re-branded" as Em, one of the most important teens not only in her middle school, but in celebrity magazines, as well.

ONCE UPON A CHRISTMAS KISS is a sexy, romantic holiday e-novella, set in the world of Manda Collins's bestselling Wicked Widows trilogy. When Sir Lucien Blakemore arrives at his cousin's estate for a week-long Christmas party, he's shocked to see Miss Winifred Nightingale among the other guests. Employed by his neighbor back in Yorkshire, the governess with the lovely eyes has always seemed off limits, but she's visiting here as a guest—and there's nothing like a little mistletoe to make the spirits bright... Miss Winifred Nightingale never dreamed a holiday visit with her sister would lead to both ladies spending Christmas as the local lord's guests. But the big

surprise is when she finds the handsome Sir Lucien Blakemore staying there too. The attraction between them is undeniable, but will an old nemesis and a party guest bent on mischief make their first kiss under the mistletoe their last?

A young girl learns she's half mermaid and plunges into a scheme to reunite with her father in this entrancing, satisfying tale that beckons readers far below the waves. For as long as she can remember, twelve-year-old Emily Windsnap has lived on a boat. And, oddly enough, for just as long, her mother has seemed anxious to keep Emily away from the water. But when Mom finally agrees to let her take swimming lessons, Emily makes a startling discovery — about her own identity, the mysterious father she's never met, and the thrilling possibilities and perils shimmering deep below the water's surface. With a sure sense of suspense and richly imaginative details, first-time author Liz Kessler lures us into a glorious undersea world where mermaids study shipwrecks at school and Neptune rules with an iron trident — an enchanting fantasy about family secrets, loyal friendship, and the convention-defying power of love.

In this third edition of *Understanding the Australian Health Care System*, authors Eileen Willis, Louise Reynolds and Helen Keleher introduce the reader to the key issues and theoretical concepts that provide insight into the way the Australian health care system is organised and how policy change impacts the health care profession. The third edition has been comprehensively revised, but continues to focus on the role and function of the health professional working within the Australian health care system. Fifteen health disciplines are considered in this new edition, with an emphasis on interprofessional practice and the social determinants of health. New chapters on workers' compensation systems, oral health and dental services, clinical exercise physiology and pharmacy. Significantly expanded glossary. Up-to-date information on the most recent Australian health reforms. Case studies on all of the major health care professions in Australia, including nurses, midwives, speech pathologists, audiologists, health managers, paramedics, social workers, dietitians, doctors (GPs), occupational therapists, physiotherapists, dentists and oral therapists, exercise physiologists, pharmacists and homeopaths. A suite of video interviews with multidiscipline practitioners and thought leaders exploring aspects of Australian health care, theories and challenges now and for the future.

How do you meet someone new? All it takes is a little courage, a lot of kindness, and some good manners! When Ethan moves into Emily's neighborhood, both children are shy and lonely. But a simple "Hi!", a helping hand, and an invitation to play help them along. Soon, with lots of sharing, thoughtfulness, and communication, Emily and Ethan become the best of friends. From the most trusted name in etiquette comes this endearing picture book about how to create fun and lasting friendships. With engaging text and sweet, funny illustrations, Cindy Post Senning, Peggy Post, and Steve Björkman show the importance of respect, consideration, and a good sense of humor between friends. The perfect choice for children beginning school or entering into any unfamiliar situation, *Emily's New Friend* assures us that friends are just waiting to be made!

"What a gorgeous painting," exclaimed the judge of Ms. Fair's first-grade art contest. "What a beautiful rabbit!" For Emily, the words are a shock. Her painting is of her dog, Thor. Not a rabbit. But instead of thinking: What's wrong with this judge? Emily takes the words, and the judgment, to heart. Just as she takes her art. Not everyone, not Ms.

Fair, or even Emily's best friend, Kelly, can see that. At first.

Millicent Min is having a bad summer. Her fellow high school students hate her for setting the curve. Her fellow 11-year-olds hate her for going to high school. And her mother has arranged for her to tutor Stanford Wong, the poster boy for Chinese geekdom. But then Millie meets Emily. Emily doesn't know Millicent's IQ score. She actually thinks Millie is cool. And if Millie can hide her awards, ignore her grandmother's advice, swear her parents to silence, blackmail Stanford, and keep all her lies straight, she just might make her first friend. What's it going to take? Sheer genius.

Emily meets Rocky is a delightfully useful book for children who struggle to initiate play due to speech difficulties. It is written for children, parents and teachers to introduce communication strategies between peers

The nearly 200 cases featured in this guide are drawn from the clinical experience of well over 100 clinicians, many of whom are well-known experts in particular areas of diagnosis and treatment.

"I re-read these books every year, marveling at how a world so quaint—shirtwaists! Pompadours! Merry Widow hats!—can feature a heroine who is undeniably modern." —Laura Lippman "There are three authors whose body of work I have reread more than once over my adult life: Charles Dickens, Jane Austen and Maud Hart Lovelace." —Anna Quindlen Often considered Maud Hart Lovelace's best novel, *Emily of Deep Valley* is now back in print. This gorgeous volume includes a new foreword by acclaimed young adult author Mitali Perkins, and compelling historical material about the real people who inspired Lovelace's beloved characters. *Emily of Deep Valley* joins the Harper Perennial Modern Classics library next to other enduring favorites like *A Tree Grows in Brooklyn*, *To Kill a Mockingbird*, and Lovelace's *Betsy-Tacy* books.

The book is a part of the British Values series which explores tricky subjects such as democracy, the rule of law, mutual respect and tolerance through fun illustrated stories. Each book includes teacher notes for discussing the theme of the story.

Emily & Lovey: A Friendship Story Life is always better when you share it with a friend. That's what sweet Emily learns when she makes her first-ever friend, Lovey the Llama. From the very first day, Emily and Lovey do everything together from morning to night, learning how to read and cook, and even learning to drive Emily's very first toy car. Follow this pair, and learn how embarking on exciting adventures is much more fun when you share it with a friend. *Emily & Lovey: A Friendship Story* is the first in the *Emily & Lovey* series that follows this sweet girl and her loving llama. So, grab a friend and read this story together!

Alice Dyson knows exactly how she'll be spending her final year of high school: with her head down, concentrating on her textbooks and homework. She's focused on the future, and nothing is going to get in her way--until a bizarre encounter with the school's most notorious troublemaker derails all her plans, turning Alice into the unwilling center of attention and her life into one enormous complication.

These eleven short fictions evoke the microcosmic worlds every human relationship contains. A woman is captivated by the stories her boyfriend tells about his exes. A faltering artist goes on a date with a married couple. Twin brothers work out their rivalry via the girl next door. In every one of these tales, we meet indelibly real and unforgettable people, a cast of rebels and dreamers trying to transform themselves, forge new destinies, or simply make the moment last.

How a simple creative act spreads a message of love and acceptance around the world Emily's idea started small. Many beautiful ideas do. She folded, doodled, and snipped. But also, like many ideas, Emily's small idea grew. When a little girl decides to create a paper chain of dolls, her idea catches on. Then it spreads far and wide as children around the world begin to create and share their own. This is the story of how that girl's simple creative act spreads the message of love and acceptance around the world. For readers ages 4–8.

THE #1 NEW YORK TIMES BESTSELLER! A TONIGHT SHOW STARRING JIMMY FALLON SUMMER READS NOMINEE! Named a Most Anticipated Book of 2021 by Newsweek ? Oprah Magazine ? The Skimm ? Marie Claire ? Parade ? The Wall Street Journal ? Chicago Tribune ? PopSugar ? BookPage ? BookBub ? Betches ? SheReads ? Good Housekeeping ? BuzzFeed ? Business Insider ? Real Simple ? Frolic ? and more! Two best friends. Ten summer trips. One last chance to fall in love. From the New York Times bestselling author of Beach Read comes a sparkling new novel that will leave you with the warm, hazy afterglow usually reserved for the best vacations. Poppy and Alex. Alex and Poppy. They have nothing in common. She's a wild child; he wears khakis. She has insatiable wanderlust; he prefers to stay home with a book. And somehow, ever since a fateful car share home from college many years ago, they are the very best of friends. For most of the year they live far apart—she's in New York City, and he's in their small hometown—but every summer, for a decade, they have taken one glorious week of vacation together. Until two years ago, when they ruined everything. They haven't spoken since. Poppy has everything she should want, but she's stuck in a rut. When someone asks when she was last truly happy, she knows, without a doubt, it was on that ill-fated, final trip with Alex. And so, she decides to convince her best friend to take one more vacation together—lay everything on the table, make it all right. Miraculously, he agrees. Now she has a week to fix everything. If only she can get around the one big truth that has always stood quietly in the middle of their seemingly perfect relationship. What could possibly go wrong?

Sing a song of friendship with Elmo, his old friends, and their new friend Julia! Press the heart to hear "Make New Friends," and sing along. The heart-shaped light sparkles in time with the music, inviting little readers to get up and move. Turn the pages while you sing to follow the lyrics in the book, which tell a heartwarming story of kindness and inclusion. Singing is an important first step toward reading!

Emily is a Jewish girl from the suburbs of New York. Her mother has family in Puerto Rico, but Emily has never had contact with them—ever. Then Emily's grandmother dies and Emily is forced to go to the Caribbean for her funeral. Buttoned-up Emily wants nothing to do with her big, noisy Puerto Rican family, until a special person shows her that one dance can change the beat of your heart.

The Sleeping Beauty in Roberta Seelinger Trites' intriguing text is no silent snoozer passively waiting for Prince Charming to energize her life. Instead she wakes up all by herself and sets out to redefine the meaning of "happily ever after." Trites investigates the many ways that Sleeping Beauty's newfound voice has joined other strong female voices in feminist children's novels to generate equal potentials for all children. Waking Sleeping Beauty explores issues of voice in a wide range of children's novels, including books by Virginia Hamilton, Patricia MacLachlan, and Cynthia Voight as well as many multicultural and international books. Far from being a limiting genre that praises females at the expense of males, the feminist children's novel seeks to communicate an inclusive vision of politics, gender, age, race, and class. By revising former stereotypes of children's literature and replacing them with more complete images of females in children's books, Trites encourages those involved with children's literature—teachers, students, writers, publishers, critics, librarian, booksellers, and parents—to be aware of the myriad possibilities of feminist expression. Roberta Trites focuses on the positive aspects of feminism: on the ways females interact through family and community relationships, on the ways females have revised patriarchal images, and on the ways female writers use fictional constructs to transmit their ideologies to readers. She thus provides a framework that allows everyone who enters a classroom with a children's book in hand to recognize and communicate—with an optimistic, reality-based sense of "happily ever after"—the politics and the potential of that book.

Sociocultural research has long recognized the necessity of sustained interpersonal interaction for language development. However, less is known about the underlying relationships that promote language acquisition and their relevance for language classrooms. Presenting cutting-edge research on social networks and their applications in language teaching, this book explores the relationships that mediate language learning in and out of classrooms.

Highlighting the complexity of language in multilingual contexts, chapters engage social network analysis to understand the role of instructional practices, socialization, motivation, language status, online communications technology, and language policies in the development of social resources for language learning. Discussing popular language teaching frameworks such as translanguaging, *Social Networks in Language Learning and Language Teaching* provides a nuanced account of the influences of social context on language learning, exploring classroom applications and pointing the way to a robust research agenda.

After nearly a year of social distancing and lockdown measures, it's more clear than ever that our friendships and bonds are vital to our health and happiness. This refreshing, positive guide helps you take care of your people and form deep connections in the digital age. We are lonelier than ever. The average American hasn't made a new friend in the last five years.

Research has shown that people with close friends are happier, healthier, and live longer than people who lack strong social bonds. But why—when we are seemingly more connected than ever before—can it feel so difficult to keep those bonds alive and well? Why do we spend only four percent of our time with friends? In this warm, inspiring guide, Adam "Smiley" Poswolsky proposes a new solution for the mounting pressures of modern life: focus on your friendships. Smiley offers practical habits and playful reminders on how to create meaningful connections, make new friends, and deepen relationships. He'll help you develop a healthier relationship with technology, but he'll also encourage you to prioritize real-world experiences, send snail mail, and engage in self-reflective exercises. Written in short, digestible, action-oriented sections, this book reminds us that nurturing old and new friendships is a ritual, a necessity, and one of the most worthwhile things we can do in life.
