Introduction to Managerial Accounting, 4/e by Brewer/Garrison/Noreen is based on the market-leading text, Managerial Accounting, by Garrison, Noreen and Brewer. However, this is not simply a briefer book with chapters removed; B/G/N has been rethought and retooled to meet the needs of the market. B/G/N 4/e is a more accessible, yet thoroughly student-friendly text that satisfies the basic needs of the managerial accounting student without unnecessary depth on advanced topics associated with the follow-up course: cost accounting/cost management. Faculty and students alike will find this new edition has retained the hallmark features of the Garrison brand: author-written supplements, excellent readability, terrific examples, and balanced end-of-chapter material.

Go beyond managerial accounting theory to the techniques used in management today. Managerial Accounting: Making Decisions and Motivating Performance enables managers and business owners to attain the core skills they need to become integral members of their company's decision-making teams. This new program from established authors Srikant M. Datar and Madhav Rajan emphasizes decision-making and the effects of decisions. While many texts teach the theories and frameworks of management education, Managerial Accounting goes further by covering the capabilities and techniques necessary for effective management practice, as well as fostering attitudes that typify integrity, honesty, and fairness. 0132816245 / 9780132816243 Managerial Accounting: Making Decisions and Motivating Performance Plus NEW MyAccountingLab with Pearson eText -- Access Card Package Package consists of: 0132829444 / 9780132829441 NEW MyAccountingLab with Pearson eText -- Access Card -- for Managerial Accounting: Making Decisions and Motivating Performance, 1/e 0137024878 / 9780137024872 Managerial Accounting: Making Decisions and Motivating Performance, 1/e

### Principles of Managerial Finance.

As the long-time #1 best-seller, Garrison has helped guide close to 3 million students through managerial accounting since it was first published. It identifies the three functions managers must perform within their organisations - plan operations, control activities, and make decisions - and explains what accounting information is necessary for these functions, how to collect it, and how to interpret it. Garrison's Managerial Accounting is known for its relevance, accuracy, and clarity. It is also unique in that the authors write the most important supplements that accompany the book: solutions manual, test bank, instructor's manual, and study guide making them both of high quality and extremely consistent with the textbook.

Warren/Reeve/Duchac's MANAGERIAL ACCOUNTING 14E provides a solid foundation in managerial accounting fundamentals, while motivating students to learn by showing how accounting is important to business. Business examples and a new chapter schema provide context for readers, demonstrating how each chapter's content fits into the big picture, connecting fundamental concepts with real businesses.
