

Mangal Parkash Aun Vale Same Da Haal

A comprehensive, compelling, and insightful narrative that traces the birth, the growth, and the spread of Sikhism – one of the world’s most dynamic and progressive religions. In this perceptive work, Dr Harish Dhillon highlights the lives and times of the ten Sikh Gurus, beginning with Guru Nanak, who founded Sikhism in 1469, and ending with Guru Gobind Singh, who established the Khalsa Panth in 1699. It throws light on how the Gurus acquired profound knowledge and wisdom, which they sought to pass on to the common people through their teachings. Their life histories show how they sincerely practised what they preached and how they led by example. Apart from these, it recounts the enormous sacrifices the Gurus made to keep the faith going. In addition, the book gives elaborate details on how Sikhism has evolved over the centuries. This volume reveals the human side of the ‘Divine Gurus’ venerated not only by Sikhs, but also across various faiths in India and in other parts of the world. The contents in the book are intertwined with the underlying theme that the ideal religion (or faith) is one that is based on simplicity and keeps changing with the times, yet does not forget the very essence that it started with.

From the best-selling author of Classic Tales from Mystic India comes an original

novel about the life and travels of Guru Nanak — musician, enlightened thinker and one of the most beloved figures in Eastern spirituality. This captivating depiction — part fiction, part history — weaves together facts, legends, folktales, myths and over 40 of Guru Nanak's poems from the Sikh holy book, the Granth Sahib. Told through the eyes of his companion Mardana, *The Singing Guru* chronicles the struggle to attain balance between a material and spiritual mindset, helped along the way by the companionship, wisdom and songs of Nanak. Containing a variety of tales that illustrate Mardana's struggles with temptation, attachment, greed and pride, this book has stories for people of all backgrounds. Kamla K Kapur's previous books include *Classic Tales from Mystic India* and *Pilgrimage to Paradise*. She is also a poet (*As a Fountain in a Garden*, *Radha Speaks*), a short story writer and an award winning playwright. She and her husband, Payson R. Stevens, live half the year in the Kullu Valley in the Himalayas and the other half in Southern California, USA. For more information visit kamlakkapur.com

The Divine Court (Darbar) of the Sikh Gurus grew in size and importance as the line of Gurus progressed, beginning with the comparatively simple following, which gathered around Guru Nanak, and climaxing in the celebrated darbar of Guru Gobind Singh. Focusing on the traces of documentary evidence available in

Punjabi, Hindi and Persian sources, this book meticulously reconstructs the evolving nature of the darbars of the Sikh Gurus in different historical contexts. Fenech also deals incisively with Nand Lal, the most prominent member of the tenth Guru's many attendant poets. According to the modern Sikh Rahit Marayada, he commands a semi-canonical status equalled only by Bhai Gurdas, yet his works are seldom consulted.

Manga-styled graphic and illustrated novels with exciting sc-fi plots to engage even the most reluctant readers. Each of the three series is split across four ability levels and follows a different group of characters as they explore outer space. The teachers' resource book provides guided reading notes and activities on each book and the accompanying CD-ROM provides templates and artwork for writing a new graphic novel together with short one-off writing activities.

Special features:

- * Sophisticated, cool characters
- * High action plots engage even the most reluctant readers
- * Mixture of boys and girls as the main protagonists
- * Character profiles and glossaries.

What is on the CD-ROM:

- * Short writing tasks
- * Everything you need to write your own graphic novel:
- ** Character cards
- ** Clipart and artwork from the graphic novels
- ** Graphic novel frame.

Something unknown lives under the water. The Arkies have a bad feeling about it. And it turns out they're right...

"Akashvani" (English) is a programme journal of ALL INDIA RADIO, it was formerly known as The Indian Listener. It used to serve the listener as a bradshaw of broadcasting ,and give listener the useful information in an interesting manner about programmes, who writes them, take part in them and produce them along with photographs of performing artists. It also contains the information of major changes in the policy and service of the organisation. The Indian Listener (fortnightly programme journal of AIR in English) published by The Indian State Broadcasting Service, Bombay, started on 22 December, 1935 and was the successor to the Indian Radio Times in English, which was published beginning in July 16 of 1927. From 22 August ,1937 onwards, it used to published by All India Radio, New Delhi. From 1950,it was turned into a weekly journal. Later, The Indian listener became "Akashvani" (English) w.e.f. January 5, 1958. It was made fortnightly journal again w.e.f July 1,1983. Product Dimensions: 20.1 x 13.2 x 0.6 inches Description: It is a history book covering the life-span, deeds, important events in the life of the ten Sikh Gurus and necessary details of the eleventh and the last guru, Shri Guru Granth Sahibji. Written in simple and lucid style it makes an easy and interesting reading. Though the book is meant for all age groups, the focus is on the youth of today, for, the moral and ethical values which the book imparts leaves everlasting message for the readers. The book conveys a message of brotherhood, respect, compassion and empathy for and towards all. It also conveys that all human beings are equal, irrespective of colour, cast, creed, gender and should be treated as humans. The book is a must-read for all who have interest in the history of Sikh Gurus.

Sudhir Kakar, a psychoanalyst and scholar, brilliantly illuminates the ancient healing traditions of India embodied in the rituals of shamans, the teachings of gurus, and the precepts of the school of medicine known as Ayurveda. "With extraordinary sympathy, open-mindedness, and insight Sudhir Kakar has drawn from both his Eastern and

Western backgrounds to show how the gulf that divides native healer from Western psychiatrist can be spanned."—Rosemary Dinnage, *New York Review of Books* "Each chapter describes the geographical and cultural context within which the healers work, their unique approach to healing mental illness, and . . . the philosophical and religious underpinnings of their theories compared with psychoanalytical theory."—Choice

The Book of the Ten Masters is the record of the teachers of the Sikhs. The history of human civilization took a new turn when the Sikh Gurus appeared on the scene of Medieval India. The Sikh movement served as a light-house for the people groping in the dark. They were then changed men and elevated to the stage of the ideal man i.e. Gurmukh.

The dynamic and expanding knowledge of environmental stresses and their effects on plants and crops have resulted in the compilation of a large volume of information in the last ten years since the publication of the second edition of the Handbook of Plant and Crop Stress. With 90 percent new material and a new organization that reflects this increase

Plant improvement has shifted its focus from yield, quality and disease resistance to factors that will enhance commercial export, such as early maturity, shelf life and better processing quality. Conventional plant breeding methods aiming at the improvement of a self-pollinating crop, such as wheat, usually take 10-12 years to develop and release of the new variety. During the past 10 years, significant advances have been made and

accelerated methods have been developed for precision breeding and early release of crop varieties. This edited volume summarizes concepts dealing with germplasm enhancement and development of improved varieties based on innovative methodologies that include doubled haploidy, marker assisted selection, marker assisted background selection, genetic mapping, genomic selection, high-throughput genotyping, high-throughput phenotyping, mutation breeding, reverse breeding, transgenic breeding, shuttle breeding, speed breeding, low cost high-throughput field phenotyping, etc. It is an important reference with special focus on accelerated development of improved crop varieties.

The Author Has Produced An Enthralling Account Of The Events Leading Up To And Following The Act Of Partition. He Skilfully Uses Extracts From Great Writers Works, News Articles, Personal Accounts Of Those Involved. These Vivid Descriptions Take The Reader Into The Very Heart Of The Events. This Book Crisis In The Subcontinent - Partition... Can It Be Undone? Is Essential Reading For All Those Involved In The Struggle Against Hunger, Disease, Ignorance And Unemployment Anywhere In The World.

Among prominent leaders of the twentieth century, perhaps no one is more highly regarded than Mahatma Gandhi. He is revered by the vast majority of Hindus as the hero of Indian independence, and many people throughout the world consider

him to be a modern saint. In this explosive, intriguing, and provocative investigation, Colonel G. B. Singh charges that the popular image of Gandhi is highly misleading. Despite his famous philosophy of nonviolent resistance (satyagraha), Colonel Singh's analysis of the evidence leads him to conclude that Gandhi's ideology was in fact rooted in racial animosity, first against blacks in South Africa and later against whites in India. The author also finds evidence of multiple cover-ups designed to hide Gandhi's real history, including even collusion to cover up the murder of an American. This provocative thesis is sure to be controversial.

Description: This book brings forth the salient features of the lives and teachings of Sikh Gurus. The development of Sikh society has been traced from its inception under the surveillance of Guru Nanak to its full maturity under the tenth Guru Gobind Singh. Besides mentioning all the socio-political factors which contributed directly or indirectly to its progress in the 16th and 17th centuries, the author has adroitly discussed the closeness maintained by the Sikh religion with Hinduism.

About a helpless Sikh girl kidnapped by Muslim invaders in 18th century. A compulsively readable psychological thriller set in New York and at Oxford University in which a group of six students play an elaborate game of dares and consequences with tragic result It was only ever meant to be a game played by six best friends in their first year at Oxford University; a game of consequences, silly forfeits, and childish dares. But then the game changed: The stakes grew higher and the dares more personal and more humiliating, finally evolving into a vicious struggle with unpredictable

and tragic results. Now, fourteen years later, the remaining players must meet again for the final round. Who knows better than your best friends what would break you? A gripping psychological thriller partly inspired by the author's own time at Oxford University, *Black Chalk* is perfect for fans of the high tension and expert pacing of *The Secret History* and *The Bellwether Revivals*. Christopher J. Yates' background in puzzle writing and setting can clearly be seen in the plotting of this clever, tricky book that will keep you guessing to the very end.

The Lal Kitab, a rare book in Urdu, was popular in north-west India, Pakistan, Iran and many other countries. This English version has added new dimensions to make it more lucid and easier to understand.

Born into a society caught in the throes of orthodoxy and ritualism and further crippled by child marriage, infanticide, and a rigid caste system, Guru Nanak was deeply spiritual from an early age. The outpouring of Nanak's faith evolved into the universal message of the omnipresence and existence of one God, of true love, equality and compassion, which appealed to Hindus and Muslims alike. Drawing upon the various myths and legends contained in anecdotal biographies and placing them in as precise a historical framework as possible, *The Book of Nanak* traces the chronology of the main events of Nanak's life.

This encyclopedia includes vastly expanded coverage of mainstream productions from the 1970s to the late 1990s and, for the first time, a comprehensive name index.

This edited book presents a novel collection of field-based empirical studies on the Quaternary geomorphology of the Lower Ganga Basin. The book covers a wide range of topics discussing various geomorphological facets of the Lower Ganga and its subsidiary rivers focussing on laterites, palaeoenvironment and palaeogeomorphology, palaeo-coastal landforms, neo-tectonism, tidal-fluvial dynamics, extra-channel geomorphology and channel-pattern adjustment among others. Various methodologies were applied ranging from historical records and religious texts to state-of-the-art remote sensing and GIS techniques. The book appeals to all scientists and post-graduate students of geomorphology and related areas who want to acquire detailed knowledge of the geology and geomorphology of the Lower Ganga Basin or are in search of new methodologies for studying the feedback mechanisms between forms and processes.

Gandhi Behind the Mask of Divinity Prometheus Books

In 1812, Sir John Malcolm, a Lieutenant General in the British Army wrote A Sketch of the Sikhs , commonly believed to be the first account of the Sikhs written by a non-Sikh. In truth, soldiers, travellers, diplomats, missionaries and scholars had provided accounts for many years before. Drawing on this difficult-to-access material, the editors of this volume have compiled a unique source that offers a fascinating insight into the early developments in Sikh history. From the first ever written accounts of the Sikhs by Persian chroniclers of the Moghul Emperor to the travel diary of an Englishwoman, this volume contains material invaluable to those studying the evolution of the Sikh religion as well as to those interested in learning more

about this major religion. It also provides an unparalleled look into the growth and solidification of the religious practices of Sikhs. At a time when the misunderstanding of the Sikh religion and those who practise it has reached new and deadly heights, this volume hopes to introduce a wider audience to the roots of its culture.
