The most famous racing drivers drove it, and, for a long time, it was a guaranteed winner for Porsche: Now, finally, the first comprehensive work about the 908 has been published in the English language. The authors portray the fascinating history of the Porsche 908 racing car, and clearly explain its complex technology. Racing history is fully documented, and detailed statistics enable the reader to quickly look up all of the racing data. In addition, there are little-known anecdotes and contemporary reports from eye-witnesses and drivers. A wealth of contemporary, previously unreleased images evoke the fascinating atmosphere and excitement of the great seventies racing era.

Sleeping Beauties USA honours rusted and forgotten automotive treasures that have been found parked alongside the highways of America, waiting to be discovered again. Rather than showcasing typically brilliant, highly rebuilt show queens, the book instead explores the transience and inherent beauty of a car's life, captured through stunning and evocative photography.
