A prizewinning, "riveting" (The New York Times Book Review) psychological suspense novel inspired by a true story about a couple in an insular French village whose lives are upended when a family of outsiders moves in. "Icy and chilling . . . In sharply drawn sentences, Sedira summons the beauty of a small French village, and the shocking acts of the people inside it." —Flynn Berry, Edgar Award-winning and bestselling author of Under the Harrow and Northern Spy "Disturbing and powerful . . . I loved it." —Leila Slimani, bestselling author of The Perfect Nanny Anna and Constant Guillot live with their two daughters in the peaceful, remote mountain village of Carmac, largely deaf to the upheavals of the outside world. Everyone in Carmac knows each other, and most of its residents look alike—until Bakary and Sylvia Langlois arrive with their three children. Wealthy and flashy, the family of five are outsiders in the small town, their impressive chalet and three expensive cars a stark contrast to the modesty of those of their neighbors. Despite their differences, the Langlois and the Guillots form an uneasy, ambiguous friendship. But when both families begin experiencing financial troubles, the underlying class and racial tensions of their relationship come to a breaking point, and the unthinkable happens. With piercing psychological insight and gripping storytelling, *People Like Them* asks: How could a seemingly "normal" person commit an atrocious crime? How could that person's loved ones ever come to terms with it afterward? And how well can you really know your own spouse?

The ruling Asharites of Al-Rassan have come from the desert sands, but over centuries, seduced by the sensuous pleasures of their new land, their stern piety has eroded. The Asharite empire has splintered into decadent city-states led by warring petty kings. King Almalik of Cartada is on the ascendancy, aided always by his friend and advisor, the notorious Ammar ibn Khairan -- poet, diplomat, soldier -- until a summer afternoon of savage brutality changes their relationship forever. Meanwhile, in the north, the conquered Jaddites' most celebrated -- and feared -- military leader, Rodrigo Belmonte, driven into exile, leads his mercenary company south. In the dangerous lands of Al-Rassan, these two men from different worlds meet and serve -- for a time -- the same master. Sharing their interwoven fate -- and increasingly torn by her feelings -- is Jehane, the accomplished court physician, whose own skills play an increasing role as Al-Rassan is swept to the brink of holy war, and beyond. Hauntingly evocative of medieval Spain, The Lions of Al-Rassan is both a brilliant adventure and a deeply compelling story of love, divided loyalties, and what happens to men and women when hardening beliefs begin to remake -- or destroy -- a world.

#1 IN A NEW EPIC FANTASY SERIES from Monster Hunter series creator and New York Times best-selling author, Larry Correia! After the War of the Gods, the demons were cast out and fell to the world. Mankind was nearly eradicated by the seemingly unstoppable beasts, until the gods sent the great hero, Ramrowan, to save them. He united the tribes, gave them magic, and drove the demons into the sea. Ever since the land has belonged to man and the oceans have remained an uncrossable hell, leaving the continent of Lok isolated. It was prophesized that someday the demons would return, and only the descendants of Ramrowan would be able to defeat them. They became the first kings, and all men served those who were their only hope for survival. As centuries passed the descendants of the great hero grew in number and power. They became tyrannical and cruel, and their religion nothing but an excuse for greed. Gods and demons became myth and legend, and the people no longer believed. The castes created to serve the Sons of Ramrowan rose up and destroyed their rulers. All religion was banned and replaced by a code of unflinching law. The surviving royalty and their priests were made casteless, condemned to live as untouchables, and the Age of Law began. Ashok Vadal has been chosen by a powerful ancient weapon to be its bearer. He is a Protector, the elite militant order of roving law enforcers. No one is more merciless in rooting out those who secretly practice the old ways. Everything is black or white, good or evil, until he discovers his entire life is a fraud. Ashok isn't who he thinks he is, and when he finds himself on the wrong side of the law, the consequences lead to rebellion, war^¾and destruction. Designed for teaching astrophysics to physics students at advanced undergraduate or beginning graduate level, this textbook also provides an overview of astrophysics for astrophysics graduate students, before they delve into more specialized volumes. Assuming background knowledge at the level of a physics major, the textbook develops astrophysics from the basics without requiring any previous study in astronomy or astrophysics. Physical concepts, mathematical derivations and observational data are combined in a balanced way to provide a unified treatment. Topics such as general relativity and plasma physics, which are not usually covered in physics courses but used extensively in astrophysics, are developed from first principles. While the emphasis is on developing the fundamentals thoroughly, recent important discoveries are highlighted at every stage.

More than forty years after his death, Sanjeev Kumar remains a role model for all aspiring actors. He could light up the screen in underpants, paunch showing, in one of Hindi cinema's most lovable song sequences, 'Thande thande paani se nahana chahiye' (Pati Patni Aur Woh, 1977). Entirely unselfconscious of his image as a star, he would often be cast as the father figure to a number of his contemporaries, most famously Sharmila Tagore in Mausam (1975) and Amitabh Bachchan in Trishul (1978), or as the elderly Thakur in Sholay (1975) and yet leave an indelible mark with his presence and his acting prowess. After starting out in B-films in the 1960s, he caught the eye in Sungharsh (1967), where the manner in which he held his own against Dilip Kumar is now stuff of Hindi film folklore. Equally adept at comedy (Angoor and Manchali, for example) and dramatic serious roles (Anubhav and Koshish), he was truly an actor's actor. Hanif Zaveri and Sumant Batra's biography provides a glimpse of star's personal and professional lives, taking off from the traditional business of the Zariwalas, his romantic involvement with some of Hindi cinema's biggest names, his lifelong battle with loneliness and his glittering achievements on screen. An Actor's Actor is a succinct introduction to the life and films of a star who left us tragically at the young age of forty-seven but who continues to live through his unforgettable and remarkable contribution to Hindi cinema.

A leading expert in childhood development makes the case for why self-directed learning -- "unschooling" -- is the best way to get kids to learn. In *Free to Learn*, developmental psychologist Peter Gray argues that in order to foster children who will thrive in today's constantly changing world, we must entrust them to steer their own learning and development. Drawing on evidence from anthropology, psychology, and history, he demonstrates that free play is the primary means by which children learn to control their lives, solve problems, get along with peers, and become emotionally resilient. A brave, counterintuitive proposal for freeing our children from the shackles of the curiosity-killing institution we call school, *Free to Learn* suggests that it's time to stop asking what's wrong with our children, and start asking what's wrong with the system. It shows how we can act -- both as parents and as members of society -- to improve children's lives and to promote their happiness and learning.

Are You A Spirit Walker My Friend? Greetings Reader... Of this book. We are so glad you are here. You are about to experience a Divine Appointment with Almighty God! You may think this is a wild and outlandish statement... But it's true... Let us explain. It is no accident that you are reading this book right now. Someone is concerned about you and your eternal destiny. There are only two kinds of people in this world. Those who have chosen to go to Heaven and those who have chosen to go to Hell. If you are of the latter... Praise God because you have been chosen of Almighty God to be reading this book right now and to have one last chance to change your mind and go to Heaven to be with Father God. We as a publisher have been honored to be introduced... By Divine Appointment to Brother Luke Chapman. Now you are probably wondering... What do you mean by Divine Appointment? Through Gods Divine direction, the following took place... We had to move out of our home of seven years. We moved to the county of our birth. We drove around remembering the places we played as children. We found a church in the country that we attended several times. The Pastor told Brother Luke to contact us as a publisher the very day they met. Father God told Brother Luke two times to call us. Now... We are not telling you this to discredit Brother Luke in any way. But to show that we all fall short of doing what we should do sometimes or not being willing and obedient to follow Gods leading as we have copied from the verses below... Please read them now... As God exhorts you to repentance with promises and threatenings. Wash you, make you clean; put away the evil of your doings from before mine eyes; cease to do evil; Learn to do well; seek judgment, relieve the oppressed, judge the fatherless, plead for the widow. Come now, and let us reason together, saith the Lord: though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool. If ye be willing and obedient, ye shall eat the good of the land: But if ye refuse and rebel, ye shall be devoured with the sword: for the mouth of the Lord hath spoken it. Isaiah 1:16-20 Right to the point isn't it? Let's go on. Father God prompted Brother Luke a third time to call us as a publisher. Here's why... Brother Luke has been busy for eight years writing books... Good Christian Books of ministry. He has been in much prayer as to what to do to get them published. This time Brother Luke dropped what he was doing and obeyed Father God and called us. We were at our computer working on another authors book. We answered the phone and there was Brother Luke explaining what we just wrote about. As he told us of his most important three books, we wrote down the titles to these books. We then interrupted Brother Luke and asked if we could pray about publishing his books... He said Yes. As we prayed and committed these three books to Father God for publication, we could hear Brother Luke on the other end of the phone line crying

out to Father God for His Blessing in finding a Christian publisher. But much more took place during these moments on the phone. Father God was busy blessing not only Brother Luke, but also us as the publisher. You see... Our Spirits were communicating with each other, Father God, Brother Luke and we the publisher. There is so much more to this story... Ask us about it when you contact us, but let us tell you of the Divine Appointment and how it took place. Sometime later... Father God told Brother Luke that if he had not called us; the publisher, he would have missed his Divine Appointment that was in an eight year making just for him. You see... As Brother Luke was writing his books, Father God was instructing him of many things that he needed to know. You see, Brother Luke was washing himself, cleaning himself and putting away the evil that the devil tried to destroy him with. He was learning to do well in this life...
