

## March Book Two John Lewis

#1 NEW YORK TIMES BESTSELLER • An intimate and revealing portrait of civil rights icon and longtime U.S. congressman John Lewis, linking his life to the painful quest for justice in America from the 1950s to the present—from the Pulitzer Prize-winning author of *The Soul of America* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND COSMOPOLITAN John Lewis, who at age twenty-five marched in Selma, Alabama, and was beaten on the Edmund Pettus Bridge, was a visionary and a man of faith. Drawing on decades of wide-ranging interviews with Lewis, Jon Meacham writes of how this great-grandson of a slave and son of an Alabama tenant farmer was inspired by the Bible and his teachers in nonviolence, Reverend James Lawson and Martin Luther King, Jr., to put his life on the line in the service of what Abraham Lincoln called “the better angels of our nature.” From an early age, Lewis learned that nonviolence was not only a tactic but a philosophy, a biblical imperative, and a transforming reality. At the age of four, Lewis, ambitious to become a minister, practiced by preaching to his family’s chickens. When his mother cooked one of the chickens, the boy refused to eat it—his first act, he wryly recalled, of nonviolent protest. Integral to Lewis’s commitment to bettering the nation was his faith in humanity and in God—and an unshakable belief in the power of hope. Meacham calls Lewis “as important to the founding of a modern and multiethnic twentieth- and twenty-first-century America as Thomas Jefferson and James Madison and Samuel Adams were to the initial creation of the Republic itself in the eighteenth century.” A believer in the injunction that one should love one’s neighbor as oneself, Lewis was arguably a saint in our time, risking limb and life to bear witness for the powerless in the face of the powerful. In many ways he brought a still-evolving nation closer to realizing its ideals, and his story offers inspiration and illumination for Americans today who are working for social and political change.

"Perfect for beginning readers." -- Publishers Weekly "Kochalka's command of the comic form is sublime and adorable. Kids will love Johnny Boo."-- Harry Bliss, illustrator of *Diary of a Worm* "Johnny Boo is sweet without being sugary and comfortably familiar yet fresh on every page. All in all, Kochalka's light touch has created the quintessential small gem."-- Peter Gutierrez, *School Library Journal* James Kochalka's beloved all-ages series continues with another goofy romp! When Johnny Boo announces a play date with his quiet new friend Rocky the Rock, trusty sidekick Squiggle is left to find a new friend of his own. How about this nice fellow named the Mean Little Boy? He sure is fond of his butterfly net, and he's got a great game to play with Squiggle... But wait a minute, maybe the Mean Little Boy isn't actually so nice! It's up to Johnny Boo and Squiggle to find a way out of this pickle. The fourth Johnny Boo book is packed with laughs and charm, with just the gentlest touch of potty humor.

A Top Shelf production! A celebrity glares. A community burns. A child's heart breaks. A recipe summons a ghost. A dying woman makes her peace. An art form sustains the spirit. In *You Don't Say* award-winning graphic novelist Nate Powell -- of the #1 New York Times Bestseller *March: Book One*, and the Eisner Award-Winning "Graphic Novel of the Year" *Swallow Me Whole* -- collects a decade of powerful short works. Autobiography, fiction, essay comics, collaborations, and more fill these thoughtful, pitch-black pages, comprising rare and previously unreleased material from 2004-2013.

First Published in 1968. Routledge is an imprint of Taylor & Francis, an informa company.

Follows the experiences of a white family from a racist suburb and a black family from Houston's most disadvantaged community who cross color lines to defend five black college students charged with the murder of a policeman.

Winner, CODE's 2016 Burt Award for First Nation, Inuit and Métis Literature In this important graphic novel, two brothers surrounded by poverty, drug abuse, and gang violence, try to overcome centuries of historic trauma in very different ways to bring about positive change in their lives. Pete, a young Indigenous man wrapped up in gang violence, lives with his younger brother, Joey, and his mother who is a heroin addict. One night, Pete and his mother's boyfriend, Dennis, get into a big fight, which sends Dennis to the morgue and Pete to jail. Initially, Pete keeps up ties to his crew, until a jail brawl forces him to realize the negative influence he has become on Joey, which encourages him to begin a process of rehabilitation that includes traditional Indigenous healing circles and ceremonies. Powerful, courageous, and deeply moving, *The Outside Circle* is drawn from the author's twenty years of work and research on healing and reconciliation of gang-affiliated or incarcerated Indigenous men.

Jewish Science Fiction and Fantasy? Yes! *Wandering Stars* is the landmark collection of Jewish science fiction and fantasy. The first of its kind, it is an established and enduring classic. This is the first time in a science fiction collection that the Jewish People--and the richness of their themes and particular points of view--appear without a mask. *Wandering Stars* is a showpiece of Jewish wit, culture, and lore, of the blend of humor and sadness, cynicism, and faith. In these pages you'll find superlative tales of fantasy and science fiction by masters.

Winner of the NAACP Image Award for Outstanding Literary Work/Biography. In *Across That Bridge*, Congressman John Lewis draws from his experience as a prominent leader of the Civil Rights Movement to offer timeless wisdom, poignant recollections, and powerful principles for anyone interested in challenging injustices and inspiring real change toward a freer, more peaceful society. The Civil Rights Movement gave rise to the protest culture we know today, and the experiences of leaders like Congressman Lewis, a close confidant to Martin Luther King, Jr., have never been more relevant. Despite more than forty arrests, physical attacks, and serious injuries, John Lewis has remained a devoted advocate of the discipline and philosophy of nonviolence. Now, in an era in which the protest culture he helped forge has resurfaced as a force for change, Lewis' insights have never been more relevant. In this heartfelt book, Lewis explores the contributions that each generation must make to achieve change.

In this Hugo Award-winning alternative history classic—the basis for the Amazon Original series—the United States lost World War II and was subsequently divided between the Germans in the East and the Japanese in the West. It's America in 1962. Slavery is legal once again. The few Jews who still survive hide under assumed names. In this world, we meet characters like Frank Frink, a dealer of counterfeit Americana who is himself hiding his Jewish ancestry; Nobusuke Tagomi, the Japanese trade minister in San Francisco, unsure of his standing within the bureaucracy and Japan's with Germany; and Juliana Frink, Frank's ex-wife, who may be more important than she realizes. These seemingly disparate characters gradually realize their connections to each other just as they realize that something is not quite right about their world. And it seems as though the answers might lie with Hawthorne Abendsen, a mysterious and reclusive author, whose best-selling novel describes a world in which the US won the War... *The Man in the High Castle* is Dick at his best, giving readers a harrowing vision of the world that almost was. “The single most resonant and carefully imagined book of Dick’s career.” —New York Times

LET'S GET THE FEMINIST PARTY STARTED! Have you ever wanted to be a superheroine? Join a fandom? Create the perfect empowering playlist? Understand exactly what it means to be a feminist in the twenty-first century? You've come to the right place. Forty-four writers,

dancers, actors, and artists contribute essays, lists, poems, comics, and illustrations about everything from body positivity to romance to gender identity to intersectionality to the greatest girl friendships in fiction. Together, they share diverse perspectives on and insights into what feminism means and what it looks like. Come on in, turn the pages, and be inspired to find your own path to feminism by the awesome individuals in Here We Are. Welcome to one of the most life-changing parties around!

Honors and awards for this book: National Book Award Winner, Young People's Literature, 2016; #1 New York Times and Washington Post Bestseller; First graphic novel to receive a Robert F. Kennedy Book Award; Winner of the Eisner Award; A Coretta Scott King Honor Book; One of YALSA's Outstanding Books for the College Bound; One of Reader's Digest's Graphic Novels Every Grown-Up Should Read.

National bestseller: the ultimate insider account about what really is going on in Iraq. It's the most controversial conflict of our time: a war which has divided citizens, politicians, and militaries, resulted in headlines about torture and suicide bombings, death and destruction. There's no single identifiable enemy and no exit strategy. So how will the war in Iraq be won? What would victory look like? When Australian Major General Jim Molan was deployed to the war to oversee a force of 300,000 troops, including 155,000 Americans, he faced these and other questions on a daily basis. In *Running the War in Iraq* he gives a gripping insider's account of what modern warfare entails - the ghastly body count, the complex decisions which will mean life or death, the divide between political masters and foot soldiers - and the small, hard-won triumphs.

The New York Times bestselling graphic memoir from actor/author/activist George Takei returns in a deluxe edition with 16 pages of bonus material! Experience the forces that shaped an American icon -- and America itself -- in this gripping tale of courage, country, loyalty, and love. George Takei has captured hearts and minds worldwide with his magnetic performances, sharp wit, and outspoken commitment to equal rights. But long before he braved new frontiers in STAR TREK, he woke up as a four-year-old boy to find his own birth country at war with his father's -- and their entire family forced from their home into an uncertain future. In 1942, at the order of President Franklin D. Roosevelt, every person of Japanese descent on the west coast was rounded up and shipped to one of ten "relocation centers," hundreds or thousands of miles from home, where they would be held for years under armed guard. *THEY CALLED US ENEMY* is Takei's firsthand account of those years behind barbed wire, the terrors and small joys of childhood in the shadow of legalized racism, his mother's hard choices, his father's tested faith in democracy, and the way those experiences planted the seeds for his astonishing future. What does it mean to be American? Who gets to decide? George Takei joins cowriters Justin Eisinger & Steven Scott and artist Harmony Becker for the journey of a lifetime.

Investigates the psychological factors that influence drinking and explains the physical and mental effects of alcohol consumption  
**NEW YORK TIMES BEST SELLER** • A grand, devastating portrait of three generations of the Sackler family, famed for their philanthropy, whose fortune was built by Valium and whose reputation was destroyed by OxyContin. From the prize-winning and bestselling author of *Say Nothing*, as featured in the HBO documentary *Crime of the Century*. The Sackler name adorns the walls of many storied institutions—Harvard, the Metropolitan Museum of Art, Oxford, the Louvre. They are one of the richest families in the world, known for their lavish donations to the arts and the sciences. The source of the family fortune was vague, however, until it emerged that the Sacklers were responsible for making and marketing a blockbuster painkiller that was the catalyst for the opioid crisis. *Empire of Pain* begins with the story of three doctor brothers, Raymond, Mortimer and the incalculably energetic Arthur, who weathered the poverty of the Great Depression and appalling anti-Semitism. Working at a barbaric mental institution, Arthur saw a better way and conducted groundbreaking research into drug treatments. He also had a genius for marketing, especially for pharmaceuticals, and bought a small ad firm. Arthur devised the marketing for Valium, and built the first great Sackler fortune. He purchased a drug manufacturer, Purdue Frederick, which would be run by Raymond and Mortimer. The brothers began collecting art, and wives, and grand residences in exotic locales. Their children and grandchildren grew up in luxury. Forty years later, Raymond's son Richard ran the family-owned Purdue. The template Arthur Sackler created to sell Valium—co-opting doctors, influencing the FDA, downplaying the drug's addictiveness—was employed to launch a far more potent product: OxyContin. The drug went on to generate some thirty-five billion dollars in revenue, and to launch a public health crisis in which hundreds of thousands would die. This is the saga of three generations of a single family and the mark they would leave on the world, a tale that moves from the bustling streets of early twentieth-century Brooklyn to the seaside palaces of Greenwich, Connecticut, and Cap d'Antibes to the corridors of power in Washington, D.C. *Empire of Pain* chronicles the multiple investigations of the Sacklers and their company, and the scorched-earth legal tactics that the family has used to evade accountability. The history of the Sackler dynasty is rife with drama—baroque personal lives; bitter disputes over estates; fistfights in boardrooms; glittering art collections; Machiavellian courtroom maneuvers; and the calculated use of money to burnish reputations and crush the less powerful. *Empire of Pain* is a masterpiece of narrative reporting and writing, exhaustively documented and ferociously compelling. It is a portrait of the excesses of America's second Gilded Age, a study of impunity among the super elite and a relentless investigation of the naked greed and indifference to human suffering that built one of the world's great fortunes.

An essential collection of career-spanning writings by the political satirist and #1 New York Times–bestselling author of *Parliament of Whores*. From his early pieces for the *National Lampoon*, through his classic reporting as *Rolling Stone's* International Affairs editor in the 1980s and 1990s, and his brilliant, inimitable political journalism and analysis, P. J. O'Rourke has been entertaining and provoking readers with high octane prose, a gonzo Republican attitude, and a rare ability to make you laugh out loud. Christopher Buckley once described his work as "S. J. Perelman on acid." *Thrown Under the Omnibus* brings together his funniest, most outrageous, most controversial, and most loved pieces in the definitive O'Rourke reader. Handpicked and introduced by the humorist himself, *Thrown Under the Omnibus* is the essential O'Rourke anthology. "The funniest writer in America." —*The Wall Street Journal*

New media is becoming integral to our lives. But for how long can we refer to emerging media as new in this fast-moving digital age? What makes it 'new'? And what problems do interactive media create for us, as cultural beings? This book investigates the culture and context of new media. Exploring and critiquing debates drawn from media and cultural theory, Fuary clearly explores and defines the concepts of new media and interactivity. With a clear and structured approach, the book questions existing ideas about digital culture and explains the problems that emerging technologies can present to our culture, from issues of surveillance and power to the digitalisation of the body. In particular, the book includes: • a variety of perspectives and approaches to the idea of the 'new' • consideration and evaluation of work from key media theorists, from Foucault to Bourdieu • relevant and innovative examples that bring the complexities of new media to life • a glossary for quick reference and explanation of complex concepts  
*New Media: Culture and Image* interrogates the key concepts, models and approaches surrounding the formation and evolution of new media. It will encourage all students of Cultural Studies and Media Studies to question and reconsider their ideas about media and cultural theory.

2007 marks the twenty-fifth anniversary of the first publication of *One Continuous Picnic*, a frequently acclaimed Australian classic on the history of eating in Australia. The text remains gratifyingly accurate and prescient, and has helped to shape subsequent developments in food in Australia. Until recently, historians have tended to overlook eating, and yet, through meat pies and lamingtons, Symons tells the history of Australia gastronomically. He challenges myths

such as that Australia is 'too young' for a national cuisine, and that immigration caused the restaurant boom. Symons shows us that Australia is unique because its citizens have not developed a true contact with the land, have not had a peasant society. Australians have enjoyed plenty to eat, but food had to be portable: witness the weekly rations of mutton, flour, tea and sugar that made early settlers a mobile army clearing a whole continent; and the tins of jam, condensed milk, camp pie and bottles of tomato sauce and beer that turned its citizens into early suburbanites. By the time of screw-top riesling, takeaway chicken and frozen puff pastry, Australians were hypnotised consumers, on one continuous picnic. But good food has never come from factory farms, process lines, supermarkets and fast-food chains. Only when we enjoy a diet of fresh, local produce treated with proper respect, when we learn from peasants, might we at last have found a national cuisine and cultivated a continent.

Named one of the best graphic novels of the year by The AV Club, Comic Book Resources, Complex, and Graphic Novel Reporter! "The most prodigiously talented graphic novelist of his [generation] ... Powell's exceptional visual-storytelling gift transforms a potentially obvious antiwar parable into a ravishingly beautiful, emotionally resonant, thoughtful, and provocative work of art."-- Booklist (starred review) "Vivid and imaginative... The timely, innovative storytelling and captivating artwork should particularly appeal to fans of Craig Thompson's Blankets and David Small's Stitches. Highly recommended for both adults and young adults."-- Library Journal (starred review) "Any Empire by Nate Powell is everything a graphic novel should be, and few are. Spare, to the point dialog, fluid and effortless visual storytelling devoid of pretensions, and a story with characters that stick with you. I very rarely read graphic novels because I usually can't get past the first few pages. but Any Empire drew me in from the start and didn't let up."-- Larry Hama, author of GI Joe comics since 1982 "At times poignant, at at others surreal, Any Empire is an engaging, never preachy work about childhood, centering on those secret currents that define our youthful rivalries and the games we play."-- MTV Geek "We've all experienced the world's endless cycle of innocence shattered, and Powell renders it all in lovely chiaroscuro... he crafts memorable and heartfelt characters that linger in the mind and scar the heart."-- Under the Radar Nate Powell, hailed by the London Times as "a writer-artist of genius," is back. His new book, Any Empire, is a vivid examination of war and violence, and their trickle-down effects on middle America. First, a group of small-town kids find themselves bound together by geography, boredom, and a string of mysterious turtle mutilations. Years later, with Army tanks rolling through the streets of their hometown, these young adults are forced to confront painful questions of privilege, duty, betrayal, and courage. Any Empire recalls aimless summers of Nancy Drew and GI Joe, treehouses and army surplus stores... but when fantasy starts to bleed into reality, whose mission will be accomplished?

Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

Welcome to the stunning conclusion of the award-winning and best-selling MARCH trilogy. Congressman John Lewis, an American icon and one of the key figures of the civil rights movement, joins co-writer Andrew Aydin and artist Nate Powell to bring the lessons of history to vivid life for a new generation, urgently relevant for today's world.

"A timeless classic" (San Antonio Express-News), reissued with a new foreword, afterword, and ten percent more material about a black man who spent seventeen years on a brutal Texas prison plantation and underwent a remarkable transformation. First published in 1984, Racehoss: Big Emma's Boy is Albert Race Sample's "unforgettable" (The Dallas Morning News) tale of resilience, revelation, and redemption. Born in 1930, the mixed-race son of a hard-drinking black prostitute and a white cotton broker, Sample was raised in the Jim Crow South by an abusive mother who refused to let her son—who could pass for white—call her Mama. He watched for the police while she worked, whether as a prostitute, bootlegger, or running the best dice game in town. He loved his mother deeply but could no longer take her abuse and ran away from home at the age of twelve. In his early twenties, Sample was arrested for burglary, robbery, and robbery by assault and was sentenced to nearly twenty years in the Texas prison system in the 1950s and 60s. His light complexion made him stand out in the all-black prison plantation known as the "burnin' hell," where he and over four hundred prisoners picked cotton and worked the land while white shotgun-carrying guards followed on horseback. Sample earned the moniker "Racehoss" for his ability to hoe cotton faster than anyone else in his squad. A profound spiritual awakening in solitary confinement was a decisive moment for him, and he became determined to turn his life around. When he was finally released in 1972, he did just that. Though Sample was incarcerated in the twentieth century, his memoir reads like it came from the nineteenth. With new stories that had been edited out of the first edition, a foreword by Texas attorney and writer David R. Dow, and an afterword by Sample's widow, Carol, this new edition of Racehoss: Big Emma's Boy offers a more complete picture of this extraordinary time in America's recent past.

The award-winning, best-selling series returns, as John Lewis' story continues through Freedom Rides and the legendary 1963 March on Washington. Original.

--WINNER OF THE 2009 EISNER AWARD FOR BEST NEW GRAPHIC NOVEL! --NOMINATED FOR THREE 2009 EISNER AWARDS INCLUDING BEST GN & BEST CARTOONIST! --WINNER OF THE 2008 IGNATZ AWARD FOR "OUTSTANDING DEBUT"! --ONE OF YALSA'S "GREAT GRAPHIC NOVELS FOR TEENS"! --FINALIST FOR THE LA TIMES BOOK PRIZE! ----Swallow Me Whole is the first graphic novel since 1992's Maus to be nominated for this prize in any category. --WINNER OF THE 2009 IGNATZ AWARD FOR "OUTSTANDING ARTIST"! "Nate Powell's Swallow Me Whole, a disturbed, haunting book, is impossible to describe... It's not an easy book, but its dark brilliance marks its creator as a writer-artist of genius."--Neel Mukherjee, The Times (UK) "Scaldingly dark ... Powell's flowing, impressionistic artwork, with its ravenous expanses of negative space, swirls the reader's perspective through his characters' perceptions and back out again."--Douglas Wolk, The New York Times "Honest and lovingly portrayed. Every word in this graphic novel is carefully chosen, dialogue is realistic, and background "noise"masterfully done. Powell's detailed pen-and-ink drawings are well executed with lettering and images so brilliantly intertwined that they are one and

the same."--Lara McAllister, School Library Journal "Darkly sublime."--Booklist "His layouts, his touch with shadow and darkness, the way he brings you close enough to Ruth that you can watch her sleep without disturbing her dreams, all that stuff is amazing. ... Nate Powell can do it all. In his hands, even the high-school parking lots and the booths at the local diner are equal parts hope and foreboding."-- Steve Duin, The Oregonian "[Swallow Me Whole] achieves some stunning effects with the art and the lettering ... Powell has a look halfway between Charles Burns and Craig Thompson, and at times, Swallow Me Whole enters that rarified sphere of art comics where the page design alone achieves the mood and meaning that that the artist is shooting for... Swallow Me Whole captures the desperation of the clinically obsessed, and how from the right angle, it can look like genius."--The AV Club "Both provocative and thoughtful ... not since Robert Altman's Images has a medium so perfectly conveyed the experience of schizophrenia ... It's the best graphic novel since Craig Thompson's Blankets."--Chris DeVito, CD Syndicated Swallow Me Whole is a love story carried by rolling fog, terminal illness, hallucination, apophenia, insect armies, secrets held, unshakeable faith, and the search for a master pattern to make sense of one's unraveling. In his most ambitious book to date, Nate Powell quietly explores the dark corners of adolescence -- not the clichéd melodramatic outbursts of rebellion, but the countless tiny moments of madness, the vague relief of medication, and mixed blessing of family ties. As the story unfolds, two stepsiblings hold together amidst schizophrenia, obsessive compulsive disorder, family breakdown, animal telepathy, misguided love, and the tiniest hope that everything will someday make sense. Deliberately paced, delicately drawn, and drenched in shadows, Swallow Me Whole is a landmark achievement for Nate Powell and a suburban ghost story that will haunt readers long after its final pages.

**\*National Bestseller\*** A brilliant and empowering collection of final reflections and words of wisdom from venerable civil rights champion, the late Congressman John Lewis at the end of his remarkable life. Congressman John Lewis was a paragon of the Civil Rights Movement and political leadership for decades. A hero we won't soon forget, Lewis was a beacon of hope and a model of humility whose invocation to "good trouble" continues to inspire millions across our nation. In his last months on earth, even while battling cancer, he dedicated time to share his memories, beliefs, and advice—exclusively immortalized in these pages—as a message to the generations to come. Organized by topic ranging from justice, courage, faith, mentorship, and forgiveness to the protests and the pandemic, and many more besides, Carry On collects the late Congressman's thoughts for readers to draw on whenever they are in need of guidance. John Lewis had great confidence in our future, even as he died in the midst of one of our country's most challenging years to date. With this book, he performs that crucial passing of the baton, empowering us to live up to the legacy he has left us with his perseverance, dedication, profound insight, and unwavering ability to see the good in life.

The American Story of the Bookstores on Fourth Avenue from the 1890s to the 1960s New York City has eight million stories, and this one unfolds just south of Fourteenth Street in Manhattan, on the seven blocks of Fourth Avenue bracketed by Union Square and Astor Place. There, for nearly eight decades from the 1890s to the 1960s, thrived the New York Booksellers' Row, or Book Row. This richly anecdotal memoir features historical photographs and the rags-to-riches tale of the Strand, which began its life as a book stall on Eighth Street and today houses 2.5 million volumes (or sixteen miles of books) in twelve miles of space. It's a story cast with characters as legendary and colorful as the horse-betting, poker-playing, go-getter of a book dealer George D. Smith; the irascible Russian-born book hunter Peter Stammer; the visionary Theodore C. Schulte; Lou Cohen, founder of the still-surviving Argosy Book Store; and gentleman bookseller George Rubinowitz and his formidably shrewd wife, Jenny. Book Row remembers places that all lovers of books should never forget, like Biblo & Tamen, the shop that defied book-banning laws; the Green Book Shop, favored by John Dickson Carr; Ellenor Lowenstein's world-renowned gastronomical Corner Book Shop (which was not on a corner); and the Abbey Bookshop, the last of the Fourth Avenue bookstores to close its doors. Rising rents, street crime, urban redevelopment, and television are many of the reasons for the demise of Book Row, but in this volume, based on interviews with dozens of the people who bought, sold, collected, and breathed in its rare, bibliodiferous air, it lives again. From Nate Powell, the National Book Award-winning artist of March, a collection of graphic nonfiction essays about living in a new era of necessary protest In this anthology of seven comics essays, author and graphic novelist Nate Powell addresses living in an era of what he calls "necessary protest." Save It for Later: Promises, Parenthood, and the Urgency of Protest is Powell's reflection on witnessing the collapse of discourse in real time while drawing the award-winning trilogy March, written by Congressman John Lewis and Andrew Aydin, this generation's preeminent historical account of nonviolent revolution in the civil rights movement. Powell highlights both the danger of normalized paramilitary presence symbols in consumer pop culture, and the roles we play individually as we interact with our communities, families, and society at large. Each essay tracks Powell's journey from the night of the election—promising his four-year-old daughter that Trump will never win, to the reality of the Republican presidency, protesting the administration's policies, and navigating the complications of teaching his children how to raise their own voices in a world that is becoming increasingly dangerous and more and more polarized. While six of the seven essays are new, unpublished work, Powell has also included "About Face," a comics essay first published by Popula Online that swiftly went viral and inspired him to expand his work on Save It for Later. The seventh and final essay will contextualize the myriad events of 2020 with the previous four years—from the COVID-19 pandemic to global protests in the wake of George Floyd's murder to the 2020 presidential election itself—highlighting both the consistencies and inversions of widely shared experiences and observations amidst a massive social upheaval. As Powell moves between subjective and objective experiences raising his children—depicted in their childhood innocence as imaginary anthropomorphic animals—he reveals the electrifying sense of trust and connection with neighbors and strangers in protest. He also explores how to equip young people with tools to best make their own noise as they grow up and help shape the direction and future of this country. Congressman John Lewis (GA-5) is an American icon, one of the key figures of the civil rights movement. His

commitment to justice and nonviolence has taken him from an Alabama sharecropper's farm to the halls of Congress, from a segregated schoolroom to the 1963 March on Washington, and from receiving beatings from state troopers to receiving the Medal of Freedom from the first African-American president. Now, to share his remarkable story with new generations, Lewis presents *March*, a graphic novel trilogy, in collaboration with co-writer Andrew Aydin and New York Times best-selling artist Nate Powell (winner of the Eisner Award and LA Times Book Prize finalist for *Swallow Me Whole*). *March* is a vivid first-hand account of John Lewis' lifelong struggle for civil and human rights, meditating in the modern age on the distance traveled since the days of Jim Crow and segregation. Rooted in Lewis' personal story, it also reflects on the highs and lows of the broader civil rights movement. Book One spans John Lewis' youth in rural Alabama, his life-changing meeting with Martin Luther King, Jr., the birth of the Nashville Student Movement, and their battle to tear down segregation through nonviolent lunch counter sit-ins, building to a stunning climax on the steps of City Hall. Many years ago, John Lewis and other student activists drew inspiration from the 1958 comic book *Martin Luther King and the Montgomery Story*. Now, his own comics bring those days to life for a new audience, testifying to a movement whose echoes will be heard for generations.

The award-winning national bestseller, *Walking with the Wind*, is one of the most important records of the American civil rights movement as told by a true American hero, John Lewis, who Cornel West called a "national treasure." An eloquent and gripping first-hand account of the turbulent struggle for civil rights and the willingness and courage to change the course of history. Forty years ago, a teenaged boy named John Lewis stepped off a cotton farm in Alabama and into the epicenter of the struggle for civil rights in America. The ideals of nonviolence which guided that critical time of American history established him as one of the movement's most charismatic and courageous leaders. Lewis's leadership in the Nashville Movement—a student-led effort to desegregate the city of Nashville using sit-in techniques based on the teachings of Gandhi—established him as one of the movement's defining figures and set the tone for the major civil rights campaigns of the 1960s. During this decade, he was repeatedly a victim of violence and intimidation, but his singular belief in non-violent action, inspired by his mentor, Dr. Martin Luther King, was a defining characteristic of his leadership and vision. In 1986, he ran and won a congressional seat in Georgia, and remains in office to this day. *Walking with the Wind* is the story of an American hero. A boy from rural Alabama whose journey led him to Washington, and whose vision and perseverance changed a nation.

First you march, then you run. From the #1 bestselling, award-winning team behind *March* comes the first book in their new, groundbreaking graphic novel series, *Run: Book One* "Run recounts the lost history of what too often follows dramatic change—the pushback of those who refuse it and the resistance of those who believe change has not gone far enough. John Lewis's story has always been a complicated narrative of bravery, loss, and redemption, and *Run* gives vivid, energetic voice to a chapter of transformation in his young, already extraordinary life." —Stacey Abrams "In sharing my story, it is my hope that a new generation will be inspired by *Run* to actively participate in the democratic process and help build a more perfect Union here in America." —Congressman John Lewis To John Lewis, the civil rights movement came to an end with the signing of the Voting Rights Act in 1965. But that was after more than five years as one of the preeminent figures of the movement, leading sit-in protests and fighting segregation on interstate busways as an original Freedom Rider. It was after becoming chairman of SNCC (the Student Nonviolent Coordinating Committee) and being the youngest speaker at the March on Washington. It was after helping organize the Mississippi Freedom Summer and the ensuing delegate challenge at the 1964 Democratic National Convention. And after coleading the march from Selma to Montgomery on what became known as "Bloody Sunday." All too often, the depiction of history ends with a great victory. But John Lewis knew that victories are just the beginning. In *Run: Book One*, John Lewis and longtime collaborator Andrew Aydin reteam with Nate Powell—the award-winning illustrator of the *March* trilogy—and are joined by L. Fury—making an astonishing graphic novel debut—to tell this often overlooked chapter of civil rights history.

MarchTop Shelf Productions

"In these Swamp Thing tales written by critically acclaimed Southern Gothic horror novelist Nancy Collins, a mad priest called Father Tocsin has come to Houma to test his followers with a fatal poison. But when Tocsin indoctrinates one of his friends, Swamp Thing must stop the killings before they spread too far. Then, it's a grassroots political campaign as Swamp Thing finds himself a surprise candidate for governor of Louisiana. And Swamp Thing must get help to save Abigail Arcane and their young daughter, Tefé, from the murderous dream-pirates of Dark Conrad. Who's he gonna call? John Constantine! And Anton Arcane returns from the darkest pits of hell to seek revenge on Swamp Thing and all those he holds dear!"--

Every summer the trucks roll in, bringing the carnival and its infinite possibilities to town. This year Tessa and her younger sister Lulu are un-chaperoned and want to be first in line to experience the rides, the food . . . and the boys. Except this summer, jealousy will invade their relationship for the first time, setting in motion a course of events that can only end in tragedy, putting everyone's love and friendship to the test. Alternating chapters of prose and comics are interwoven in this extraordinary novel that will break your heart and crack it wide open at the same time.

This second edition features new and expanded coverage of contaminant hydrogeologic investigations. It presents a practical approach to completing investigations for environmental compliance, emphasizing the use of geologic principles in assessment to move sites toward cleanup. Stressing the basics of collecting data that can withstand regulatory scrutiny and achieve remediation, *Principles of Contaminant Hydrogeology, Second Edition* demonstrates how to solve a client's site contamination problem while maximizing cost effectiveness. It focuses on small- and medium-sized firms, for which speed, accuracy, and cost are all crucial factors in the site assessment and closure process. Based on "real world" problems, the book takes you step-by-step through the investigation and includes client-consultant-regulator interaction, budgets, ethics, and data extrapolation for solving problems. It introduces concepts such as field logistics, drilling techniques, sampling protocols, contaminant movement, and remediation. Regulatory personnel, hydrogeological consultants, drilling contractors, remediation contractors, university instructors, and

students will benefit from the wealth of information provided in this new edition.

"Now Top Shelf has teamed up with the Fellowship of Reconciliation to produce the first ever fully-authorized . . . edition[s] of this historic comic book, as a companion to the bestselling graphic novel March: Book One."--Publisher's website.

In this new accessible philosophy of friendship, Mark Vernon links the resources of the philosophical tradition with numerous illustrations from modern culture to ask what friendship is, how it relates to sex, work, politics and spirituality. Unusually, he argues that Plato and Nietzsche, as much as Aristotle and Aelred, should be put centre stage. Their penetrating and occasionally tough insights are invaluable if friendship is to be a full, not merely sentimental, way of life for today.

As the sun sets on the 1970s, the spirit of the Love Generation still lingers among the aging hippies of one "intentional community" high in the Ozarks. But what's missing? Under impossibly close scrutiny, two families wrestle with long-repressed secrets... while deep within those Arkansas hills, something monstrous stirs, ready to feast on village whispers. National Book Award-winner Nate Powell returns with a haunting tale of intimacy, guilt, and collective amnesia.
