Marketing Management: A Contemporary Perspective provides a fresh new perspective on marketing from some of the leading researchers in Europe. The book offers students and practitioners the comprehensive coverage they need to make the right decisions to create and implement highly successful marketing strategies. This exciting new edition includes updated cases and combines scholarly international research with relevant and contemporary examples from markets and brands across the world. The authors combine their experience as researchers and industry consultants to provide the conceptual and theoretical underpinning of marketing and empirical research, helping students to understand how marketing concepts can be applied and implemented. The book covers a full range of industries including business-to-customer, business-to-business, services marketing, retailing and international marketing from companies around the globe.

This user-friendly textbook offers students an overview of each aspect of the marketing process, explored uniquely from the value perspective. Delivering value to customers is an integral part of contemporary marketing. For a firm to deliver value, it must consider its total market offering – including the reputation of the organization, staff representation, product benefits, and technological characteristics – and benchmark this against competitors' market offerings and prices.

Principles of Marketing takes this thoroughly into account and ensures that students develop a strong understanding of these essential values. The book also looks in detail at the impact of social media upon marketing practices and customer relationships, and the dramatic impact that new technologies have had on the marketing environment. Written by a team of experienced instructors, Principles of Marketing is an ideal companion for all undergraduate students taking an introductory course in marketing.
