Before introducing to our reader the extraordinary records that have come down to us regarding the great St Eustachius and his martyred family, it may be well to contemplate for a moment a grand and consoling feature of triumph which Almighty God vouchsafed to His servants in the days of persecution.

Although hundreds of martyrs have gone to heaven from the arena of the Coliseum, yet few have been killed by the wild beasts. This strange fact is a beam of sunshine amid all its horrors of cruelty and bloodshed. He who knew how to change the ferocious nature of those animals which prowl through their native mountains and deserts in search of food, so that they became the protectors and even companions of His hermits and solitaries, made them (instead of being the instruments of the most awful death) the defenders of the chastity of His virgins, and the witnesses of the sanctity of His saints. The great Creator of all things intended the dumb animal to be the servant of man, and, with a few exceptions, He refused to allow it to be the executioner of the innocent. One of the most consoling pages in the history of these terrible times, is the oft-repeated miracle of Daniel in the lion's den; not, however, in the silence and darkness of the gloomy cavern into which the youthful prophet was cast, but under the noon-day sun, in the great amphitheatre of the capital of the world, and before 100,000 spectators. Miracles have been destined by God to be the handmaids of truth and the medium of conviction. In the visible interposition of His power in preserving His servants from the fury of the beasts in the Coliseum, He presented to the pagans of Rome an incontestable proof of the divinity of...

of persecution. With an introduction by P.D. James

Dear Friend, May I share a story that is very dear to my heart? It's a story of hillbillies and simple folk, net casters and tax collectors. A story of a movement that exploded like a just-opened fire hydrant out of Jerusalem and spilled into the ends of the earth: into the streets of Paris, the districts of Rome, and the ports of Athens, Istanbul, Shanghai, and Buenos Aires. A story so mighty, controversial, head spinning, and life changing that two millennia later we wonder: Might it happen again? Heaven knows we hope so. These are devastating times: 1.75 billions people are desperately poor; one billion are hungry. Lonely hearts indwell our neighborhoods and attend our schools. In the midst of it all, here we stand: you, me, and our one-of-a-kind lives. We are given a choice ... an opportunity to make a big difference during a difficult time. What if we did? What if we rocked the world with hope? Worth a try, don't you think? - Max Lucado One hundred percent of the author's royalties from *Outlive Your Life* products will benefit children and families through World Vision and other ministries of faith-based compassion.

Excerpt from *The Temple: Its Ministry and Services as They Were at the Time of Jesus Christ* While thus deriving my materials at first hand, I have also thankfully made use of any and every help within my reach.. Foremost I place here the writings of Maimonides, not only because he is of greatest authority among the Jews, but because his vast and accurate knowledge of these subjects, and the clear ness and subtlety of his intellect, entitle him to that position. Next to him come the numerous writers on Biblical Antiquities, in Latin and German works on Typology - scientific and popular; treatises on the Life and Times of our Lord; histories of the Jewish Nation, or of Judaism commentaries on such passages in the Old and

New Testament as bore on these subjects; and numerous treatises on cognate points. In my study of ancient Jerusalem, I had the benefit of the labours of recent explorers, from Robinson and Barclay to the volumes published under the auspices of the Palestine Exploration Fund. Have you ever prayed for a sick friend? Does God heal today? If so, why are so many people in pain around us? We have all heard stories of miraculous healings. But can we believe them? Why are some people healed and some not? Does God give ordinary Christians the authority to heal? As Ken Blue explores these questions he found plenty of answers, but none that satisfied him. He wanted answers that were true to Scripture and true to a loving and just God. His search into the Bible and into the ministry of healing has produced a rich and very human book. Here is a book for everyone who has ever prayed for a sick friend.

today'unity' is a clever smokescreen, devised by the Vatican to bring all Christians under Rome's control. DR. SMITH'S book, "The Passion for Souls," for its size is the most powerful plea for Revival I have ever read. He has truly been led by the Spirit of God in preparing it. To his emphasis for the need of a Holy Spirit Revival I can give the heartiest amen. What I saw of Revival in Korea and in China is in fullest accord with the Revival called for in this book. It is most timely that DR. Smith has called attention to man effort and man method in modern Revival. If we all had faith to wait upon God in intense believing prayer there would be genuine Holy Ghost Revival, and the living God would get all the glory. In Manchuria and China, when we did nothing else than give the address and let the people pray, and kept out of sight as far as possible, we saw the mightiest manifestations of Divine power. Had I the wealth of a millionaire I would put "The Passion for Souls" in every Christian home on this continent and confidently look for a Revival which would sweep round the world.

Paul has provoked people as much in recent times as he did when he was alive. Some regard him as a pestilent and dangerous fellow. Others think of him as the greatest teacher of Christianity after Jesus himself. In this book, leading theologian Tom Wright focuses on key areas of Paul's teaching, helping us to understand what he was doing

and saying. He sweeps away the confusion of much modern theology to uncover the real man and his message.

From the arrival of the conquistadores in the fifteenth century to the spread of the Pentecostal movement today, Christianity has moulded, coerced, refashioned, and enriched Latin America. Likewise, Christianity has been changed, criticized, and renewed as it crossed the Atlantic. These changes now affect its practice and understanding, not only in South and Central America and the Caribbean, but also - through immigration and global communication - around the world. Focusing on this mutually constitutive relationship, Christianity in Latin America presents the important encounters between people, ideas, and events of this large, heterogeneous subject. In doing so, it takes readers on a fascinating journey of explorers, missionaries, farmers, mystics, charlatans, evangelists, dictators, and martyrs. This book offers an accessible and engaging review of the history of Christianity in Latin America with a widely ecumenical focus to foster understanding of the various forces shaping both Christianity and the region.

El siglo XX produjo las declaraciones de los derechos humanos, pero también centenares de millones de víctimas masacradas en genocidios, guerras civiles y mundiales, deportaciones, aniquilaciones de etnias, clases, grupos religiosos o ideológicos, etc. En ese contexto, cristianos de todas las confesiones sufrieron el martirio en magnitudes inauditas. Este libro cuenta su historia, enmarcándola en su respectiva circunstancia política: el martirio de los armenios, en la Turquía de «los nuevos turcos»; el de los ortodoxos rusos, en la Rusia soviética; el de los católicos

mexicanos, en el México de la revolución liberal; el de los mártires de España, en la revolución anarquista y socialista paralela a la guerra civil; el de Centroeuropa, bajo los totalitarismos nazi, fascista y comunista; el de las minorías cristianas de Asia, África y Oriente Medio, en revoluciones y descolonizaciones; sin olvidar las inestables repúblicas de Hispanoamérica ni a los «mártires de la caridad». Este martirio de dimensiones colosales constituye una clave determinante para entender el presente y orientarse en el futuro, se profese o no la fe de las víctimas. El autor comparte la visión de san Juan Pablo II: en la debilidad de quienes entregan su vida perdonando actúa un poder divino que es luz de humanidad en medio de las tinieblas en las que cada generación libra el combate del bien y la libertad.

Esta Historia de los Mártires nos introduce en la vida de la Iglesia desde una perspectiva nueva e interesante. La del sufrimiento pero también la del testimonio, que eso es lo que viene a significar martirio, con toda su carga de heroísmo conmovedor y de ejemplaridad luminosa. Las persecuciones por causa de la fe revelan otro aspecto que no es el de los triunfadores, sino de los "derrotados", no de la jerarquía ni de los grandes personajes, sino de hombres, mujeres y niños que viven su fe con una fuerza inusitada. Los primeros documentos literarios del cristianismo consisten en Actas y Pasiones de los mártires. En el N.T los capítulos dedicados a la Pasión y Muerte de Jesucristo y los dedicados a las persecuciones sufridas por los apóstoles, cubren la mayor parte del texto. En análisis histórico , analiza el contexto político, social y

religioso de las persecuciones, teniendo en cuenta no sólo la razón de los perseguidos, sino también las razones de los perseguidores. La historia general de las persecuciones abordara los diversos puntos de vista de los implicados, de los perseguidos y de los perseguidores, y de aquellos factores que pasaron desapercibidos a los implicados, pero que contribuían a dictar sus normas de conducta: los cambios sociales y culturales, las crisis políticas y económicas, la mezcla de pueblos, las catástrofes naturales y humanas.

The foundation of our knowledge of God rests upon knowing what he is like. Without understanding God's attributes, we have a skewed perception of him—often one cast in our own image. We need more than just a theoretical knowledge of God in order to worship him as he desires. This classic work of A.W. Pink invites readers to discover the truth about seventeen attributes of God, including his sovereignty, immutability, patience, love, faithfulness, and much more. Pink shows readers a God who is alive, all-powerful, and active in his creation. The perfect introductory text, 'The Attributes of God' also has enough depth and meat to satisfy the more experienced reader.

La Roma pagana martirizó a los primeros cristianos, y desde entonces hasta nuestros días es difícil encontrar periodos de calma. El autor recorre la historia y el planeta, ofreciéndonos una síntesis y también unos motivos, que contribuyen a entender el sentido y la potencia de aquel mensaje.
