When he's not learning how to rule a kingdom from his father-the reigning Black Panther-or testing out the latest tech, he's off breaking rules with his best friend, M'Baku. This is no prestigious private academy-they've been enrolled at South Side Middle School in the heart of Chicago. Despite being given a high-tech suit and a Vibranium ring to use only in case of an emergency, T'Challa realizes he might not be as equipped to handle life in America as he thought.
