Jack and the Beanstalk, Goldilocks and the Three Bears, the Little Red Hen, and nine other tales are brought to life in this superb treasury. The delightful characters will become storyland friends for life for children who meet them here. Just wait until your child sees the Giant's expression as he cries, "Fee, fi, fo, fum," or the adorable Elves dancing in the Shoemaker's cottage! The Gingerbread Boy's candy buttons and the dazzling feathers of the Ugly Duckling are among the many inviting details to discover with each new look. A collection of nursery tales so child friendly, rewarding, and full of fun could only have come from the rich and playful imagination of Mary Engelbreit.

In this tender-hearted debut, set against the tumultuous backdrop of life in 1973, when homosexuality is still considered a mental illness, two boys defy all the odds and fall in love. The year is 1973. The Watergate hearings are in full swing. The Vietnam War is still raging. And homosexuality is still officially considered a mental illness. In the midst of these trying times is sixteen-year-old Jonathan Collins, a bullied, anxious, asthmatic kid, who aside from an alcoholic father and his sympathetic neighbor and friend Starla, is completely alone. To cope, Jonathan escapes to the safe haven of his imagination, where his hero David Bowie's Ziggy Stardust and dead relatives, including his mother, guide him through the rough terrain of his life. In his alternate reality, Jonathan can be anything: a superhero, an astronaut, Ziggy Stardust, himself, or completely "normal" and not a boy who likes other boys. When he completes his treatments, he will be normal--at least he hopes. But before that can happen, Web stumbles into his life. Web is everything Jonathan wishes he could be: fearless, fearsome and, most importantly, not ashamed of being gay. Jonathan doesn't want to like brooding Web, who has secrets all his own. Jonathan wants nothing more than to be "fixed" once and for all. But he's drawn to Web anyway. Web is the first person in the real world to see Jonathan completely and think he's perfect. Web is a kind of escape Jonathan has never known. For the first time in his life, he may finally feel free enough to love and accept himself as he is. A poignant coming-of-age tale, Ziggy, Stardust and Me heralds the arrival of a stunning and important new voice in YA. The newest edition to Mary Engelbreit's charming Little Books collection, Don't Look Back is bursting with enthusiastic encouragement to help someone special through a time of transition. Full-color illustrations.

God often is teaching us something beautiful through our everyday decisions--and he's teaching our children too! The Happy Crab

is based on a true story experienced on an RV trip that Layla, Kevin, and their son, Steevenson, took to the ocean. Happy is an adventurous little crab whose world is suddenly turned upside down (literally!) when a mama and her son discover his large, unbroken shell in shallow water in the Santa Rosa Sound. Just as they decide to keep the shell as a souvenir, the boy unexpectedly feels something move inside. Discovering the crab still living inside his perfect home, the boy is faced with a decision: Keep him or let him go. Ultimately, he learns that sometimes true happiness comes from putting someone else's needs and happiness ahead of your own. This timeless story will resonate with children and adults alike, gently reminding us to put others first and focus on home.

From the internationally bestselling author of Sarah comes the riveting story of the remarkable woman who walked beside Moses. Although she is a Cushite by birth—one of the people of the lands to the south—Zipporah grew up as the beloved daughter of

Jethro, high priest and sage of the Midianites. But the color of Zipporah's skin sets her apart, making her an outsider to the men of her adopted tribe, who do not want her as a wife. Then one day while drawing water from a well, she meets a handsome young stranger. Like her, he is an outsider. A Hebrew raised in the house of the Egyptian Pharaoh, Moses is a fugitive, forced to flee his homeland. Zipporah realizes that this man will be the husband and partner she never thought she would have. Moses wants nothing more than a peaceful life with the Midianites, but Zipporah won't let Moses forget his past—or turn away from his true destiny. She refuses to marry him until he returns to Egypt to free his people. When God reveals himself to Moses in a burning bush, his words echo Zipporah's, and Moses returns to Egypt with his passionate and generous wife by his side. A woman ahead of her time, Zipporah leaps from the pages of this remarkable novel. Bold, independent, and a true survivor, she is a captivating heroine, and her world of deserts, temples, and ancient wonders is a fitting backdrop to an epic tale.

This large-format collection features nearly 50 absorbing single-page and full-spread mazes, sequenced with increasing complexity, and includes inventive bonuses such as mazes with two paths to follow and a maze that runs on the inside covers from front to back. Solutions are provided, but for those seeking mindful activity or hours of puzzle decoding entertainment, getting there will be half the fun.

Short poems can have marvellous clarity, humour, and depth. They can range from subjects as diverse as a child's first words, a woman's feet, or the destiny of man. P. J. Kavanagh and James Michie have chosen those short poems (of less than fourteen lines) which they consider to be the best in the English language, from medieval times to the present day. Their selection extends from Chaucer to Philip Larkin, from Shakespeare to Emily Bronte, from Blake to Edith Sitwell, and from Yeats to Emily Dickinson, demonstrating the gradual changes in style, subject-matter, and tone from one generation of poets to the next.
