South African Mastiff Written by a professional dog whisperer and dog owner, the South African Mastiff Complete Owner's Manual has the answers you may need when researching this imposing dog that is also known as the Boerboel, and was originally developed as a working farm dog. Learn about this loyal and protective dog that is a member of the Working family of canines, and find out whether this highly alert and intensely loyal dog will be the best choice for you and your family. Learn everything there is to know, including little known facts and secrets and how to care for every aspect of the South African Mastiff's life. This manual contains all the information you need, from birth to the Rainbow Bridge, including transitioning through house breaking, care, feeding, training and end of life, so that you can make a well-informed decision about whether or not this dog is the breed for you. If you already have a South African Mastiff, this book will teach you everything you need to know to make your dog a happy dog and to make you a happy dog owner. The author George Hoppendale is an experienced writer and a true animal lover. He enjoys writing animal books and advising others how to take care of their animals to give them a happy home. Co-Author Asia Moore is a professional Dog Whisperer, Cynologist and Author, living on Vancouver Island, off the west coast of British Columbia, in Canada, who believes that all humans and dogs can live together in harmony. She and her dog whispering team, which includes an 8-year-old Shih Tzu named Boris, teach dog psychology to humans, to help alleviate problem behaviors that arise between humans and their canine counterparts so that everyone can live a happy and stress-free life together. Covered in this book: - Bad treats and snacks- Before you buy- Caring for your aging dog- Choosing the right dog- Daily care- Feeding- Finding a breeder- Good treats and snacks- Grooming- Health and common health problems- House training- Medical care & safety- Poisonous Foods & Plants- Pros and Cons- Puppy proofing your home- Temperament- The first weeks- Training- Vital statistics.... and much more.

For more than a quarter century, How to Be Your Dog's Best Friend has been the standard against which all other dog-training books have been measured. This expanded edition preserves the best features of the original classic while bringing the book fully up-to-date. The result: the ultimate training manual for a new generation of dog owners--and, of course, for their canine best friends. The Monks of New Skete have achieved international renown as breeders of German shepherds and as outstanding trainers of dogs of all breeds. Their unique approach to canine training, developed and refined over four decades, is based on the philosophy that "understanding is the key to communication, compassion, and communion" with your dog. How to Be Your Dog's Best Friend covers virtually every aspect of living with and caring for your dog, including: Selecting a dog (what breed? male? female? puppy or older dog?) to fit your lifestyle Where to get--and where not to get--a dog Reading a pedigree Training your dog or puppy--when, where, and how The proper use of praise and discipline Feeding, grooming, and ensuring your dog's physical fitness Recognizing and correcting canine behavioral problems The particular challenges of raising a dog where you live - in the city, country, or suburb The proper techniques for complete care of your pet at every stage of his or her life In its scope, its clarity, and its authority, How to Be Your Dog's Best Friend remains unrivaled as a basic training guide for dog owners. Like no other book, this guide can help you understand and appreciate your dog's nature as well as his or her distinct personality--and

Written by an expert dog whisperer and dog owner, the Tibetan Mastiff Complete Owner's Manual has the answers you may need when researching this powerful and strong-willed guarding dog. Learn about this large purebred and find out whether or not the ancient and noble Tibetan guardian will be the best choice for you and your family. Learn everything there is to know, including little known facts and secrets and how to care for every aspect of the Tibetan Mastiff's life. This manual contains all the information you need, from birth to the Rainbow Bridge, including transitioning through house breaking, care, feeding, training and end of life, so that you can make a well-informed decision about whether or not this dog is the breed for you. If you already have a Tibetan Mastiff, this book will teach you everything you need to know to make your dog a happy dog and to make you a happy dog owner. The author George Hoppendale is an experienced writer and a true animal lover. He enjoys writing animal books and advising others how to take care of their animals to give them a happy home. Co-Author Asia Moore is a professional Dog Whisperer, Cynologist and Author, living on Vancouver Island, off the west coast of British Columbia, in Canada, who believes that all humans and dogs can live together in harmony. She and her dog whispering team, which includes an 8-year-old Shih Tzu named Boris, teach dog psychology to humans, to help alleviate problem behaviors that arise between humans and their canine counterparts so that everyone can live a happy and stress-free life together. Covered in this book: - Temperament - Pros and Cons - Vital statistics - Before you buy - Choosing the right dog - Finding a breeder - Puppy proofing your home - The first weeks - Health and common health problems - Medical care & safety - Daily care - Feeding - Bad treats and snacks - Good treats and snacks - House training - Grooming - Training - Poisonous Foods & Plants - Caring for your aging dog .... and much more.

The English Mastiff is considered to be the predecessor of all the Mastiffs that we know of today. This ancient breed has made its way through several centuries of domestication. Bred initially to be a ferocious war and fighting dog, the modern English Mastiff is nothing like his ancestors. Today, the breed is known for his extraordinary temperament and his ability to be a great work dog and also a wonderful companion. These dogs are counted among the most massive canines in the world. But, their gentle demeanor has earned them the title of "Gentle Giants." Wouldn't you love to bring one home? Well, it takes a little understanding of the needs of this breed and you are good to go! Having a giant dog like the English Mastiff at home is no easy task. For anybody who has even owned a dog before understanding the right way to care for a dog like the English Mastiff seems like a challenge. Most Mastiff owners would agree that the docile nature of the breed reduces the burden to a large extent. So if you are bringing home a English Mastiff you must worry mostly about giving the dog proper care to ensure that he has a long, comfortable and healthy life. With the right care, this dog will be the most incredible addition to your family. This book is a complete pet owner's guide that covers all the concerns that a new Mastiff parent may have. This manual contains all the information you need, from birth to the Rainbow Bridge, including transitioning through house breaking, care, feeding, training and end of life, so that you can make a well-informed decision about whether or not the English Mastiff is the breed for you. If you already have an English Mastiff, this book will teach you everything you need to know to make your dog a happy dog and to make you a happy dog owner. Harry Holstone, the author, is a dog lover and mastiff owner.

The Tibetan Mastiff Training Book is a truly informative and unique training guide, full of reliable and tested information - written for the admirers of this wonderful breed. This is an easy-to-read, and in-depth text which you will thoroughly enjoy. It contains a wealth of interesting facts and reliable information, along with detailed advice for owners. Contributed to by a series of Tibetan Mastiff dog trainers, this book is certainly a must have addition to your collection.

Cesar Millan—nationally recognized dog expert—helps you see the world through the eyes of your dog so you can finally eliminate problem behaviors. From his appearances on The Oprah Winfrey Show to his roster of celebrity clients to his reality television series, Cesar Millan is America's most sought-after dog-behavior expert. But Cesar is not a trainer in the traditional sense—his expertise lies in his unique ability to comprehend dog psychology. Tracing his own amazing journey from a clay-walled farm in Mexico to the celebrity palaces of Los Angeles, Cesar recounts how he learned what makes dogs tick. In Cesar's Way, he shares this wisdom, laying the groundwork for you to have stronger, more satisfying relationships with your canine companions. Cesar's formula for a contented and balanced dog seems impossibly simple: exercise, discipline, and affection, in that order. Taking readers through the basics of dog psychology and behavior, Cesar shares the inside details of some of his most fascinating cases, using them to illustrate how common behavior issues develop and, more important, how they can be corrected. You'll learn: • What your dog really needs may not be what you're giving him • Why a dog's natural pack instincts are the key to your happy relationship • How to relate to your dog on a canine level • There are no "problem breeds," just problem owners • How to choose a dog who's right for you and your family • The difference between discipline and punishment • And much more! Filled with fascinating anecdotes about Cesar's longtime clients, and including forewords by the president of the International Association of Canine Professionals and Jada Pinkett Smith, this is the only book you'll need to forge a stronger, more rewarding connection with your four-legged companion.

In her latest book, Dawn Antoniak-Mitchell turns to the subject of managing and training what she labels "Power Dogs." This grouping includes dozens of breeds who were originally bred to hunt game or to protect people and their property, many of whom were also employed as fighting dogs. These are physically strong dogs relative to their size, usually with a mix of ancient Mastiff and Bulldog ancestry, and some have more recently been bred to Terriers as well. These dogs tend to be protective, tenacious, and often exhibit aggression toward other dogs, but at the same time are playful, energetic and smart.

to thoroughly prepare for your new dog's arrival with calmness and confidence. Basic obedience and household manners are essential for any dog, so you'll learn how to teach your Tibetan Mastiff basic commands such as sit, lie down, and stay. This book will also teach you how to recognize, correct, and prevent bad behavior. Tibetan Mastiffs are known as a relatively healthy breed, but there are a few health problems common to the breed. This guidebook will teach you how to keep your new dog looking and feeling great throughout his lifetime. From basic veterinary care to alternative treatments and grooming, you'll have the necessary knowledge to make informed decisions about your companion's health. From your Tibetan Mastiff's first day at home until he crosses the Rainbow Bridge, this book contains all the information you need to raise a happy and healthy dog. Whether you have questions about housetraining your new puppy or what exercise is best for this noble breed, you can rest assured knowing the answers can be found within these pages.

American Mastiff Written by a professional dog whisperer and dog owner, the American Mastiff Complete Owner's Manual has the answers you may need when researching this very large dog that was originally bred to be a patient and gentle companion. Learn about this sensitive and powerful, relatively new breed, and find out whether the large and powerful "AmMas" will be the best choice for you and your family. Learn everything there is to know, including little known facts and secrets and how to care for every aspect of the American Mastiff's life. This manual contains all the information you need, from birth to the Rainbow Bridge, including transitioning through house breaking, care, feeding, training and end of life, so that you can make a well-informed decision about whether or not this dog is the breed for you. If you already have a American Mastiff, this book will teach you everything you need to know to make your dog a happy dog and to make you a happy dog owner. The author George Hoppendale is an experienced writer and a true animal lover. He enjoys writing animal books and advising others how to take care of their animals to give them a happy home. Co-Author Asia Moore is a professional Dog Whisperer, Cynologist and Author, living on Vancouver Island, off the west coast of British Columbia, in Canada, who believes that all humans and dogs can live together in harmony. She and her dog whispering team, which includes an 8-year-old Shih Tzu named Boris, teach dog psychology to humans, to help alleviate problem behaviors that arise between humans and their canine counterparts so that everyone can live a happy and stress-free life together. Covered in this book: - Bad treats and snacks- Before you buy- Caring for your aging dog- Choosing the right dog- Daily care- Feeding- Finding a breeder- Good treats and snacks- Grooming- Health and common health problems- House training- Medical care & safety- Poisonous Foods & Plants- Pros and Cons- Puppy proofing your home- Temperament- The first weeks- Training- Vital statistics.... and much more.
