Cassia has always trusted the Society to make the right choices for her: what to read, what to watch, what to believe. So when Xander's face appears on-screen at her Matching ceremony, Cassia knows with complete certainty that he is her ideal mate . . . until she sees Ky Markham's face flash for an instant before the screen fades to black. The Society tells her it's a glitch, a rare malfunction, and that she should focus on the happy life she's destined to lead with Xander. But Cassia can't stop thinking about Ky, and as they slowly fall in love, Cassia begins to doubt the Society's infallibility and is faced with an impossible choice: between Xander and Ky, between the only life she's known and a path that no one else has dared to follow. When Lisa Riley comes home for her brother Mark's Christmas Eve wedding, her high school rivalry with his wife Janelle's cousin, Derek Walsh, picks up right where it left off, only this time Derek has the upper hand. Santa bides his time as they battle it out because he's waited a whole year for this mistletoe match-up. **EXCERPT:** The church door burst open

with a flurry of twirling snowflakes. Derek Walsh halted on the bottom step of the entrance hall when a tall, slender figure hustled in, duffle bag slung over her shoulder and a wadded dress bag clutched in her arms. Frozen moisture clung to long black strands of windblown hair, catching the shine of the white lights adorning the church foyer this Christmas Eve. “Stupid snow,” she muttered, wrestling to close the door. The duffle bag slid from her shoulder and hit the ground with a thud. “White Christmases are way overrated.” Whistling wind competed with the organ music in the church. Derek crossed his arms and leaned a hip against the hand rail. Lisa Riley. The bane of his high school existence. She didn’t appear to have changed much in the past nine years; arriving only moments before the bride walked down the aisle. Still thinking only of herself. Still disorganized. Still late. With the door finally closed, she turned and slumped against the oak, heaving a huge sigh. One toss of her head flipped the wild locks back over her shoulder and gave him a clear view of her stubborn chin, full lips, high cheekbones and piercing gray eyes framed by a thick fan of midnight lashes. Still beautiful, damn her. She froze the instant she saw him watching. Her gaze darted around the empty entrance, paused on the closed doors at the top of the steps, and then returned to him. Her mouth thinned into a flat line. “Where is everyone?” “Already started. You’re late.” “I

know.” Her chin lifted as if she prepared to debate him like old times. The strains of Collin Raye’s ballad *The Gift* filtered between the hinges of the doors. Lisa grabbed the duffle bag from the floor and moved away from the doors toward the steps he stood on. “I just need five min—” Derek stepped sideways to block her path. “That’s Janelle’s cue. This is low, even for you.” ~~~ To everything there is a season... Love finds a way during the four seasons in the *Romancing Wisconsin Series*. Stanley Yelnats is under a curse. A curse that began with his no-good-dirty-rotten-pig-stealing-great-great-grandfather and has since followed generations of Yelnatses. Now Stanley has been unjustly sent to a boys' detention center, Camp Green Lake, where the boys build character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn't take long for Stanley to realize there's more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something. But what could be buried under a dried-up lake? Stanley tries to dig up the truth in this inventive and darkly humorous tale of crime and punishment—and redemption. "A smart jigsaw puzzle of a novel." —New York Times

\*Includes a double bonus: an excerpt from *Small Steps*, the follow-up to *Holes*, as well as an excerpt from the New York Times bestseller *Fuzzy Mud*.

Two dominating match up defenses are presented in this book as one defensive package. The first is more compact but really takes the opponent's top player out of their offense. The second is more spread and more aggressive without focusing on one single opposing player. Both are extremely difficult to attack and will baffle even the best of offensive teams.

Virgil's gaze swept up and down the river as he stood over the body and listened... In this short story from the thrilling anthology MatchUp, bestselling authors Lisa Jackson and John Sandford—along with their popular series characters Regan Pescoli and Virgil Flower—team up for the first time ever.

The definitive guide to the 1-1-3 match-up zone is just what the title says. From learning the defense to its many variations all is covered in this book. Includes ofense against the zone, break down drills and trap options.

Within the pages of this book, you will find a detailed approach to teaching a Match Up Zone Defense that has twice the state of Texas in scoring defense. Using man-to-man principles within the concept of a zone defense, Coach Biddison takes you through a step by step process of not only how to run the defense, but how to teach it. In a sense, the Flex Match-Up Zone takes the very best of the man-to-man techniques and combines them with the best zone principles to form a defense that often times confuses the offense. This defense rotates, or flexes, to take on a different shape every time the ball moves or players positions change. The fact that

sometimes it appears as a 1-2-2, other times as a 1-3-1, and still other times as a man-to-man defense, literally takes the offense out of their comfort zone.

This “highly recommended” (Publishers Weekly, starred review) collection edited by New York Times bestselling author Lee Child pairs the beloved characters of twenty-two internationally bestselling writers in “a must-read for fans of the thriller genre” (The Real Book Spy). The incredible follow-up to FaceOff features twenty-two of the world’s bestselling and critically acclaimed thriller writers pairing their series characters in an eleven-story anthology curated by the International Thriller Writers (ITW). MatchUp takes the never-before-seen bestseller pairings of FaceOff and adds a delicious new twist: gender. “Think Dancing With the Stars, but with mysteries” (Booklist) as eleven of the world’s best female thriller writers from Diana Gabaldon to Kathy Reichs to Charlaine Harris are paired with eleven of the world’s best male thriller writers, including John Sandford, C.J. Box, and Nelson DeMille, among others. “This box holds a chocolate or two that will be to everyone’s liking” (Kirkus Reviews). In these innovative stories, their beloved protagonists, Lee Coburn, Joe Pickett, and Jack Reacher—just to name a few—team up to unnerve and satisfy thriller fans worldwide. All of the contributors are ITW members, and the project is edited by ITW member and #1 New York Times bestselling author Lee Child. The lineup includes: Sandra Brown’s Lee Coburn vs. C. J. ### TEN REASONS FOR THE HALF COURT AMOEBA

DEFENSE: (1) Some teams do not attack a matchup type defense as well as a man to man defense. (2) Sometimes defensive changes are necessary to change the tempo and momentum of the game for your team. (3) Some teams have difficulty adjusting to defensive change. (4) The matchup defense covers up and defends very well both the inside and the perimeter game. It covers up the three point shooter as well as or better than any other type of zone defense. It also covers up the inside game very well. (5) Less fouls should be committed in a match up. You can play very aggressive without fouling. (6) The match up defense forces the contested shot! This should lower your opponent's field goal percentage. (7) The matchup gives the team with lesser ability a better chance of winning. If your team has more ability it can help you dominate your opponents. (8) The matchup will neutralize speed, size, and quickness. It will also highlight those qualities if you team has any of them. (9) The matchup is a very good transition defense to fast break from. (10) The matchup forces your players to play as hard as they can for as long as they can. It also lends to developing a great team defensive unity. Also, includes the Full Court Amoeba Defensive System.

Where should we go? All that we knew is gone, and all that we have is each other... In this short story from the thrilling anthology MatchUp, bestselling authors Diana Gabaldon and Steve Berry—along with their popular series characters Jamie Fraser and Cotton Malone—team up for the first time ever. The latest in the best-selling mix-and-match format features irresistible art and a fun story with a charming princess. This

super fun and engaging use of the best-selling mix & match format provides over 200 irresistible costume and story combinations that center around a very mixed up princess. Delightfully rendered in an amusing cartoon style, the princess is dressing up in her favorite costumes, pretending to be everything from a pirate to a dragon to a ballerina. Each page is die-cut into three sections (head, body, and legs) so kids can switch and swap, from head-to-toe, the princess's costumes and surroundings into surprisingly silly scenarios.

A powerful story of sexual awakening and acceptance voiced by an unforgettable protagonist coming of age in post-Soviet Russia. When Mitya was two years old, he swallowed his grandmother's sewing needle. For his family, it marks the beginning of the end, the promise of certain death. For Mitya, it is a small, metal treasure that guides him from within. As he grows, his life mirrors the uncertain future of his country, which is attempting to rebuild itself after the collapse of the Soviet Union, torn between its past and the promise of modern freedom. Mitya finds himself facing a different sort of ambiguity: is he a boy, as everyone keeps telling him, or is he not quite a boy, as he often feels? After suffering horrific abuse from his cousin Vovka who has returned broken from war, Mitya embarks on a journey across underground Moscow to find something better, a place to belong. His experiences are interlaced with a retelling of a foundational Russian fairytale, Koschei the Deathless, offering an element of fantasy to the brutal realities of Mitya's everyday life. Told with deep empathy, humor, and a bit of surreality, *Little Foxes Took Up Matches* is a revelation about the life of one community in a country of turmoil and upheaval, glimpsed through the eyes of a precocious and empathetic child, whose heart and mind understand that there are often more than two choices. An arresting coming of age, an exploration of gender, a modern folktale, a comedy about family, Katya

Kazbeck breaks out as a new voice to watch.

When Wesley Boone writes a poem for his high school English class, some of his classmates clamor to read their poems aloud too. Soon they're having weekly poetry sessions and, one by one, the eighteen students are opening up and taking on the risky challenge of self-revelation. There's Lupe Alvarin, desperate to have a baby so she will feel loved. Raynard Patterson, hiding a secret behind his silence. Porscha Johnson, needing an outlet for her anger after her mother OD's. Through the poetry they share and narratives in which they reveal their most intimate thoughts about themselves and one another, their words and lives show what lies beneath the skin, behind the eyes, beyond the masquerade.
