Fior di Passion è un romanzo romantico. Scritto da Matilde Serao. Wikipedia.

Exiled in Paris, tiny, one-hundred-year-old Mathilde Kschessinska sits down to write her memoirs before all that she believes to be true is forgotten. A lifetime ago, she was the vain, ambitious, impossibly charming prima ballerina assoluta of the tsar's Russian Imperial Ballet in St. Petersburg. Now, as she looks back on her tumultuous life, she can still recall every slight she ever suffered, every conquest she ever made. Kschessinska's riveting storytelling soon thrusts us into a world lost to time: that great intersection of the Russian court and the Russian theater. Before the revolution, Kschessinska dominated that world as the greatest dancer of her age. At seventeen, her crisp, scything technique made her a star. So did her romance with the tsarevich Nicholas Romanov, soon to be Nicholas II. It was customary for grand dukes and sons of tsars to draw their mistresses from the ranks of the ballet, but it was not customary for them to fall in love. The affair could not endure: when Nicholas ascended to the throne as tsar, he was forced to give up his mistress, and Kschessinska turned for consolation to his cousins, two grand dukes with whom she formed an infamous ménage à trois. But when Nicholas's marriage to Alexandra wavered after she produced girl after girl, he came once again to visit his Little K. As the tsar's empire—one that once made up a third of the world—began its fatal crumble, Kschessinska's devotion to the imperial family would be tested in ways she could never have foreseen. In Adrienne Sharp's magnificently imagined novel, the last days of the three-hundred-year-old Romanov empire are relived. Through Kschessinska's memories of her own triumphs and defeats, we witness the stories that changed history: the seething beginnings of revolution, the blindness of the doomed court, the end of a grand, decadent way of life that belonged to the nineteenth century. Based on fact, *The True Memoirs of Little K* is historical fiction as it's meant to be written: passionately eventful, crammed with authentic detail, and alive with emotions that resonate still.

FINANCIAL TIMES BEST BOOKS OF 2017 It is four years since the virus came, killing every adult in its path. Not long after that the electricity failed. Food and water started running out. Fires raged uncontrolled across the country. Now Anna cares for her brother alone in a house hidden in the woods, keeping him safe from 'the Outside', scavenging for food amid the packs of wild dogs that roam their ruined, blackened world. Before their mother died, she told them to love each other and never part. She told them that, when they reach adulthood, the sickness will claim them too. But she also told them that someone, somewhere, will have a cure. When the time comes, Anna knows, they must leave their world and find another. By turns luminous and tender, gripping and horrifying, Anna is a haunting parable of love and loneliness; of the stories we tell to sustain us, and the lengths we will go to in order to stay alive.

Film tie in edition of Alan Bennett's classic memoir. For fifteen years, the recalcitrant Miss Shepherd lived in her broken-down van on Alan Bennett's driveway in Camden. Deeply eccentric and stubborn to her bones, Miss Shepherd was not an easy tenant. Bennett, despite inviting her in the first place, was a reluctant landlord, never under the illusion that his impulse was purely charitable. This account of those years was first published in 1989 in the *London Review of Books*. The play premiered in 1999, directed by Nicholas Hytner and starring Dame Maggie Smith, who reprise those roles in this new film adaptation. Shot on location at Bennett's house, Alex Jennings plays the author, alongside household names including James Corden, Frances de la Tour, Jim Broadbent and Dominic Cooper.

Mathilda (1959) is a posthumous novella by English writer and Romantic Mary Shelley. Written as a means of self-distraction following the deaths of her young children in Italy, Mathilda is a work haunted by tragic loss. Unpublished for over a century, its posthumous appearance helped cement Shelley's reputation as a leading Romantic, an artist unafraid of confronting such themes and taboos as incest and suicide in her work. Mathilda, named after its narrator, traces a young woman's troubled life from birth to her premature deathbed. Following her mother's death during childbirth and her father's subsequent abandonment, Mathilda is raised by her aunt in rural Loch Lomond, Scotland. A gifted reader and promising intellectual, she rises from her difficult circumstances to lead a relatively happy childhood. When, at the age of 16, her father reenters her life, the two reconnect and eventually move together to London. As she begins to receive suitors however, her father's strange jealousy and irrational behavior conceal a terrible secret. When he reveals his incestuous desires to Mathilda, she rejects him, resulting in his suicide and leaving her unmarried, orphaned, and financially unstable. Living in self-imposed exile, she befriends the similarly melancholy Woodville, a young widower and poet who does his best to care for her despite her crushing bouts of depression and frequent suicidal thoughts. Mathilda is an emotionally complex and ultimately difficult novella recognized for its controversial themes and for its parallels to Shelley's own tragic life. With a beautifully designed cover and professionally typeset manuscript, this

edition of Mary Shelley's Mathilda is a classic of English literature reimagined for modern readers.

Un bel mattino passeggiavo con mio padre, secondo il nostro costume; eravamo inseparabili; s'egli andava in un luogo senza di me, di lì a un poco mi vedeano spuntare; pareva che sapessi di doverlo perdere così presto. Ero in su que' bei diciott'anni, e su que' bei colli veronesi. La strada che talora serviva di letto al torrente, serpeggiava profonda, sassosa, sdrucchiola, tutta segnata sulla creta, dalle unghie fesse delle pecore, e dalle scarpe ferrate dei montanari. Due file di càrpini e di querce scapitozzate con macchie di rovi legate insieme da volubili madriselve sorgevano ombrose sull'alto delle due ripe, più a guisa di parete che di siepe, lasciando cadere dai cigli corrosi le pendole barbe delle radici nude.

A lost literary classic, written in 1894, The Viceroy is one of the most acclaimed masterworks of Italian realism. The novel follows three generations of the aristocratic Uzeda family as it struggles to hold on to power in the face of the cataclysmic changes rocking Sicily. As Garibaldi's triumphs move Italy toward unification, the Uzedas try every means to retain their position. De Roberto's satirical and mordant pen depicts a cast of upper-class schemers, headed by the old matriarch, Donna Teresa, and exemplified by her arrogant and totally unscrupulous son, Consalvo, who rises to political eminence through lip service, double-dealing, and hypocrisy. The Viceroy is a vast dramatic panorama: a new world fighting to shrug off the viciousness and iniquities of the old.

Translated here into English for the first time is a monumental work of literary history and criticism comparable in scope and achievement to Eric Auerbach's *Mimesis*. Italian critic Francesco Orlando explores Western literature's obsession with outmoded and nonfunctional objects (ruins, obsolete machinery, broken things, trash, etc.). Combining the insights of psychoanalysis and literary-political history, Orlando traces this obsession to a turning point in history, at the end of eighteenth-century industrialization, when the functional becomes the dominant value of Western culture. Roaming through every genre and much of the history of Western literature, the author identifies distinct categories into which obsolete images can be classified and provides myriad examples. The function of literature, he concludes, is to remind us of what we have lost and what we are losing as we rush toward the future.

She knows what they're really saying: "You don't look like your parents." "You're different." "What race are you really?" And when her parents, who both get engaged at the same time, get in their biggest fight ever, Isabella doesn't just feel divided, she feels ripped in two. What does it mean to be half white or half black? To belong to half mom and half dad? And if you're only seen as half of this and half of that, how can you ever feel whole? It seems like nothing can bring Isabella's family together again—until the worst thing happens. Isabella and Darren are stopped by the police. A cell phone is mistaken for a gun. And shots are fired.
