

May Calendar Girl Book 5 English Edition

From the #1 bestselling author of the beloved Calendar Girl books comes the first in a witty, wise and emotionally compelling new series, where coming home is just the beginning... "Fly free." For ten years those words, written on pink parchment paper in her mother's beautiful handwriting, have been Suda Kaye Ross's guiding star. Every year on her birthday, Suda Kaye opens another of the letters her mother penned before she passed, heeding the advice inside as she fills her life with experiences. From Italy to Australia, from Rio to Russia, she's slaked her wanderlust. And then, on her twenty-eighth birthday, she opens the letter that sends her home. Returning to Colorado means confronting everything—and everyone—she left behind, including her cherished sister, Evie, and her first love, Camden Bryant. Suda Kaye and Cam spent four years and one unforgettable night together. Given the way she ran out on him, it's no surprise that he's wary, resentful...and engaged to someone else. Evie, hardworking and überresponsible, just wants her sister to put down roots at last. For Evie's sake, and her own, Suda Kaye is trying to build a new life, all the while wondering whether it's too late to come back home—or if the most important part of her never really left. Don't miss *On the Sweet Side*, the next book in Audrey Carlan's *The Wish* series! With the emotional pull of Susan Wiggs' and Robyn Carr's engaging family dramas, *On the Sweet Side* is a sassy and emotional strangers-to-sisters story about the enduring power of family—both the one you're born with and the one you choose.

Poltergeists, Egyptian myths, and a series of murders make 1898 a year Sherlock Holmes will never forget. From Camden Town to the diamond district, no part of London is safe. It will take all his skills if Holmes is to keep himself, Doctor Watson, and their friends free from harm. He doesn't need any distractions. What a time for Lady Beatrice to be trapped in a volatile Paris.

It was a crazy idea and good for a laugh at the time: When Tricia Stewart proposed a more risqué treatment for her local Women's Institute's annual calendar, which normally featured tranquil scenes from nature, laughing alongside her was John Baker, the husband of the soon-to-be Miss February, Angela. When John passed away from cancer, the Ladies of Rylstone decided that posing nude for the calendar and donating the proceeds was one way to honor his memory and cope with this devastating loss. No one could have predicted what happened next. The calendar began to sell, and soon the whole world, it seemed, was interested in their story, with an American tour following and appearances on the Today show, 20/20, CNN, and the Tonight Show.

The companion to our bestselling book, *The Care & Keeping of You*, received its own all-new makeover! This updated interactive journal allows girls to record their moods, track their periods, and keep in touch with their overall health and well-being. Tips, quizzes, and checklists help girls understand and express what's happening to their bodies - and their feelings about it.

The multi-million bestselling novel about a young girl's journey towards healing and the transforming power of love, from the award-winning author of *The Invention of Wings* and *The Book of Longings* Set in South Carolina in 1964, *The Secret Life of Bees* tells the story of Lily Owens, whose life has been shaped around the blurred memory of the afternoon her mother was killed. When Lily's fierce-hearted black "stand-in mother," Rosaleen, insults three of the deepest racists in town, Lily decides to spring them both free. They escape to Tiburon, South Carolina--a town that holds the secret to her mother's past. Taken in by an eccentric trio of black beekeeping sister, Lily is introduced to their mesmerizing world of bees and honey, and the Black Madonna. This is a remarkable novel about divine female power, a story that women will share and pass on to their daughters for years to come.

I am in love with these books. –Hooks & Books Blog "This story was exciting, quick; but well paced and full of loveable characters. I haven't met a character in this series that I haven't liked yet!" –Nice and Nau Synopsis It's really simple. I needed money. A lot of money. One million dollars to be exact. The amount didn't matter. All that mattered is that at the end of that price tag held my father's life. No money. No life. The time limit was one year. On January 1st I had to pay up or my Father was going to be killed. When you're faced with an ultimatum like this, you do whatever you have to do. And that's exactly what I did. The job...Exquisite Escorts. My role, serve as high priced arm candy to anyone that can afford the \$100,000 price tag for a month of my company. Sex is optional (for me) and a 20% increase on the price. Mia Saunders just barely escaped a paltry life back home in Las Vegas until she gets the call that her Father has been beaten to within an inch of his life for not paying his gambling debt. Problem is, the lone shark is her lousy, ruthless ex-boyfriend. Another guy in a long line of men she'd fallen head over heels for. Not anymore. Mia's mission is simple. Serve as a high-priced escort for her Aunt's company and pay monthly against her Father's bad debt. A month with a rich man who she doesn't have to sleep with if she doesn't want to? Easy money. At least that's the way it was supposed to go.

For Addison Fairchild, success is a guarantee. Groomed since childhood to run a division of Fairchild Enterprises, she takes her birthright seriously. Maybe a little too seriously if you ask her friends. But work is so much easier than the rest of her life. Her employees hate her, her best friend is worried about her, and her last date was hide-in-the-restroom awkward. If all that wasn't bad enough, she's stuck with a new cheerful-happy-annoyingly-morning-person assistant just when the head of FE is about to choose a successor—a job Addison wants so badly, she can taste it. For Katie Cooper, money has never been important. That is, until her father gets dementia and needs full time care. As the bills start to pile up, Katie takes a second job as a temporary personal assistant. Two minutes and one spilled cup of coffee later, she's sure she's not ready for Addison Fairchild—her hard head, her know-it-all attitude, or her gorgeous face. Forced to work together, Addison and Kate discover that opposites really do attract.

"A sexy, fast-paced, and downright addictive read. I devoured every word of Mia's journey." –Meghan March, USA Today Bestselling Author Synopsis Life, Love, Laughter. Three things I never expected to experience in the month of giving thanks, but that is just what I received. Wes had survived Hell on Earth, and was back where he was meant to be...in my arms and my bed. For good. There would be no breaking us apart after the trauma we experienced up to this point. My new job with Century Production sent me to the big apple to interview celebrities for a special segment on being thankful. What is a girl to do when she has an entire host of celebrity friends from her past year of travels? You better believe I called up my friends Mason Murphy, all-star pitcher for the Red Sox, and Anton Santiago, the Latin Lov-ah, to participate. They were all too happy to oblige, only my guy's feathers were a bit ruffled by the ease with which they came running. Add in my new family and you've got a fairytale Thanksgiving. Except for one tiny detail...the single seat at the table, left open by the hole in my heart that only one person could fill. *** In the eleventh book of the Calendar Girl serial, Mia is off to New York City to film a segment for her new job. Now that her debt has been paid, and the threat from her ex is gone, she no longer has to live life as an escort. Only life has thrown her some new challenges to round out her year. Each installment in the Calendar Girl Serial will release every month throughout 2015. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

"Be prepared for a serious book hangover as you embark on a year's worth of sexy heroes and wild rides!" –Meredith Wild, #1 NYT Bestselling Author of the Hacker Series Synopsis A fiancée. I'm going to Chicago to pretend to be some Italian Stallion's future wife. Why a massive hunk, boxer, and rich restaurateur needs a fake bride is beyond me. Then again, I'm not paid to know why. I'm paid \$100,000 to be his escort, or in this case, the woman he's supposedly "going" to marry. The moment I met Antony "Tony" Fasano, I thought I might have lost my ability to breathe. In my twenty four years of life, I'd not seen anything like him. Clad only in a small towel precariously dangling from his hips--water droplets streaming down every inch of his muscular frame--I knew right then and there, I'd finally seen male perfection in all its raw glory. What happened next blew me away. It was now abundantly clear why he needed me...a fake fiancée.

My name is Honor, but I have none to speak of. I'm a high-society princess on the verge of ending it all. I have nothing to show for my life, though my bank account would say

otherwise. Money and status has controlled every ounce of my world and I want no part of it. It's what took away the most important person in my life. He's gone and I'm alone, and no one is here to save me. Pain is the only pleasure I can feel anymore. To find a healthier avenue to deal with my grief, I turned to Lotus House Yoga for salvation—and found it in the tall, dark, and brutally attractive Nicholas Salerno. He's everything I'm not. Lives every day to the fullest, loves his family, and goes after what he wants with a thrust that's unmatched. I can't help but be swept up in his beauty as he attempts to show me the light and reawaken my desires. Except Nick doesn't know what I've hidden, and I'm afraid he'll despise what he finds...when my sins are no longer silent.

"Be prepared for a serious book hangover as you embark on a year's worth of sexy heroes and wild rides!" –Meredith Wild, #1 NYT Bestselling Author of the Hacker Series Synopsis Vegas, Viscous Exes, and Ventilators. My life felt like a fast ride on a too short highway. Coming home should be roses and rainbows, but nothing that comes out of the desert blooms free. I was most certainly not free. I'd missed my payment to Blaine, owed the last client a hundred grand I didn't have, and my father was on his deathbed. To make matters worse, Wes was missing in action. As in, no one had seen or heard from him in three weeks. Devastation didn't begin to explain where my mental state was at. Like anything life had thrown my way, I pulled on my big girl panties, not the sexy lacy ones I enjoyed teasing my guy with, but the kind that said, "This ass means business." I had no choice but to make the decision I made. My ex, the man that ruined the concept of love for me, put my father in the hospital, was about to get everything he ever wanted...at least that's what I led him to believe. *** In the ninth book of the Calendar Girl serial, Mia rushes back home to Las Vegas, Nevada. Things have taken a turn for her father, putting her into debt up to her eyeballs. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia's journey as an escort to twelve clients in twelve different locations.

#1 NEW YORK TIMES BESTSELLER • Discover the life-changing memoir that has inspired millions of readers through the Academy Award®-winning actor's unflinching honesty, unconventional wisdom, and lessons learned the hard way about living with greater satisfaction. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE GUARDIAN "McConaughey's book invites us to grapple with the lessons of his life as he did—and to see that the point was never to win, but to understand."—Mark Manson, author of *The Subtle Art of Not Giving a F*ck* I've been in this life for fifty years, been trying to work out its riddle for forty-two, and been keeping diaries of clues to that riddle for the last thirty-five. Notes about successes and failures, joys and sorrows, things that made me marvel, and things that made me laugh out loud. How to be fair. How to have less stress. How to have fun. How to hurt people less. How to get hurt less. How to be a good man. How to have meaning in life. How to be more me. Recently, I worked up the courage to sit down with those diaries. I found stories I experienced, lessons I learned and forgot, poems, prayers, prescriptions, beliefs about what matters, some great photographs, and a whole bunch of bumper stickers. I found a reliable theme, an approach to living that gave me more satisfaction, at the time, and still: If you know how, and when, to deal with life's challenges—how to get relative with the inevitable—you can enjoy a state of success I call "catching greenlights." So I took a one-way ticket to the desert and wrote this book: an album, a record, a story of my life so far. This is fifty

years of my sights and seems, felts and figured-outs, cools and shamefuls. Graces, truths, and beauties of brutality. Getting away withs, getting caughts, and getting wets while trying to dance between the raindrops. Hopefully, it's medicine that tastes good, a couple of aspirin instead of the infirmary, a spaceship to Mars without needing your pilot's license, going to church without having to be born again, and laughing through the tears. It's a love letter. To life. It's also a guide to catching more greenlights—and to realizing that the yellows and reds eventually turn green too. Good luck.

His name is as sexy as he is, and it rolls off the tongue the same way his muscled form rolls to his music. The newest sizzling romance from Audrey Carlan, the #1 New York Times bestselling author of the Calendar Girl series. Twice my life changed in a single day. The first was when I lost my parents. Hand in hand I walked with my big sister up the steps of Kerrighan House, a foster home for girls. We were lucky to be met with open arms and a house filled with children just like us. Children who'd lost everything. From that day forward, we were raised as one big family. Our bonds of sisterhood were strengthened through shared experience, pain, sacrifice, and love. Sisters not by blood, but by choice. Soul sisters. The second day my life changed was on the worst day of my adult life. My boyfriend broke up with me via text. My sleazy boss hit on me, forcing me to quit a job I desperately needed. And the cherry on top, was getting pulled over by an FBI Agent. Little did I know, he'd also save my life that night. From the moment we met, Agent Fontaine wouldn't dare let me out of his sight. And between his alpha ways, kind brown eyes, and heroism, I was lost to the man who hid behind his job. But this agent had a rule: never fall for a woman you've saved. Yet I wasn't just any woman. I was known among my sisters for taking risks and dreaming big. I was the wild child of the group. We were raised to appreciate every day as the gift it was, and not let anything stand in our way. The more I got to know the brooding, serious FBI man, the

more I realized maybe it was my duty to save him.

"A sexy, fast-paced, and downright addictive read. I devoured every word of Mia's journey." –Meghan March, USA Today Bestselling Author Synopsis Swimsuits, sun, surfing, and a sexy Samoan. I headed to the island of Oahu, Hawaii to meet with cutting-edge swimsuit fashion designer, Angel D'Amico, to serve as head model for the "Beauty Comes in All Sizes" swimsuit campaign. The designer wants to show the world that beauty is not just a size two. My curves got me into this gig, and, the moment I laid eyes on my modeling "partner," I'd never been happier with my buxom form. Tai Niko had everything the average man lacked. Height, broad shoulders, a nipped in waist, square pecs, tree trunk thighs, and a look that rivaled "The Rock." The part that made me drool and weakened my knees, was the thick, intricate tribal tattoos running down the entire left side of his muscled frame from shoulder to ankle. The design was unlike anything I'd ever seen, and I couldn't wait to trace the tips of my fingers over every inch. *** In the fifth book of the Calendar Girl serial, Mia is sent to Oahu, HI. Still on her mission to save her father, she embraces the model life to prove beauty really does come in all sizes. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia's journey as an escort to twelve clients in twelve different locations.
