Abby Thompson's love life is a disaster. Everyone around her is blissfully falling in love, while she's busy binge watching anime. The last thing she needs is a walking temptation, in the form of ex-nerd turned dreamy astrophysics professor, Spencer Hill, aka her new client. It's her job to find Spencer his dream home, NOT fantasize about a ride on his space rocket. But the sparks between them are impossible to ignore, and soon, Abby is wondering if her losing streak in love could be turning around. Can she get over her anxiety he's got her out-brained, and can he let go of the past and the fear that the girl he crushed on in high school is still out of his league? Find out in the new feel-good romantic comedy from New York Times and USA Today bestselling author, Carey Heywood!
