Everyone's got an opinion on applying to bschool. A Google search returns 400 THOUSAND results for "how to get into hbs". Most of them are free blogs and forums. You've probably come across dozens of admissions "experts" who charge \$500/hour to help you "craft" that perfect story and "fine tune" those all-important essays. Why spend all that time reading amateur bloggers who don't know what they're talking about and worse, provide misleading advice? Why pay \$1000s to people who may have gotten into a good school, but only represent one experience? That's why we created The Best Book. We wanted to provide the definitive insider's guide to bschool admissions. We found 9 students from the best bschools including: * HBS * GSB * Wharton * Northwestern * UChicago * A Stanford dual degree (GSB & Stanford Law) * A Harvard 2+2 In 243 PACKED pages and for only \$25 bucks, they share exactly how they got in - from selecting the right people to write their recommendations, to brainstorming and writing their essays, to deciding on round 1 vs 2 vs 3.

In this updated guide, Vault publishes the entire surveys of current students and alumni at more than 100 top business schools. Each 4- to 5-page entry is composed almost entirely of insider comments from students and alumni. Each school profile features surveys of about 10 students or alumni. These narratives provide applicants with detailed and balanced perspectives and insider information on admissions and employment prospects, which is lacking in other business school guides.

Master the GMAT: GMAT Verbal Section, part of Peterson's Master the GMAT 2013, offers a step-by-step approach to handling and successfully tackling any Verbal question on the GMAT. Critical Reading review offers tips on the following question types: assumption, additional evidence, inference, strategy, hypothesis, necessary inference, and parallel argument. Sentence Correction review includes grammatical errors involving parts of speech; problems with sentence structure; errors in parts of speech; redundancy, wordiness, awkwardness, and omissions; and problems in tense, voice, and mood. Reading Comprehension review includes techniques for interactive reading, sample reading passages and question types, techniques for effective and efficient reading, and Top 10 wrong-answer ploys. Numerous sample reading exercises offer the practice you need to score high on the Verbal part of the GMAT.

This in-depth guide takes the mystery out of complex reading passages by providing a toolkit of sketching techniques that aim to build comprehension, speed, and accuracy. Learn to identify the underlying structure of reading passages and develop methods to tackle the toughest comprehension questions.
