The popular Flash Kids Workbooks now features STEM enrichment sections and easy-to-tackle projects for wherever learning takes place! This comprehensive line of workbooks was developed through a partnership with Harcourt Family Learning, a leading educational publisher. Based on national teaching standards for Grade 6, this workbook provides complete practice in math, reading, and other key subject areas. New content includes an introduction to STEM concepts and terms, how STEM impacts everyday life, concept review quiz, and fun, engaging projects that reinforce the subjects. Flash Kids Complete Curriculum Grade 6 also includes a new introduction providing recommendations for educators on how to use this volume to differentiate lessons in the classroom and instructions to integrate the content into hybrid and remote learning.

Vocabulary skills come easy when practice is fun! If you are looking for extra vocabulary help for your middle school student, you will find this book an invaluable resource.

Featuring hundreds of essential vocabulary words, this book offers extensive opportunities for students to learn the vocabulary found in sixth, seventh, and eighth grade curriculums. Each of the book's dozens of lessons focuses on a group of words that will strengthen your student's vocabulary. After the introduction of new vocabulary, each lesson includes three worksheets designed to make learning new words easy and fun. Vocabulary Grades 6-8 features:

- More than 500 words appropriate for students in grades 6 through 8
- 45 engaging lessons that will help your student learn both meaning and usage
- Vocabulary related to math, social studies, science, health, and time
- A puzzle format that makes practicing vocabulary fun
- The tools to master synonyms, antonyms, homophones, and easily confused words
- Guidance on learning prefixes, suffixes, and compound words
- An alphabetical word list at the end of the book that makes looking up vocabulary easy

After completing this workbook, your middle school student's new word skills will help your child to excel in both the classroom and on standardized tests.
