

## Mcgraw Hill Teacher Edition

Texas Wonders is designed to foster a love of reading in all children. Through exploration of texts and daily development of their skills as readers, writers, speakers, and active listeners, students experience the power of literacy. Our focus on teaching the whole child, and every child, prepares students to be lifelong learners and critical thinkers. ?

"Science meets students where they are through engaging features and thought-provoking questions that encourage them to relate the science concepts to the world around them. The inquiry-based 5E lesson cycle provides active, hands-on explorations of the concepts to the world around them"--Publisher Website.

Students develop the vocabulary, background information and thinking skills they need to read content-area textbooks and learn new information. Corrective Reading

Comprehension develops: The thinking tactics used by successful readers-applying prior knowledge, making inferences and analysing evidence. Students learn literal and inferential skills necessary to read content-area textbooks and learn new information. Reasoning and analysis strategies are taught in content-rich contexts, enabling students to transfer newly learned skills to many subject areas. Writing activities include exercises to help students become more facile with mechanics and paragraph form as well as prompts that elicit their imagination. Students build a solid foundation of concepts and skills upon which comprehension thrives.

McGraw-Hill My Math develops conceptual understanding, computational proficiency, and mathematical literacy.

Students will learn, practice, and apply mathematics toward becoming college and career ready.

Applying Life Skills, formerly known as Today's Teen, is

a major revision of this hands-on comprehensive Family & Consumer Sciences program. This new edition blends a practical, hands-on approach with a fresh new design, interesting features, and new photographs to enhance readability and promote learning. Students will learn and apply essential life skills.

Concise and focused, the Wonders Reading/Writing Workshop is a powerful instructional tool that provides students with systematic support for the close reading of complex text.
