The #1 New York Times Bestseller Jessica reveals for the first time her inner monologue and most intimate struggles. Guided by the journals she's kept since age fifteen, and brimming with her unique humor and down-to-earth humanity, *Open Book* is as inspiring as it is entertaining. This was supposed to be a very different book. Five years ago, Jessica Simpson was approached to write a motivational guide to living your best life. She walked away from the offer, and nobody understood why. The truth is that she didn't want to lie. Jessica couldn't be authentic with her readers if she wasn't fully honest with herself first. Now America's Sweetheart, preacher's daughter, pop phenomenon, reality tv pioneer, and the billion-dollar fashion mogul invites readers on a remarkable journey, examining a life that blessed her with the compassion to help others, but also burdened her with an almost crippling need to please. *Open Book* is Jessica Simpson using her voice, heart, soul, and humor to share things she's never shared before. First celebrated for her voice, she became one of the most talked-about women in the world, whether for music and fashion, her relationship struggles, or as a walking blonde joke. But now, instead of being talked about, Jessica is doing the talking. Her book shares the wisdom and inspirations she's

learned and shows the real woman behind all the pop-culture cliché's — “chicken or fish,” “Daisy Duke,” “football jinx,” “mom jeans,” “sexual napalm...” and more. Open Book is an opportunity to laugh and cry with a close friend, one that will inspire you to live your best, most authentic life, now that she is finally living hers.

A MEMOIR BY THE YOUNGEST RECIPIENT OF THE NOBEL PEACE PRIZE

As seen on Netflix with David Letterman "I come from a country that was created at midnight. When I almost died it was just after midday." When the Taliban took control of the Swat Valley in Pakistan, one girl spoke out. Malala Yousafzai refused to be silenced and fought for her right to an education. On Tuesday, October 9, 2012, when she was fifteen, she almost paid the ultimate price. She was shot in the head at point-blank range while riding the bus home from school, and few expected her to survive. Instead, Malala's miraculous recovery has taken her on an extraordinary journey from a remote valley in northern Pakistan to the halls of the United Nations in New York. At sixteen, she became a global symbol of peaceful protest and the youngest nominee ever for the Nobel Peace Prize. **I AM MALALA** is the remarkable tale of a family uprooted by global terrorism, of the fight for girls' education, of a father who, himself a school owner, championed and encouraged his daughter to write and attend school, and of brave parents who have a fierce love for their daughter in a society that prizes sons. **I AM**

MALALA will make you believe in the power of one person's voice to inspire change in the world.

Data is fundamental to the modern world. From economic development, to healthcare, to education and public policy, we rely on numbers to allocate resources and make crucial decisions. But because so much data fails to take into account gender, because it treats men as the default and women as atypical, bias and discrimination are baked into our systems. And women pay tremendous costs for this bias, in time, money, and often with their lives. Celebrated feminist advocate Caroline Criado Perez investigates shocking root cause of gender inequality and research in *Invisible Women*†, diving into women's lives at home, the workplace, the public square, the doctor's office, and more. Built on hundreds of studies in the US, the UK, and around the world, and written with energy, wit, and sparkling intelligence, this is a groundbreaking, unforgettable exposé that will change the way you look at the world.

EstA(c)s, Ph.D., features rare interview excerpts with this internationally acclaimed Jungian analyst and cantadora (keeper of the old stories). First released three years before the print edition of *Women Who Run With the Wolves* (Ballantine books, 1997) made publishing history (more than 2 million copies sold worldwide), this landmark audio probes the instinctual nature of women through world myths, folktales, and commentary. Through an exploration into the nature of the wild woman archetype, Dr. EstA(c)s helps listeners discover and reclaim their passion, creativity, and power.

Four alternate selves from radically different realities come together in this “dazzling” and “trailblazing work” (The Washington Post). Widely acknowledged as Joanna Russ’s masterpiece, *The Female Man* is the suspenseful, surprising, darkly witty, and boldly subversive chronicle of what happens when Jeannine, Janet, Joanna, and Jael—all living in parallel worlds—meet. Librarian Jeannine is waiting for marriage in a past where the Depression never ended, Janet lives on a utopian Earth with an all-female population, Joanna is a feminist in the 1970s, and Jael is a warrior with claws and teeth on an Earth where male and female societies are at war with each other. When the four women begin traveling to one another’s worlds, their preconceptions on gender and identity are forever challenged. With “palpable anger . . . leavened by wit and humor” (The New York Times), Russ both employs and upends genre conventions to deliver a wickedly satiric and exhilarating version of when worlds collide and women get woke. This ebook includes the Nebula Award–winning bonus short story “When It Changed,” set in the world of *The Female Man*.

contributions of more than fifty influential female leaders whose words and actions are a passionate call to arms. Distraught by the results of the 2016 election and the realization that the nation was not ready for its first female president, Kimothy Joy found herself poring over the biographies of brave women throughout history—those who persisted in the face of daunting circumstances—to learn from their experiences. Turning to art, Joy channeled her feelings to the canvas, bringing these strong women to life in bold watercolor portraits surrounded by inspirational hand-lettered quotes. With each creation, Joy found catharsis and hope. She shared her watercolors with her online community and encouraged everyone to raise their own voices and recharge for the battles ahead. Now, in this beautiful gift book, Joy has gathered her stunning illustrations and quotes and paired them with surprising, illuminating biographies of her subjects to inspire women of all ages, races, and backgrounds. *That's What She Said* honors a powerful and diverse group of over fifty women—from Maya Angelou, Gloria Steinem, and Virginia Woolf to Sojourner Truth, Malala Yousafzai, and Ruth Bader Ginsburg—role models whose words and insights remind us that we must never give up the fight for a more just and equitable society. Reclaiming the derogatory cultural barb "that's what she said," this stunning book celebrates strong female leadership throughout history and empowers current and future generations to find their voices and inspire change in their communities.

In October 1928 Virginia Woolf was asked to deliver speeches at Newnham and Girton Colleges on the subject of 'Women and Fiction'; she spoke about her conviction that 'a woman must have money and a room of her own if she is to write fiction'. The following year, the two speeches were published as *A Room of One's Own*, and became one of the foremost feminist texts. Knitted into a polished argument are several threads of great importance –

women and learning, writing and poverty – which helped to establish much of feminist thought on the importance of education and money for women’s independence. In the same breath, Woolf brushes aside critics and sends out a call for solidarity and independence – a call which sent ripples well into the next century. 'Brilliant interweaving of personal experience, imaginative musing and political clarity' — Kate Mosse, *The Guardian* 'Probably the most influential piece of non-fictional writing by a woman in this century.' — Hermione Lee, *The Financial Times*

revolution! It is time to claim your Warrior Goddess energy.' This is a book that teaches women to see themselves as perfect just the way they are, to resist society's insistence that they seek value, wholeness and love through something outside themselves, such as a husband, children, boyfriend, career or a spiritual path. Author HeatherAsh Amara has written this book as a message for women struggling to find themselves under these false ideals. Amara challenges women to be 'warrior goddesses', to be a woman who:

- Ventures out to find herself
- Combats fear and doubt
- Reclaims her power and vibrancy
- Demonstrates her strength of compassion and fierce love

Her approach draws on the wisdom from Buddhism, Toltec wisdom and ancient earth-based goddess spirituality, and combines them all with the goal of helping women become empowered, authentic and free. Included here are personal stories, rituals and exercises that encourage readers to begin their own journey towards becoming warrior goddesses.

Revolutionary War hero John Paul Jones, "Captain Paul" is a rollicking melodrama, packed with action and romance. A fine precursor to Dumas' later classics, it's especially recommended for fans of naval adventures, like C.S. Forester's "Hornblower" series. Alexandre Dumas (1802 - 1870) was a hugely popular 19th Century French writer. Born of mixed French and Haitian heritage, Dumas first rose to prominence in Paris as a playwright, but later gained international fame with his historical fiction. Often co-authored with other writers, these stories wove together swashbuckling adventure, romance, and real events from France's past. Among the best known are "The Three Musketeers", and its sequels "Twenty Years After", and "Le Vicomte de Bragelonne: Ten Years Later". Set across four decades, this trilogy follows the rise of the dashing D'Artagnan—from hot-headed soldier to trusted captain under Louis XIV. Dumas' other novels include "The Count of Monte Cristo" and "The Black Tulip". His works have been adapted into more than 200 movies, including The Man in the Iron Mask starring Leonardo DiCaprio.

themselves back in their careers. Her talk, which has been viewed more than six million times, encouraged women to “sit at the table,” seek challenges, take risks, and pursue their goals with gusto. *Lean In* continues that conversation, combining personal anecdotes, hard data, and compelling research to change the conversation from what women can’t do to what they can. Sandberg provides practical advice on negotiation techniques, mentorship, and building a satisfying career. She describes specific steps women can take to combine professional achievement with personal fulfillment, and demonstrates how men can benefit by supporting women both in the workplace and at home. Written with humor and wisdom, *Lean In* is a revelatory, inspiring call to action and a blueprint for individual growth that will empower women around the world to achieve their full potential.

pressures, to-do's and responsibilities. We find ourselves rushing around, working hard to please others. Often we find ourselves at the back of our own bus, having made everyone else happy but our own damn self. Then you go and beat yourself up about it. Let's stop that, shall we? The incredible art of self-affirmation: Positive living and affirmation queen Becca Anderson reminds you that you are pretty darn great. I had to learn to remind myself, but you know what? It feels pretty darn good. It is even kind of addictive in the best way. There are reasons we need esteem boosters. We pick up scars and get bumps and bruises in daily life. If you had a bad childhood, you have old "tapes" from poor parenting looping through your unconscious brain. "You'll never amount to anything. You're not good at sports. Your sister has a better singing voice than you, so we're sending her to music camp and you can stay behind and babysit." Even nice moms and dads perpetrate these parenting errors that leave marks on our souls. But, we can overcome with the right mix of badass affirmations. Every day and in every way, you can learn the art of self-affirmation. Self-affirmation adjustment: If you find yourself feeling overwhelmed and drained by life's busyness and demands, stop in your tracks and do an attitude adjustment, or more specifically a "gratitude adjustment." You have need for some "me TLC" and a dose of radical self-affirmation. In *Badass Affirmations* you will: • Learn the

habit of affirming yourself daily • Experience a life filled with love, joy, fulfillment and satisfaction • Take control of your destiny • Strengthen your self-esteem

Written in the style of a memoir, *My Ántonia* chronicles Jim Burden's friendship with the daughter of a Czech immigrant family. Recently orphaned, he moves west to Nebraska to live with his grandparents. Riding the same train is the Shimerda family, who are also on their way to settle in the area. The Shimerdas have a difficult life as pioneers: living in a sod house, working the fields, and running out of food in the winter. Jim soon becomes smitten with Ántonia, the eldest daughter, as they grow up and explore the landscape around them together. Through his eyes, we see both how she shapes the land around her and is shaped by the rigors of poverty. Similarly to Jim, Willa Cather spent her early years in Nebraska but most of her adult life in Eastern cities. She pays homage to her homeland with her Prairie Trilogy of novels: *O Pioneers!*, *The Song of the Lark*, and *My Ántonia*. They are tinged with her characteristic straightforward language, reverence for nature, and nostalgia, even as she acknowledges the hardships of the past. Published in 1918 to great enthusiasm, *My Ántonia* is considered one of Cather's finest works and a defining point in her identity as a writer. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

home in Amsterdam and went into hiding. The family was apprehended in 1944, and Anne Frank died of typhus in the Bergen-Belsen concentration camp in 1945. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short. The diary was retrieved by Miep Gies, who gave it to Anne's father, Otto Frank, the family's only known survivor, just after the war was over. The diary has since been published in more than 60 languages.

What is feminism? In this short, accessible primer, bell hooks explores the nature of feminism and its positive promise to eliminate sexism, sexist exploitation, and oppression. With her characteristic clarity and directness, hooks encourages readers to see how feminism can touch and change their lives—to see that feminism is for everybody.

A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

Crossroads: A Glimpse into the Life of Alice Pasquini is the artist's first anthology, one of the top female international street artists. In over 300 pages, 200 images and a number of original extracts from her sketchbook, *Crossroads* tells the story and showcases the artwork of Alice Pasquini. Alice is a prolific illustrator, creative designer and painter who has been gifting cities with her artwork for over a decade: through her work, women and children become an integral feature of any urban surrounding. From large artwork - like the wall of the Italian Museum in Melbourne - to small cameos in London or Marseille, Alice's creativity shines through in every city thanks to her unique style. The images in *Crossroads* have been taken from photographers the likes of Martha Cooper and Ian Cox. The book is brought together by a

That's What She Said! 366 Leadership Quotes by Women is a quote book from women leaders for anyone who leads. It is a celebration and affirmation of women's words on leadership. We dare speak our own truth about power, confidence, communication, purposefulness, collaboration, and support because our words do matter. Taking quotes from speeches and books, interviews and articles, conversations and notes, leadership development expert Dr. Jeanne Porter King has compiled a volume that both women and men, seasoned leaders and aspiring leaders alike, can find empowering as they strive to lead effectively and help others grow. This book highlights the wisdom of national leaders, corporate executives, first ladies, civic leaders, business owners, ministry leaders, authors, poets, actresses, singers, activists, screenwriters, and some fictional characters that lead. There s a quote for every day of the year, including a leap year. And the quotes are arranged in categories such as courageous leadership, authentic leadership, and power-full leadership to name a few. Not your typical quote book, That's What She Said also features a bio for every woman quoted and cites the sources for each quote. If you are a leader looking for a daily dose of inspiration on how to lead well, That's What She Said will motivate you.

'I am a woman's rights. I have plowed and reaped and husked and chopped and mowed, and can any man do more than that? I am as strong as any man that is now' A former slave and one of the most powerful orators of her time, Sojourner Truth fought for the equal rights of
