The story of the birth of the Religious Right is a familiar one. In the 1970s, mainly in response to *Roe v. Wade*, evangelicals and conservative Catholics put aside their longstanding historical prejudices and theological differences and joined forces to form a potent political movement that swept across the country. In this provocative book, Neil J. Young argues that almost none of this is true. Young offers an alternative history of the Religious Right that upends these widely-believed myths. Theology, not politics, defined the Religious Right. The rise of secularism, pluralism, and cultural relativism, Young argues, transformed the relations of America's religious denominations. The interfaith collaborations among liberal Protestants, Catholics, and Jews were met by a conservative Christian counter-force, which came together in a loosely bound, politically-minded coalition known as the Religious Right. This right-wing religious movement was made up of Mormons, conservative Catholics, and evangelicals, all of whom were united--paradoxically--by their contempt for the ecumenical approach they saw the liberal denominations taking. Led by the likes of Jerry

Falwell, they deemed themselves the "pro-family" movement, and entered full-throated into political debates about abortion, school prayer, the Equal Rights Amendment, gay rights, and tax exemptions for religious schools. They would go on to form a critical new base for the Republican Party.

Examining the religious history of interfaith dialogue among conservative evangelicals, Catholics, and Mormons, Young argues that the formation of the Religious Right was not some brilliant political strategy hatched on the eve of a history-altering election but rather the latest iteration of a religious debate that had gone on for decades. This path breaking book will reshape our understanding of the most important religious and political movement of the last 30 years.

For more than fifty years, Hoover has been viewed as a lily-white racist who attempted to revitalize Republicanism in the South by driving blacks from positions of leadership at all party levels. Lisio demonstrates that this view is both inaccurate and incomplete, that Hoover hoped to promote racial progress. He shows that Hoover's efforts to reform the southern state parties led to controversy with lily-whites as well as blacks in both the North and the South. Originally published in 1985. A UNC Press Enduring Edition -- UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that

were previously out of print. These editions are published unaltered from the original, and are presented in affordable paperback formats, bringing readers both historical and cultural value.

Mysticism in India is a complete and informative description of the teachings, works, and lives of the great poet-saints of Maharashtra written by a scholar and professor who was also a mystic. Jnaneshwar, Namadev, Tukaram, Eknath, Ramdas, and the other saints discussed belonged to the great devotional religious movement that spread through medieval India. With the exception of Ramdas, they all belonged to the tradition of the Varkaris, the most popular sect in contemporary Maharashtra. Their compositions exemplify the universality of their faith and practice, and are recognized as literary treasures. Ranade was primarily interested in the poet-saints as mystics--teachers of the perennial philosophy--whose experiences have general metaphysical and religious implications. At the heart of his classic is a comprehensive, objective presentation of the thought of these saints, augmented by a deep appreciation of their value and relevance to present-day scholars and seekers. Mysticism in India is the only major study in English of medieval Indian religious literature. The book's enduring value has been enhanced by the addition of a foreword by a scholar currently working in Marathi literature, and a preface by a present-day poet-saint of

Maharashtra.

Some vols. also contain reports of cases in the General Court of Virginia.

The ultimate history of the Allied bombing campaigns in World War II Technology shapes the nature of all wars, and the Second World War hinged on a most unpredictable weapon: the bomb. Day and night, Britain and the United States unleashed massive fleets of bombers to kill and terrorize occupied Europe, destroying its cities. The grisly consequences call into question how “moral” a war the Allies fought. The Bombers and the Bombed radically overhauls our understanding of World War II. It pairs the story of the civilian front line in the Allied air war alongside the political context that shaped their strategic bombing campaigns, examining the responses to bombing and being bombed with renewed clarity. The first book to examine seriously not only the well-known attacks on Dresden and Hamburg but also the significance of the firebombing on other fronts, including Italy, where the crisis was far more severe than anything experienced in Germany, this is Richard Overy’s finest work yet. It is a rich reminder of the terrible military, technological, and ethical issues that relentlessly drove all the war’s participants into an abyss.

Preparing for any Examination calls for a lot of discipline and perseverance on the part of a student. We at Oswaal Books have always strived to be a student's closest companion, his guiding light and his trusted friend by helping him sail through this important phase with utmost ease and confidence and emerge a winner!! In order to excel, a student not only has to be updated with the latest CISCE Board curriculum but also stay focused and use necessary exam tools to his advantage. CISCE has released an updated curriculum for Academic Year 2018-2020 on which Oswaal Books has based all its Exam Preparatory Material. Oswaal Books has always been proactive to follow the changes proposed by the Board and implement the same as soon as possible to put the students, parents and teachers at ease. The Oswaal ISC Sample Question Papers have been developed as per the latest Board guidelines in order to support the students during the crucial exam preparatory phase. They provide the most formidable combination of Questions along with top notch Learning Tools to empower the students to conquer every examination they face. Each Sample Question Paper has been designed with a lot of care and precision. Our panel of experts have tried their best to arrange each Sample Question Paper in such a way that it gives the students an exact feel of the Final Examination. Special care has been taken to keep all the solutions simple and precise. 5 Sample Paper are solved in this book itself, while for the solutions of the other 10, you can visit www.oswaalbooks.com and download the solutions at any time. (Refer to the QR code). Some of the key highlights of Oswaal Sample Papers are: • 15 Sample Question Papers covering important concepts

from an examination perspective (1-5 solved and 6-15 for Self-Assessment with Hints given in the book itself) • All Typologies of Questions specified by CISCE included for examination success • Answers from the CISCE Marking Scheme upto 2018 Exam with detailed explanations as per the word limit for exam-oriented study • On Tips Notes for crisp revision • 'Answering Tips' for clearer thinking • 'Mind Maps' for improved learning • Oswaal Grammar Charts to facilitate effective concept clarification (Only in English SQPs) We hope Oswaal Sample Papers empower each and every student to excel, now and always!! OSWAAL BOOKS = LEARNING MADE SIMPLE

This volume is the final in the Yale Boswell Editions' manuscript edition of the Life of Johnson, a four-volume sequence designed to stand as a research supplement to the Hill-Powell version of the Life. The first volume, edited by Marshall Waingrow and covering the years 1709-1765, appeared in 1994, and the second, 1766-1776, edited by Bruce Redford with Elizabeth Goldring, in 1998. The third, 1776-1780, edited by Thomas F. Bonnell was published in 2012. This fourth volume traces Boswell's processes of composition from first draft to final publication. It restores much deleted material and passages lost or overlooked at proof and revision stage. It also corrects a host of errors--from compositorial to misreadings--that have stood in all editions of Boswell's biographical masterwork. Thomas Bonnell's annotation clarifies a range of textual issues, and sheds revealing light on Boswell's processes of selection and deletion.
