

Memoria De Elefante Antonio Lobo Antunes

Tobias Bleicker

Memoria de elefante António Lobo Antunes, 2012-07-05 *Memoria de elefante*, primera novela de António Lobo Antunes, es el retrato de una crisis existencial. El protagonista, un psiquiatra residente en Lisboa cuya verdadera vocación es la escritura, cuenta, a través de una voz exuberante, facetas y capítulos de su vida, haciendo hincapié en los aspectos más íntimos y comprometidos. A lo largo de un día y una noche el héroe y narrador de esta historia pone de manifiesto la voluntad de escucharse a sí mismo, y de este modo hallar definitivamente una identidad perdida tiempo atrás. *Memoria de elefante* anuncia la llegada de un autor que destaca por la originalidad en su forma de contar, y lo que es aún más destacable: un escritor que provoca en el lector una forma insólita de leer. La crítica ha dicho: «Una novela que alcanza un nivel e intensidad admirables, que se impone con una convicción en el análisis del alma humana que envidiarían Camus o Dostoievski.» Francisco Solano, Babelia, El País «António Lobo Antunes es un privilegio insólito en el panorama de la literatura mundial. Sus libros son auténticos milagros que consiguen hacer auténtica poesía de las materias más comunes, que logran contar lo que no es contable, atrapar la memoria como pequeñas pulsiones emocionales.» Ignacio Echevarría «*Memoria de elefante* es un modelo perfecto de opera prima por su ambición y su deseo de lucimiento, y sobre todo es un aviso del talento que llegaría después.» Javier Aparicio Maydeu, Letras Libres

The Splendor of Portugal António Lobo Antunes, 2011-09-20 In this brutal dissection of guilt, victimhood, self-hatred, betrayal, and atrocities both political and domestic, Antunes proves once more that he is the foremost stylist of his generation, a fearless investigator of the worst excesses of the human animal.

Knowledge of Hell António Lobo Antunes, 2008 Like his creator, the narrator of this novel is a psychiatrist who loathes psychiatry, a veteran of the despised 1970s colonial war waged by Portugal against Angola, a survivor of a failed marriage, and a man seeking meaning in an uncaring and venal society. The reader joins Antunes on a journey both real and phantasmagorical as he travels by car from a vacation in the Algarve back to his hated work as a psychiatrist at a Lisbon mental institution. In the course of one long day and evening, he carries on an imaginary conversation with his daughter Joanna, observes with surreal vision the bleak countryside of his nation, recalls the horrors of his involuntary role in the suppression of Angolan independence, and curses the charlatanism of contemporary psychiatric advances that destroy rather than heal.

The Natural Order of Things António Lobo Antunes, 2001-05 He [the author] draws us into a labyrinth of disparate lives whose connections become clear only gradually ... a diabetic teenage girl in Lisbon, her father, an officer in the pre-revolutionary army and a secret policeman.--Jacket.

Act of the Damned António Lobo Antunes, 1996-09-12 As the Portuguese socialist revolution closes in, a once-wealthy family is accused of economic sabotage and plans an escape across the border to Spain. But the patriarch lies dying and his greedy son-in-law is scheming to secure the remains of the crumbling estate for himself.

The Return of the Caravels António Lobo Antunes, Gregory Rabassa, 2002 Set in Lisbon in the 1970s during the dissolution of Portugal's African colonies, a stunning novel combines Portuguese history with the unforgettable tale of Vasco da Gama who, along with his band of fellow heroes, starts to reclaim Lisbon by winning it, piece by piece, in fixed card games.

An Explanation of the Birds António Lobo Antunes, 1995-08 One of these days I'll beach right here, devoured by fish like a dead whale, muses Rui S., portly thirty-three-year-old political historian and hero of the latest dazzling novel by António Lobo Antunes. Little do we or Rui S. realize how prophetic his whiny lamentation proves to be until the close of this beautifully realized masterpiece of remembrance. Unable to accept the facts of his life his mother's imminent death by cancer; his estrangement from his bourgeois family, especially his industrialist father; and his blunt rejection by his first wife and two children Rui S. decides to change things. Now married to the nagging, dogmatic Communist Marília, Rui S. puts together a weak-kneed agenda for change: he decides to skip yet another dull and pompous academic conference, escape to a resort town north of Lisbon, and there dump his homely wife. Marília, however, beats him to the punch, announcing that she wants out of the marriage before he can summon the courage to speak. Returning again and again to the only memory he has of being loved walking with his father as a young boy and listening to him explain the behavior of birds Rui S. tries in vain to make sense of himself. In *An Explanation of the Birds*, Lobo Antunes has once again proved himself a master of the surreal, creating both a circus-like dream and a mournful eulogy for the lost ideals of post-revolutionary Lisbon.

Warning to the Crocodiles António Lobo Antunes, 2021-09-28 Originally published in Portuguese by Publicações Dom Quixote as *Exortação aos Crocodilos* in 1999 -- Title page verso.

By the Rivers of Babylon António Lobo Antunes, Margaret Jull Costa, 2023-04-25 A profound and genre-defying work of literature about love, death, and illness from one of Portugal's most celebrated writers Incapacitated after the removal of a malignant tumor, the narrator, António, spends his days in a Lisbon hospital enduring the humiliations of severe illness. As he drifts in and out of consciousness, he revisits fragments of his life and the people who passed through it. He recalls the village where he lived as a child near the Mondego River amid the eucalyptus and pines, his parents and grandparents and their tight-knit community of potato farmers and tungsten miners, and the woman he loved—an unexpected polyphony of

voices and places sounding in sharp counterpoint to debilitating pain. By the Rivers of Babylon conjures the past and the present all at once, revealing the power of memory to embolden us in the face of extraordinary suffering. This is António Lobo Antunes's homage to the beauty of a cherished life in its confrontation with imminent death.

The Fat Man and Infinity Antonio Lobo Antunes, 2009-01-27 The personal essays and reminiscences of Antonio Lobo Antunes, happily gathered here, provide not only glimpses into Portuguese life but also passages that lead to the heart of experience itself.

Fado Alexandrino Antonio Lobo Antunes, 1990 On the tenth anniversary of the return of their battalion from Mozambique, five men attempt to rekindle the fraternal bond that helped them survive the colonial war that was Portugal's Vietnam. In turn, they tell the stories of their lives before, during, and after the revolution that overthrew the long-lived Salazar dictatorship.

Stories and Portraits of the Self Helena Carvalhão Buescu, João Ferreira Duarte, 2007 In contemporary societies privatization has long ceased to be just an economic concept; rather, it must increasingly be made to refer to the ongoing shrinking of the public space under the impact of the representation of individual lives and images, which cuts across all discourses, genres and media to become one of the primary means of production of culture. This volume is intended to cover such an historical, social and intellectual ground, where self-representation comes to the fore. Targeting mostly an academic readership but certainly also of interest to the general educated public, it collects a wide range of essays dealing with diverse modes of life writing and portraying from a variety of perspectives and focusing on different historical periods and media. It thus offers itself as a major contribution to a better understanding of the world we live in: its past legacy and present configuration.

Matemáticas y literatura Lamberto García del Cid, 2022-08-21 El libro trata de los puntos de contacto entre dos disciplinas que, como las paralelas, parecían que sólo podrían encontrarse en el infinito pero que, como ocurriera con la refutación del quinto postulado de Euclides, si pueden encontrarse en la realidad literaria. Hablamos de literatura y matemáticas. Hablamos de literatura de algoritmo, de literatura combinatoria, de literatos que incluyen fórmulas y otros conceptos matemáticos en su narrativa, de la poesía y las matemáticas, de las matemáticas y el teatro, de las matemáticas como herramienta de aquellos que manejan el juicio literario y lingüístico. He aquí las materias que se incluyen en el libro: Introducción I. De la literatura de algoritmo a la literatura fractal II. Literatura combinatoria III. Matemáticas en obras literarias A. Recorrido sucinto y cronológico B. Casos especiales IV. Las matemáticas y el teatro V. Las matemáticas y la poesía VI. Las matemáticas como herramienta crítica Bibliografía

Hablan los hijos Andrea Jeftanovic, 2011 Aquí se analizan estética e ideológicamente diferentes historias, donde la voz de la infancia es utilizada como una estrategia literaria que, mediante un artificio -la perspectiva infantil en manos de un autor adulto-, despliega procesos de subjetivación y empuja el lenguaje y el imaginario a límites y zonas insospechadas.

The Migrant Painter of Birds L. Jorge, 2013-09-16 The setting of this extraordinary novel is an old farmhouse in Portugal - a house far enough from the Atlantic not to hear the breaking waves during a storm but near enough for the walls to be corroded by the salt in the air. With most members of her large family having left the hardship of life in this landscape of sand and stone for jobs in faraway places, a young woman struggles to piece together her past from the many and differing stories she is told. Left behind by a free-spirited, feckless father, a seducer with a talent for drawing, she is raised by her uncle who has married her mother. The only memories of her father's one brief visit are the echoes of his footsteps on the stairs leading to her room. The only signs of him are letters from the widest reaches of the world- letters accompanied by

brilliantly coloured drawings of exotic birds: the cuckoo from India, the ibis from Mozambique, the goose from Labrador, the hummingbird from the West Indies. The daughter longs for her father and, as she grows up, she is determined to find him and uncover the truth. Beautifully written and imagined, this strikingly lyrical novel evokes the atmosphere of a rural community in a changing world and explores the timeless themes of family, independence, and the often painful experience of emigration.
