Includes a guitar chord reference chart.

Choral Scores is an anthology of music exemplifying distinctive choral repertoire by the most noteworthy composers throughout the history of Western music. A companion volume to Denis Shrock's Choral Repertoire (Oxford 2009), it presents works of salient importance to the development of choral music in Western culture, representing the music of the composers, eras, and movements discussed most prominently in that volume. Including 132 compositions by 124 different composers, each presented unabridged and in full score, and spanning the entirety of Western music history, from the medieval era through the twentieth century, and into the twenty-first, Choral Scores is the most thorough, and up-to-date collection of choral music available. Complete with an appendix offering literal translations of texts, as well as composer and genre indices, Choral Scores is an essential reference for choral scholars, teachers, and students alike. (P/V/G Composer Collection). Twenty songs for piano, voice and guitar from the legendary Leonard Cohen who penned "Hallelujah" and many other

songs. This collection includes that song as well as: Bird on the Wire (Bird on a Wire) * Chelsea Hotel #2 * Everybody Knows * Famous Blue Raincoat * The Future * I'm Your Man * Nevermind * Suzanne * Tower of Song * Waiting for the Miracle * You Want It Darker * and more.

(Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part as well as in the vocal line.

(Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part, as

well as in the vocal line.

An intimate portrait, in pictures and his own words, of the enormously successful Canadian singer Michael Bublé became an international phenomenon with the release of his first, self-titled album of 2003, which reached the top ten in Canada and in the UK. Since then he has sold more than 25 million albums, and filled concert halls and stadiums worldwide. *OnStage OffStage* is an intimate portrait of this extraordinary singer, told in his own words and through the photographs of Dean Freeman. Bublé talks about his BC upbringing, his early nightclub days, the excitements and temptations of fame, and the sometimes gruelling demands of the road. Buble is a man who takes his music seriously, and himself less so, telling his story with refreshing candour and frequent flashes of self-deprecating humour. You might be tempted to use the expression "warts and all" -- except that the stunning photos in this book clearly show he doesn't have any. But they do capture Bublé in his every mood and in every setting, at home and at leisure, in rehearsal, in the heat of performance. *OnStage OffStage* adds up to the second closest encounter any fan could wish for.

(Pro Vocal). Vocal strength is essential to producing a good sound, singing with control and confidence, and singing for many years. A weak voice is one that tires easily, one that is inconsistent in sound quality and/or pitch and dynamics, and one that gives out many years before the singer is ready to stop singing. Vocal strength is not all about singing loudly, it's about singing well. The exercises and musical selections in this book are designed to help singers hone and refine their skills to develop the kind of control and consistency

Read PDF Michael Buble Home Sheet Music

professional singers need to compete and find work. But mastering these skills is not just a task for professional singers amateur singers who work on the exercises in this book will find singing easier and more fun with each new level of control they achieve. The audio contains demos for listening, and separate backing tracks so you can sing along. In addition to vocal exercises, several songs are included for practice, including: Danny Boy * The House of the Rising Sun * Look for the Silver Lining * Sometimes I Feel like a Motherless Child * and more.

Pop/Rock/R&B Piano Solos
