

Microsoft Office Specialist Study Guide Office 2003 Edition Epg Other

Demonstrate your expertise with the 2007 Microsoft Office system! This comprehensive study guide covers all the Microsoft Certified Application Specialist exams for Microsoft Office, including Word 2007, Excel 2007, Outlook 2007, PowerPoint 2007, and Access 2007. For each exam, you'll build the skills and knowledge measured by its objectives through a series of step-by-step exercises, practice questions, and real-world scenarios. Easy-to-follow screen shots and explanations bring key concepts to life and expertly guide you through the material. The CD includes the practice files for all the book's lessons. Earn the premier credential and showcase your expertise in the popular Microsoft Office programs! For customers who purchase an ebook version of this title, instructions for downloading the CD files can be found in the ebook.

Presents a guide to preparing for certification exams for four Microsoft Office programs, which includes overviews, step-by-step instructions, and practice projects for each program.

This Microsoft Excel 2013, Exam 77-420 book is the only Microsoft Official Academic Course (MOAC) textbook. This series includes a complete classroom instructional program. This Excel 2013 text is mapped to the Excel 2013 certification exam objectives and is designed to re-enforce workforce skills. With this book students learn to create and edit professional-looking spreadsheets for a variety of purposes and situations. It also covers such skills as charting, creating analytical, financial reports, data entry, developing budgets, formatting numerical (financial, statistical, etc.) reports, creating forms, graphing, processing data, reporting, technical support, trending and much more. The Microsoft Official Academic Course (MOAC) Office series also offers OfficeGrader. This valuable tool corrects your students tasked-based assignments. Students work on real-world problems like the ones they will encounter in the workforce ensuring they are ready for real professional challenges. OfficeGrader allows for efficient and consistent grading saving time for other important teaching activities. Grading is easier than ever allowing faster assignment turnaround to students. Excel 2013 certification can help students with classwork and differentiate job hunters in today's competitive job market. Students who have earned certification can broaden their employment opportunities in such fields as accounting, office administration, consulting, as executives and managers, help desk personnel, instructors/trainers, program/project managers, and sales careers.

Combining two books in one, Microsoft Word Introduction and Certification Study Guide serves as a training guide for Microsoft Word and a study guide for the Word Certification Exam. Students, professionals, beginners and more experienced users alike can all benefit from this manual. Learn how to create well-formatted, high-quality documents by following along with chapters that focus on six exam topics. These topics closely follow what is needed to ace the exam but also provide comprehensive information for everyday Word users. Careful descriptions and helpful tips for when and how to use important features are provided. Images and screenshots make the steps easy to follow and remember. Each topic starts out with the basics and builds to more complicated steps. Those taking the exam will find practical tips on how to locate a testing center, register for the exam, and get the best score possible, along with study materials including practice exam software and video tutorials for every outcome in the book. Whatever your reason for studying Word, this manual will develop your skills, bolster gaps in your knowledge, and give you the confidence to get certified. Why certification is important Microsoft Word Certification is an easily verifiable way to showcase your willingness to learn new skills and software, and it provides a myriad of other benefits as well. Not only can certification enhance your Word skills, it can help you get hired, boost academic performance, prepare for the demands of a job, open doors to career opportunities, and be more productive and confident working on projects at school, home, or work. Microsoft Word (Microsoft 365 Apps and Office 2019) certification is the first step to prove your skill level and open doors to career opportunities. Outline of the book The dual nature of this book helps you build a strong foundation in Word and prepares you for the exam. The first chapter gets you started right away opening Word and learning about the user interface and important terminology. For those interested in taking the exam, it includes how to register for the exam and find an exam center, tips on using your time wisely during the exam, and information on scores and retaking the exam. The next six chapters cover all of the topics you need to become proficient in Word and coincide with the objective domain categories in the Microsoft Word Certification Exam: Manage Documents; Insert and Format Text, Paragraphs, and Sections; Manage Tables and Lists; Create and Manage References; Insert and Format Graphic Elements; and Manage Document Collaboration. Short video tutorials are included for every single outcome in the book, 95 in all, for when you need extra help or learn best by observation. Word practice exam software included Unlike any other Word exam manual available, this book includes Word practice exam software. The final chapter focuses on the practice exam software, which closely mimics the format of the real exam. Custom-built and specially designed by SDC Publications, this practice exam software can be taken multiple times so you are comfortable with the real test software, how to mark and return to questions, question format, live in-application steps, and how the results are presented. Study materials for all learning styles

- Custom-made Practice Exam Software
- 95 short narrated video tutorials for every outcome in the book
- End-of-chapter self-exam and review questions
- 75 Flashcards
- Exam Day Study Guide

A guide to Microsoft Office provides information on the skills needed to pass the certification exams.

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together
