And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, Long Way Down is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.

Between 1916 and 1970, six million black Americans left their rural homes in the South for jobs in cities in the North, West, and Midwest in a movement known as The Great Migration. But while this event transformed the complexion of America and provided black people with new economic opportunities, it also disconnected them from their roots, their land,

and their sense of identity, argues Morgan Jerkins. In this fascinating and deeply personal exploration, she recreates her ancestors' journeys across America, following the migratory routes they took from Georgia and South Carolina to Louisiana, Oklahoma, and California. Following in their footsteps, Jerkins seeks to understand not only her own past, but the lineage of an entire group of people who have been displaced, disenfranchised, and disrespected throughout our history. Through interviews, photos, and hundreds of pages of transcription, Jerkins braids the loose threads of her family's oral histories, which she was able to trace back 300 years, with the insights and recollections of black people she met along the way—the tissue of black myths, customs, and blood that connect the bones of American history. Incisive and illuminating, *Wandering in Strange Lands* is a timely and enthralling look at America's past and present, one family's legacy, and a young black woman's life, filtered through her sharp and curious eyes.

Brittany K. Barnett was only a law student when she came across the case that would change her life forever—that of Sharanda Jones, single mother, business owner, and, like Brittany, Black daughter of the rural South. A victim of America’s devastating war on drugs, Sharanda had been torn away from her young daughter and was serving a life sentence without parole—for a first-time drug offense. In Sharanda, Brittany saw haunting echoes of her own life, as the daughter of a formerly incarcerated mother. As she studied this case, a system came into focus in which widespread racial injustice forms the core of America’s addiction to incarceration. Moved by Sharanda’s plight, Brittany set to work to gain her freedom. This had never been the plan. Bright and ambitious, Brittany was a successful accountant on her way to a high-powered future in corporate law. But Sharanda’s case opened the door to a harrowing journey through the criminal justice system. By day she moved billion-dollar deals, and by night she worked pro bono to free clients in near hopeless legal battles. Ultimately, her path transformed her understanding of injustice in the courts, of genius languishing behind bars, and the very definition of freedom itself. Brittany’s riveting memoir is at once a coming-of-age story and a powerful evocation of what it takes to bring hope and justice to a system built to

Named A Best Book of Spring 2020 by Real Simple · Parade · PopSugar · New York Post · Entertainment Weekly · Betches · CrimeReads · BookBub "A transporting historical novel, and a smart thriller."— Washington Post "A luscious setting combined with a sinister, sizzling plot." -EW A faraway land. A family's dynasty. A trail of secrets that could shatter their glamorous lifestyle. On a humid afternoon in 1933, American Jessie Lesage steps off a boat from Paris and onto the shores of Vietnam. Accompanying her French husband Victor, an heir to the Michelin rubber fortune, she's certain that their new life is full of promise, for while the rest of the world is sinking into economic depression, Indochine is gold for the Michelins. Jessie knows that the vast plantations near Saigon are the key to the family's prosperity, and though they have recently been marred in scandal, she needs them to succeed for her husband's sake—and to ensure that the life she left behind in America stays buried in the past. Jessie dives into the glamorous colonial world, where money is king and morals are brushed aside,

and meets Marcelle de Fabry, a spellbinding expat with a wealthy Indochinese lover, the silk tycoon Khoi Nguyen. Descending on Jessie's world like a hurricane, Marcelle proves to be an exuberant guide to colonial life. But hidden beneath her vivacious exterior is a fierce desire to put the colony back in the hands of its people—starting with the Michelin plantations. It doesn't take long for the sun-drenched days and champagne-soaked nights to catch up with Jessie. With an increasingly fractured mind, her affection for Indochine falters. And as a fiery political struggle builds around her, Jessie begins to wonder what's real in a friendship that she suspects may be nothing but a house of cards. Motivated by love, driven by ambition, and seeking self-preservation at all costs, Jessie and Marcelle each toe the line between friend and foe, ethics and excess. Cast against the stylish backdrop of 1920s Paris and 1930s Indochine, in a time and place defined by contrasts and convictions, Karin Tanabe's *A Hundred Suns* is historical fiction at its lush, suspenseful best.

An epic, immersive debut, *Damnation Spring* is the deeply human story of a Pacific Northwest logging town wrenched in two by a mystery that threatens to derail its way of life. For generations, Rich Gundersen's family has chopped a livelihood out of the redwood forest along California's rugged coast. Now Rich and his wife, Colleen, are raising their own young son near Damnation Grove, a swath of ancient redwoods on which Rich's employer, Sanderson Timber Co., plans to make a killing. In 1977, with most of the forest cleared or protected, a grove like Damnation—and beyond it 24-7 Ridge—is a logger's dream. It's dangerous work. Rich has already lived decades longer than his father, killed on the job. Rich wants better for his son, Chub, so when the opportunity arises to buy 24-7 Ridge—costing them all the savings they've squirreled away for their growing family—he grabs it, unbeknownst to

Colleen. Because the reality is their family isn't growing; Colleen has lost several pregnancies. And she isn't alone. As a midwife, Colleen has seen it with her own eyes. For decades, the herbicides the logging company uses were considered harmless. But Colleen is no longer so sure. What if these miscarriages aren't isolated strokes of bad luck? As mudslides take out clear-cut hillsides and salmon vanish from creeks, her search for answers threatens to unravel not just Rich's plans for the 24-7, but their marriage too, dividing a town that lives and dies on timber along the way. Told from the perspectives of Rich, Colleen, and Chub, in prose as clear as a spring-fed creek, this intimate, compassionate portrait of a community clinging to a vanishing way of life amid the perils of environmental degradation makes *Damnation Spring* an essential novel for our time.

The highly anticipated, thrilling sequel to the New York Times bestseller, *Strange the Dreamer*, from National Book Award finalist Laini Taylor, author of the bestselling *Daughter of Smoke & Bone* trilogy. Sarai has lived and breathed nightmares since she was six years old. She believed she knew every horror, and was beyond surprise. She was wrong. In the wake of tragedy, neither Lazlo nor Sarai are who they were before. One a god, the other a ghost, they struggle to grasp the new boundaries of their selves as dark-minded Minya holds them hostage, intent on vengeance against Weep. Lazlo faces an unthinkable choice--save the woman he loves, or everyone else?--while Sarai feels more helpless than ever. But is she? Sometimes, only the direst need can teach us our own depths, and Sarai, the muse of nightmares, has not yet discovered what she's capable of. As humans and godspawn reel in the aftermath of the citadel's near fall, a new foe shatters their fragile hopes, and the mysteries of the Mesarthim are resurrected: Where did the gods come from, and why? What was done with thousands of children born in the citadel nursery? And most important of all, as forgotten doors are opened and new worlds revealed: Must heroes always slay monsters, or is it possible to save them instead? Love and hate, revenge and redemption, destruction and salvation all clash in this gorgeous sequel to the New York Times bestseller, *Strange the Dreamer*.
