Offers a comprehensive overview of the world's most notorious criminal organization, tracing the history of the Mafia, changes in the ranks and power following the conviction of key members, and their diverse roles in cities across the United States.

The New York Times bestselling authors of *Lessons from the Light* offer a new and provocative understanding of heaven and how messages from the afterlife can assist you in the here and now. We live in a world of near-universal acceptance that once our lives on the earth come to an end we continue to a greater world. Whether that destination is called "Heaven," "Nirvana," or simply "The Other Side," tradition teaches us that there is, in most cases, a fairy-tale ending to life, a place where joy and harmony reigns supreme. Yet, as this book

attests there is still more to heaven and earth than is dreamt of in our philosophies. George Anderson is considered by many to be the greatest medium living today. After more than 50 years of hearing from souls who have transitioned to the world hereafter, he is constantly reminded by those who have passed that our preconceived notions of this life--and the next--aren't always accurate. The nine stories in this book illuminate times when unusual circumstances such as sudden death, unresolved emotions, abusive relationships, and painful family dynamics, make it necessary for the dead and the living to find new doors to healing. In session with Anderson, survivors and those who have passed meet again in encounters that are profound, bittersweet, highly-emotional and sometimes, downright, funny. What we learn is that there are little-known spiritual treasures--and lessons to be learned--about heaven and earth that can restore, revitalize, and make new what was once broken. *Life Between Heaven and Earth* is an inspiring, thought-provoking, path-changing work, one that affirms that no matter how complicated a circumstance is, resolution, peace and acceptance can be found in deep and remarkable ways. "The pictures, which include some posed portraits but are mostly concert shots, are the chief attraction. They freeze moments of adolescent release, vein-bulging intensity and sweaty communion that fuses performer and audience...Vivid and evocative." --Washington Post "Scott Crawford, the man behind the acclaimed documentary *Salad Days*, has given us another taste of the best-kept secret of 80s in his new book *Spoke: Washington DC's hardcore punk scene*." --Dazed "With music by Minor Threat, Void, Rites of Spring, Government Issue, and many others propelling the story of hardscrabble, Reagan-era D.C. as the hotbed for a new artistic outlet in *Salad Days*, Crawford saw the book as a way to scoop up important narrative from the cutting-room floor and find a new home for it." --Fast Company "Pockmarked with burned-out buildings and boarded-over storefronts, Northwest DC was once home to a vibrant and sometimes violent punk movement beginning in the early 1980s. For geeky 12-year-old Scott Crawford, that changed everything: He chucked comic books for punk rock and self-published a music zine from his mother's kitchen table in Silver Spring. This month, Crawford releases a book about those days, *Spoke*--a companion to his 2014 documentary, *Salad Days*--featuring stories from local players such as Dave Grohl, Henry Rollins, and Ian MacKaye." --Washingtonian Magazine "Spoke...adroitly uses both photographs and oral histories to capture the importance of what can best be described as a cultural revolution within the nation's capital." --Shepherd Express "This coffee table version of the documentary [*Salad Days*] follows the D.C. scene's often politically-charged brand of punk rock, from Bad Brains to Jawbox, and of course the legendary Fugazi. And there's even the near-forgotten SOA, whose frontman Henry Rollins took his D.C. energy to L.A. where he stepped in as the singer for Black Flag." --Yellow Scene Magazine "A must-have for any rock historian or pop-culture buff...The perfect punk coffee table book." --Shockwave Magazine "Highly

recommended...A must read for punk fans." --Chorus.fm/HiFiNoise "A worthy addition to the growing amount of literature on the American hardcore/punk scene, Spoke will look great on any aging punks' coffee table as a document to a vital, electric time." --Ink19.com "A forthright testament to a kaleidoscopic community. This is a rounded collection, with surprises on every page...It's collection that rocks." --Shelf Awareness for Readers The Washington, DC punk music scene of the 1980s gave birth to influential bands like Bad Brains, Minor Threat, and Fugazi. Here that era is portrayed in its purest form: an oral history by the creators themselves, including nearly two hundred photographs capturing the power and spirit of this politically progressive corner of American underground music. This stunning and intimate collection features rare images from Jim Saah, Cynthia Connolly, Bert Queiroz, and many others who documented this vibrant community. Compiled by Scott Crawford—whose critically acclaimed film *Salad Days* provided an unprecedented exploration into the 1980s DC punk scene—Spoke delves deeper into one of the most dynamic movements in US music history. Featuring: BAD BRAINS, THE TEEN IDLES, BLACK MARKET BABY, SOA, MINOR THREAT, GOVERNMENT ISSUE, VOID, IRON CROSS, THE FAITH, SCREAM, MARGINAL MAN, GRAY MATTER, BEEFEATER, KING FACE, RITES OF SPRING, DAG NASTY, EMBRACE, SOULSIDE, FIRE PARTY, SHUDDER TO THINK, IGNITION, FUGAZI, SWIZ, THE NATION OF ULYSSES, and JAWBOX.

Love, Tanya is the first book from YouTube sensation Tanya Burr. Hi everyone and welcome to Love, Tanya! This book is really close to my heart, because it's inspired by my journey to becoming confident and feeling happy about who I am. I wanted to write a book to share the things I've learnt with you - to reveal my top tips on fashion, beauty, love, friendship, YouTube... and loads more! Plus, there is room for you to list your own hopes and dreams alongside mine - so get creative and get involved! I'd love it if this book became a keepsake you can turn to whenever you need some guidance or a little pick me up. I hope you enjoy it! Love, Tanya

Now in its 58th year, Theatre World is the complete record of the Broadway and Off-Broadway season, touring companies, and professional regional companies throughout the United States.

Popular British YouTube star Marcus Butler “speaks with both honesty and sincerity” (Booklist) in this irreverent memoir and big-brotherly advice book on how to be an almost-adult. For a twenty-three-year-old, Marcus Butler knows a lot about life—and not just from his own experiences, but from the millions of followers on YouTube who chat with him on his irreverent channel, known for its mix of hilarious sketches, light-hearted banter, and deeply empathetic take on serious issues. In this funny, colorful handbook, the warm and totally down-to-earth star shares his trademark big-brotherly advice for navigating the trickier aspects of modern living. Inside you'll find Marcus's thoughts on: -Being healthy—including his nutritious eating tips, favorite gym-free exercises, and butt-

kicking hacks for getting in shape -Dating—from finding the courage to be yourself, to banishing first-date nerves, to rebooting a broken heart -Surviving life crises—such as his parents' difficult divorce, the pain of watching a close friend spiral into anorexia and self-harm, and his regrets over giving in to bullies and giving up on a sport he loved -Getting the life you want—lessons for staying organized, handling pressure, thinking positively, and breaking world records! Part autobiography, part self-help guide, *Hello Life!* is a candid and playful look inside Marcus Butler's life—the failures, the successes, and the lessons he's learned along the way.

A confessional, uplifting memoir from the beloved YouTube personality. It's not where you begin that matters. It's where you end up. Twenty-three year old Joey Graceffa has captured the hearts of millions of teens and young adults through his playful, sweet, and inspirational YouTube presence (not to mention his sparkling eyes and perfect hair). Yet, Joey wasn't always comfortable in his skin, and in this candid memoir, he thoughtfully looks back on his journey from pain to pride, self-doubt to self-acceptance. To his fans, Joey is that best friend who always captures the brighter side of life but also isn't afraid to get real. In the pages of his first book, he opens up about his years of struggling with family hardships and troubles at school, with cruel bullying and the sting of rejection. He tells of first loves and losses, embarrassing moments and surprising discoveries, loneliness, laughter, and life-changing forks in the road, showing us the incalculable value of finally finding and following your true passion in this world. Funny, warm-hearted, and inspiring, Joey Graceffa's story is a welcome reminder that it's not where you begin that matters, but where you end up.

This work provides a detailed account of lead character Tony Soprano's psychological journey through all episodes of all six seasons of the popular HBO show *The Sopranos*. Through a window of psychological interpretation and social analysis, the author examines creator David Chase's unique interweaving of modern family dynamics, organized crime, American society, and mental health. Early chapters focus on Tony's influential early life experiences and the mental stress that affects him as a result of violent criminal activity and fluctuating relationships with his wife and children. Later chapters focus on internal conflicts and behavioral symptoms and the critical role of Tony's psychiatric therapy sessions. The book's final chapters explore the Soprano family as a unified whole.

This true crime biography chronicles the life of the so-called "Oddfather" who ran a powerful NYC crime family while playing crazy to avoid prosecution. Vincent "Chin" Gigante was a professional boxer before discovering his true calling as a ruthless contract killer. When Vito Genovese went to prison, he picked Gigante to run the Genovese crime family in his absence. While raking in more than one hundred million for the family, he routinely ordered the murders of mobsters who violated the Mafia code—including John Gotti. At the height of Gigante's reign, the Genovese Family was the most powerful in the United States. And yet he was, to all outside appearances, certifiably crazy. He wandered the streets of Greenwich Village in a ratty bathrobe and slippers. He urinated in public, played pinochle in storefronts, and hid a second family from his wife. On twenty-two occasions, Gigante admitted himself to a mental hospital—evading criminal prosecution while maintaining his nefarious operations. It took

nearly thirty years of endless psychiatric evaluations by a parade of puzzled doctors for federal authorities to finally bring him down.

The first book by YouTube star Joe Sugg tells the story of Evie, a socially-isolated teenage girl who struggles to fit in at high school. Always looking for a way to escape, she spends her nights supporting her terminally-ill father, who is tirelessly working on a computer program. When her father passes away, Evie is forced to live with her aunt, uncle, and cousin-Mallory-who is the most popular girl in school and the bane of Evie's existence. One night, as she's going through her father's computer, Evie stumbles on a strange file that sucks her into a virtual world. As Evie explores this strange, new land, she learns it was the project her father was working so tirelessly on: a virtual Eden where Evie can get away and be herself. However, Evie is not alone; Mallory also discovers the world and her presence causes the idyll to descend into chaos. Now Evie must save the virtual world or lose her last connection to her father.

Covers American and foreign films released in the United States each year, with listings of credits and profiles of screen personalities and award winners

Here is the most comprehensive introduction to and explanation of the most infamous crime organization in history. Completely updated with more than 70 pages of new material and photographs, it includes information about the shifts in power and tightening of ranks of different families after convictions of their key members; new inside information on the role of the families in Chicago, Boston, Las Vegas, Rochester, and even Montreal; and updates on the DeCavalcante family who bragged they were the real Sopranos on FBI wiretaps. - More than 70 pages of new material - Full of dramatic anecdotes and photos about everything from Capone to Gotti and beyond - Written by acclaimed expert author and reporter of all things Mafia in his weekly online column "Gang Land" (www.ganglandnews.com)

Alfie Deyes is a prominent YouTuber and his 'Pointless' blog has amazing figures: 1.6m subscribers, 5m views per month, 1m Twitter followers, 650k Instagram and 480k Facebook followers. With all the humour and quirkiness of Alfie's 'Pointless' YouTube site, this book is packed with a host of games, pranks, and jokes.

A sanctioned sequel to Mario Puzo's blockbuster novel, *The Godfather*, continues the saga of the Corleone family, beginning in 1955 and recounting the events that occurred between the end of the original novel and the episodes chronicled in Coppola's movie sequels. Reprint.

A multi-volume set giving detailed information on every aspect of opera - over 100,000 entries. Improves on Steiger's *Opernlexikon* by including two additional data-categories for each work (language of text and literary sources) and by covering composers who have appeared since the end-date of Steiger's work (1934).

Anthony Raimondi was born into a world that most people would never venture into or experience or be part of. He was born into the world of organized crime. In this book, he tells of rampant corruption, payoffs, and bribes and of treachery and deceit and assassinations in the Vatican and of the biggest heist in mob history. Look for Part 2 - *When the Bullet Hits the Bone : The Dead Don't Walk*

This book contains the best papers of the Third International Conference on Software and Data Technologies (ICSOFT 2008), held in Porto, Portugal, which

was organized by the Institute for Systems and Technologies of Information, Communication and Control (INSTICC), co-sponsored by the Workflow Management Coalition (WfMC), in cooperation with the Interdisciplinary Institute for Collaboration and Research on Enterprise Systems and Technology (IICREST). The purpose of ICISOFT 2008 was to bring together researchers, engineers and practitioners interested in information technology and software development. The conference tracks were “Software Engineering”, “Information Systems and Data Management”, “Programming Languages”, “Distributed and Parallel Systems” and “Knowledge Engineering”. Being crucial for the development of information systems, software and data technologies encompass a large number of research topics and applications: from implementation-related issues to more abstract theoretical aspects of software engineering; from databases and data-warehouses to management information systems and knowledge-base systems; next to that, distributed systems, pervasive computing, data quality and other related topics are included in the scope of this conference.

The election of 2016 prompted journalists and political scientists to write obituaries for the Republican Party—or prophecies of a new dominance. But it was all rather familiar. Whenever one of our two great parties has a setback, we’ve heard: “This is the end of the Democratic Party,” or, “The Republican Party is going out of existence.” Yet both survive, and thrive. We have the oldest and third oldest political parties in the world—the Democratic Party founded in 1832 to reelect Andrew Jackson, the Republican Party founded in 1854 to oppose slavery in the territories. They are older than almost every American business, most American colleges, and many American churches. Both have seemed to face extinction in the past, and have rebounded to be competitive again. How have they managed it? Michael Barone, longtime co-author of *The Almanac of American Politics*, brings a deep understanding of our electoral history to the question and finds a compelling answer. He illuminates how both parties have adapted, swiftly or haltingly, to shifting opinion and emerging issues, to economic change and cultural currents, to demographic flux. At the same time, each has maintained a constant character. The Republican Party appeals to “typical Americans” as understood at a given time, and the Democratic Party represents a coalition of “out-groups.” They are the yin and yang of American political life, together providing vehicles for expressing most citizens’ views in a nation that has always been culturally, religiously, economically, and ethnically diverse. The election that put Donald Trump in the White House may have appeared to signal a dramatic realignment, but in fact it involved less change in political allegiances than many before, and it does not portend doom for either party. How America’s Political Parties Change (and How They Don’t) astutely explains why these two oft-scorned institutions have been so resilient.

YouTube star Sprinkle of Glitter, also known as lifestyle and beauty vlogger Louise Pentland, offers a delightful guide to finding happiness and sprinkling positivity into every area of your life, from nights out with your friends to the

trinkets you display on your vanity. Aloha Sprinklerinos! Louise Pentland leads a very happy life. That's because she chooses to. Sure, she has dark and dreary days. But, as she has come to understand, the joy is all in your perspective. Happiness is not measured in size but in significance. On her wildly popular YouTube channel, Sprinkle of Glitter, Louise talks a lot about changing the way we think. Her motto? Happiness is there for everyone: you just have to choose to face everything with a smile and positivity. It's not just about the big things either—it's about the tiny, intangible moments that make up the course of a lifetime and how to live that lifetime to the absolute fullest. This book is like one of those glorious vintage shops where every surface is laden with treasure: cut glass, pill boxes, old cameras, pendants, and chests of drawers. Each chapter is a gem-encrusted tin that you can peep inside to discover fun topics such as glitz (beauty and pampering, traveling in style) and creativity (crafting, prettifying your room), to tougher topics such as bullying and body confidence, to the universal topic of love (dating, bonding with baby, being kind). Whether you take in tiny bits at a time or devour the book all in one go, Louise shares how she has learned to enrich her life, and you can too...with just a Sprinkle of Glitter. Toodlepip!

While the later history of the New York Mafia has received extensive attention, what has been conspicuously absent until now is an accurate and conversant review of the formative years of Mafia organizational growth. David Critchley examines the Mafia recruitment process, relations with Mafias in Sicily, the role of non-Sicilians in New York's organized crime Families, kinship connections, the Black Hand, the impact of Prohibition, and allegations that a "new" Mafia was created in 1931. This book will interest Historians, Criminologists, and anyone fascinated by the American Mafia.

"Essential for fans, with a revelation on every page." —Kirkus Reviews "A spectacular tell-all...the ultimate book on The Sopranos, made by the people who lived it." —Publishers Weekly The definitive oral history of the landmark television series and streaming hit *The Sopranos*, packed with untold stories from behind the scenes and on the set. Stars Michael Imperioli and Steve Schirripa—whose *Talking Sopranos* podcast has become a sensational fan favorite—talk intimately with virtually everyone who has been involved with the show. And they're ready to spill it all. Who made the phone call that got HBO to launch *The Sopranos*? What's the significance of all those eggs? And, what the hell ever happened to the Russian? Michael Imperioli, Steve Schirripa, and the entire cast and crew of *The Sopranos* have all the answers—and they're revealing where all the bodies are buried. Inspired by the incredibly successful *Talking Sopranos* podcast, *The Sopranos* stars Michael Imperioli (Christopher Moltisanti) and Steve Schirripa (Bobby Bacalieri) will finally reveal all the Soprano family secrets in a surprising, funny, and honest new book. *Woke Up This Morning* will be the definitive behind-the-scenes history of the groundbreaking HBO series that became a worldwide cultural phenomenon, ushered in a new Golden Age of Television, and to this day continues to be one of the most binged shows of all time. Expanding on the

podcast with exclusive interviews with the cast, crew, producers, writers, directors, and, of course, the series creator David Chase, Michael and Steve will tell all the incredible stories that The Sopranos fans have been waiting to hear for over twenty years. The book will cover the entire history of The Sopranos series from the original concept pitch and casting to the infamous cut to black—and answer many of the thousands of fan questions sent to the podcast, as well as dispel some widely propagated myths and reveal things no one outside the show would even know to ask.

Postponing his retirement when his daughter joins the Brooklyn police force, an overprotective Joe Rizzo unexpectedly tackles the most challenging case of his career involving a mob war and the death of boss Louie Quattropa. By the author of Rizzo's Fire. 40,000 first printing.

Unleash your inner Soprano and relive all your favorite moments with this companion guide to the award-winning television series The Sopranos. We all know and love The Sopranos, one of the most important television dramas to ever hit the small screen, having run for six seasons on HBO. The story of the Italian-American mobster Tony Soprano balancing his family life with his role as the leader of a criminal organization pioneered decades of genre-bending “peak TV.” Now, *Off the Back of a Truck* takes you one step further into the world of Tony Soprano and his families, offering an Italian potluck of fresh and fun takes that any true fan can get lost in for hours. *Off the Back of a Truck* includes: -New looks at everyone's favorite episodes, scenes, and characters -All 92 deaths analyzed, evaluated, and ranked -An investigation of true crimes behind the families' schemes -An exploration of movies and shows that inspired The Sopranos -Reflections on the use of music, food, and fashion from writers who are also huge fans -A provocative conversation about what happens in the controversial ending This book takes you on a journey through the six seasons you have watched time and time again—but it's organized so you can dip in at any time, at any place. Roam around as though you're in Tony's backyard for a BBQ...

Tracey's back! Fresh from her success in helping her gay friend find the right guy in *Finding Love On Black Friday*, she's got a new mission. Helping her co-worker, Keith, find love during the holidays pushes her skills to the max... Keith Barone knows exactly what he wants – his best friend, Mike. There's just one little problem - Mike is straight. Keith fears pursuing his desires will crash and burn in heartache. However, Keith's been hiding his feelings for so long, he's ready to burst. Masculine jock Mike Evers has a reputation for dating women, but never brings them around to meet his friends. Mike has known for a long time that his best friend likes guys. So what? These days, having a gay friend just proves a guy is secure in his sexuality. Still, when Mike pictures his future, he wonders why Keith remains the one person who always figures in his plans. Will the truth - and Mike - both come out in time for the two best friends to have a merry Christmas together? *Finding Love On Christmas Eve* is a standalone gay

romance with explicit scenes and an HEA ending.

Pop-culture phenomenon, social rights advocate, and the most prominent LGBTQ+ voice on YouTube, Tyler Oakley brings you Binge, his New York Times bestselling collection of witty, personal, and hilarious essays. For someone who made a career out of over-sharing on the Internet, Tyler has a shocking number of personal mishaps and shenanigans to reveal in his first book: experiencing a legitimate rage blackout in a Cheesecake Factory; negotiating a tense standoff with a White House official; crashing a car in front of his entire high school, in an Arby's uniform; projectile vomiting while bartering with a grandmother; and so much more. In Binge, Tyler delivers his best untold, hilariously side-splitting moments with the trademark flair that made him a star.
