Exposes the new generation of whiteness thriving at the expense and borrowed ingenuity of black people—and explores how this intensifies racial inequality. American culture loves blackness. From music and fashion to activism and language, black culture constantly achieves worldwide influence. Yet, when it comes to who is allowed to thrive from black hipness, the pioneers are usually left behind as black aesthetics are converted into mainstream success—and white profit. Weaving together narrative, scholarship, and critique, Lauren Michele Jackson reveals why cultural appropriation—something that's become embedded in our daily lives—deserves serious attention. It is a blueprint for taking wealth and power, and ultimately exacerbates the economic, political, and social inequity that persists in America. She unravels the racial contradictions lurking behind American culture as we know it—from shapeshifting celebrities and memes gone viral to brazen poets, loveable potheads, and faulty political leaders. An audacious debut, *White Negroes* brilliantly summons a re-interrogation of Norman Mailer's infamous 1957 essay of a similar name. It also introduces a bold new voice in Jackson. Piercing, curious, and bursting with pop cultural touchstones, *White Negroes* is a dispatch in awe of black creativity everywhere and an urgent call for our thoughtful consumption.

It's been a lifetime (and three seasons) in the making, but Jane Gloriana Villanueva is finally ready to make her much-anticipated literary debut! Jane the Virgin, the Golden Globe, AFI, and Peabody Award-winning The CW dramedy, has followed Jane's telenovela-esque life—from her accidental artificial insemination and virgin birth to the infant kidnapping and murderous games of the villainous Sin Rostro to an enthralling who-will-she-choose love triangle. With these tumultuous events as inspiration, Jane's breathtaking first novel adapts her story for a truly epic romance that captures the hope and the heartbreak that have made the television drama so beloved. *Snow Falling* is a sweeping historical romance set in 1902 Miami—a time of railroad tycoons, hotel booms, and exciting expansion for the Magic City. Working at the lavish Regal Sol hotel and newly engaged to Pinkerton Detective Martin Cadden, Josephine Galena Valencia has big dreams for her future. Then, a figure from her past reemerges to change her life forever: the hotel's dapper owner, railroad tycoon Rake Solvino. The captivating robber baron sets her heart aflame once more, leading to a champagne-fueled night together. But when their indiscretion results in an unexpected complication, Josephine struggles to decide whether her heart truly belongs with heroic Martin or dashing Rake. Meanwhile, in an effort to capture an elusive crime lord terrorizing the city, Detective Cadden scours the back alleys of the Magic City, tracking the nefarious villain to the Regal Sol and discovering a surprising connection to the Solvino family. However, just when it looks like Josephine's true heart's desire is clear, danger strikes. Will her dreams for the future dissolve like so much falling snow or might Josephine finally get the happy ever after she's been dreaming of for so long?

This uplifting and beautifully illustrated gift book from award-winning actress Jenna Ortega will inspire you to lean into faith and love and family during life's most difficult, and most joyous, moments. I want you, my readers, to know that you are not alone. We are in this together. This collection from actress Jenna Ortega is filled with Jenna's own original quotes and affirmations, alongside intimate, personal stories about growing up Latina in Hollywood, working through depression, falling in—and out of—love, losing close family members, and so much more. Jenna has had to balance her acting career, her private life, and public expectations from a young age, and she's learned that the only way to get through it all is to wake up every morning and affirm her commitment to herself, her faith, her mental health, and her family. In this honest and moving debut, she shares openly and intimately what it means to live this life of self-appreciation. Jenna's vulnerability will remind readers that there's power within us all and we are not alone in our struggles.

Afghanistan. In the days before Homeira Qaderi gave birth to her son, Siawash, the road to the hospital in Kabul would often be barricaded because of the frequent suicide explosions. With the city and the military on edge, it was not uncommon for an armed soldier to point his gun at the pregnant woman's bulging stomach, terrified that she was hiding a bomb. Frightened and in pain, she was once forced to make her way on foot. Propelled by the love she held for her soon-to-be-born child, Homeira walked through blood and wreckage to reach the hospital doors. But the joy of her beautiful son's birth was soon overshadowed by other dangers that would threaten her life. No ordinary Afghan woman, Homeira refused to cower under the strictures of a misogynistic social order. Defying the law, she risked her freedom to teach children reading and writing and fought for women's rights in her theocratic and patriarchal society. Devastating in its power, *Dancing in the Mosque* is a mother's searing letter to a son she was forced to leave behind. In telling her story—and that of Afghan women—Homeira challenges you to reconsider the meaning of motherhood, sacrifice, and survival. Her story asks you to consider the lengths you would go to protect yourself, your family, and your dignity.

The book is divided into four chapters, and each chapter serves a different purpose. Deals with a different pain. Heals a different heartache. *Milk and Honey* takes readers through a journey of the most bitter moments in life and finds sweetness in them because there is sweetness everywhere if you are just willing to look.

April Green's *'Bloom for Yourself'* is a beautiful, tender book of poetic writing, woven into spiritual lessons on healing, growth, faith, and self-love. April's approach to writing is visceral; giving readers layer upon layer of thought-provoking optimism and faith. Her words are shared by thousands of people all over the world, including Jenna Dewan Tatum, Shantel Vansanten and Cartia Mallan. *'Bloom for Yourself'* is a book for anyone feeling lost, alone, depressed or unworthy. It is a book to be read many times over as you come to experience April's extraordinary gift for helping you understand that you are never truly alone.

Feeling stuck creatively, or just missing your spark? Try *The Line*—perfect for creators, or anyone looking for an adventure. From the revolutionary mind of *Wreck This Journal* author Keri Smith comes an encouraging guide to discovering and trusting your inner voice, all through the guise of making a simple line. As you move through the pages of this book, you'll be asked to start a line, and then to take it through a series of increasingly interesting and meaningful adventures, from letting your line meander or jump around the pages, to using it to help you explore your past, make decisions, and discover the good in your world. A deceptively simple journey, you'll discover that with your one original line, you have the power to transform the world. "Keri Smith may well be the self-help guru this DIY generation deserves." —*The Believer*

Men to Avoid in Art and Life pairs classical fine art with modern captions that epitomize the spirit of mansplaining. This hilarious book perfectly captures those relatable moments when a man explains to a woman a subject about which he knows considerably less than she does. Situations include men sharing keen insight on the female anatomy, an eloquent defense of catcalling, or offering sage advice about horseback riding to the woman who owns the horse. • These less qualified men of antiquity dish out mediocrity as if it's pure genius • For the women who have endured overbearing men over the centuries • Written with hilariously painful accuracy "Now, when you're riding a horse, you need to make sure to keep a good grip on the reins." "These are my horses." Through cringe-induced empathy, this timeless gift book of shared experiences unites women across history in one of the most powerful forms of resistance: laughter. • Started as a Twitter thread and quickly gained widespread popularity. • Makes a perfect book for women and feminists with a wry sense of humor, millennials, anyone who loves memes and Internet humor, as well as history and art buffs. • You'll love this book if you love books like *Men Explain Things to Me* by Rebecca Solnit, *Milk and Vine: Inspirational Quotes from Classic Vines* by Emily Beck, and *Awards For Good Boys: Tales Of Dating, Double Standards, And Doom* by Shelby Lorman.

A good poetry collection has a tender soul that deals with survival, violence, love, and loss using the frailty of language. *Milk and Money*, the unauthorized parody of the bestselling *Milk and Honey*, is none of these things, but it sure is hilarious. From New York Times bestselling author of POET X comes a story of a girl with talent, pride and a little bit of magic that keeps her fire burning bright. Ever since she got pregnant during freshman year, Emoni Santiago's life has been about making the tough decisions, doing what has to be done for her daughter and her abuela. The one place she can let all that go is in the kitchen. There, she lets her hands tell her what to cook, listening to her intuition and adding a little something magical every time, turning her food into straight-up goodness. Even though she's always dreamed of working in a kitchen after she graduates, Emoni knows that it's not worth her time to pursue the impossible. But then an opportunity presents itself to not only enrol in a culinary arts class in her high school, but also to travel abroad to Spain for an immersion program. Emoni knows that her decisions post high school have to be practical ones, but despite the rules she's made for her life — and everyone else's rules that she refuses to play by — once Emoni starts cooking, her only choice is to let her talent break free.

This e-book is a shorter version of the paperback, with the same beautifully designed content excluding the practical exercise pages - perfect to dip in and out, and choose which bits work best for you. Join the Calm revolution. Modern life is hectic and relentless: trains delayed, endless emails filling the inbox, kids squabbling before bedtime... There has never been a more important time to rediscover your pause button. Calm is the book that will show you how to take back a little bit of peace, space and all-important calm. This book contains the simple tools, tricks and habits that will change the rest your life. It is a practical and pleasurable guide to twenty-first century mindfulness. Regular meditation is medically proven to be good for you - it increases focus and creativity, productivity and job satisfaction, mental and even physical health. But in reality most of us don't have time to sit on a cushion with our eyes closed for half an hour every day. And many people associate meditation with hard work and huge lifestyle shifts: you might be imagining Buddhist monks locked in a mountain retreat and living off gruel... This is where Calm comes in. Calm is about simple, achievable habits that work with the demands of your busy life instead of pretending those demands don't exist. Calm does not require specialist training: it uses abilities that every single one of us is born with, like creativity, spontaneity and simply noticing the world around you. Calm is not a set of rules that you need to worry about following or breaking. It is inspirational, practical and non-prescriptive. Onerous, time-consuming meditation might seem out of reach but everyone can achieve calm - including you. Calm combines extracts from fascinating neurological research with wisdom from history's great thinkers and the real-life experiences of individuals across the globe. It demystifies mindfulness and shows you the many simple ways to be mindful while carrying on with your life. It is also a beautifully crafted object, filled with artwork and artistry, that will change your perspective by showing you the pleasures of the world anew. Take a walk with nowhere to go, savour a chocolate on the tip of your tongue, plant a seed, doodle aimlessly, turn off your mobile phone for five short minutes. Smile, breathe and go slowly. Michael Acton Smith has written a game-changing book, one that will finally balance everyone's need for calm with the realities of modern life. Join the Calm revolution. Calm your mind; change your world. Calm.com @calm

Comedian Gabbie Hanna brings levity to the twists and turns of modern adulthood in this exhilarating debut collection of illustrated poetry. In poems ranging from the singsong rhythms of children's verses to a sophisticated confessional style, Gabbie explores what it means to feel like a kid and an adult all at once, revealing her own longings, obsessions, and insecurities along the way. Adulthood announces the arrival of a brilliant new voice with a magical ability to connect through alienation, cut to the profound with internet slang, and detonate wickedly funny jokes between moments of existential dread. You'll turn to the last page because you get her, and you'll return to the first because she gets you.

In more than 600 striking, thought-provoking excerpts, grouped under 17 headings, Thoreau rails against injustice, gives voice to his love of nature, and advocates simplicity and conscious living. Note.

The Pulitzer Prize and Drama Critics Circle Award winning play. A Streetcar Named Desire is the tale of a catastrophic confrontation between fantasy and reality, embodied in the characters of Blanche DuBois and Stanley Kowalski. Fading southern belle Blanche DuBois is adrift in the modern world. When she arrives to stay with her sister Stella in a crowded, boisterous corner of New Orleans, her delusions of grandeur bring her into conflict with Stella's crude, brutish husband Stanley Kowalski. Eventually their violent collision course causes Blanche's fragile sense of identity to crumble, threatening to destroy her sanity and her one chance of happiness.
